Proposed No.: 2022-0089.1

1 **AMENDMENT TO PROPOSED ORDINANCE 2022-0089, VERSION 1**

2 On page 2, line 26, after "The" strike "Fall 2022"

3 On page 3, line 28, after "approved and" strike "shall be implemented effective  
4 September 17, 2022" and insert "should be implemented effective March 18, 2023"

5

6 **EFFECT prepared by *Mary Bourguignon*: The amendment would provide flexibility  
7 in the timing of the implementation of Metro’s service change to replace the existing  
8 Route 120 with the new RapidRide H Line, as ongoing supply chain issues and labor  
9 actions may cause implementation to be delayed.**

10

11 **The ordinance as transmitted states that the service change “shall” be implemented  
12 effective September 17, 2022. The amendment would state that the service change  
13 “should” be implemented effective March 18, 2023, so that the change could be  
14 implemented as part of the Spring 2023 service change if necessary. The amendment  
15 would also remove the reference to this being the “Fall 2022” service change.**
