The Honorable Dave Upthegrove  
Chair, King County Council  
Room 1200  
C O U R T H O U S E

Dear Councilmember Upthegrove:

This letter transmits a proposed Ordinance that, if enacted, would vacate King County's interest in a portion of South 370th Street/9th Street right-of-way containing an area of approximately 3,373 square feet located in the Auburn area of unincorporated King County.

Adoption of the proposed Ordinance will convert this right-of-way to the private use and ownership of the petitioners Marcus E. Curtis and John S. and Suzanne Schreier. Upon vacation, the County will no longer be responsible for maintenance or management of this portion of right-of-way and the public will benefit in the form of returning the property to the property tax rolls.

The findings in the attached County Road Engineer's report for this road vacation show that the subject right-of-way has no use as part of the County road system and the public would benefit by the vacation of this right-of-way to the petitioners. It is the recommendation of the County Road Engineer and the Director of the Road Services Division that the vacation be approved. As determined by the compensation model prepared by the Office of Performance, Strategy and Budget, there is no charge to the petitioners.

The procedure for vacation of the subject portion of right-of-way is set forth in King County Code (KCC) section 14.40 and the Revised Code of Washington (RCW) Chapter 36.87, which establishes the right of abutting property owners to petition a County legislative body for the vacation of road rights-of-way.

After introduction of the proposed Ordinance and the establishment of a public hearing date by the Hearing Examiner, a notice of the public hearing is posted at the site of the road vacation. After the public hearing, the Hearing Examiner will prepare final recommendations to the King County Council. Recommendations of the Hearing Examiner will be heard by the Council per KCC 14.40.

The Honorable Dave Upthegrove
