RE: **File No. 2372 – W.D. 119 – Mundy/Dunlap Annexation**

Dear Mr. Harris:

The Boundary Review Board has returned the above referenced Notice of Intention (NOI) to your office for the following reasons:

1. The Assessor's office discovered that the legal description and the assessor's map submitted with the Notice of Intention do not match.
2. Water District 119 does not have a current water comprehensive plan with the County. Please contact Steve Hirschey, Chair of the Utilities Technical Review Committee (UTRC), at 206-477-5387 or Steve.Hirschey@kingcounty.gov for information about submitting a water comprehensive plan for approval.

Once these issues are resolved, we will be able to accept a Notice of Intention for review by the Board.

Please contact me at 206-477-0634 if you have any questions.

Sincerely,

Lenora Blauman,
Executive Secretary,
King County Boundary Review Board
