DESCRIPTION OF THE BONDS

The Bonds will be dated the date of their initial delivery. The Bonds bear interest payable semiannually on each June 1 and December 1, beginning June 1, 2016, to the maturity of the Bonds. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds will mature on the dates and in the amounts set forth on page i of the Preliminary Official Statement.

The Bonds are issuable only as fully registered bonds and, when issued, will be registered in the name of Cede & Co. as Bond owner and nominee for The Depository Trust Company ("DTC"). DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their interest in the Bonds purchased. The principal of and interest on the Bonds are payable by the fiscal agent for the State of Washington (currently U.S. Bank National Association) (the "Registrar"), to DTC, which in turn is obligated to remit such principal and interest to the DTC participants for subsequent disbursement to beneficial owners of the Bonds.

Maturities—2016A Bonds

The bidder for the 2016A Bonds will designate whether the principal amounts of the 2016A Bonds as set forth below will be retired on December 1 of each respective year as serial bonds maturing on such dates or as mandatory sinking fund redemptions of the 2016A Bonds maturing in the years specified by the bidder ("Term Bonds").

2016A BONDS

Serial Maturity or Mandatory Sinking Fund Redemption	Principal Amounts⁽¹⁾	Serial Maturity or Mandatory Sinking Fund Redemption	Principal Amounts⁽¹⁾
12/1/2019	\$ 765,000	12/1/2025	\$ 1,995,000
12/1/2020	1,065,000	12/1/2026	2,095,000 ⁽²⁾
12/1/2021	1,660,000	12/1/2027	2,180,000 ⁽²⁾
12/1/2022	1,725,000	12/1/2028	2,265,000 ⁽²⁾
12/1/2023	1,810,000	12/1/2029	2,360,000 ⁽²⁾
12/1/2024	1,900,000	12/1/2030	2,455,000 ⁽²⁾

(1) Preliminary, subject to change.

(2) These amounts will constitute principal maturities of the 2016A Bonds unless Term Bonds are specified by the successful bidder, in which case these amounts may constitute mandatory sinking fund redemptions of the Term Bonds.

If the successful bidder for the 2016A Bonds designates certain maturities of the 2016A Bonds as Term Bonds, the County will deposit money, consistent with the Bond Ordinance (defined in the Preliminary Official Statement), and will retire 2016A Bonds by purchase or redemption on December 1 of the years and in the amounts designated by such successful bidder to be mandatory sinking fund redemptions of the Term Bonds.

Redemption of the 2016A Bonds

Optional Redemption. The County reserves the right to redeem outstanding 2016A Bonds maturing on or after December 1, 2026, in whole or in part, at any time on or after December 1, 2025, at the price of par plus accrued interest, if any, to the date fixed for redemption.

Mandatory Sinking Fund Redemption of Term Bonds. The County will redeem Term Bonds, if not redeemed as described above or purchased under the provisions described below, randomly (or in such manner as the Registrar determines), at the price of par plus accrued interest, on December 1 in the years and amounts specified by the successful bidder.

If the County redeems Term Bonds under the optional redemption provisions described above or purchases or defeases Term Bonds, the Term Bonds so redeemed, purchased, or defeased (irrespective of their redemption or purchase prices) will be credited at the par amount thereof against one or more scheduled mandatory redemption amounts for the Term Bonds. The County will determine the manner in which the credit is to be allocated. If no such determination is made, credit will be allocated on a pro rata basis.

Selection of Bonds for Redemption. If fewer than all of the 2016A Bonds subject to optional redemption are called for redemption, the County will choose the maturities to be redeemed. If fewer than all of the 2016A Bonds maturing on the same date are called for redemption, the Registrar will select for redemption such 2016A Bonds or portions thereof randomly, or in such other manner as the Registrar determines, except that, for so long as the 2016A Bonds are registered in the name of DTC or its nominee, DTC will select for redemption such 2016A Bonds or portions thereof in accordance with the DTC Letter of Representations. In no event will any 2016A Bond be outstanding in a principal amount that is not \$5,000 or any integral multiple thereof.

Notice of Redemption. While 2016A Bonds are held by DTC in book-entry only form, any notice of redemption must be given at the time, to the entity, and in the manner required by DTC in accordance with the DTC Letter of Representations, and the Registrar is not required to give any other notice of redemption. See "The Bonds—Book-Entry System" and Appendix E in the Preliminary Official Statement. If the 2016A Bonds cease to be in book-entry only form, unless waived by any registered owner of the 2016A Bonds to be redeemed, the County will cause notice of any intended redemption of 2016A Bonds to be given by the Registrar not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the registered owner of any 2016A Bond to be redeemed at the address appearing on the registration books for the 2016A Bonds maintained by the Registrar at the time the Registrar prepares the notice. The notice requirements of the Bond Ordinance will be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the owner of any 2016A Bond.

Conditional Redemption; Cancellation of Redemption. In the case of an optional redemption, the notice of redemption may state that the County retains the right to rescind the redemption notice and the redemption by giving a notice of rescission to the affected registered owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is so rescinded will be of no effect, and the 2016A Bonds for which a notice of optional redemption has been rescinded will remain outstanding.

Effect of Redemption. Interest on each 2016A Bond called for redemption will cease to accrue on the date fixed for redemption, except in the case of a rescinded optional redemption as described above, or unless the 2016A Bond or 2016A Bonds called are not redeemed when presented pursuant to the call.

Redemption of the 2016B Bonds

The 2016B Bonds are not subject to redemption prior to maturity.

Purchase of Bonds

The County has reserved the right and option to purchase any or all of the Bonds at any time at any price.

Security

The Bonds are general obligations of the County. The County irrevocably covenants and agrees that, for as long as any Bonds are outstanding and unpaid, each year it will include in its budget and levy an *ad valorem* tax upon all the property within the County subject to taxation in an amount that will be sufficient, together with all other revenues and money of the County legally available for such purposes, to pay the principal of and interest on the Bonds as the same will become due. The County irrevocably pledges that the annual tax to be levied for the payment of such principal and interest will be within and as a part of the tax levy permitted to counties without a vote of the people, and that a sufficient portion of the taxes to be levied and collected annually by the County prior to the full payment of the principal of and interest on the Bonds will be and is irrevocably set aside, pledged, and appropriated for the payment of the principal of and interest on the Bonds. The full faith, credit, and resources of the County are irrevocably pledged for the annual levy and collection of said taxes and for the prompt payment of the principal of and interest on the Bonds as the same will become due.

The County always has made principal and interest payments on outstanding bonds and notes when due.

BIDDING INFORMATION AND AWARD

Bidding Information

Bidders are invited to submit bids for the purchase of either or both Series of the Bonds fixing the interest rate that such Series of the Bonds will bear. The interest rates bid for the 2016A Bonds must be in a multiple of 1/8 or 1/20 of 1%. The interest rates bid for the 2016B Bonds must be in a multiple of 1/8 or 1/100 of 1%. No more than one rate of interest may be fixed for any single maturity of a Series of the Bonds. Bidders must specify interest rates equal to or greater than 4.00% for each maturity of the 2016A Bonds maturing on or after December 1, 2026. Bids will be without condition and may be submitted only electronically via Parity.

No bid will be considered for the 2016A Bonds that is less than an amount equal to 114% of the par value of the 2016A Bonds or more than an amount equal to 125% of the par value of the 2016A Bonds, or for less than the entire offering of the 2016A Bonds.

No bid will be considered for the 2016B Bonds that is less than an amount equal to 98% of the par value of the 2016B Bonds or more than an amount equal to 101% of the par value of the 2016B Bonds, or for less than the entire offering of the 2016B Bonds.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours after submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Bidding Process

By submitting an electronic bid for a Series of the Bonds, each bidder thereby agrees to the following terms and conditions:

- (i) If any provision in this Official Notice of Sale conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any modification or postponement communicated as described under "Modification, Postponement, Cancellation," will control.
- (ii) Bids may be submitted only via Parity. The bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting a bid timely and in compliance with the requirements of this Official Notice of Sale.
- (iii) The County has no duty or obligation to provide or assure access to Parity, and will not be responsible for the proper operation of Parity, or have any liability for any delays or interruptions or any damages caused by the use or attempted use of Parity.

- (iv) The County is using Parity as a communication mechanism, and not as an agent of the County.
- (v) Upon acceptance of a bid by the County, this Official Notice of Sale and the information that is electronically transmitted through Parity will form a contract between the bidder and the County.

If all bids for a Series of the Bonds are rejected, the Finance Director may fix a new date and time for the receipt of bids for such Series by giving notice under the procedures as described under "Modification, Postponement, Cancellation" on or before the day prior to such new date and time.

Good Faith Deposit

The successful bidder for each Series of the Bonds is required to deliver a good faith deposit in the amount of \$220,000 with respect to the 2016A Bonds and \$26,000 with respect to the 2016B Bonds by federal funds wire transfer to the Treasury Section of the Finance and Business Operations Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. Wiring instructions will be provided to the successful bidder for each Series at the time of the verbal award.

The good faith deposit of the successful bidder for each Series of the Bonds will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of such Series on the delivery of such Series to the successful bidder. Pending delivery of the Bonds, the good faith deposit for each Series of the Bonds may be invested for the sole benefit of the County.

If the Bonds are ready for delivery and the successful bidder for a Series of the Bonds fails to complete the purchase of such Series within 30 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

Bids for the Bonds may not be conditioned upon obtaining insurance or any other credit enhancement. If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor will be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance will be paid by such bidder, unless otherwise paid. Any failure of such Series of the Bonds to be so insured or of any such policy of insurance to be issued will not in any way relieve the successful bidder of its contractual obligations arising from the acceptance of its proposal for the purchase of such Series.

If the successful bidder for the 2016A Bonds purchases insurance for the 2016A Bonds, the County may require the successful bidder to furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel confirming that the insurance premium is less than the present value (calculated using the same yield as the yield on the insured 2016A Bonds) of the interest cost savings represented by the comparative differences between interest amounts that would have been payable on the various maturities of the insured 2016A Bonds at interest rates on the insured 2016A Bonds issued with and without the insurance on the insured 2016A Bonds.

Award

Each Series of the Bonds will be sold to the bidder making a bid for such Series that conforms to the terms of the offering and that, on the basis of the lowest true interest cost, is the best bid. For the purpose of comparing bids only, each bid must state the true interest cost of the bid determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount each debt service payment from the payment date to the date of such Series and to the price bid.

If there are two or more equal bids for a Series of the Bonds and those bids are the best bids received, the Finance Director will determine which bid will be presented to the County Council for its consideration. The County reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process. If all bids for an offering are rejected, such Series may be re-advertised for sale in the manner provided by law and as described above.

Adjustment of Principal Amount and Bid Price After Bid Opening

The County has reserved the right to increase or decrease the preliminary principal amount of the 2016A Bonds by an amount not to exceed 10% of the principal amount of the 2016A Bonds following the opening of the bids. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the 2016A Bonds by 15% of the principal amount of that maturity. In addition, the County has reserved the right to modify the preliminary principal amount of the 2019 maturity of the 2016A Bonds by up to \$350,000.

The County has reserved the right to increase or decrease the preliminary principal amount of the 2016B Bonds by an amount not to exceed 10% of the principal amount of the 2016B Bonds following the opening of the bids. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the 2016B Bonds by 15% of the principal amount of that maturity. In addition, the County has reserved the right to modify the preliminary principal amount of the 2016 maturity of the 2016B Bonds by up to \$50,000 and the 2019 maturity of the 2016B Bonds by up to \$265,000.

The price bid by the successful bidder for each Series of the Bonds will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount of such Series. In the event that the County elects to increase or decrease the principal amount of such Series after the bid pursuant to this Official Notice of Sale, the underwriter's discount for such Series, expressed in dollars per thousand, will be held constant. The County will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder, or (ii) the true interest cost of the winning bid or its ranking relative to other bids.

Issue Price Information

Upon award of the Bonds, the successful bidder for each Series of the Bonds must advise the County and Bond Counsel of the initial reoffering prices to the public of such Series (the "Initial Reoffering Prices"). Simultaneously with or before delivery of the 2016A Bonds, the successful bidder for the 2016A Bonds (but not the 2016B Bonds) is required to furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

- (i) confirming the Initial Reoffering Price for each maturity of the 2016A Bonds;
- (ii) certifying that a *bona fide* initial public offering of the 2016A Bonds was made on the date of sale of the Bonds (the "Sale Date");
- (iii) certifying facts establishing the successful bidder's reasonable expectations, as of the Sale Date, that the Initial Reoffering Price for each maturity of the 2016A Bonds would be the first price at which at least 10% of the par amount of such maturity would be sold to the public, excluding bond houses, brokers, and other intermediaries, including, without limitation, the successful bidder and any selling group of which the successful bidder is a part, directly or indirectly (the "Public"); and
- (iv) certifying that the Initial Reoffering Price for each maturity of the 2016A Bonds was in fact the first price at which at least 10% of the principal amount of such maturity was sold to the Public, except for specified maturities, if applicable.

Delivery

The County will deliver each Series of the Bonds (consisting of one certificate per maturity of each Series) to DTC in New York, New York, or to the Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing will occur within 30 days after the Sale Date. Settlement will be in federal funds available in Seattle, Washington, on the date of delivery of the Bonds (the "Date of Issue"). Delivery is expected to be March 10, 2016.

If, prior to the delivery of the 2016A Bonds, the interest receivable by the owners of the 2016A Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in the Preliminary Official Statement, the successful bidder, at its option, may be relieved of its obligation to purchase the 2016A Bonds, and in that case the good faith deposit accompanying its bid will be returned without interest.

Legal Matters

The Purchaser of each Series of the Bonds will be provided with the approving legal opinion of Hillis Clark Martin & Peterson P.S., Seattle, Washington, Bond Counsel, with respect to such Series, at the time of the delivery of such Series. Bond Counsel's opinions will express no opinion concerning the accuracy, completeness, or sufficiency of the Preliminary Official Statement or other offering material relating to the Bonds, nor will there be an opinion of Bond Counsel relating to the undertaking of the County to provide ongoing disclosure pursuant to Securities and Exchange Commission ("SEC") Rule 15c2-12 ("Rule 15c2-12"). A no-litigation certificate will be included in the closing papers of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on the Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the successful bidder for each Series of the Bonds to accept delivery of and pay for such Series in accordance with the terms of this Official Notice of Sale.

The successful bidder for each Series of the Bonds is responsible for obtaining CUSIP numbers for such Series. The charge of the CUSIP Service Bureau will be paid by the successful bidder.

OTHER INFORMATION**Ongoing Disclosure Undertaking**

To assist bidders in complying with paragraph (b)(5) of Rule 15c2-12, the County will undertake to provide certain annual financial information and notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement under "Legal and Tax Information—Continuing Disclosure Undertaking" and will also be set forth in the final Official Statement.

Preliminary Official Statement

The Preliminary Official Statement is in a form that the County has deemed final for the purpose of paragraph (b)(1) of Rule 15c2-12, but is subject to revision, amendment, and completion in a final Official Statement, which the County will deliver, at the County's expense, to the Purchaser of each Series of the Bonds through its designated representative not later than seven business days after the County's acceptance of such Purchaser's bid, in sufficient quantities to permit such Purchaser to comply with Rule 15c2-12.

By submitting the successful proposal, the Purchaser of each Series of the Bonds agrees:

- (i) to provide to the Finance and Business Operations Division, in writing, within 24 hours after the acceptance of the bid, pricing and other related information, including the Initial Reoffering Price of each maturity of such Series, necessary for completion of the final Official Statement;
- (ii) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the County;
- (iii) to take any and all actions necessary to comply with applicable rules of the SEC and the Municipal Securities Rulemaking Board ("MSRB") governing the offering, sale, and delivery of such Series to the ultimate purchasers, including the delivery of a final Official Statement to each investor who purchases such Series; and
- (iv) to file the final Official Statement or cause it to be filed with the MSRB within one business day following its receipt from the County.

Official Statement

At closing, the County will furnish a certificate of an official or officials of the County, stating that, to the best knowledge of such official(s), as of the date of the Official Statement and as of the Date of Issue of the Bonds:

- (i) the information (including financial information) regarding the County contained in the Official Statement was and is true and correct in all material respects and did not and does not contain any untrue statement of a material fact or omit any statement or information which is necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (however, the County will make no representation regarding Bond Counsel's form of opinion or the information provided by DTC, U.S. Bank National Association, the Purchaser of each Series of the Bonds, or any entity providing bond insurance or other credit facility); and
- (ii) the descriptions and statements, including financial data, of or pertaining to other bodies and their activities contained in the Official Statement have been obtained from sources that the County believes to be reliable and the County has no reason to believe that they are untrue in any material respect.
