In the event that any suit based upon such a claim, action, loss, or damage is brought against the County, the Department agrees to defend the same at its sole cost and expense; provided that the County retains the right to participate in said suit if any principle of governmental or public laws is involved. Said participation shall not compromise the ability of the “Department” to settle the suit if it deems that course advisable. If final judgment is rendered against the County, its officers, agents, and employees, or any of them, or jointly against the County and the Department and their

respective officers, agents, and employees, or any of them, the Department agrees to satisfy the same.

Section 6.3 In executing this Agreement, the County does not assume liability or responsibility for or in any way release the Department from any liability or responsibility, which arises in whole or in part from the existence or effect of Department rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such Department rule or regulation is at issue, the Department agrees to defend the same at its sole expense and if judgment is entered or damages are awarded against the Department, the County, or both, the Department shall satisfy the same, including all chargeable costs and attorney's fees.

Section 6.4 In executing this Agreement, the Department does not assume liability or responsibility for or in any way release the County from any liability or responsibility, which arises in whole or in part from the existence or effect of County rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such County rule or regulation is at issue, the County agrees to defend the same at its sole expense and if judgment is entered or damages are awarded against the County, the Department, or both, the County shall satisfy the same, including all chargeable costs and attorney's fees.
