5 within council district 3.

6
7 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

8 **SECTION 1. Findings:**

9 A. The King County council, on November 26, 1991, by Ordinance 10182,
10 adopted the annual budget and program and provided therein for a transportation program
11 in 1992. A budget proviso instructed the King County executive to submit a
12 supplemental budget request by April 1, 1992, to appropriate funds for preliminary
13 engineering and environmental impact studies. And on June 15, 1992, the King County
14 council, by Ordinance 10424, approved the supplemental budget. The King County
15 council, on November 19, 2001, by Ordinance 14265, adopted the annual budget and
16 program for 2002 and appropriated funds for the acquisition of right-of-way for the N.E.
17 Novelty Hill Road project.

18 B. The capital budget and program provides for the acquisition of land necessary
19 for the improvement of N.E. Novelty Hill Road, Phase 1, Right-of-Way Number 9-2005-
20 007, Capital Improvement Project ("CIP") Number 100992. Acquisition of such land is
21 required to construct and rebuild 196th Avenue N.E./195th Avenue N.E. with two lanes
22 and full shoulders, extending from N.E. Novelty Hill Road to N.E. Union Hill Road,
23 widening N.E. Union Hill Road to four lanes, extending from 196th Avenue N.E. to the
24 vicinity of 192nd Avenue N.E., construct a new bridge over Evans Creek on N.E. Union
25 Hill Road, re-align Lower Stensland Creek at 95th Street N.E. and install two storm water
26 treatment facilities.

27 C. In order to acquire the property and property rights required to improve N.E.
28 Novelty Hill Road, Phase 1, it is necessary for King County to condemn the land and
29 property rights and rights in property for road purposes of parcel numbers 47, 49, 201,
30 203, 205, 207, 209 and 310 as more particularly set forth.

31 D. The King County council finds that public health, safety, necessity and
32 convenience demand that N.E. Novelty Hill Road, Phase 1, be improved within King
33 County in accordance with the capital budget and program, and that those certain
34 properties, property rights and rights in property of parcel numbers 47, 49, 201, 203, 205,
35 207, 209 and 310 be condemned, appropriated, taken and damaged for the purposes
36 herein described.

37 SECTION 2. The King County council has deemed it necessary and in the best
38 interest of the citizens of King County that the lands described in Attachments A and B to
39 this ordinance be condemned, appropriated, taken, and damaged for the purposed of the
40 above-described improvements of N.E. Novelty Hill Road, Phase 1, Right-of-Way

41 Number 9-2005-007, CIP number 100992, subject to the making or paying of just
42 compensation to the owners herein in the manner provided by law.
