The Honorable Dave Upthegrove
Chair, King County Council Room 1200
C O U R T H O U S E

Dear Councilmember Upthegrove:

This letter transmits the Annual Report on King County Metro Fare Enforcement and Fare Violation Programs, in compliance with Ordinance 18789 and King County Code 2.16.142.

The King County Metro Fare Violation Program has operated since January 2019, supporting Metro's Fare Enforcement Program and Metro riders who are issued fare payment violations by King County Metro Fare Enforcement. The Fare Violation Program assists customers in resolving violations apart from the criminal legal system and in a manner that prioritizes their needs for sustaining access to transit and transit fare resources. This annual report presents updates on Metro's Fare Enforcement and the Fare Violation Programs' activity.

In March 2020, King County Metro Fare Enforcement operations were temporarily paused when Metro suspended fare collection as part of the transit agency's response to the onset of the COVID-19 pandemic in our region. While Metro resumed fare collection in October 2020, fare enforcement operations remain suspended at this time, as Metro is prioritizing the health and safety of our riders and Metro employees.

King County is currently working to reform its transit safety, security, and fare enforcement policies and practices through the SaFE reform initiative. The outcomes of the SaFE initiative will impact Metro's Fare Enforcement Program moving forward.
