SUMMARY OF RECOMMENDATIONS:

Department's Recommendation:	Approve 16.65 acres for 50% of assessed value
Examiner's Recommendation:	Approve 16.65 acres for 50% of assessed value

PRELIMINARY REPORT:

On July 22, 2020, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E19CT029 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on July 30, 2020.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owners:	Michael and Jennifer Binetti 25207 SE 416th Street Enumclaw, WA 98022
Location:	25207 SE 416th Street, Enumclaw
STR:	NE 14-20-6
Zoning:	A35
Parcel no/s.:	1420069036, 1420069129
Total acreage:	18.94 acres (two parcels)

- The Binettis timely filed an application to King County for the Public Benefit Rating System (PBRS) program current use valuation of the property to begin in 2020. As required by law, notification of the application occurred.
- The Binettis requested credit for the farm and agricultural conservation land category. They are currently managing the area according to an approved King Conservation District (KCD) farm management plan. DNRP recommends approval of this five-point category.
- The Binettis also requested credit under the rural open space category. This category requires at least 10 acres of native vegetation, and the enrolling area is entirely pasture. DNRP recommends against approval of the rural open space category.
- As to the land area recommended for PBRS enrollment, the Binettis requested enrollment for a total of 17.20 acres across their two contiguous properties, and DNRP recommends a total of 16.65 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)

6. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the July 30, 2020, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
7. Approval of five points and a current use valuation of 50% of assessed value for the enrolling 16.65 acres is consistent with KCC Chapter 20.36 and with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

APPROVE a current use valuation of 50% of assessed value for the 16.65-acre enrolled portion of the property.

DATED August 13, 2020.

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD). Appeal statements may refer only to facts contained in the hearing record; new facts may not be presented on appeal. KCC 20.22.230 also requires that the appellant provide copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner's recommendation.

Prior to the close of business (4:30 p.m.) on *September 7, 2020*, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the Clerk of the Council's Office, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. If the Office of the Clerk is not officially open on the specified closing date, delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

Unless both a timely and sufficient appeal statement and filing fee are filed by *September 7, 2020*, the Clerk of the Council shall place on the agenda of the next available Council meeting a proposed ordinance implementing the Examiner’s recommended action. At that meeting the Council may adopt the Examiner’s recommendation, defer action, refer the matter to a Council committee, or remand to the Examiner for further hearing or further consideration.

If a timely and sufficient appeal statement and filing fee are filed by *September 7, 2020*, the Examiner will notify all parties and interested persons and provide information about “next steps.”
