**SUBJECT:** Franchise Agreement for Rose Hill Water Facilities

Dear Carol Thompson:

Thank you for the updated Agreement for water franchises. The city approves of the franchise agreement and I can confirm we are ready to move forward with submittal to the King County Council for execution of the ordinance and franchise for the Rose Hill area.

Please continue to work with Scott Thomasson of the Utility Engineering Division for completion of this franchise application.

If you need further assistance, Scott can be reached by phone: (425) 556.2829 or by email: [sthomasson@redmond.gov](mailto:sthomasson@redmond.gov).

Sincerely,

A handwritten signature in black ink that reads 'William J. Campbell'.
