Proposed No.: 2024-0279.2

AMENDMENT TO STRIKING AMENDMENT S1 TO PROPOSED MOTION

2 2024-0279, VERSION 2

3 On page 3, beginning on line 55, strike everything through line 58, and insert:

4 "B. For the purpose of the implementation plan, workforce housing should be

defined as housing that is affordable to households with one or more workers that is

6 located near jobs and services necessary for residents to meet their day-to-day needs,

such as grocery stores and public transportation."

9 EFFECT prepared by A. Sanders: Would amend the definition of workforce housing

10 to remove the reference that workforce housing is reasonably close to regional and

11 subregional job centers. Instead, it would be broadened to "located near jobs and

12 services necessary for residents" to meet their day-to-day needs.
