DESCRIPTION OF THE BONDS

The Bonds will be dated the date of their initial delivery. The Bonds bear interest payable semiannually on each June 1 and December 1, beginning June 1, 2013, to the maturity or prior redemption of the Bonds. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds will mature on the dates and in the years and amounts set forth on page i of this Official Statement.

The Bonds are issuable only as fully registered bonds and when issued will be registered in the name of Cede & Co. as Bond owner and nominee for The Depository Trust Company, New York, New York (“DTC”). DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their interest in the Bonds purchased. The principal of and interest on the Bonds are payable by the fiscal agency for the State of Washington, currently The Bank of New York Mellon in New York, New York (the “Registrar”), to DTC, which in turn is obligated to remit such principal and interest to the DTC participants for subsequent disbursement to beneficial owners of the Bonds.

Election of Maturities—2012E Bonds

The bidder for the 2012E Bonds will designate whether the principal amounts of the 2012E Bonds as set forth below will be retired on December 1 of each respective year as serial bonds maturing in such year or as mandatory sinking fund redemptions of 2012E Bonds maturing in the years specified by the bidder (“2012E Term Bonds”).

<u>Serial Maturity or Mandatory Sinking Fund Redemption (December 1)</u>	<u>Principal Amounts*</u>	<u>Serial Maturity or Mandatory Sinking Fund Redemption (December 1)</u>	<u>Principal Amounts*</u>
2013	\$ 1,000,000	2021	\$ 180,000
2014	1,005,000	2022	190,000
2015	3,175,000	2023	195,000
2016	4,775,000	2024	205,000
2017	4,990,000	2025	215,000
2018	4,210,000	2026	225,000
2019	4,395,000	2027	235,000
2020	175,000		

* Preliminary, subject to change.

The County will deposit money, consistent with the Bond Ordinance, and will retire the 2012E Bonds by purchase or redemption on or before December 1 of the years and in the amounts, if any, designated by the bidder to be mandatory sinking fund redemptions as provided for above.

Maturity—2012F Bonds

The 2012F Bonds will mature on December 1, 2022.

Redemption of the 2012E Bonds

Optional Redemption. The County reserves the right to redeem outstanding 2012E Bonds maturing on or after December 1, 2023, in whole or in part, at any time on or after December 1, 2022, at the price of par plus accrued interest, if any, to the date fixed for redemption.

Mandatory Sinking Fund Redemption of 2012E Term Bonds. If not previously redeemed as described above or purchased under the provisions described below, the 2012E Term Bonds will be called for mandatory sinking fund redemption (in such manner as the Registrar may determine) at a price of par, plus accrued interest to the date fixed for redemption, on December 1 in the years and amounts specified by the successful bidder.

If the County redeems 2012E Term Bonds under the optional redemption provisions described above or purchases or defeases 2012E Term Bonds, the 2012E Term Bonds so redeemed, purchased, or defeased (irrespective of their actual redemption or purchase prices) will be credited at the par amount thereof against one or more scheduled mandatory redemption amounts for the 2012E Term Bonds in the manner to be determined by the County or, if no such determination is made, on a *pro rata* basis.

Redemption of the 2012F Bonds

Optional Redemption with Make-Whole Premium. The County reserves the right and option to redeem the 2012F Bonds prior to their stated maturity dates, as a whole or in part, on any Business Day (defined as a day other than a day on which commercial banks located in Seattle, Washington, or New York, New York, are required or authorized by law to close), at the Make-Whole Redemption Price determined by the Designated Investment Banker, as defined below.

“Make-Whole Redemption Price” means, with respect to any redemption date for a particular 2012F Bond, the greater of (i) the issue price of the 2012F Bonds (as set forth on page i of this Official Statement) (but not less than 100% of the principal amount of the 2012F Bonds to be redeemed), or (ii) the sum of the present values of the remaining scheduled payments of principal of and interest on the 2012F Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the 2012F Bonds are to be redeemed, discounted on a semi-annual basis to the date on which such 2012F Bonds are to be redeemed, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate plus 25 basis points, plus accrued and unpaid interest on the 2012F Bonds to be redeemed on the redemption date.

“Treasury Rate” means, with respect to any redemption date for a particular 2012F Bond, the rate per annum, expressed as a percentage of the principal amount, equal to the semi-annual equivalent yield to maturity or interpolated maturity of the Comparable Treasury Issue (defined below), assuming that the Comparable Treasury Issue is purchased on the redemption date for a price equal to the Comparable Treasury Price (defined below), as calculated by the Designated Investment Banker.

“Comparable Treasury Issue” means, with respect to any redemption date for a particular 2012F Bond, the United States Treasury security or securities selected by the Designated Investment Banker that has an actual or interpolated maturity comparable to the remaining average life of such 2012F Bond to be redeemed, and that would be utilized in accordance with customary financial practice in pricing new issues of debt securities of comparable maturity to the remaining average life of such 2012F Bond to be redeemed.

“Comparable Treasury Price” means, with respect to any redemption date for a particular 2012F Bond:

- (i) if the Designated Investment Banker receives at least five Reference Treasury Dealer Quotations (defined below), the average of such quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotation, or
- (ii) if the Designated Investment Banker obtains fewer than five Reference Treasury Dealer Quotations, the average of all such quotations.

“Designated Investment Banker” means one of the Reference Treasury Dealers appointed by the County.

“Reference Treasury Dealer” means each of five firms, specified by the County from time to time, that are primary United States Government securities dealers in the City of New York (each, a “Primary Treasury Dealer”), which may include one or more of the purchasers of the Bonds; provided, however, that if any of them ceases to be a Primary Treasury Dealer, the County will substitute another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date for a particular 2012F Bond, the average, as determined by the Designated Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the County and the Bond Registrar by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the date specified in the redemption notice, which date can be no earlier than four days after the date of the redemption notice and no later than four days preceding such redemption date.

Extraordinary Optional Redemption. The 2012F Bonds are subject to extraordinary optional redemption at any time prior to their stated maturity at the option of the County, in whole or in part, upon the occurrence of an Extraordinary Event, at a redemption price (the “Extraordinary Optional Redemption Price”) equal to the greater of (i) 100% of the principal amount of the 2012F Bonds to be redeemed, or (ii) the sum of the present values of the remaining scheduled payments of principal of and interest on the 2012F Bonds to be redeemed (taking into account any mandatory sinking fund redemptions on a *pro rata* basis), not including any portion of those payments of interest accrued and unpaid as of the date on which the 2012F Bonds are to be redeemed, on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate plus 100 basis points, plus accrued and unpaid interest on the 2012F Bonds to be redeemed to the redemption date. See “Preliminary Official Statement—Description of the Bonds—Redemption.”

An “Extraordinary Event” will have occurred if (i) Section 54D or Section 6431 of the Internal Revenue Code of 1986, as amended (the “Code”), is modified or amended in a manner pursuant to which the Refundable Credit payment due to the County from the United States Treasury with respect to the 2012F Bonds is reduced or eliminated, or (ii) guidance is published by the Internal Revenue Service or the United States Treasury with respect to such Code sections that places one or more substantive new conditions on the receipt by the County of such Refundable Credit payments and such condition(s) are unacceptable to the County.

General Redemption Provisions

Selection of Bonds for Redemption. If fewer than all of the Bonds subject to redemption are called for redemption, the County will choose the maturities to be redeemed. If fewer than all of the Bonds maturing on the same date are called for redemption, the Registrar will select for redemption such Bonds or portions thereof randomly, or in such other manner as the Registrar determines, except that, for so long as the Bonds are registered in the name of DTC or its nominee, DTC will select for redemption such Bonds or portions thereof in accordance with the DTC Letter of Representation. In no event will any Bond be outstanding in a principal amount that is not \$5,000 or any integral multiple thereof.

Notice of Redemption. While Bonds are held by DTC in book-entry only form, any notice of redemption must be given at the time, to the entity, and in the manner required by DTC in accordance with the DTC Letter of Representation, and the Registrar is not required to give any other notice of redemption. See “The Bonds—Book-Entry System” and Appendix E in the Preliminary Official Statement. If the Bonds cease to be in book-entry only form, unless waived by any Registered Owner of the Bonds to be redeemed, the County will cause notice of any intended redemption of Bonds to be given by the Registrar not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of

any Bond to be redeemed at the address appearing on the Register at the time the Registrar prepares the notice. The notice requirements of the Bond Ordinance will be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the owner of any Bond.

Rescission of Redemption. In the case of an optional redemption, the redemption notice may state that the County retains the right to rescind the redemption notice and the related optional redemption of Bonds by giving a notice of rescission to the affected registered owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is so rescinded will be of no effect, and the Bonds for which the notice of optional redemption has been rescinded will remain outstanding.

Effect of Redemption. Interest on Bonds called for redemption will cease to accrue on the date fixed for redemption, except in the case of a rescinded optional redemption as described above, or unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

Purchase of Bonds

The County has reserved the right to purchase any or all of the Bonds on the open market at any time at any price.

Security

The Bonds are general obligations of the County. The County has irrevocably covenanted that, for as long as any of the Bonds are outstanding and unpaid, each year it will include in its budget and levy an *ad valorem* tax within and as a part of the tax levy permitted to counties without a vote of the people upon all the property within the County subject to taxation in an amount that will be sufficient, together with all other revenues, taxes, and money of the County legally available for such purposes, to pay the principal of and interest on the Bonds as they become due. The County has irrevocably pledged its full faith, credit and resources for the annual levy and collection of such taxes and for the prompt payment of the principal of and interest on the Bonds as they become due.

The County always has met principal and interest payments on outstanding bonds and notes when due.

BIDDING INFORMATION AND AWARD

Bidding Information

Bidders are invited to submit separate bids for the purchase of either or both series of the Bonds fixing the interest rate that the Bonds of each series will bear. The interest rates bid must be in a multiple of 1/8 or 1/100 of 1%. No more than one rate of interest may be fixed for any single maturity of the Bonds. Bids will be without condition and may only be submitted electronically via Parity.

No bid will be considered for the 2012E Bonds that is less than an amount equal to 112% of the par value of the 2012E Bonds nor more than an amount equal to 121% of the par value of the 2012E Bonds, or for less than the entire offering of the 2012E Bonds. Each individual maturity must be reoffered at a yield that will produce a price of not less than 98 percent of the principal amount for that maturity.

No bid will be considered for the 2012F Bonds that is less than an amount equal to 100% of the par value of the 2012F Bonds nor more than an amount equal to 102% of the par value of the 2012F Bonds, or for less than the entire offering of the 2012E Bonds. No bid for the 2012F Bonds may result in an underwriter's discount that exceeds 1.5% of the par amount of the 2012F Bonds. The 2012F Bonds must be reoffered at a yield that will produce an issue price that has no more than a *de minimis* amount of premium over the stated principal amount of the 2012F Bonds. For this purpose, a *de minimis* amount of premium is equal to 0.25% of the stated redemption price of the 2012F Bonds at maturity multiplied by the number of complete years to the maturity date, or more. As calculated, the *de minimis* amount for the 2012F Bonds must be less than 2.25%.

For the purpose of the paragraphs above, "price" is defined as the lesser of the price at the redemption date or the price at the maturity date.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours of submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Bidding Process

By submitting an electronic bid for either series of the Bonds, each bidder hereby agrees to the following terms and conditions:

- (i) If any provision in this Official Notice of Sale conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any amendments issued by public wire, will control.
- (ii) Bids may only be submitted via Parity. The bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting a bid timely and in compliance with the requirements of this Official Notice of Sale.
- (iii) The County has no duty or obligation to provide or assure access to Parity, and will not be responsible for the proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, use of Parity.
- (iv) The County is using Parity as a communication mechanism, and not as an agent of the County.
- (v) Upon acceptance of a bid by the County, this Official Notice of Sale and the information that is electronically transmitted through Parity will form a contract between the bidder and the County.

If all bids for either series of the Bonds are rejected, the Finance Director may fix a new date and time for the receipt of bids for such series of the Bonds by giving notice communicated through the News Services not less than 18 hours prior to such new date and time. Any notice specifying a new date and/or time for the receipt of bids, following the rejection of bids received or otherwise, will be considered an amendment to this Official Notice of Sale.

Good Faith Deposits

The successful bidder for the 2012E Bonds is required to deliver a good faith deposit in the amount of \$250,000 by federal funds wire transfer to the Treasury Section of the Finance Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. The successful bidder for the 2012F Bonds is required to deliver a good faith deposit in the amount of \$60,000 by federal funds wire transfer to the Treasury Section of the Finance Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. Wiring instructions will be provided to the successful bidder for each series of the Bonds at the time of the verbal awards.

The good faith deposit of the successful bidder for each series of the Bonds will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of such series of the Bonds on the delivery of such series of the Bonds to the successful bidder. Pending delivery of the Bonds, the good faith deposit for such series of the Bonds may be invested for the sole benefit of the County.

If the Bonds of a series are ready for delivery and the successful bidder fails to complete the purchase of such series of the Bonds within 30 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

The use of insurance as part of a bid for the 2012F Bonds is prohibited.

Bids for the 2012E Bonds will not be conditioned upon obtaining insurance or any other credit enhancement. If the 2012E Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor will be at the sole option and

expense of the bidder and any increased costs of issuance of the 2012E Bonds resulting by reason of such insurance, unless otherwise paid, will be paid by such bidder. Any failure of the 2012E Bonds to be so insured or of any such policy of insurance to be issued will not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the 2012E Bonds.

Award

Each series of the Bonds will be sold to the bidder making a bid for such series of the Bonds that conforms to the terms of the offering and that, on the basis of the lowest true interest cost, is the best bid. For the purpose of comparing bids only, the interest rate being controlling, each bid must state the true interest cost of the bid determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payment from the payment date to the date of the Bonds and to the price bid. *For bids submitted for the 2012F Bonds, the true interest cost to the County will be determined after subtracting the applicable federal credit payments. See "The Bonds—Designation of the 2012F Bonds as Qualified Energy Conservation Bonds" in the Preliminary Official Statement.*

If there are two or more equal bids for a series of the Bonds and those bids are the best bids received, the Finance Director will determine by lot which bid will be presented to the County Council for its consideration. The County reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process. If all bids for an offering are rejected, such series of the Bonds may be readvertised for sale in the manner provided by law and as provided above.

Adjustment of Principal Amount and Bid Price After Bid Opening

The County has reserved the right to increase or decrease the preliminary principal amount of the 2012E Bonds by an amount not to exceed 10% of the principal amount of the 2012E Bonds following the opening of the bids. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the 2012E Bonds by 15% of the total par amount.

The County has reserved the right to increase or decrease the preliminary principal amount of the 2012F Bonds by an amount not to exceed 15% of the principal amount of the 2012F Bonds following the opening of the bids.

The price bid by the successful bidder for each series of the Bonds will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount of such series of the Bonds. In the event that the County elects to alter the size of either series of the Bonds after the bid pursuant to this Official Notice of Sale, the underwriter's discount, expressed in dollars per thousand, will be held constant. The County will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder for such series of the Bonds, or (ii) the true interest cost of the winning bid or its ranking relative to other bids.

Issue Price Information

Upon award of the Bonds, the successful bidder for each series of the Bonds will advise the County and Bond Counsel of the initial reoffering prices to the public of such series of the Bonds (the "Initial Reoffering Prices"). Simultaneously with or before delivery of each series of the Bonds, the successful bidder for such series of the Bonds is required to furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

- (i) confirming the Initial Reoffering Price for each maturity of the Bonds of such series;
- (ii) certifying that a *bona fide* initial public offering of the applicable series of the Bonds ("Public Offering") was made on the Sale Date;
- (iii) certifying facts establishing the successful bidder's reasonable expectations, as of the Sale Date, that the Initial Reoffering Price for each maturity of the Bonds of such series would be the first price at which at least 10% of the par amount of such maturity would be sold to the public, excluding bond houses, brokers, and other intermediaries, including, without limitation, the successful bidder and any selling group of which the successful bidder is a part, directly or indirectly (the "Public"); and

- (iv) certifying that at least 10% of each maturity of the Bonds of such series was in fact sold to the Public in the Initial Offering, except for specified maturities, if applicable.

Delivery

The County will deliver the Bonds (consisting of one certificate per maturity for each series of the Bonds) to DTC in New York, New York, or to the Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing will occur within 30 days after the Sale Date. Settlement will be in federal funds available in Seattle, Washington, on the date of delivery. Delivery is expected to be December 19, 2012.

If, prior to the delivery of the 2012E Bonds, the interest receivable by the owners of the 2012E Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in the Preliminary Official Statement, the successful bidder for the 2012E Bonds, at its option, may be relieved of its obligation to purchase the 2012E Bonds, and in that case the good faith deposit accompanying its bid will be returned without interest.

Legal Matters

The approving legal opinion of Gottlieb Fisher PLLC, Seattle, Washington, Bond Counsel, will be provided to the successful bidder for each series of the Bonds at the time of the delivery of the Bonds. In addition, the County will execute a no-litigation certificate in connection with the issuance of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on the Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser of the Bonds thereof to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale.

The successful bidder for each series of the Bonds is responsible for obtaining CUSIP numbers for such series of the Bonds. The charge of the CUSIP Service Bureau will be paid by each successful bidder; however, all expenses for printing the CUSIP numbers on the Bonds will be paid by the County.

OTHER INFORMATION

Ongoing Disclosure Undertaking

To assist bidders in complying with paragraph (b)(5) of the Securities and Exchange Commission Rule 15c2-12 (the "Rule"), the County will undertake, pursuant to the written "Continuing Disclosure Undertaking" for the Bonds, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

Preliminary Official Statement

The Preliminary Official Statement is in a form that the County expects to deem final for the purpose of paragraph (b)(1) of the Rule, but is subject to revision, amendment, and completion in a final Official Statement, which the County will deliver, at the County's expense, to each purchaser through its designated representative not later than seven business days after the County's acceptance of the purchaser's bid, in sufficient quantities to permit the successful bidder to comply with the Rule.

By submitting the successful proposal, each purchaser agrees:

- (i) to provide to the Finance Division, in writing, within 24 hours after the acceptance of the bid, pricing and other related information, including the Initial Reoffering Price for each maturity of the applicable series of the Bonds, necessary for completion of the final Official Statement;
- (ii) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the County;

- (iii) to take any and all actions necessary to comply with applicable rules of the SEC and the Municipal Securities Rulemaking Board (“MSRB”) governing the offering, sale and delivery of the Bonds to the ultimate purchasers, including the delivery of a final Official Statement to each investor who purchases the Bonds; and
- (iv) to file the final Official Statement or cause it to be filed with the MSRB within one business day following its receipt from the County.

Official Statement

At closing, the County will furnish a certificate of an official or officials of the County, stating that, to the best knowledge of such official(s) and relying on the opinions of Bond Counsel where appropriate, as of the date of the Official Statement and as of the date of delivery of the Bonds,

- (i) the information (including financial information) regarding the County contained in the Official Statement was and is true and correct in all material respects and did not and does not contain any untrue statement of a material fact or omit any statement or information which is necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (however, the County will make no representation regarding Bond Counsel’s form of opinion or the information provided by DTC, The Bank of New York Mellon, or any entity providing bond insurance or other credit facility); and
- (ii) the descriptions and statements, including financial data, of or pertaining to other bodies and their activities contained in the Official Statement have been obtained from sources that the County believes to be reliable and the County has no reason to believe that they are untrue in any material respect.

DATED at Seattle, Washington, this 3rd day of December, 2012.
