Proposed No.: 2013-0212

1 **AMENDMENT TO STRIKING AMENDMENT S2 TO PROPOSED ORDINANCE**

2 **2013-0212, VERSION 1**

3 On page 2, beginning on line 24, strike lines 24 through 32, and insert:

4 "prescribed by ordinance. The department shall utilize the services of the executive
5 departments and administrative offices as administered by the executive, but it shall not
6 be abolished, or have its duties as established in this section decreased, by the county
7 council or the county executive.

8 The department of public defense shall be administered by the county public
9 defender, who shall perform the indigent public defense duties specified by general law,
10 including the federal and state constitutions, and additional duties as may be prescribed
11 by ordinance. Elected officials shall not interfere with the constitutional or ethical duties
12 of the county public defender or issue orders to any officer, agent or employee of the
13 department of public defense in the exercise of those duties.

14 "

15 On page 3, line 50, after "board shall also advise the executive and council on matters of"
16 and before "social justice" insert "equity and"

17 **EFFECT:**

- 18 1. Wording clarifications regarding executive and administrative offices "as
19 administered by the executive"
- 20 2. Wording clarification on interference by elected officials, eliminating wording of
21 "administration" and referring to "exercise" of duties.
- 22 3. Advisory board duty to advise Executive and Council on social justice is
23 expanded to include "equity and social justice"
