Dear Mr. Reinert:

Thank you for sending the Washington State Department of Community, Trade and Economic Development (CTED) the following materials as required under RCW 36.70A.106. Please keep this letter as documentation that you have met this procedural requirement.

County of King - Proposed amendments to four King County ordinances amending and adopting development regulations which include clarifying when a road is "approved" for purposes of recognizing pre-1937 lots, Allowing mailed notice of application to be made by postcard, and allowing applicants to request and extension of the time in which approvals are valid.

We have forwarded a copy of this notice to other state agencies for expedited review and comment. If one or more state agencies indicate that they will be commenting, then CTED will deny expedited review and the standard 60-day review period (from date received) will apply. If this is a draft amendment, adopted amendments should be sent to CTED within ten days of adoption and to any other state agencies who commented on the draft.

If you have any questions, please call me at 360.725.3056.

Sincerely,

Cynthia L. Ritchey
