Dear Councilmember Perry:

I am pleased to transmit the attached ordinance approving the 2026 alterations to voting precincts. This package contains boundary changes primarily focused on balancing the population across precincts to accommodate oversized precincts.

The law requires that annual precinct adjustments be presented to the Council for adoption and to the County Executive for approval prior to the statutory deadline of April 27<sup>th</sup>, 2026. As always, I appreciate your partnership on this and your timely consideration to ensure that our team has enough time to implement the changes ahead of the spring election calendar.

If you have any questions, please don't hesitate to let me know.

Sincerely,

Julie Wise, Director
