992 The report shall include, but not be limited to, the following:

993 A. A description of programming available at each King County adult detention

1022 adults in detention to mitigate the lack of programming and excessive time in cell
1023 isolation brought about by staffing shortages, knowing that staffing shortages will not be
1024 significantly mitigated in the near term. In prioritizing near-term actions, the executive
1025 should consider the urgency of mitigating the impacts to adults in detention of ongoing
1026 staff shortages that result in some residents spending a significant amount of time in their
1027 cells each day and seek ways to reduce isolation and potential health impacts to residents
1028 in detention that may have resulted in King County jail having the highest national death
1029 rate by both suicide and natural causes.

1030 The executive should electronically file the report and motion required by this
1031 proviso no later than (~~June 30, 2023~~) November 30, 2023, with the clerk of the council,

1720 The executive should electronically file the report and motion required by this

1722 who shall retain an electronic copy and provide an electronic copy to all councilmembers,
1723 the council chief of staff, and the lead staff for the transportation, economy and
1724 environment committee or its successor.

1725 P2 PROVIDED FURTHER THAT:

1726 Of this appropriation, \$1,000,000 shall not be expended or encumbered until the
1727 executive transmits two reports: first, a SaFE reform community ambassador scoping
1728 report; and second, a SaFE reform community ambassador results report. Each report
1729 should be accompanied by a motion that should acknowledge receipt of the applicable
1730 report. Each motion should reference the subject matter, the proviso's ordinance number,
1731 ordinance section and proviso number in both the title and body of the motion. Upon
1732 passage of each motion, \$500,000 is released for encumbrance or expenditure.

1733 A.1. There has been an increase in reported safety incidents, illegal activity,
1734 vandalism and littering on buses, as well as at and around transit stops and transit centers
1735 in many areas of King County. The Metro transit department's safety, security and fare
1736 enforcement ("SaFE") reform initiative implementation report, which was approved by
1737 the King County council through Motion 16128, established a goal of safe, accessible and
1738 equitable transit that is cocreated to support community well-being. To achieve that goal,
1739 the Metro transit department must engage local communities in a cocreative and
1740 collaborative approach, utilizing community organizing efforts and community
1741 ambassadors to coordinate safety efforts in the areas around transit stops and transit

Ordinance 19633

1742 centers with communities, including stakeholders and leaders, residents, community-
1743 based organizations, local businesses, public agencies and jurisdictional partners.

1744 2. For the purposes of this proviso, the cocreative and collaborative approach to
1745 transit safety and security issues shall be referred to as the SaFE reform community
1746 ambassador effort.

1747 3. For the purposes of the reports required by this proviso, the SaFE reform
1748 community ambassador effort shall be focused in the following areas:

1749 a. the Aurora Village transit center;

1750 b. the Burien transit center;

1751 c. transit stops in the Skyway-West Hill community service area;

1752 d. transit stops on Third Avenue in Seattle between South Main Street and
1753 Broad Street;

1754 e. transit stops in the Chinatown/International District and Little Saigon;

1755 f. transit stops near Twenty-third Avenue South and South Jackson Street in
1756 Seattle; and

1757 g. other areas in which the level of safety incidents, illegal activity, vandalism
1758 or littering, either on buses or at and around transit stops and transit centers, as
1759 determined by the Metro transit department, indicates a need for improvement to foster
1760 greater community safety and security.

1761 B. The SaFE reform community ambassador scoping report shall include, but not
1762 be limited to, the following:

1763 1. A description of the number and purposes of meetings to address transit
1764 safety, security, cleanliness or SaFE reform initiative implementation, which Metro

Ordinance 19633

1765 transit department staff led or attended or which were led or attended by representatives
1766 of community-based organizations under contract to King county, in the areas listed in
1767 subsection A.3. of this proviso;

1768 2. Identification of the community stakeholders and leaders, residents,
1769 community-based organizations, local businesses, public agencies and jurisdictional
1770 partners that participated in the meetings identified in response in subsection B.1. of this
1771 proviso; and

1772 3. Narratives describing the following: how follow-up activities were
1773 addressed, methods used to ensure that issues regarding all or any areas listed in
1774 subsection A.3 of this proviso were communicated to the respective participants in the
1775 meetings described in subsection B.1. of this proviso, how strategies from the SaFE
1776 reform initiative implementation report approved by Motion 16128 have been
1777 implemented and what resources, such as community ambassadors to support safety and
1778 security or measures to increase cleanliness at and around transit stops and transit centers,
1779 have been deployed.

1780 C. The SaFE reform community ambassador results report, analyzing the impacts
1781 of the efforts in the areas listed in subsection A.3. of this proviso, shall include
1782 comparative data by which the Metro transit department can determine if there is a
1783 measurable benefit gained by implementing SaFE reform initiative strategies, including
1784 community ambassadors and community organizing efforts. The data should include, but
1785 not be limited to, a summary of system-wide trends in safety incidents and illegal
1786 activities on buses and at transit centers and transit stops year-over-year from June 2018
1787 through June 2023, as well as specific trend data for the areas listed in subsection A.3. of

Ordinance 19633

1788 this proviso, and information on the Metro transit department's activities or efforts to
1789 maintain cleanliness at and around transit centers and transit stops in the areas listed in
1790 subsection A.3. of this proviso.

1791 The executive should electronically file the SaFE reform community ambassador
1792 scoping report and motion required by this proviso no later than December 31, 2023, and
1793 the SaFE reform community ambassador results report and the motion required by this
1794 proviso no later than June 20, 2024, with the clerk of the council, who shall retain an
1795 electronic copy and provide an electronic copy to all councilmembers, the council chief
1796 of staff and the lead staff for the law, justice, health and human services committee or its
1797 successor.

1798 P3 PROVIDED FURTHER THAT:

1799 Of this appropriation, \$100,000 shall not be expended or encumbered until the
1800 executive transmits a transit stops and centers cleanliness effort report and a motion that
1801 should acknowledge receipt of the report, and a motion acknowledging receipt of the
1802 report is passed by the council. The motion should reference the subject matter, the
1803 proviso's ordinance number, ordinance section and proviso number in both the title and
1804 body of the motion. The report shall include information about cleaning practices at
1805 transit stops and transit centers, including at transit center garages, including but not
1806 limited to:

1807 A. A description of the current standards used by the Metro transit department for
1808 cleaning of transit stops and transit centers, including transit center garages;

1809 B. A description of how cleaning activities have or have not met those standards
1810 from January 2021 to the present;

Ordinance 19633

1811 C. A description of strategies that will be used or additional resources that are
1812 needed for the Metro transit department to meet the standards for the cleaning of transit
1813 stops and transit centers, including transit center garages; and

1814 D. A projected timeline for meeting the standards for the cleaning of transit stops
1815 and transit centers, including transit center garages, including, if the standards cannot be
1816 met without the additional resources described in response to section C. of this proviso,
1817 the projected timeline for meeting the standards once those additional resources are
1818 available.

1819 The executive should electronically file the transit stops and centers cleanliness
1820 effort report and motion required by this proviso no later than May 25, 2023, with the
1821 clerk of the council, who shall retain an electronic copy and provide an electronic copy to
1822 all councilmembers, the council chief of staff and the lead staff for the transportation,
1823 economy and environment committee or its successor.

1824 P4 PROVIDED FURTHER THAT:

1825 A. Of this appropriation, \$500,000 shall not be expended or encumbered until the
1826 executive, first, provides a briefing for the regional transit committee or its successor on
1827 progress on the planning and design of the RapidRide K and R lines, and second,
1828 including in the RapidRide prioritization plan, which is required by Ordinance 19376,
1829 information required by this proviso on the progress on the planning and design of the
1830 RapidRide K and R lines. The day after the briefing required by this proviso is given,
1831 \$250,000 shall be released for encumbrance or expenditure. Upon passage of the motion
1832 accepting the transmitted RapidRide prioritization plan, \$250,000 shall be released for
1833 encumbrance or expenditure.

Ordinance 19633

1834 B. The Metro transit department should provide a briefing to the regional transit
1835 committee or its successor no later than November 30, 2023, on progress on the planning
1836 and design of the RapidRide K and R lines. The briefing shall include, but not be limited
1837 to, the following information for each RapidRide line:

- 1838 1. The efforts taken during 2023 to advance planning and design, including an
1839 estimate of the current level of design;
- 1840 2. Tasks planned to be undertaken during 2024 to advance planning and design;
- 1841 3. Engagement and coordination efforts with community stakeholders, local
1842 jurisdictions and agency partners on planning and design efforts, including on the
1843 development of a recommended alignment;
- 1844 4. The status of and planned timeline for environmental review;
- 1845 5. The status of and planned timeline for preparation and submittal of grant
1846 applications; and
- 1847 6. The anticipated timeline for major project milestones, including estimates for
1848 the start of construction and the start of service.

1849 C. Ordinance 19367 requires the executive to transmit a RapidRide prioritization
1850 plan by June 30, 2024, for acceptance by motion, that will organize RapidRide candidate
1851 lines into tiers by their priority and potential timeframe for implementation. The Metro
1852 Connects long-range plan that was adopted by Ordinance 19367 states that the RapidRide
1853 K line and the RapidRide R line have been identified as the next RapidRide lines to be
1854 implemented and therefore have already been prioritized. However, to provide a
1855 comprehensive overview of the Metro transit department's efforts in planning for and
1856 developing future RapidRide lines, the RapidRide prioritization plan, as transmitted,

Ordinance 19633

1857 should include not only the information required by Metro Connects and Ordinance
1858 19367, but also an update on the status of the planning and design of the RapidRide K
1859 and R lines. Therefore, the RapidRide prioritization plan shall include information on the
1860 RapidRide K and R lines including but not be limited to, the following information for
1861 each RapidRide line:

1862 1. The efforts that have been undertaken or are planned to be undertaken during
1863 2023 and 2024 to advance planning and design, including an estimate of the current level
1864 of design;

1865 2. Tasks planned to be undertaken during 2025 and 2026 to advance planning
1866 and design;

1867 3. Engagement and coordination efforts with community stakeholders, local
1868 jurisdictions and agency partners on planning and design efforts, including on the
1869 development of a recommended alignment;

1870 4. The status of and planned timeline for environmental review;

1871 5. The status of and planned timeline for preparation and submittal of grant
1872 applications; and

1873 6. The anticipated timeline for major project milestones, including estimates for
1874 the start of construction and the start of service.

1938 Of this appropriation, \$2,000,000 shall not be expended or encumbered until the
1939 executive transmits four transit riders now reports in accordance with this proviso. Each
1940 transit riders now report shall describe the status of the transit system and all
1941 recommended additions, reductions, or restructures to transit service that meet the
1942 threshold for council approval under K.C.C. 28.94.020.B. proposed for the respective fall
1943 2023, spring 2024, fall 2024, and spring 2025 transit service changes that in accordance
1944 with the Metro transit department's service plan indicates, at least the next two biennia, to
1945 occur twice a year in the spring and fall. Each report shall also describe all recommended
1946 additions, reductions, or restructures to transit service made in the service change

Ordinance 19633

1947 immediately preceding the respective service change using the administrative powers in
1948 K.C.C. 28.94.020.B.1 or the emergency powers in K.C.C. 28.94.020.B.2.a. Each report
1949 that describes recommended additions, reductions, or restructures that meet the threshold
1950 for council approval under K.C.C. 28.94.020.B. shall be accompanied by a proposed
1951 ordinance that would approve the transit service change. Each ordinance should
1952 reference the subject matter, the proviso's ordinance number, ordinance section, and
1953 proviso number in both the title and body of the ordinance. Upon filing each transit
1954 riders now report, or adoption of each ordinance if a proposed ordinance accompanies the
1955 report, \$500,000 is released for encumbrance or expenditure.

1956 A. Over the last several years, the Metro transit department has implemented a
1957 series of transit service reductions and restorations using the emergency powers in K.C.C.
1958 28.94.020.B.2.a. to respond to the changing operational needs, ridership patterns, and
1959 staffing levels that have resulted from the COVID-19 pandemic. The 2023-2024 biennial
1960 budget appropriates funding for one hundred ninety-one thousand four hundred annual
1961 transit service hours in addition to the service offered in October 2022. The additional
1962 transit service hours are proposed to be added gradually as part of the fall 2023, spring
1963 2024, and fall 2024 service changes. More service is expected to be added as part of the
1964 spring 2025 service change. It is imperative that the additional transit service reflect the
1965 needs of current transit riders, by responding to changing ridership patterns, Metro transit
1966 department staffing levels, available funding, changes made by the city of Seattle, Sound
1967 Transit or other agency partners, and the King County Metro Service Guidelines and
1968 Metro Connects long-range plan adopted by Ordinance 19367. The Metro Service
1969 Recovery Plan approved by Ordinance 19581 indicates that the Metro transit department

Ordinance 19633

1970 is unlikely to implement major, as defined by the Metro transit department for the
1971 purposes of reporting to the Federal Transit Administration, service changes in 2023.
1972 The Metro transit department may implement additional transit service reductions to
1973 match its current operational capacity using the emergency powers in K.C.C.
1974 28.94.020.B.2.a. or the administrative powers in K.C.C. 28.94.020.B.1. It is imperative
1975 that any transit service changes made using the administrative or emergency powers in
1976 K.C.C. 28.94.020.B. reflect the needs of current transit riders, as well as to Metro transit
1977 department staffing levels and available funding.

1978 B. If a transit riders now report is accompanied by a service change ordinance,
1979 the report shall include recommendations for transit service that would be implemented
1980 by the accompanying service change ordinance. The recommendations shall be based on,
1981 but not limited to, the following, and the report shall provide:

1982 1. An analysis of ridership patterns, ridership levels, and route productivity
1983 using current route-level ridership information, as well as data from the most recent
1984 annual system evaluation report required by Ordinance 19367 and the performance
1985 measurement dashboard required by Ordinance 19367;

1986 2. A description of Sound Transit Link light rail system extensions, transit
1987 service purchases by the city of Seattle, and other changes by agency partners that could
1988 affect transit service provided by the Metro transit department;

1989 3. An analysis of how the report's recommendations comport with the King
1990 County Metro Service Guidelines adopted by Ordinance 19367, including the priorities
1991 and criteria to be considered for additions to transit service, the factors to be considered

Ordinance 19633

1992 for reductions to transit service, and the process to be followed for restructures to transit
1993 service;

1994 4. An analysis of how the report's recommendations will advance the Metro
1995 Connects long-range plan adopted by Ordinance 19367, specifically the plan to
1996 implement the Metro Connects interim network; and

1997 5. An analysis of any constraints that limit additions to the transit service for the
1998 corresponding proposed transit service change ordinance, including, but not limited to,
1999 staffing shortages, funding limitations, or the Metro Connects funding gap described in
2000 the Metro Connects long-range plan adopted by Ordinance 19367 and the Metro
2001 Connects implementation report accepted by Motion 16155.

2002 C. If a transit riders now reports is not accompanied by a service change
2003 ordinance, the report shall include:

2004 1. An analysis of the constraints that have prevented the Metro transit
2005 department from proposing a major service change, including, but not limited to: staffing
2006 shortages, fleet or equipment shortages, funding limitations, or delays in partner agency
2007 transit expansions; a description of the Metro transit department's progress in
2008 implementing the Metro Service Recovery Plan approved by Ordinance 19581; and a
2009 description of the Metro transit department's plans and actions to address the identified
2010 constraints;

2011 2. A description of the Metro transit department's level of service delivery
2012 during the six months preceding the due date of the transit riders now report, including
2013 the average weekly percentage of scheduled transit service trips that could not be
2014 delivered; and

Ordinance 19633

2015 3. If the Metro transit department has responded to its shortfalls in operational
2016 capacity by making additional service reductions, using either the administrative powers

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from King County-Department of 02

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to cipriano.dacanay@kingcounty.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with King County-Department of 02

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to cipriano.dacanay@kingcounty.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..
