Proposed No.: 2017-0353

1 **AMENDMENT TO PROPOSED MOTION 2017-0353, VERSION 1**

2 On page 3, line 44, after "Proviso P2." Insert "Further, in response to the information
3 provided in the proviso report and because the transit division does not support a zero fee
4 ORCA card or loading new ORCA cards with fare value equal to the cost of the card, the
5 council, executive, and transit division director support retaining the \$5 ORCA card fee
6 for adult and youth passengers and using additional revenue generated by a \$2.75 flat fare
7 for:

- 8 A. Waiving the regional reduced fare permit fee;
- 9 B. Increasing activities to promote ORCA and attract new riders, such as waiving
10 card fees for ORCA LIFT customers and providing cards with value loaded for
11 neighborhood and route promotion efforts;
- 12 C. Expanding the human services ticket program and addressing accessibility and
13 affordability barriers for low-income riders;
- 14 D. Increasing ORCA LIFT outreach and enrollment efforts;
- 15 E. Increasing transit service hours; and
- 16 F. Supporting the expanded transit system envisioned in the METRO
17 CONNECTS – King County Metro long-range plan."

18 **EFFECT:** *Provides additional direction to Metro related to ORCA card fees and*
19 *revenue generated by the proposed fare change.*
