Ordinance 18680

Proposed No. 2018-0071.1

Sponsors Dembowski

1 AN ORDINANCE approving the City of Pacific Water
2 System Plan August 2017.

3 STATEMENT OF FACTS:

4 1. King County has adopted K.C.C. chapter 13.24, which requires
5 approval of comprehensive plans for water utilities that distribute or obtain
6 water in unincorporated King County as a prerequisite for operating in
7 unincorporated King County, receiving approval for annexation proposals,
8 being granted right-of-way franchises and being given approval for right-
9 of-way construction permits. K.C.C. 13.24.060 prescribes the
10 requirements for approval of such plans, including consistency with state
11 and local planning requirements.

12 2. The city's previous water system plan was prepared in 2011. King
13 County regulations require water plans to be updated every six years.

14 3. The city's service area is within King County and the city has adopted a
15 water system plan ("the plan").

16 4. King County has adopted a comprehensive plan that includes water
17 supply policies in its provisions for facilities and services (policies F-101
18 through F-254) that call for consistency with other adopted plans, support
19 for regional water supply planning, pursuit of reclaimed water, water

20 conservation and protection of water resources.

21 5. K.C.C. chapter 13.24 requires the utilities technical review committee
22 to review and make a recommendation to the King County executive and
23 council on the plan and the requirements under K.C.C. chapter 13.24 and
24 consistency with the King County Comprehensive Plan. The utilities
25 technical review committee has reviewed the planning data and city's
26 operations and has found:

27 a. The plan uses population and employment forecasts developed by the
28 Puget Sound Regional Council for the city's service area;

29 b. Portions of the city's service area are in unincorporated King County;

30 c. The capital facility plan is adequate to meet anticipated facility and
31 service needs;

32 d. The plan is consistent with applicable Washington state water quality
33 laws; and

34 e. The plan is consistent with other pertinent county adopted plans and
35 policies.

36 6. The Washington state Department of Health approval is pending upon
37 King County's approval of the plan.

38 7. Under the state Environmental Policy Act the city issued a
39 determination of nonsignificance for the plan on February 24, 2017.

40 There were no appeals.

41 8. The city's operations and facilities meet multiple existing statutory,
42 administrative and planning standards. As the city's operations, facilities

43 and planning meet the requirements of the King County Code and are
44 consistent with the King County Comprehensive Plan, the utilities
45 technical review committee has recommended approval of the plan.

46 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

47 SECTION 1. The City of Pacific Water System Plan August 2017, Attachment A
