RE: Agenda Item Ordinance 2021-0337, related to environment, health, climate and community impacts of activities at King County International Airport (KCIA)/Boeing Filed; and amending Ordinance 1159, as amended, and K.C.C. Title 15.

Dear Honorable Chair von Reichbauer, Vice Chair Claudia Balducci, Councilmember Rod Dembowski and GAO committee:

Thank you for addressing Ordinance 2021-0337 and for the opportunity to express our support to pass Ordinance 0337.

As highly appreciative members of the King County International Airport Community Coalition (KCIACC), we support and uplift the testimony of Duwamish Valley neighbors and Beacon Hill residents disproportionately impacted by the operations of KCIA/Boeing Airports.

To move towards a just future and advance all Community Equity Needs defined by the KCIACC, we urge you to pass Ordinance 0337 out of the GAO Committee and sent to vote by the Council of the Whole. This request is the necessary catalyst to ensuring the concerns of over-burdened communities and vulnerable populations including Georgetown, South park, Tukwila-Allentown and Beacon Hill are heard, mitigated and fully addressed.

Ordinance 0337 is a critical tool to ensure KCIA/Boeing airports meaningfully engage and directly consult with our overburdened communities in order to effectively address equity and justice needs across our environment, health and climate.

Furthermore, we join KCIACC members in gratitude to KC Council Vice Chair Joe McDermott for developing the Ordinance with KCIACC.

Sincerely,

Adrienne Hampton
