March 2018 Service Change Proposal

The proposed March 2018 Service Change Ordinance includes proposals for:

- Target Service Level Investments in Routes 74, 153, 183 and 930
- Routing and trip changes to Routes 101 & 102 in Renton
- Discontinuation of Route 99

Target Service Level Improvements

Ordinance Proposal

- **Route 74:** Improve service to every 30 minutes mid-day weekdays on portion of the route between Sand Point and the University District
- **Route 153:** Provide weekday service every 30 minutes mid-day
- **Route 183:** Improve weekday service to every 30 minutes mid-day, add weekday service every 60 minutes at night
- **Route 183:** Provide weekday service every 30 minutes until 9:30 a.m. and beginning at 2:15 p.m.

Routes 101/102

Ordinance Proposal

- **Route 102:** Operate 8 additional peak period trips (5 morning and 3 evening) on portion of Route 102 between the South Renton Park & Ride and Seattle

Complementary Administrative Service Changes

- **Route 101:** Revise Route 101 to layover at the South Renton Park & Ride instead of the Renton Transit Center
