The work to be performed under this Contract is on a project subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The Agency agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The Agency will not subcontract with any subcontractor where the Agency has notice or knowledge that the subcontractor has been found in violation of regulations in 24 CFR Part 135.

The Agency will certify that any vacant employment positions, including training positions, that are filled (1) after the Agency is selected but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the Agency's obligations under 24 CFR Part 135.

The Agency shall submit a Section 3 Certification form (see Exhibits G-1 and G-2 [Section 3 Certification Forms] and Exhibit C [Reporting Requirements]).

Non-Compliance:

KCHA and the Agency mutually agree to perform their roles and responsibilities to the best degree practicable and to work together cooperatively to resolve any concerns.

1. Description of Facilities:

KCHA does hereby agree to provide to the Agency the following described real estate located at:

Cascade Homes, 10614 SE 206th Street, Kent, WA 998031

2. Definitions. The following definitions are applicable to this Contract:

- A. "Repair" means the correction of any malfunction or deficiency of equipment, systems, fixtures, attachments, or hardware in the building or home. Repair shall not include the Agency's equipment and machinery.
- B. "Replacement" means that when repair does not correct the malfunction or deficiency of equipment, systems, fixtures, attachments, or hardware, actual replacement of the deficient item or system will occur. Replacement shall not include the Agency's equipment and machinery.
- C. "Maintenance" means the proper upkeep of any part of a unit or building to ensure its ongoing operation and attractiveness in the community's interest.
- D. "Ordinary and Reasonable Wear and Tear" means the normal, day-to-day use of property, equipment and facilities over the expected life of the property, equipment and facilities. Questions or concerns related to the expected life of specific property, equipment or facilities should be referred to KCHA-Housing Management, and KCHA-Housing Management will make the final determination regarding all such issues. (See Section 9 for contact information).
- E. "Resident Services" means the department at KCHA responsible for monitoring and evaluating the Agency's progress towards its goals and outcomes as stated in Exhibit A.
- F. "Housing Management" means the department at KCHA responsible for issues related to maintaining KCHA facilities, including compliance to expectations stated in Exhibit H.

3. Maintenance Roles and Responsibilities for Damages.

A. Agency Roles and Responsibilities for Damages:

**EXHIBIT F – ROLES AND RESPONSIBILITIES
FOR MAINTENANCE OF FACILITIES**

- (1) The Agency agrees to maintain the facilities in a manner that does not create any health and/or safety hazards for residents, users of the facility, or the surrounding community. The Agency shall operate the facilities it uses in a reasonably energy conservative manner and shall maintain the facilities in an orderly and clean condition at all times. The Agency shall be responsible for routine cleaning activities to ensure the facilities remain in compliance with the standards described in Section 4, **Compliance with Basic Conditions and Standards**.
- (2) The Agency shall notify the appropriate KCHA-Housing Management office (See Section 9 for contact information) as soon as possible of any maintenance issues and needed repairs or replacements to the property, equipment and facilities to ensure that all such property, equipment and facilities can be maintained in proper working condition and free of hazards and to ensure that the facilities remain in compliance with the standards described in Section 4, **Compliance with Basic Conditions and Standards**. If such repairs or replacement are in keeping with ordinary and reasonable wear and tear, the Agency shall not be charged for such repairs or replacement.
- (3) The Agency shall be responsible for any and all damage to the facilities resulting from its activities beyond ordinary and reasonable wear and tear caused by acts of the Agency, its agents, subcontractors or invitees and shall be billed by KCHA-Housing Management for the costs of repairing such damages. The Agency agrees to pay or secure a mutually agreeable payment schedule within 30 days of the written receipt of the amount owing. However, the Agency shall not be responsible for damages to the facilities directly resulting from its exercise of police powers vested generally under the laws of the State of Washington, and police action taken in the line and scope of law enforcement activity.
- (4) The Agency acknowledges that the facilities are a part of a complex that may be occupied by other agencies and tenants. The Agency agrees to conform to rules and regulations that apply to all common areas (i.e., disposition of rotten food, excess boxes, crates, etc.), in conformity with local housing codes, KCHA policies and standard practices, and the Basic Conditions and Standards herein, including the observation of fire-safety precautions and the participation in an annual fire-safety training.

If damage to the roof, outside walls, floors and structure are caused by acts of the Agency, its agents, subcontractors or invitees, KCHA-Housing Management shall repair the damages and bill the Agency.
- (4) KCHA-Housing Management shall be responsible for pest (e.g., rodents or insects) control provided that the Agency prepares the facilities for actions required for such control. This responsibility shall not obligate KCHA to additional pest control expenses beyond normal KCHA levels if pest control problems are caused by a general lack of cleanliness and inappropriate storage of food by the Agency.
- (5) KCHA-Housing Management shall maintain the surrounding grounds and parking lot.
- (6) In the event the facilities are damaged to such an extent as to render them uninhabitable in whole or in part and KCHA-Housing Management elects to repair or rebuild, the work shall be prosecuted without unnecessary delay. If after a reasonable time KCHA-Housing Management fails to proceed to repair or rebuild, the Agency shall have the right to declare this Contract terminated by written notice served on KCHA. In the event the building, in which the facilities are located, shall be destroyed or damaged to such extent that in the opinion of KCHA it shall not be practical to repair or rebuild, it shall be optional with KCHA to terminate this Contract by written notice to Agency within twenty (20) days after such damage or destruction.
