Re: *Cascade Court Limited Partnership, et al. v. Noble*: Petitions for Property Tax Refund and Requests for Waiver of Statutory Time Limits for Property Tax Refund

Dear Peggy:

Enclosed are signed Petitions for Property Tax Refund and Requests for Waiver of Statutory Time Limits for Property Tax Refund for the properties and years at issue in *Cascade Court Limited Partnership, et al. v. Noble*. The petitions reflect the revisions to the front sheets that you delivered to me on September 13, 2002. Due to time constraints, rather than deliver the revised petitions to my clients, I received permission from them to revise the petitions they had originally signed to reflect your changes. Three of the petitions, however, were not revised. First, the petition for the Josephinum (Docket No. 96-33) was not revised because there were no special assessments for that year (1993). Second, the petition for Bellevue/Olive (Docket No. 96-118) was not revised because the taxpayer's original petition reflected the non-reimbursement of special assessments. The same is true for the petitions for Cascade Court (Docket Nos. 96-17 and 96-117).

Because we have returned these forms to you by September 19, 2002, we understand that they will be transmitted to the King County Council this month for consideration by the Council at an upcoming meeting.
