Please explain why you feel you are the most qualified candidate for this appointment (attach additional paper if needed):

Currently I represent hundreds of workers in the Recycle Industry that work in King County. These members are drivers and also machine operators. Waste Management and Republic Services are the Employers that I interact with.

I believe it would be great to gain some more knowledge and insight about the industry. I also hope to contribute to the committee with the experience and knowledge I have relating to the issues recycling and garbage collection are currently facing.

How did you learn of this opportunity?

Co-workers at Local 117. We have a history of being a part of SWAC.
