Summary
 Proposed amendments to the KCCP and RAMP were transmitted by the King County Executive on March 1, 2016 and reviewed by the Council's Transportation, Economy and Environment (TREE) Committee. The TREE Committee completed its review on September 29, 2016 and reported out to the full Council striking amendments to the subject legislation, with a "no vote" recommendation.

Proposed 2016 KCCP policy amendments, contained in Attachment A to PSO 2016-0155.2, as reported out of the TREE Committee, would affect the following chapters in the KCCP: Introduction; Regional Planning; Growth Management Planning; Urban Communities; Rural Areas and Natural Resource Lands; Housing and Human Services; Environment; Shoreline Plans; Open Space and Cultural Resources; Transportation Services; Facilities and Utilities; Economic Development; Community Service Area Planning; Implementation, Amendments and Evaluation; and the Glossary. Proposed amendments to the land use map and zoning maps are contained in Attachment B to PSO 2016-0155.2. Also proposed are: updates to the Technical Appendices (Attachments D through I to PSO 2016-0155.2); adoption of the Skyway West Hill Action Plan (Attachment K to PSO 2016-0155.2); and an amendment to the Vision Town Plan (Attachment L to PSO 2016-0155.2). Proposed changes to the development code are also included in PSO 2016-0155.2.

Proposed RAMP amendments, as reported out of the TREE Committee, would affect the update requirements and schedule for the RAMP and would designate future RAMPs from the KCCP. The 2016 RAMP, contained in Attachment A to PSO 2016-0159.2 as reported out of the TREE Committee, would also amend the following sections in the RAMP: Facility Management Policies; Policy Implementation Strategies; and Space Use and Planning.
