Attachment A

2007-240

To: Executive Ron Sims
From: Information Technology Project Review Board
Date: March 28, 2007

Re: Business Case — Elections Tabulation Equipment

The below signatures, comprising King County's Information Technology Project Review Board, reviewed the Information Technology Business Case and recommended solution and have found it to satisfy PRB business case requirements. The requisite due diligence and analysis were performed and the business case and recommended solution is hereby approved.

Robert V. Cowan, Director
Office of Management and Budget

3-29-07

Paul H. Tanaka,
County Administrative Officer

3/29/07

David S. Martinez,
Chief Information Officer

3-29-07

Sheryl V. Whitney,
Assistant County Executive

"To provide King County agencies, municipalities and the public with effective and efficient general government services"
