Proposed No.: 2014-0416.2

1 **AMENDMENT TO PROPOSED ORDINANCE 2014-0416, VERSION 2**

2 On page 1, after line 13, insert:

3 **SECTION 1. Findings:** The 2014 Annual Budget Ordinance 17695 included  
4 two provisos, Section 18, Proviso P3, as amended, and Section 33, Proviso P1, as  
5 amended, relating to access by and services to limited English populations. The office of  
6 performance, strategy and budget submitted a timely report that was fully responsive to  
7 subsection A. of the provisos. However, councilmembers had concerns about the report  
8 submitted by the department of elections in response to subsection B. of the provisos, and  
9 are requiring further work from the department in 2015/2016 via a new proviso in the  
10 2015-2016 Biennial Budget Ordinance 17941, Section 34, Proviso P2. Without an  
11 amendment striking the provisos from the 2014 Annual Budget Ordinance, Ordinance  
12 17695, to release the restricted moneys, county agencies might exceed their budgets,  
13 which would create a potential for audit findings. The removal of the provisos from  
14 Ordinance 17695 does not modify the intent in Ordinance 17941, Section 34, Proviso P2,  
15 for the department of elections to continue work on the topic."  
16 Renumber the remaining sections consecutively and correct any internal references  
17 accordingly.

18 **EFFECT: This amendment adds a finding to explain the removal of two provisos**  
19 **from the 2014 budget ordinance, and to direct elections to continue the work**  
20 **identified in those 2014 provisos in keeping with the new proviso on the 2015-2016**  
21 **budget.**
