RE 2021-2022 Budget Update

Dear King County Councilmembers,

I write to update you on the 2021-2022 4Culture Budget. In this packet you will find an updated 2021-2026 Program of Work, Staffing Plan, Financial Plan, and an annual Statement of Financial Activities dated August 31, 2021.

Our financial position is strong despite the fitful outlook of the public health crisis and the vagaries of lodging taxes. While we project a \$1.67 million deficit as the result of an estimated decrease in lodging taxes, we are on track to end the 2021-2022 biennium with over \$8 million in reserves. We believe these reserves provide the flexibility to respond to short-term economic uncertainty and serve as a foundation to our long-term financial health. Our positive financial outlook is attributed to over \$2.7 million in cost savings implemented in 2020 and 2021 as well as increases in revenue from 1% for Art, Building for Equity, and American Rescue Plan Act (ARPA) federal funds. Please see the updated Program of Work for more information about these changes.

We appreciate the additional financial support of ARPA funding you have provided to 4Culture to address the negative economic impacts of the COVID-19 public health crisis in King County's cultural sector. These funds will jumpstart a meaningful recovery process for hundreds of nonprofit cultural organizations and thousands of cultural workers throughout the county through a new 4Culture Cultural Recovery Fund. We just launched the first of two funding programs supported by this fund in September: The Cultural Recovery Fund for Organizations. We anticipate that our second funding program serving individual cultural producers will open early in the new year.

Your continued support coupled with our long-term financial strategy means we remain a staple resource for King County's cultural sector now and into the future. Please don't hesitate to contact me if you have questions.

Thank you.

Sincerely,

Brian Carter
Executive Director

4Culture 2021–2026

PROGRAM OF WORK

Introduction

The 2021–2026 4Culture Program of Work implements the newly adopted King County Cultural Strategic Plan. It maintains core programs and services at 2020 levels and adapts existing 2021 and 2022 programs to respond to the unique circumstances of the COVID 19 pandemic and resulting economic downturn. These include activities and partnerships that will help the cultural sector stabilize and recover, strengthening the regional cultural support system, improve equity to cultural resources, and ensure access to culture for all.

Update: October 7, 2021

Please see program sections below for more details about changes to program and services.

Program and Services

The 2021–2026 Program of Work includes programs and services in the following areas:

- Sustained Support for Arts
- Sustained Support for Heritage and Historic Preservation
- **UPDATE** Special Projects
- **UPDATE** Cultural Facilities
- Public Art
- **UPDATE** Cultural Education
- **NEW** COVID–19 Response

Sustained Support for Arts

In the wake of the COVID 19 pandemic, 4Culture will maintain general operating support to stabilize arts organizations, as well as provide additional support to the hardest hit organizations by the policies of *Stay Home, Stay Healthy* and facilitate a speedy recovery of all. 4Culture awards “annual grants for two consecutive years to local governments and nonprofit organizations that provide or facilitate quality arts experiences for residents of and visitors to King County.” These monies support “financial stability, artistic excellence, and encourages a commitment to provide ongoing cultural programs or events for the benefit of King County residents and visitors,” especially those who face barriers in accessing cultural experiences or have been historically underserved. Over 350 organizations participate in the program and reflect a countywide geographic distribution, including organizations of all sizes and in all artistic disciplines.

Sustained Support for Heritage and Historic Preservation

In the wake of the COVID 19 pandemic, 4Culture will maintain general operating support to stabilize heritage museums and historic preservation organizations, as well as provide additional support to the hardest hit organizations by the policies of *Stay Home, Stay Healthy* and facilitate a speedy recovery of all. 4Culture awards “annual grants for two consecutive years to historical museums and heritage organizations that make exceptional contributions to the preservation, collection, exhibition, interpretation or protection of resources related to the history of the people and places of King County.” These monies support “financial stability, excellence, and encourages a commitment to provide ongoing cultural programs or events for the benefit of King County residents and visitors, especially those who face barriers in accessing cultural experiences or have been historically underserved.” Over 75 organizations participate in the program and reflect a countywide geographic distribution, including organizations of all sizes and in all heritage disciplines and historic preservation.

Special Projects

“Expanding the role of local arts and heritage organizations and individuals as artistic and cultural educational resources that develop King County through arts and historic events and features” is at the heart of 4Culture’s project-based funding programs. We address “the needs of either mid- and smaller-sized organizations or individual artists and heritage professionals” through capacity building and technical assistance programs in each of our program areas. 4Culture will continue to partner with community-based organizations, cultural funders, other government agencies, and local and national cultural service organizations on “innovative arts projects, heritage endeavors and collaborative programs that reflect the cultural and geographic diversity of King County and are not funded by other county programs.” This includes sector-wide COVID-19 recovery initiatives.

Update

The biennium budget of \$6,851,260 was reduced by 20 percent resulting in \$1.4 million in cost savings as a response to an estimated \$1.67 million reduction in 2021 and 2022 Lodging Taxes. These savings were realized in the 2021 program year through reductions in funding programs across arts, heritage, and preservation.

Cultural Facilities

4Culture will continue to “build the cultural infrastructure throughout the region” and address one of the cultural sector’s most pressing issue, space security, which is the availability and affordability of appropriate space that meets the needs of King County’s diverse cultural organizations and practitioners. 4Culture will focus its efforts on **Building for Equity**, a program that encourages the first-time ownership, through purchase or long-term lease, of cultural space for organizations with priority given to underserved communities and community-based organizations. 4Culture will also continue to “support the purchase of fixed assets that will benefit art, heritage and cultural organizations” through the **Cultural Equipment Program**. “Support for the preservation and restoration of historic properties” increases through the **Barn Again Program** and **Landmarks Capital Program**. 4Culture also encourages “the acquisition of historic properties” through the **Preservation Action Fund**, a revolving fund operated in partnership with the King County Historic Preservation Program, Historic Seattle, and the Washington Trust for Historic Preservation.

Update

A biennium budget increase of 25% is due to an expanded Building for Equity program.

Public Art

Public art manages existing and new public art commissions funded by the **King County 1% for Art Ordinance** and maintains the **King County Public Art Collection** with collection stewardship funds. The goal of 4Culture public art is to “integrate the work and thinking of artists into the planning, design and construction” of county facilities, buildings, infrastructure and public spaces for our County partners. The public art program of work has 25 active, multi-year projects underway with an estimate of up to 16 art projects for 21–22. 4Culture will continue to care for the King County Public Art Collection of over 1,800 portable artworks and over 360 permanent and integrated artworks on display in publicly accessible sites, throughout King County. Gallery 4Culture is a 4Culture initiative managed by public art that provides ongoing opportunities for King County artists to exhibit their work with free access to King County’s diverse population.

Cultural Education

4Culture has learned that arts and heritage study and cultural experiences are not uniformly offered throughout King County’s 19 public school districts. Beginning in 2021, 4Culture will establish a **Public Schools Cultural Access Program**. The new program provides operating and startup funding to expand existing cultural education programs or create new programs that “provide the sequential and comprehensive study of the elements of the various arts and heritage forms in King County K–8 public schools.” The program also provides targeted access to cultural experiences for students at King County public school districts that have a disproportionately high percentage (over 40 percent) of low–income students.

Update

The biennium budget of \$388,035 was reduced by 37% resulting in \$145,000 in cost savings as a response to an estimated \$1.67 million reduction in 2021 and 2022 Lodging Taxes. The program launch has been postponed from 2021 to 2022.

COVID-19 Response

4Culture understands the need to help the cultural sector make a full recovery in the wake of the COVID-19 public health crisis, with distinct objectives and challenges at each phase of the recovery process. We anticipate the full process to include four phases of recovery: relief, reopen, recovery, and resiliency. From providing emergency relief to cultural organizations and practitioners at the onset of the pandemic to encouraging resiliency planning within the cultural sector upon full recovery, 4Culture is committed to responding as needed and where appropriate. The focus of our response in 2021 and 2022 is on the immediate recovery of King County’s cultural sector. We will partner with King County to distribute Coronavirus Local Fiscal Recovery (CLFR) federal funding through a new Cultural Recovery Fund that that will provide disaster relief to cultural organizations and individual cultural producers who were economically impacted by the pandemic.

** Note: Approximately 5.3 FTE's of existing staff currently budgeted in other program areas are expected to be reallocated to 4Culture's COVID-19 Response during the 2021-2022 biennium.*

Fund Sources

4Culture is primarily supported by 37.5 percent of the proceeds from **King County Lodging Tax** as well as the **Percent for Art Program**, a portion of King County new capital construction projects. Historically, 4Culture operated from a **Special Account Reserve Fund** that will be phased out in 2021 and transitioned into a contingency fund. 4Culture also utilizes grants and other revenue sources to fund the programs.

Update

Adjustments reflect revised estimates for Lodging Taxes (August 2021) and updated actuals for Percent for Art, King County Art Collection, and Building for Equity. New, one-time revenue sources include federal CARES Act and ARPA passthrough funds from King County.
