5 SECTION 1. The county assessor of King County has certified to the
6 metropolitan King County council that the assessed valuation of the County of King as
7 finally equalized amounts to \$656,203,218,952.

8 SECTION 2. The metropolitan King County council imposes the levies necessary
9 to fund estimated expenditures for the year 2021 as listed in this section. These amounts
10 do not include the total of estimated revenues from sources other than taxation, including
11 available surplus and such expenditures as are to be net from bond warrant issues. In
12 accordance with state law, the King County assessor calculated a sum for property taxes
13 available to the county related to new construction, improvements to property, refunds
14 and any increase in the assessed value of state assessed property. In calculating the
15 amount of regular property tax moneys needed, the council was cognizant of these sums
16 and they are therefore included in the following levy totals.
