DESCRIPTION OF THE BONDS

The Bonds will be dated the date of their initial delivery. The 2015B Bonds bear interest payable semiannually on each June 1 and December 1, beginning June 1, 2016, to the maturity of the 2015B Bonds. The 2015C Bonds bear interest payable semiannually on each January 1 and July 1, beginning January 1, 2016, to the maturity of the 2015C Bonds. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds will mature on the dates and in the amounts set forth on pages i and ii of the Preliminary Official Statement.

The Bonds are issuable only as fully registered bonds and, when issued, will be registered in the name of Cede & Co. as Bond owner and nominee for The Depository Trust Company (“DTC”). DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their interest in the Bonds purchased. The principal of and interest on the Bonds are payable by the fiscal agent for the State of Washington (currently U.S. Bank National Association) (the “Bond Registrar”), to DTC, which in turn is obligated to remit such principal and interest to the DTC participants for subsequent disbursement to beneficial owners of the Bonds.

Redemption of the Bonds

Optional Redemption. The County reserves the right to redeem outstanding 2015B Bonds maturing on or after December 1, 2026, in whole or in part, at any time on or after December 1, 2025, at the price of par plus accrued interest, if any, to the date fixed for redemption.

The County reserves the right to redeem outstanding 2015C Bonds maturing on or after January 1, 2027, in whole or in part, at any time on or after January 1, 2026, at the price of par plus accrued interest, if any, to the date fixed for redemption.

Mandatory Sinking Fund Redemption of Term Bonds. The County will redeem the 2015B Term Bonds maturing on _____, if not previously redeemed as described above or purchased and surrendered for cancellation under the provisions described below, by lot (or in such other manner as the Bond Registrar determines) at par plus accrued interest on December 1 in the years and amounts as follows:

2015B TERM BONDS	
<u>Years</u>	<u>Amounts</u>
(1)	

(1) Maturity.

The County will redeem the 2015C Term Bonds maturing on _____, if not previously redeemed as described above or purchased and surrendered for cancellation under the provisions described below, by lot (or in such other manner as the Bond Registrar determines) at par plus accrued interest on January 1 in the years and amounts as follows:

2015C TERM BONDS	
<u>Years</u>	<u>Amounts</u>
(1)	

(1) Maturity.

If the County redeems Term Bonds under the optional redemption provisions described above or purchases Term Bonds for surrender and cancellation as set forth below, the Term Bonds so redeemed or purchased (irrespective of their actual redemption or purchase prices) will be credited at the par amount thereof against the remaining mandatory redemption requirements for the Term Bonds of the same series in the manner to be determined by the Finance Director or, if no such determination is made, on a *pro rata* basis.

Selection of Bonds for Redemption. If fewer than all of the Bonds subject to optional redemption are called for redemption, the County will choose the maturities to be redeemed. If fewer than all of the Bonds maturing on the same date are called for redemption, the Bond Registrar will select for redemption such Bonds or portions thereof randomly, or in such other manner as the Bond Registrar determines, except that, for so long as the Bonds are registered in the name of DTC or its nominee, DTC will select for redemption such Bonds or portions thereof in accordance with the DTC Letter of Representations. In no event will any Bond be outstanding in a principal amount that is not \$5,000 or any integral multiple thereof.

Notice of Redemption. While Bonds are held by DTC in book-entry only form, any notice of redemption must be given at the time, to the entity, and in the manner required by DTC in accordance with the DTC Letter of Representations, and the Bond Registrar is not required to give any other notice of redemption. See “The Bonds—Book-Entry System” and Appendix E in the Preliminary Official Statement. If the Bonds cease to be in book-entry only form, unless waived by any Registered Owner of the Bonds to be redeemed, the County will cause notice of any intended redemption of Bonds to be given by the Bond Registrar not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the registration books for the Bonds maintained by the Bond Registrar at the time the Bond Registrar prepares the notice. The notice requirements of the Bond Legislation (as defined in the Preliminary Official Statement) will be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the owner of any Bond.

Conditional Redemption; Cancellation of Redemption. In the case of an optional redemption, the notice of redemption may state that the County retains the right to rescind the redemption notice and the redemption by giving a notice of rescission to the affected Registered Owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is so rescinded will be of no effect, and the Bonds for which a notice of optional redemption has been rescinded will remain outstanding.

Effect of Redemption. Interest on each Bond called for redemption will cease to accrue on the date fixed for redemption, except in the case of a rescinded optional redemption as described above, or unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

Purchase of Bonds

The County has reserved the right and option to purchase any or all of the Bonds at any time at any price.

Security

The Bonds are general obligations of the County. The County has irrevocably covenanted to levy nonvoted property taxes in an amount sufficient, together with other legally available money, to pay the principal of and interest on the Bonds when due. The County's nonvoted property taxes are subject to constitutional and statutory limits as described herein. See "Property Tax Information." The County has irrevocably pledged its full faith, credit, and resources for the annual levy and collection of such nonvoted property taxes and for the payment of the principal of and interest on the Bonds when due.

The County always has made principal and interest payments on outstanding bonds and notes when due.

Bidders for the 2015C Bonds must specify interest rates equal to or greater than 4.0% for 2015C Bonds maturing on or after January 1, 2027. Bidders for the 2015C Bonds must specify a maximum interest rate of 4.0% for 2015C Bonds maturing on or before January 1, 2023, and a maximum interest rate of 5.0% for 2015C Bonds maturing on or after January 1, 2024. No bid will be considered for the 2015C Bonds that is less than an amount equal to 108.5% of the par value of the 2015C Bonds or more than an amount equal to 117.5% of the par value of the 2015C Bonds, or for less than the entire offering of the 2015C Bonds.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours after submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Bidding Process

By submitting an electronic bid for a series of the Bonds, each bidder thereby agrees to the following terms and conditions:

- (i) If any provision in this Official Notice of Sale conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any modification or postponement communicated as described under "Modification, Postponement, Cancellation," will control.

- (ii) Bids may be submitted only via Parity. The bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting a bid timely and in compliance with the requirements of this Official Notice of Sale.
- (iii) The County has no duty or obligation to provide or assure access to Parity, and will not be responsible for the proper operation of Parity, or have any liability for any delays or interruptions or any damages caused by the use or attempted use of Parity.
- (iv) The County is using Parity as a communication mechanism, and not as an agent of the County.
- (v) Upon acceptance of a bid by the County, this Official Notice of Sale and the information that is electronically transmitted through Parity will form a contract between the bidder and the County.

If all bids for a series of the Bonds are rejected, the Finance Director may fix a new date and time for the receipt of bids for such series of the Bonds by giving notice as described under "Modification, Postponement, Cancellation" on or before the day prior to such new date and time.

Good Faith Deposit

The successful bidder for the 2015B Bonds is required to deliver a good faith deposit in the amount of \$285,000 by federal funds wire transfer to the Treasury Section of the Finance Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. The successful bidder for the 2015C Bonds is required to deliver a good faith deposit in the amount of \$260,000 by federal funds wire transfer to the Treasury Section of the Finance Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. Wiring instructions will be provided to the successful bidder for each series of the Bonds at the time of the verbal award.

The good faith deposit of the successful bidder for each series of the Bonds will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of such series of the Bonds on the delivery of such series of the Bonds to the successful bidder. Pending delivery of the Bonds, the good faith deposit for each series of the Bonds may be invested for the sole benefit of the County.

If the Bonds are ready for delivery and the successful bidder for a series of the Bonds fails to complete the purchase of such series of the Bonds within 30 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

Bids for the Bonds may not be conditioned upon obtaining insurance or any other credit enhancement. If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor will be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance will be paid by such bidder, unless otherwise paid. Any failure of a series of the Bonds to be so insured or of any such policy of insurance to be issued will not in any way relieve the successful bidder of such series of the Bonds of its contractual obligations arising from the acceptance of its proposal for the purchase of such series of the Bonds.

If the successful bidder for a series of the Bonds purchases insurance for such series of the Bonds, the County may require the successful bidder to furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel confirming that the insurance premium is less than the present value (calculated using the same yield as the yield on the insured Bonds) of the interest cost savings represented by the comparative differences between interest amounts that would have been payable on the various maturities of the insured Bonds at interest rates on the insured Bonds issued with and without the insurance on the insured Bonds.

Award

Each series of the Bonds will be sold to the bidder making a bid for such series of the Bonds that conforms to the terms of the offering and that, on the basis of the lowest true interest cost, is the best bid. For the purpose of comparing bids only, each bid must state the true interest cost of the bid determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount each debt service payment from the payment date to the date of the Bonds and to the price bid.

If there are two or more equal bids for a series of the Bonds and those bids are the best bids received, the Finance Director will determine which bid will be presented to the County Council for its consideration. The County reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process. If all bids for an offering are rejected, such series of the Bonds may be readvertised for sale in the manner provided by law and as described above.

Adjustment of Principal Amount and Bid Price After Bid Opening

The County has reserved the right to increase or decrease the preliminary principal amount of the 2015B Bonds by an amount not to exceed 10% of the principal amount of the 2015B Bonds following the opening of the bids. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the 2015B Bonds by the greater of \$500,000 or 15% of the principal amount of that maturity.

The County has reserved the right to increase or decrease the preliminary principal amount of the 2015C Bonds by an amount not to exceed 10% of the principal amount of the 2015C Bonds following the opening of the bids. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the 2015C Bonds by the greater of \$150,000 or 15% of the principal amount of that maturity.

The price bid by the successful bidder for each series of the Bonds will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount of such series of the Bonds. In the event that the County elects to increase or decrease the principal amount of a series of the Bonds after the bid pursuant to this Official Notice of Sale, the underwriter's discount for such series of the Bonds, expressed in dollars per thousand, will be held constant. The County will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder, or (ii) the true interest cost of the winning bid or its ranking relative to other bids.

Issue Price Information

Upon award of the Bonds, the successful bidder for each series of the Bonds must advise the County and Bond Counsel of the initial reoffering prices to the public of such series of the Bonds (the "Initial Reoffering Prices"). Simultaneously with or before delivery of the Bonds, the successful bidder for each series of the Bonds is required to furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

- (i) confirming the Initial Reoffering Price for each maturity of such series of the Bonds;
- (ii) certifying that a *bona fide* initial public offering of such series of the Bonds was made on the date of sale of the Bonds (the "Sale Date");
- (iii) certifying facts establishing the successful bidder's reasonable expectations, as of the Sale Date, that the Initial Reoffering Price for each maturity of such series of the Bonds would be the first price at which at least 10% of the principal amount of such maturity would be sold to the public, excluding bond houses, brokers, and other intermediaries, including, without limitation, the successful bidder and any selling group of which the successful bidder is a part, directly or indirectly (the "Public"); and
- (iv) certifying that the Initial Reoffering Price for each maturity of such series of the Bonds was in fact the first price at which at least 10% of the principal amount of such maturity was sold to the Public, except for specified maturities, if applicable.

Delivery

The County will deliver each series of the Bonds (consisting of one certificate per maturity of each series) to DTC in New York, New York, or to the Bond Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing will occur within 30 days after the Sale Date. Settlement will be in federal funds available in Seattle, Washington, on the date of delivery of the Bonds (the "Date of Issue"). Delivery is expected to be October 13, 2015.

If, prior to the delivery of the Bonds, the interest receivable by the owners of a series of the Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in the Preliminary Official Statement, the successful bidder for such series of the Bonds, at its option, may

be relieved of its obligation to purchase such series of the Bonds, and in that case the good faith deposit accompanying its bid will be returned without interest.

Legal Matters

The approving legal opinion of Hillis Clark Martin & Peterson P.S., Seattle, Washington, Bond Counsel, for each series of the Bonds will be provided to the Purchaser of such series of the Bonds at the time of the delivery of the Bonds. Bond Counsel's opinions will express no opinion concerning the accuracy, completeness, or sufficiency of the Preliminary Official Statement or other offering material relating to the Bonds, nor will there be an opinion of Bond Counsel relating to the undertaking of the County to provide ongoing disclosure pursuant to Securities and Exchange Commission ("SEC") Rule 15c2-12 ("Rule 15c2-12"). A no-litigation certificate will be included in the closing papers of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on the Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the successful bidder for each series of the Bonds to accept delivery of and pay for such series of the Bonds in accordance with the terms of this Official Notice of Sale.

The successful bidder for each series of the Bonds is responsible for obtaining CUSIP numbers for such series of the Bonds. The charge of the CUSIP Service Bureau will be paid by such successful bidder.

OTHER INFORMATION

Ongoing Disclosure Undertaking

To assist bidders in complying with paragraph (b)(5) of Rule 15c2-12, the County will undertake to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement under "Legal and Tax Information—Continuing Disclosure Undertaking" and will also be set forth in the final Official Statement.

Preliminary Official Statement

The Preliminary Official Statement is in a form that the County expects to deem final for the purpose of paragraph (b)(1) of Rule 15c2-12, but is subject to revision, amendment, and completion in a final Official Statement, which the County will deliver, at the County's expense, to the Purchaser of each series of the Bonds through its designated representative not later than seven business days after the County's acceptance of such Purchaser's bid, in sufficient quantities to permit such Purchaser to comply with Rule 15c2-12.

By submitting the successful proposal, the Purchaser of each series of the Bonds agrees:

- (i) to provide to the Finance Division, in writing, within 24 hours after the acceptance of the bid, pricing and other related information, including the Initial Reoffering Price of each maturity of such series of the Bonds, necessary for completion of the final Official Statement;
- (ii) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the County;
- (iii) to take any and all actions necessary to comply with applicable rules of the SEC and the Municipal Securities Rulemaking Board ("MSRB") governing the offering, sale, and delivery of such series of the Bonds to the ultimate purchasers, including the delivery of a final Official Statement to each investor who purchases such series of the Bonds; and
- (iv) to file the final Official Statement or cause it to be filed with the MSRB within one business day following its receipt from the County.

Official Statement

At closing, the County will furnish a certificate of an official or officials of the County, stating that, to the best knowledge of such official(s) and relying on the opinions of Bond Counsel where appropriate, as of the date of the Official Statement and as of the Date of Issue of the Bonds:

- (i) the information (including financial information) regarding the County contained in the Official Statement was and is true and correct in all material respects and did not and does not contain any untrue statement of a material fact or omit any statement or information which is necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (however, the County will make no representation regarding Bond Counsel’s form of opinion or the information provided by DTC, U.S. Bank National Association, or any entity providing bond insurance or other credit facility); and
- (ii) the descriptions and statements, including financial data, of or pertaining to other bodies and their activities contained in the Official Statement have been obtained from sources that the County believes to be reliable and the County has no reason to believe that they are untrue in any material respect.
