SUMMARY OF RECOMMENDATIONS:

Department's Recommendation:	Approve 18.40 acres for 40% of market value
Examiner's Recommendation:	Approve 18.40 acres for 40% of market value

PRELIMINARY REPORT:

On September 23, 2016, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E16CT018 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on October 6, 2016, in the Ginger Conference Room, 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS, CONCLUSIONS AND RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. General Information:

Owners:	Edward and Susan Moser 32717 SE Kuzak Road Enumclaw, WA 98022
Location:	32717 SE Kuzak Road, Enumclaw
STR:	SW 22-21-07
Zoning:	F
Parcel no.:	2221079042
Total acreage:	20.00 acres

- The Applicants timely filed an application to King County for PBRS program current use valuation of the property to begin in 2018. As required by law, notification of the application occurred.
- A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~striketrough~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any *asterisks* represent a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	<i>Buffer to public or current use classified land</i>	3
	<i>*Forest stewardship land*</i>	
	Rural open space	5
	<u><i>Watershed protection area</i></u>	<u>5</u>
		13

The DNRP-recommended score of 13 points results in a current use valuation of 40% of market value for the enrolled portion of the property. Additional credit may be awarded administratively under the forest stewardship land category subject to submittal of a forest stewardship plan by **April 3, 2017**, and subsequent approval by **June 1, 2017**. Award of credit under this category would increase the point total by 5 points, resulting in a current use valuation of 30% of market value for the enrolled portion of the property. It would also preserve the option to conduct approved-forestry activities.

4. As to the land area recommended for PBRS enrollment, the Applicant requested 17.00 acres and DNRP recommends 18.40 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in the DNRP preliminary report and testimony at the October 6, 2016, public hearing are correct and incorporated herein by reference. Copies of this report and the department report will be provided to the Metropolitan King County Council for final approval.

CONCLUSION:

1. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 13 points and a current use valuation of 40% of market value for 18.40 acres of the property and conditional approval of 5 additional points (which would bring the total to 18 points and 30% of market value for the enrolling 18.40 acres of the property), is consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.
2. The subject property is currently enrolled in the designated forest land program. Any open space taxation participation agreement signed as a result of approval of this application should be worded to supersede any prior agreement for the parcel.

RECOMMENDATION:

1. **APPROVE** current use valuation of 40% of market value for the 18.40-acre enrolled portion of the property.

2. **CONDITIONALLY APPROVE** additional credit under the forest stewardship land category, to be awarded administratively, if the Applicants submit a forest stewardship plan by **April 3, 2017**, and that plan is approved by **June 1, 2017**. This would result in a 5-point increase and in-turn a current use valuation of 30% of market value for the 18.40-acre enrolled portion of the property.
