Proposed No.: 2012-0435

1 **AMENDMENT TO PROPOSED ORDINANCE 2012-0435, VERSION 2**

2 On page 3 of Attachment A, "Interagency Cooperation Agreement between King County,
3 Washington and the Washington State Housing Finance Commission," dated February 5,
4 2013, delete the text of section 3.4 b) and replace with:

5 "For projects located within unincorporated King County, the King County
6 Executive's support or absence of objection will be an additional consideration. The
7 Director of the Department of Natural Resources and Parks will notify in writing the
8 King County Executive and the Councilmember in whose district the project is proposed
9 to be located. The Executive and the Councilmember will each have 14 calendar days to
10 review and provide a letter of support or objection for each application in the
11 unincorporated area of King County, before the application will be considered by King
12 County. Should the Executive or Councilmember object in writing to a project proposal
13 in the unincorporated area of King County, the County will consider those objections
14 before determining whether a project satisfies the applicable criteria."

EFFECT: This amendment ensures that for projects proposed in the County's unincorporated areas, the Councilmember in whose district the project is proposed to be located is afforded an opportunity to comment on the project before it is forwarded to the state's Financing Commission. The shading shows the added language and is for illustrious purpose only.
