Ordinance 19964

Proposed No. 2022-0301.2

Sponsors Dembowski

1 AN ORDINANCE determining the Shoreline Park and
2 Recreation District is inactive under state law and it is in
3 the public interest to dissolve the Shoreline Park and
4 Recreation District.

5 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

6 **SECTION 1. Findings:**

7 A. Under RCW 36.96.020, once a county legislative authority has been informed
8 that a special purpose district appears to be inactive, that legislative authority is required
9 to hold public hearings and determine whether or not that special purpose district is
10 "inactive." After a finding of inactivity, the legislative authority may then also determine
11 whether it is in the public interest to dissolve such an inactive special purpose district.

12 B. In accordance with RCW 36.96.020, the director of the department of
13 elections provided written notice to the King County council on May 31, 2022, of
14 apparent inactive special purpose districts located in the county. According to the
15 department of elections, it has no records showing that since 1992 the Shoreline Park and
16 Recreation District ("the district") has held any election for commissioners or run any
17 bond measure. The department of elections concluded that the district appears to be
18 "inactive" under RCW 36.96.010(3).

Ordinance 19964

19 C. In accordance with state law, the King County treasurer acts as the treasurer
20 for parks and recreation districts created within the county. The treasurer has confirmed
21 that it holds no moneys in the name of the district.

22 D. In accordance with RCW 36.96.030, a public hearing on whether the district is
23 "inactive" under chapter 36.96 RCW and whether it is in the public interest to dissolve
24 the district was held on August 19, 2025. Notice of the hearing was provided in
25 accordance with RCW 36.96.030.

26 E. The council finds that the district has not carried out any of the special
27 purposes or functions for which it was formed within the preceding consecutive five-year
28 period, and no process has been initiated for the purpose of electing a member of the
29 governing body within the preceding consecutive seven-year period. Therefore, it meets
30 the criteria for being "inactive" under RCW 36.96.010(3).

31 F. In accordance with RCW 36.96.040, the council finds that the dissolution of
32 the district is in the public interest since the district is defunct and does not provide the
33 public function for which it was formed. The district's dissolution would reduce
34 administrative burdens imposed on King County in providing monitoring and financial
35 oversight services and reduce costs to taxpayers resulting from those administrative
36 burdens.

37 SECTION 2. The Shoreline Park and Recreation District is dissolved in
38 accordance with RCW 36.96.040.

39 SECTION 3. In accordance with RCW 36.96.040, the Shoreline Park and

Ordinance 19964

- 40 Recreation District shall cease to exist thirty-one days after the effective date of this
41 ordinance.

Ordinance 19964 was introduced on 7/26/2022 and passed as amended by the

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
