The Honorable Dave Upthegrove
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Upthegrove:

I am pleased to transmit to you a proposed Motion reappointing Renton City Councilmember Ed Prince to the Sound Transit Board of Directors. This proposed Motion is one of two reappointments I am sending simultaneously to the Council for action. Approval of these proposed Motions will support timely reappointments of current board members to four-year terms, from 2024 to 2027. If approved, these reappointments will provide representation of the subareas within King County's portion of the Sound Transit taxing district.

Sound Transit is governed by an 18-member board comprised of local elected officials proportional to the population in the Sound Transit district. The Sound Transit Board of Directors establishes policies and gives direction and provides oversight regarding voter-approved projects within the Sound Transit taxing district. King County is represented by 10 Executive appointed board members and confirmed by the King County Council.

In proposing these individuals for reappointment to the Sound Transit Board, I am ensuring that each subarea within King County's portion of the Sound Transit district is represented by local and countywide elected officials, each of whom demonstrates a strong understanding of the significant role that mass transit infrastructure plays in getting people moving and combatting climate change.

Thank you for your consideration of these proposed reappointments to the Sound Transit Board of Directors. This important proposed legislation will help ensure active and timely participation by King County board members on pressing issues and policy decisions required for the next four years.

The Honorable Dave Upthegrove
