The Honorable Dave Upthegrove  
Chair, King County Council  
Room 1200  
C O U R T H O U S E

Dear Councilmember Upthegrove:

This letter transmits a proposed Ordinance that, if enacted, would approve the Valley View Sewer District's (District) 2023 General Sewer Plan (Plan) dated February 21, 2023. This letter and attached matrix describe the results of the Utilities Technical Review Committee's (UTRC) review of the Plan and its consistency with King County requirements.

The King County Code 13.24 (KCC) and Chapter 57.16 Revised Code of Washington (RCW) require King County approval of the Plan before it becomes effective. The Council's approval of the Plan will also provide state regulatory agencies with the determination required under RCW 43.20.260 that the Plan is consistent with the King County Comprehensive Plan and implementing development regulations. The UTRC reviewed the Plan for conformance with KCC, which recommended approval of the Plan on May 15, 2024.

The enclosed matrix provides additional information regarding the District's Plan and compliance with KCC requirements and consistency with the King County Comprehensive Plan.

I appreciate the District's cooperation in submitting the Plan and working through the UTRC review process.

Thank you for your consideration of this proposed Ordinance.

If your staff have any questions, please contact Jim Chan, Director, Permitting Division, Department of Local Services, at 206-477-0385.

The Honorable Dave Upthegrove
