AND
WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES
LOCAL 1652R**

PREAMBLE

These Articles constitute an agreement between King County (County) and the Washington State Council of County and City Employees (WSCCCE), Local 1652-R (Union). This Agreement shall be subject to approval by ordinance by the Metropolitan King County Council.

The County and the Union, by mutual agreement, acknowledge the importance of a participative workplace in the Hazardous Waste and Industrial Waste Units. In the spirit of participation, management and labor in each work unit are committed to working together to establish internal policies, procedures, expectations and standards, with the purpose of instilling and preserving a culture of cooperation and partnership and to meet the business needs of the Hazardous Waste and Industrial Waste Units.

ARTICLE 1: PURPOSE

Section 1. The purpose of this Agreement is to promote the continued improvement of the relationship between the County and the Union. The articles of this Agreement set forth the wages, hours, and other working conditions for the bargaining unit employees.

Section 2. All words under this Agreement shall have their ordinary and usual meaning except those words that have been defined under K.C.C. 3.12, as amended.

ARTICLE 2: UNION RECOGNITION AND MEMBERSHIP

Section 1. The County recognizes the Union, as the exclusive bargaining representative of all employees, except confidential employees, whose job classifications are listed in the attached Addendum "A".

Section 2. It shall be a condition of employment that all employees covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement

1 shall remain members in good standing or pay an agency fee to the Union in lieu of membership.
2 Employees who are not members on the effective date of this Agreement, shall become and remain
3 members in good standing in the Union or pay an agency fee to the Union in lieu of membership
4 within thirty days of the effective date of this Agreement. It shall also be a condition of employment
5 that all employees covered by this Agreement and hired or assigned into the bargaining unit after its
6 effective date shall, on the thirtieth day following the beginning of such employment, become and
7 remain members in good standing in the Union or pay an agency fee in lieu of membership.

8 **Section 3.** An employee who objects to membership in the Union on the grounds of a bona
9 fide religious objection shall pay an amount of money equivalent to regular union dues to a non-
10 religious charitable organization mutually agreed upon by the employee affected and the bargaining
11 representative to which such employee would otherwise pay the dues. The employee shall furnish
12 written proof that such payment has been made.

13 **Section 4.** Failure by an employee to abide by the above provisions shall constitute cause for
14 discharge of such employee; provided, however, it shall be the responsibility of the Union to notify
15 the County in writing when it is seeking discharge of an employee for noncompliance with Section 2
16 and Section 3 of this Article. When an employee fails to fulfill the union security obligations set
17 forth within this Article, the Union shall forward a "Request for Discharge Letter" to the Department
18 of Natural Resources and Parks ("department") Human Resources Manager (with copies to the
19 affected employee and the Department of Executive Services). Accompanying the discharge letter
20 shall be a copy of the letter to the employee from the Union explaining the employee's obligation
21 under either Article 2, Section 3 or Section 4.

22 The contents of the "Request for Discharge Letter" shall specifically request the discharge of
23 the employee for failure to abide by Section 3 or Section 4 of this Article, but provide the employee
24 and the County with thirty (30) calendar days' written notification of the Union's intent to initiate
25 discharge action, during which time the employee may make restitution in the amount which is
26 overdue. Upon receipt of the Union's request, the department's Human Resources Manager shall
27 give notice in writing to the employee, with a copy to the Union and the Office of Labor Relations
28 (OLR) that the employee faces discharge upon the request of the Union at the end of the thirty (30)-

1 calendar day period noted in the Union's "Request for Discharge Letter" and that the employee has an
2 opportunity before the end of said thirty (30)-calendar day period to present to the department's
3 Human Resources Manager any information relevant to why the Department should not act upon the
4 Union's written request for the employee's discharge.

5 In the event the employee has not yet fulfilled the obligation set forth within Section 3 or
6 Section 4 of this Article within the thirty (30)-calendar day period noted in the "Request for
7 Discharge Letter," the Union shall thereafter reaffirm in writing to the Department's Human
8 Resources Manager with copies to the affected employee and the OLR, its original written request for
9 discharge of such employee. Unless sufficient legal explanation or reason is presented by the
10 employee why discharge is not appropriate or unless the Union rescinds its request for the discharge
11 the County shall, as soon as possible thereafter, effectuate the discharge of such employee. If the
12 employee has fulfilled the union security obligation within the thirty (30)-calendar day period, the
13 Union shall so notify the Department's Human Resources Manager in writing, with a copy to the
14 OLR and the affected employee. If the Union has reaffirmed its request for discharge, the
15 Department's Human Resources Manager shall notify the Union in writing, with a copy to the
16 Director of OLR and the affected employee, that the department effectuated, or that the department
17 has not discharged the employee, setting forth the reasons why it has not done so.

18 **Section 5.** Upon receipt of written authorization individually signed by a bargaining unit
19 employee, the County shall have deducted from the pay of such employee the amount of dues as
20 certified by WSCCCE and shall transmit the amount to WSCCCE.

21 **Section 6.** The Union will indemnify and hold the County harmless against any claims made
22 and against any suit instituted against the County on account of any provision herein. The Union
23 agrees to refund to the County any amounts paid to it in error upon presentation of proper evidence
24 thereof.

25 **Section 7.** The County will transmit to the Union, upon written request, a current listing of all
26 employees in the bargaining unit no more than twice a year. Such list shall indicate the name of the
27 employee, position, job classification, department and work unit.

28 **Section 8.** The following types of employees are covered under this Agreement:

7 **C. Temporary Employee:** An employee hired when additional work requires a
8 temporarily augmented work force, or in the event of an emergency, or to fill in for the absence of a
9 regular employee, or to fill a vacancy in a regular career service position for a short period while said
10 position is waiting to be filled by a regular employee, for less than 1040 hours in a calendar year.

11 **D. Term-Limited Temporary Employee:** A temporary employee who is employed
12 in a term-limited temporary position with work related to a specific grant, capital improvement

14 placed in a regular position to back fill during a career service employee's absence such as extended
15 leave or assignment to a time-limited project, for a period greater than six months. Term-limited
16 temporary employees are not members of the career service, and may not be employed in term-limited
17 temporary positions longer than three years from the date of hire unless extended for up to five years

24 duties, sick leave absence which is not bona fide, or other interference with County functions by
25 employees under this Agreement, and should same occur, the Union agrees to take appropriate steps
26 to end such interference. Any concerted action by any employees in the Union shall be deemed a
27 work stoppage if any of the above activities have occurred.

28 **Section 2.** Any employee participation in such work stoppage or in other ways committing an

1 act prohibited in this article shall be considered absent without authorized leave and shall be
2 considered to have resigned.

3 **ARTICLE 5: EMPLOYEE RIGHTS**

12 right of appeal with regard to discipline or discharge as provided for in the Grievance Procedure of
13 this Agreement.

14 **ARTICLE 6: NON-DISCRIMINATION**

15 **Section 1.** The County or the Union shall not unlawfully discriminate in employment on the
16 basis of race, color, religion, national origin, age, creed, marital status, sex, sexual orientation, union
17 activity, or on the presence of a sensory, mental or physical disability.

18 **Section 2. Avenue of Redress:** Complaints arising under this Article may be pursued
19 through appropriate equal employment opportunity agencies of the Federal, County, City or State.
20 Issues of this nature may be concurrently pursued through Step 3 of the Agreement's grievance
21 procedure.

22 **ARTICLE 7: UNION REPRESENTATION**

23 **Section 1.** Authorized representatives of the Union may, after notifying the County official in

25 purpose of investigating grievances.

26 **Section 2.** The Union will elect a shop steward per each work unit. The department shall be
27 furnished with the name of the stewards so elected. The stewards shall see that the provisions of this
28 Agreement are observed and shall be allowed reasonable time to perform these duties during regular

1 working hours.

2 **Section 3.** Where allowable, the County shall make available to the Union any meeting space,

12 County Email Usage Policy and any modifications thereto.

13 **ARTICLE 8: HOURS OF WORK**

14 **Section 1.** The standard workweek shall be based on a forty hours schedule.

15 **Section 2.** The division shall establish work schedules that may be changed from time-to-
16 time.

17 **Section 3.** The work unit manager and an employee may agree to establish an alternative
18 and/or flex schedule. The work unit manager reserves the right to cancel or change such schedules to
19 meet business needs.

20 **Section 4. Overtime and Compensatory Time:**

21 **A.** All work performed in excess of forty (40) hours in any work week by overtime
22 eligible employees shall be considered as overtime and shall be either paid for at the overtime rate of
23 one and one-half (1-1/2) times the hourly regular rate of pay or shall be accrued as compensatory time
24 at the rate of time and one-half. An employee is not required to accept compensatory time in lieu of

28 any time. An attempt will be made to use compensatory time during the year in which it is accrued

1 unless this is not feasible due to work demands. The employee may then request the carryover of all
2 hours of accrued compensatory time to the following calendar year. Compensatory hours that have
3 been carried over must be used within the new calendar year. An employee who has requested the
4 use of compensatory time shall be permitted to use such time within a reasonable period after making
5 the request unless there is an exceptional business need that would require the employee to remain at
6 work.

7 C. Overtime eligible employees may make necessary adjustments, when approved by
8 the work unit manager, in their normal work hours required to fulfill their job responsibilities within a
9 forty (40)-hour week without overtime compensation.

10 D. Thirty (30) calendar days advance notice will be given an employee prior to the
11 implementation of an involuntary change in the employee's regular schedule, except in cases of
12 emergency.

13 **Section 5.** Employees covered by this Agreement that are employed in a bona fide executive,
14 administrative or professional capacity and in turn are exempt from overtime payments under the
15 Federal Fair Labor Standards Act (FLSA) are expected to work the hours necessary to satisfactorily
16 perform their jobs. However, FLSA exempt employees are eligible to receive Executive Leave
17 pursuant to the King County Executive Leave Pay and Leave Practices for Exempt Executive,
18 Administrative, and Professional Employees (Executive Policy PER 8-1-2 (AEP)).

19 **Section 6. Standby Duty:** Whenever an employee is placed on standby duty, the employee
20 shall be available to respond to emergency calls and, when necessary, return immediately to work.
21 Employees who are placed on standby duty shall be paid at a rate of ten (10) percent of the
22 employees' straight time hourly rate of pay for all hours assigned. When an employee is required to
23 return to work while on standby duty, the standby shall be discontinued for the actual hours on work
24 duty and compensation shall be provided in accordance with this Article. FLSA-exempt employees
25 shall not be eligible for standby pay.

26 **Section 7. Call-in Pay:** Employees who are called into work on an unscheduled basis, or
27 after completion of his/her regular shift or workweek, or because of an emergency, outside of

1 minimum of three (3) hours. FLSA-exempt employees shall not be eligible for call-in pay.

2 **Section 8. Telecommuting:** In the interest of attracting and retaining a diverse and talented
3 workforce, reducing costs, and meeting policies and regulations such as the Commute Trip Reduction

12 not entitled to sick leave if not previously earned.

13 **Section 2.** During the first six (6) months of service in a paid leave eligible position,
14 employees eligible to accrue vacation leave may, at the manager's discretion, use any accrued days of
15 vacation leave as an extension of sick leave. If an employee does not work a full six (6) months in a
16 paid leave eligible position, any vacation leave used for sick leave must be reimbursed to the County
17 upon termination. To the extent that the Washington State Family Care Act provides a greater benefit
18 than the provisions of this Agreement, the Washington State law will apply.

19 **Section 3.** There shall be no limit to the hours of sick leave benefits accrued by a paid eligible
20 employee.

21 **Section 4.** Division management and employees are responsible for the proper administration
22 of the sick leave benefit. Verification of illness from a licensed practitioner may be required by
23 division management for any requested sick leave absence, or to substantiate the health condition of
24 the employee or family member for leave requests.

25 **Section 5.** Separation from or termination of County employment shall cancel all sick leave
26 accrued to the employee as of the date of separation or termination. Should a regular employee resign
27 in good standing, be separated for nondisciplinary medical reasons, or be laid off due to lack of work,
28 funds, or efficiency reasons, and return to County employment within two years, accrued sick leave

1 shall be restored. Restoration shall not apply where the former employment was in a term-limited
2 temporary position.

3 **Section 6.** Employees eligible to accrue paid leave and who have successfully completed at
4 least five years of County service and who retire as a result of length of service or who terminate by
5 reason of death shall be paid, or their estates paid for as provided for by RCW Title 11, as applicable,
6 an amount equal to thirty-five percent of their unused, accumulated sick leave multiplied by the
7 employee's rate of pay in effect upon the date of leaving County employment less mandatory
8 withholdings.

9 **Section 7.** An employee who has exhausted all of his/her sick leave may use accrued vacation
10 leave as sick leave before going on leave of absence without pay, if approved by the manager. To the
11 extent that the Washington State Family Care Act provides a greater benefit than the provisions of
12 this Agreement, the Washington State law will apply.

13 **Section 8.** For employees covered by the overtime requirements of the Fair Labor Standards
14 Act, sick leave may be used in one-half hour increments, at the discretion of the manager.

15 **Section 9.** Bargaining unit members shall be covered under the provisions of K.C.C. 3.12.220
16 (King County Family and Medical Leave), and any amendments thereto. This coverage includes, but
17 is not limited to, eligibility requirements, terms, conditions, and restrictions.

18 **Section 10.** To the extent that the Washington State Family Care Act provides a greater
19 benefit than the provisions of this Agreement, the Washington State law will apply.

20 **ARTICLE 12: PAID LEAVES**

21 **Section 1. Donation of Leaves:** Donation of vacation leave hours and donation of sick leave
22 hours.

23 **A. Vacation leave hours.**

24 1. Any employee eligible for paid leave benefits may donate a portion of his or
25 her accrued vacation leave to another employee eligible for leave benefits. Such donation will occur
26 upon written request to and approval of the donating and receiving employee's department
27 director(s), except that requests for vacation donation made for the purposes of supplementing the
28 sick leave benefits of the receiving employee shall not be denied unless approval would result in a

1 departmental hardship for the receiving department.

2 2. The number of hours donated shall not exceed the donor's accrued vacation
3 credit as of the date of the request. No donation of vacation hours shall be permitted where it would
4 cause the employee receiving the transfer to exceed his or her maximum vacation accrual.

5 3. Donated vacation leave hours must be used within ninety calendar days
6 following the date of donation. Donated hours not used within ninety (90) days or due to the death of
7 the receiving employee shall revert to the donor. Donated vacation leave hours shall be excluded
8 from vacation leave payoff provisions contained in this chapter. For purposes of this section, the first
9 hours used by an employee shall be accrued vacation leave hours.

10 **B. Sick leave hours.**

11 1. Any employee eligible for paid leave benefits may donate a portion of his or
12 her accrued sick leave to another employee eligible for leave benefits upon written notice to the
13 donating and receiving employee's department director(s).

14 2. No donation shall be permitted unless the donating employee's sick leave
15 accrual balance immediately subsequent to the donation is one hundred (100) hours or more. No
16 employee may donate more than twenty-five (25) hours of his or her accrued sick leave in a calendar
17 year.

18 3. Donated sick leave hours must be used within ninety (90) calendar days.
19 Donated hours not used within ninety (90) days or due to the death of the receiving employee shall
20 revert to the donor. Donated sick leave hours shall be excluded from the sick leave payoff provisions
21 contained in this chapter, and sick leave restoration provisions contained in this chapter. For
22 purposes of this section, the first hours used by an employee shall be accrued sick leave hours.

23 **C.** All donations of vacation and sick leave made under this chapter are strictly
24 voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other
25 compensation or benefits in exchange for donating vacation or sick leave hours.

26 **D.** All vacation and sick leave hours donated shall be converted to a dollar value
27 based on the donor's straight time hourly rate or salary at the time of donation. Such dollar value will
28 then be divided by the receiving employee's hourly rate or salary to determine the actual number of

1 hours received. Unused donated vacation and sick leave shall be reconverted based on the donor's
2 straight time hourly rate at the time of reconversion.

3 **Section 2. Leave - Organ Donors:**

4 A. The division manager shall allow employees eligible for paid leaves who are
5 voluntarily participating as donors in life-giving or life-saving procedures such as, but not limited to,
6 bone marrow transplants, kidney transplants, or blood transfusions up to five (5) working days paid
7 leave provided;

8 1. The employee gives the division manager reasonable advance notice of the
9 need to take time off from work for the donation of bone marrow, a kidney, or other organs or tissue
10 where there is a reasonable expectation that the employee's failure to donate may result in serious
11 illness, injury, pain or the eventual death of the identified recipient.

12 2. The employee provides written proof from an accredited medical institution,
13 organization or individual as to the need for the employee to donate bone marrow, a kidney, or other
14 organs or tissue or to participate in any other medical procedure where the participation of the donor
15 is unique or critical to a successful outcome.

16 B. Time off from work for the purposes set out above in excess of five (5) working
17 days shall be subject to leave policies in this Agreement.

18 **Section 3. Bereavement Leave:**

19 A. Employees eligible for paid leaves shall be entitled to three (3) working days of
20 bereavement leave per occurrence, due to death of members of their immediate family.

21 B. Employees eligible for leaves who have exhausted their bereavement leave, shall
22 be entitled to use sick leave in the amount of three (3) working days for each instance when death
23 occurs to a member of the employee's immediate family.

24 C. In the application of any of the foregoing provisions, when a holiday or regular day
25 off falls within the prescribed period of absence, it shall not be charged against the employee's sick
26 leave account nor bereavement leave credit.

27 D. For the purpose of administering bereavement leave, immediate family means:
28 Employee's spouse or employee's domestic partner. The son; daughter; son-in-law; daughter-in-law;

1 parent; grandparent; sibling; sibling-in-law; grandson; granddaughter of the employee, employee's
2 spouse or employee's domestic partner; or an individual whom the employee, employee's spouse or
3 employee's domestic partner stood in loco parentis to or an individual who stood in loco parentis to
4 the employee, employee's spouse or employee's domestic partner.

5 **Section 4. School Volunteers:** Employees eligible for paid leaves shall be allowed the use
6 of up to three days of sick leave each year to allow employees to perform volunteer services at the
7 school attended by the employee's child provided; employees requesting to use sick leave for this
8 purpose shall submit such request in writing specifying the name of the school and the nature of the
9 volunteer services to be performed.

10 **Section 5. Jury Duty:** Employees eligible for paid leaves who are ordered on a jury shall be
11 entitled to their regular County pay; provided, that fees for such jury duty are deposited, exclusive of
12 mileage, with the Finance and Business Operations Division of the Department of Executive
13 Services. Employees shall report back to their division manager or designee when dismissed from
14 jury service.

15 **Section 6. Leave Examinations:** Employees eligible for paid leaves shall be entitled to
16 necessary time off with pay for the purpose of participating in County qualifying or promotional
17 examinations. This shall include time required to complete any required interviews.

18 **ARTICLE 13: WORK OUTSIDE-OF-CLASSIFICATION**

19 **Section 1.** It is understood by the parties that an employee may be assigned in writing to
20 perform the preponderance of the duties of a higher classification in the bargaining unit by the
21 division manager/designee.

22 **Section 2.** An employee assigned in writing by his/her manager/designee to a higher
23 classification will be paid at the first step of the range assigned to the higher classification or at a step
24 that most closely approximates five percent above the employee's salary prior to the assignment,
25 whichever is higher.

26 **Section 3.** Outside of classification assignments for less than one day will not be
27 compensated at the higher rate. One day or more will be compensated at the higher rate.

28 **Section 4.** If the employee is required to work out-of-class for more than sixty (60) days the

1 Union may request a meeting for the sole purpose of clarifying why the employee is still working out-
2 of-class.

3 **Section 5.** An employee assigned in writing to perform work of a lower classification will be
4 paid at their regular rate of pay or salary for the period of the assignment.

5 **Section 6.** Employees and supervisors will review the employee's classification
6 specifications at least annually. Requests to change an employee's classification will be made in
7 accordance with King County Personnel Guidelines.

8 **ARTICLE 14: JOB PROGRESSION**

9 The County and the Union agree that job progression remains an option for certain, mutually
10 agreed upon, classification series. If the County and the Union agree that job progression is feasible
11 for a specific classification series, they may establish a joint labor/management committee to develop
12 the necessary protocol.

13 **A.** The County and the Union agree to meet to evaluate the protocol developed by the
14 committee(s). If the County and the Union agree to a designed job progression protocol for a
15 classification series, the job progression process will be implemented.

16 **B.** The step placement upon progression shall be according to the same rule for promotion.

17 **C.** Trial service shall not be required for employees that progress within a classification series
18 as a result of completing a job progression protocol.

19 **D.** The following job progression systems have been developed by a joint labor and
20 management committee and the criteria by which an employee may progress within the classification
21 series has been established in the specific protocols pertaining to such job progression systems. Any
22 changes to the established protocols must be developed and agreed upon by a joint labor and
23 management committee.

24 **a.** Health and Environmental Investigator II to a Health and Environmental
25 Investigator III (Job Progression System for Health and Environmental Investigator (HEI) II to III
26 dated October 8, 2007.

27 **b.** Industrial Waste Compliance Investigator I to Industrial Waste Compliance
28 Investigator II dated February 21, 2006.

1 c. Industrial Waste Compliance Specialist I to Industrial Waste Compliance
2 Specialist II dated April 2003.

3 **ARTICLE 15: JOB POSTING**

4 **Section 1.** Prior to the initiation of any open competitive process to fill a vacant bargaining
5 unit position or special duty assignment, job announcements will be posted in the usual and
6 customary manner within the bargaining units to ensure that non-probationary career service members
7 of the bargaining unit, including those on trial service, will know of the career service or special duty
8 openings that are available within their bargaining unit in order to have the opportunity to compete
9 for those positions.

10 **Section 2.** Those aforementioned career service members shall be the first group of
11 candidates to be considered for competitive appointment to the vacancy. The appointment will be
12 made on the basis of qualification, skill, and ability of those who are in competition for the vacancy.
13 Should none of the bargaining unit career service candidates have the qualifications, skill, and ability
14 to perform the job, the vacancy shall first be open to career service members on the recall list per
15 Article 17, Section 6 of this Agreement. If the vacancy is not filled per Article 17, Section 6 of this
16 Agreement then other non-probationary County employees in accordance with the King County
17 Workforce Management Plan will be considered for the vacancy.

18 **Section 3.** Finally, if an opening is subsequently advertised in an open competitive process,
19 where the qualifications, skill and ability of a bargaining unit employee and another applicant are
20 equal, the bargaining unit employee shall receive preference. The County retains sole discretion to
21 make determinations of ability and qualifications. Upon request, if a bargaining unit employee is not
22 selected, the County shall provide the Union a written explanation of why they were not hired in to
23 the position.

24 **Section 4.** The parties share a mutual interest in diverse interview panels that include
25 representatives of relevant stakeholder groups, including members of the bargaining unit. To the
26 extent practicable interview panels will reflect the diversity of the workplace and include bargaining
27 unit members and/or individuals outside of the bargaining unit with subject matter expertise.

1 **ARTICLE 16: CONTRACTING OF WORK**

2 **Section 1.** The County agrees not to contract out work typically performed by currently
3 employed regular employees if the contracting of such work eliminates or reduces the normal (See
4 Article 8) workload of the bargaining unit. The County agrees that the contracting of work will not
5 result in layoffs.

6 **Section 2.** Nothing in this Article shall preclude the contracting out of work that has
7 historically been contracted out or shall preclude the Union from proposing alternatives for work that
8 has historically been contracted out.

9 **Section 3.** The County may enter into contract arrangements for circumstances that are
10 beyond the control of the County at the time action is required, and for projects which the County is
11 not reasonably able to provide the necessary tools, employees or equipment to perform the work. For
12 all other cases, the following shall apply:

13 **A.** Contracting out of work presently performed by bargaining unit employees shall
14 not be proposed until a work program has been completed which involves the bargaining unit in
15 exploring other alternatives to meet management goals.

16 **B.** Contracting out of work not presently performed by bargaining unit employees
17 shall not be proposed until the bargaining unit has been given the opportunity to offer proposals
18 involving bargaining unit members.

19 **Section 4.** All contracted work will be reviewed on a semi-annual basis by the County and
20 the Union to ensure compliance with this Article.

21 **ARTICLE 17: REDUCTION IN FORCE**

22 **Section 1.** In the event of a proposed reduction in force, the County will notify the Union as
23 soon as possible of the pending layoffs of regular employees. The County and the Union shall meet
24 to discuss the reasons for layoffs, the time frame for the layoffs and extent of other impacts on the
25 workforce. The County and the Union agree that alternatives to layoffs will be explored prior to
26 invoking layoff procedures beginning under Section 3.

1 **Section 2.** Alternatives to layoffs, or strategies to help mitigate layoffs may include, but are
2 not limited to:

- 3 • Encourage employees to apply for positions in other areas not affected by reductions
4 in force or budget reductions.
- 5 • Temporarily place affected employees in vacant positions in other areas.
- 6 • Short and long term leaves of absence.
- 7 • Reduced work schedule(s).
- 8 • Job Sharing.
- 9 • Voluntary layoff.
- 10 • Loan out of employee(s) to an outside agency where the receiving agency agrees to
11 pay all wages benefits and associated cost to continued employment.
- 12 • Voluntary retirement.

13 **Section 3.** The County will notify the Union of the County's determination of the
14 classification(s) and number of positions within said classifications that will be cut, based on, but not
15 limited to the work that will be reduced or eliminated.

16 **Section 4.** The County and the Union recognize the value of well-trained and experienced
17 regular employees, as well as their length of service. The County will use the following formula to
18 determine the regular employee layoff status.

Layoff Formula:	1	2	3
	1) Total Years of Regular Service within King County / Metro: points	2) Years of Regular Service within Current Bargaining Unit: points	3) Total Number of Points

Total Years of Service - within King County / Metro:

- 15 or more _____ 4 points
- 9.0 to less than 15 _____ 3 points
- 5.0 to less than 9.0 _____ 2 points
- 1.0 to less than 5.0 _____ 1 point
- Less than 1.0 _____ 0 points

Years of Service - within bargaining unit:

- 10 or more _____ 4 points
- 7.0 to less than 10 _____ 3 points
- 2.0 to less than 7.0 _____ 2 points
- 1.0 to less than 2.0 _____ 1 point
- On Probation _____ 0 points

The order of layoff will be determined by the total number of points a regular employee receives from the formula. The regular employee with the least number of points will be the first to be laid off.

When two or more regular employees in a classification identified for layoff have the same numerical score, the average of the regular employees' three most recent formally documented performance evaluations will be used to determine the order of layoff. The regular employee(s) with the lowest average will be the first to be laid off. In the event that two or more regular employees have the same average score, the County will determine who will be laid off.

1 **Section 5.** Once a decision for a reduction in force is made, the County will notify the Union
2 and the affected regular employee(s) in writing at least thirty (30) days in advance of the effective
3 date of layoff.

4 **Section 6.** In addition to the County's recall policy under Workforce Management Plan, as
5 amended, a regular employee who is laid off will have recall rights to their previous classification for
6 two years from the date of layoff. Recall order will be based on laid-off last to be rehired first.

7 **Section 7.** Within fourteen (14) calendar days of receiving by certified mail the notice of
8 recall to their previous classification within the bargaining unit, the regular employee will notify the
9 County whether they will accept the recall. The County will consider the regular employee's failure
10 to respond to the notice of recall as a refusal. A regular employee who refuses to accept the recall
11 will be taken off the recall list. The County will, if it determines that there are warranting
12 circumstances, accept a late notification from a regular employee.

13 **Section 8.** A regular employee recalled to their previous classification within two (2) years
14 from the time of layoff will have any forfeited sick leave accruals and seniority restored.

15 **Section 9.** Provisional, temporary, probationary and term-limited temporary employees are
16 employed at-will and are not subject to these layoff procedures.

17 **ARTICLE 18: PROBATION, TRIAL SERVICE AND PERFORMANCE APPRAISALS**

18 **Section 1. Purpose:** Probation and trial service periods are working test periods and shall be
19 an integral part of the final career service selection process. Probation and trial service periods shall
20 be utilized as an opportunity to observe an employee's work performance, to train and aid the
21 employee in adjustment to the position, and to reject any employee whose work performance or
22 conduct fails to meet required standards.

23 **Section 2. Duration:** The employment of all new (or initial), recalled, reinstated, promoted,
24 reclassified, transferred, and demoted employees shall be tentative and subject to a probation or trial
25 service period which starts upon the effective date of an appointment.

26 A. A probation period shall be required for all initial, recalled, or reinstated
27 employees and shall not be less than six (6) months of actual service.

28 B. A trial service period shall be required following a promotion, reclassification,

1 demotion, or transfer and shall not be less than six (6) months of actual service.

2 C. A twelve (12) month probation or trial service period is required for the following
3 classifications:

- 4 1. Industrial Waste Compliance Investigator I
- 5 2. Industrial Waste Compliance Investigator II
- 6 3. Industrial Waste Compliance Investigator III
- 7 4. Industrial Waste Compliance Specialist III
- 8 5. Hazardous Waste Health & Environmental Investigator I
- 9 6. Hazardous Waste Health & Environmental Investigator II

10 D. Notwithstanding the requirements listed in 2.A.-C., the County maintains the
11 exclusive right to extend or reduce the length of any probation or trial service period, however, the
12 probation or trial service period shall not exceed a maximum of twelve (12) months of actual service.
13 The employee and the local Union president will be notified of such extension or reduction, including
14 the duration of the extension or reduction, prior to the end of the initial probation or trial service
15 period.

16 1. In the event an employee is absent for more than two (2) consecutive work
17 weeks during a probation or trial service period, the completion date may be extended by an amount
18 of time equal to the length of the absence.

19 **Section 3. Trial Service Reversion.** An employee who does not successfully complete the
20 trial service period, or who requests to be returned to his/her former position prior to the end of the
21 trial service period, will be restored to the employee's former position if such position is available.
22 However, other employees will not be removed to create a vacancy for the employee. If the
23 employee's former position is not available, the employee will be terminated from employment and
24 his/her name will be placed on a recall list for a period of twelve (12) calendar months from the date
25 of termination.

26 **Section 4. Removal.** An employee may be terminated from employment at any time during
27 the probation period. Employees terminated during probation shall not have the right to grieve such
28 termination. Employees reverted or terminated during the trial service period shall not have the right

1 to grieve such reversion or termination for failure to pass the trial service period.

2 **Section 5. Recall List.** Employees on the recall list will be notified, in order of seniority as
3 defined in Article 17, of a position that is vacant in the same classification in the original unit from
4 which the employee was promoted or transferred. Notice of the vacancy shall be in writing, mailed to
5 the employee's last known address. If the employee fails to respond or declines the opportunity to
6 return to his/her former program or unit, the employee's name shall be removed from the recall list.

7 1. Employees on the recall list described in this Article shall have first priority for
8 vacancies as described above. Vacancies that are not filled pursuant to procedures set forth in this
9 Article shall be filled in accordance with the County's designated priority of recall.

10 **Section 6. Performance Appraisals.** The County and the Union agree that the "Performance
11 Appraisal Systems for the Industrial Waste and Hazardous Waste Units of King County DNRP" dated
12 January 9, 2009, the unit-specific documents, "Key Values and Norms for King County's Hazardous
13 Waste Management Unit" dated September 13, 1999 and "Industrial Waste's Goals and Norms,"
14 dated July 12, 2000 and any negotiated amendments to any of these documents, shall apply to
15 employees covered under this Agreement.

16 **ARTICLE 19: TRAINING AND SAFETY STANDARDS**

17 **Section 1.** The County and the Union agree that training and employee career development
18 can be beneficial to both the County and employees. Training, career development and educational
19 needs may be identified by both the County and by the employee(s). The County and Union
20 recognize the mutual benefit to be attained by affording training opportunities to employees and shall
21 provide information and access to training opportunities for its employees, within budgeted
22 appropriations. The training opportunities shall be guided by, but not limited to the overall objectives
23 of encouraging and motivating employees to improve and develop their personal capabilities.

24 **Section 2.** The County and its employees value a safe working environment and recognize
25 their mutual obligation to maintain safety standards set forth in applicable state and federal
26 regulations.

27 **Section 3.** Wastewater Treatment Division policies on safety shoes and safety shoes
28 vouchers, safety eyewear and safety prescription eyewear vouchers, hearing conservation, and

1 respiratory protection programs, and amendments thereto, shall apply to employees covered under
2 this Agreement.

3 **Section 4.** The County shall investigate and analyze the need for ergonomic adjustments
4 requested by employees.

5 **ARTICLE 20: GRIEVANCE PROCEDURE**

6 **Section 1. Intent:** In the interest of continued good employee relations and morale, the
7 County and Union recognize the importance and desirability of settling grievances promptly and
8 fairly. To accomplish such, every effort will be made to settle grievances at the lowest possible level
9 of supervision. Further, employees who choose to utilize the procedure set forth in this Article will
10 be free from coercion, discrimination, or reprisal for seeking a resolution to their grievances.

11 **Section 2. Definition:** A grievance shall be defined as an alleged violation of any of the
12 express written terms of this Agreement.

13 **Section 3. Pre-grievance process:** The Union or employees believing that they have a
14 grievance are expected to attempt to resolve the issue with the appropriate unit leadership within
15 fourteen (14) calendar days of the occurrence of the event. Probationary employees shall not have the
16 right to pursue grievances over dismissal but shall be able to pursue grievances as otherwise provided.
17 Regular employees reverted during a probationary or trial service period shall not have the right to
18 pursue grievances over reversion but shall be able to pursue grievances as otherwise provided.

19 **Section 4. Grievance process:**

20 **Step 1.** An employee or the Union on behalf of the employee, may file a written
21 grievance with the Hazardous Waste Program Manager or Industrial Waste Program Manager within
22 fourteen (14) calendar days of the conclusion of the pre-grievance process or thirty (30) calendar days
23 of the occurrence of the event, whichever is sooner. The Hazardous Waste Program Manager or
24 Industrial Waste Program Manager shall meet with the employee, the Union Designee, the Division
25 Personnel Representative, and whoever else is appropriate for the purpose of addressing and resolving
26 the grievance. Both the Union and management agree to consult as appropriate and acquire expertise
27 as needed to resolve the grievance. The Hazardous Waste Program Manager or Industrial Waste
28 Program Manager, after consulting with the Division Director, shall issue a written response within

1 thirty (30) calendar days of its receipt.

2 If at any point in the grievance process the Union determines that the grievance has no merit,
3 the grievance will be withdrawn.

4 **Step 2.** If the grievance is not resolved at Step 1, the grievance may be presented to
5 the King County Director of OLR within fourteen (14) calendar days after the conclusion of Step 1.
6 The Director of OLR or designee shall hear the grievance and respond in writing to the employee and
7 the Union representative within thirty (30) calendar days after receipt of the Step 2 grievance.

8 **Step 3. Mediation:** Within 14 calendar days after the conclusion of Step 2, either
9 party can request mediation to reach resolution. If both parties agree, an impartial and mutually
10 agreed upon mediation service such as Public Employment Relations Commission (PERC) or Federal
11 Mediation and Conciliation Service (FMCS) will be engaged to facilitate the process.

12 **Step 4.** The Union Representative may advance the grievance to arbitration within
13 thirty calendar days of the conclusion of the Steps 2 or 3 unless the grievance is resolved or lacks
14 merit.

15 **Section 5. Arbitration:**

16 **A.** Should arbitration be requested, the request must be made within thirty (30)
17 calendar days of receiving the Step 2 grievance or Step 3 mediation decision. The request for
18 arbitration shall be submitted in writing to the Director of OLR/designee.

19 **B.** The parties shall select an arbitrator. In the event that the parties are unable to
20 agree upon the arbitrator, then the arbitrator shall be selected from a panel of five (5) arbitrators
21 furnished by the Federal Mediation and Conciliation Service (FMCS). The parties shall select the
22 arbitrator from the names on the list. The Union shall strike first.

23 **C.** The arbitrator shall have no power to change, alter, detract from, or add to the
24 provisions of this Agreement, but shall have the power only to apply and interpret the provisions of
25 this written Agreement in reaching a decision on the issue. The decision by the arbitrator shall be
26 binding on both parties.

27 **D.** No matter may be arbitrated which the County, by law, has no authority over or has
28 no authority to change.

1 E. Each party to an arbitration proceeding shall bear the full cost of its
2 representatives, attorneys, and witnesses, regardless of the outcome of the arbitration. Payment and
3 scheduling for the time of County employees during an arbitration proceeding shall be discussed
4 between the Union and the County prior to the proceeding. The arbitrator's fees and expenses and
5 any court reporter's fee and expenses agreed to by the Union and the County shall be paid equally by
6 both parties.

7 F. Selection of this conflict resolution procedure for the resolution of a grievance shall
8 preclude the use of any other procedure in resolving the matter at issue.

9 **Section 6. Time Limits:**

10 The purpose of time limits within the Grievance Procedure is to set general guidelines and to
11 ensure that neither party to a dispute becomes frustrated by undue delay. As such, time limits for any
12 of the above steps may be extended by written consent of the parties. However, the party awaiting a
13 response at any step may advance the grievance to the next step once the time limits have expired.
14 Additionally, failure by an employee or the Union to comply with any time limitation of the
15 procedure of this Article shall constitute withdrawal of the grievance.

16 **Section 7. Unfair Labor Practice:**

17 The parties agree that thirty (30) calendar days prior to filing an Unfair Labor Practice ULP
18 complaint with PERC, the complaining party will notify the other party, in writing, meet, and make a
19 good faith attempt to resolve the issue unless the deadline for filing with PERC would otherwise pass.
20 For the County, the notice shall be sent to the Director of OLR/designee.

21 **ARTICLE 21: WAIVER CLAUSE - ENTIRE AGREEMENT**

22 The parties acknowledge that each has had the unlimited right within the law and the
23 opportunity to make demands and proposals with respect to any matter deemed a proper subject for
24 collective bargaining. The results of this exercise of that right and opportunity are set forth in this
25 Agreement. Therefore, the County and the Union, for the duration of this Agreement, each agree to
26 waive the right to oblige the other party to bargain with respect to any subject or matter not
27 specifically referred to or covered in this Agreement. Notwithstanding the above, should the parties
28 agree to amend or supplement the terms of this Agreement, such amendments or supplements shall be

1 in writing and become effective when signed by the Union and the Director of OLR/designee.

2 **ARTICLE 22: SAVINGS CLAUSE**

3 **Section 1.** Should any part hereof or any provision herein contained be rendered or declared
4 invalid by reason of any existing or subsequently enacted state or federal legislation or by any decree
5 of a court of competent jurisdiction, such invalidation of such part or portions of this Agreement shall
6 not invalidate the remaining portions thereof; provided, however, upon such invalidation, the parties
7 agree to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall
8 remain in full force and effect.

9 **Section 2.** The County and the Union and the employees covered by this Agreement are
10 governed by applicable County ordinances, and said ordinances are applicable except where they
11 conflict with a provision of this Agreement.

12 **ARTICLE 23: WAGE RATES**

13 **Section 1.** Total Compensation Agreement. Upon full ratification of the Memorandum of
14 Agreement titled: Addressing “Total Compensation” Coalition Bargaining; 2015-2016 Budget; And
15 Cost-Of-Living Wage Adjustments For King County Coalition Of Labor Unions Bargaining Unit
16 Members 2015-2016 (“Agreement”) by King County, the full terms and conditions of the Agreement
17 are agreed to and incorporated into this Collective Bargaining Agreement, attached hereto as
18 Addendum B.

19 **Section 2.** Hourly employees who are eligible for overtime under the Federal Fair Labor
20 Standards Act shall receive overtime compensation at the rate of one and one-half times their regular
21 hourly rate of pay for all actual hours worked in excess of forty hours in a workweek.

22 **Section 3. Step Movement:** Regular full time and part time employees covered by this
23 Agreement who have completed their probationary period by October 1 and who receive a
24 “Satisfactory” or above rating on the Annual Performance Appraisal Summary shall be awarded a one
25 step increase within their assigned salary range on the King County Squared Table effective the
26 beginning of the first pay period each January to step ten (10) of the applicable range. Employees
27 who reach the maximum of their pay range may earn a merit increase above the maximum of their
28 range (i.e. move approximately 2.5% to 5% above step ten) with a grade of “Outstanding” over two

1 consecutive years, but that increase must then be re-earned every twelve months with continued
2 “Outstanding” performance. Absent such a grade, the employee’s salary reverts to the step ten or the
3 top of the pay range.

4 **Section 4. Wage Addendum:** The County and the Union agree that in the event that the
5 County fully adopts rates of pay that are different than the rates of pay for the classifications listed
6 under the Wage Addendum of this Agreement, the parties agree to negotiate the effects of such
7 change.

8 **ARTICLE 24: INSURANCE BENEFITS**

9 **Section 1.** King County presently participates in group medical, dental, vision, and life
10 insurance programs for eligible regular, probationary, provisional and term-limited temporary
11 employees and their eligible dependents. The County agrees to maintain the level of benefits as
12 currently provided by these plans and pay premiums as currently practiced, during the life of this
13 Agreement unless modified by the Joint Labor Management Insurance Committee.

14 **Section 2.** The County agrees to continue the Joint Labor Management Insurance Committee
15 comprised of representatives from the County and its labor unions. The function of the Committee
16 shall be to review, study and make recommendations relative to existing medical, dental, vision, and
17 life insurance programs.

18 **Section 3.** The Union and County agree to incorporate changes to employee insurance
19 benefits which the County may implement as a result of the agreement of the Joint Labor
20 Management Insurance Committee referenced above.

21 **ARTICLE 25: PRODUCTIVITY INITIATIVE**

22 **Productivity Initiative:** The management of King County Department of Natural Resources
23 and Parks Wastewater Treatment Division, and WSCCCE Local 1652R, agree to engage in a
24 competitiveness and productivity initiative for the benefit of the employees of the division, and the
25 ratepayers of King County, our “customers.” Recognizing the inevitability of change, the parties to
26 this agreement intend to work together to manage that change to their mutual benefit. We believe the
27 partnership we are employing will continue to provide our customers with the best and most efficient,
28 state of the art wastewater treatment utility in the country, while securing excellent family wage jobs

1 and rewarding careers for the employees of the division.

2 In order to accomplish this change successfully, we agree to the following:

3 **Section 1.** There will be no involuntary layoffs due to the Productivity Initiative during the
4 period the Productivity Pilot Program is in effect between Wastewater Treatment Division DNRP and
5 King County government. Any reductions in force necessary to help meet Productivity Initiative
6 goals will be accomplished through attrition.

7 **Section 2.** This agreement acknowledges the partnership among the management of King
8 County DNRP, Wastewater Treatment Division, the County, and WSCCCE Local 1652R to manage
9 the change process as the Productivity Pilot Program is implemented, and on a continual basis
10 thereafter.

11 **Section 3.** Management is committed to providing adequate resources for appropriate and
12 necessary training, career development, and incentives consistent with the business needs, within the
13 financial constraints of the business plan.

14 **Section 4.** The goals of the Productivity Incentive Program are as follows:

15 **A.** Provide financial incentives to employees to achieve higher than projected savings
16 to the sewer ratepayers.

17 **B.** Encourage teamwork.

18 **C.** Encourage employee involvement and “ownership” of the business. The
19 parameters of the Productivity Incentive Program shall be consistent with the commitments and
20 performance guarantees as set forth in the Wastewater Productivity Pilot Program, established by
21 Motion 11156 and by Ordinance 14941.

22 **Section 5. Productivity Incentive Fund:** The Productivity Incentive Fund shall be
23 established each calendar year after the baseline annual target savings identified in the
24 aforementioned Productivity Pilot Program are met and verified through an independent review. Fifty
25 percent (50%) of additional savings shall be retained by the Wastewater Treatment Division, and fifty
26 percent (50%) of additional savings shall be assigned to a productivity incentive fund. A minimum of
27 twenty-five percent (25%) of the funds assigned to the Productivity Incentive Fund shall be paid out
28 in cash to all employees participating in the Productivity Initiative with the remaining seventy-five

1 percent (75%) distributed in accordance with Section 6 of this article.

2 **Section 6. Productivity Incentive Oversight Committee:** A Productivity Incentive
3 Program Oversight Committee shall be responsible for oversight of funds allocated to the fund. The
4 committee will include one (1) representative from AFSCME, WSCCCE, Local 1652R Industrial
5 Waste.

6 The Productivity Incentive Program Oversight Committee shall have the authority and
7 responsibility to determine the distribution and use of the fund, subject to approval by the director of
8 the Wastewater Treatment Division. In addition to the minimum annual payouts to employees, as
9 referenced in Section 5, the distribution of the funds may include, but not be limited to:

- 10 A. Increased annual payouts to employees.
- 11 B. Investment in employees through training and other employee development
12 programs.
- 13 C. Award and recognition program.
- 14 D. Reserve fund.
- 15 E. Other activities consistent with achieving the goals of the Productivity Pilot
16 Program.

17 **ARTICLE 26: WORK SPACE ASSIGNMENTS**

18 The parties recognize the importance of the physical work environment and shall endeavor to
19 minimize conflict over offices and work space assignment by agreeing that management will assign
20 work spaces using the following principles (in no particular order of preference):

- 21 1. Business needs (closer proximity to the right co-workers, for example, or other rationale
22 related to getting work done in an efficient and effective manner);
- 23 2. Medical accommodation;
- 24 3. Seniority;
- 25 4. IW shall use the seating matrix dated March 2, 2000 (Revised January 31, 2006) as a
26 guideline. Changes to the seating matrix shall be made upon mutual agreement between labor and
27 management.

1 **ARTICLE 27: DURATION**

2 **Section 1.** This Agreement shall become effective upon full and final ratification and
3 approval by all formal requisite means by the King County Council and shall be effective January 1,
4 2015, and shall remain in effect through December 31, 2016.

5 **Section 2.** Contract negotiations for the succeeding contract may be initiated by either party
6 providing to the other written notice of its intention to do so, at least thirty days prior to June 1, 2016.

MEMORANDUM OF AGREEMENT BY AND BETWEEN KING COUNTY AND THE UNDERSIGNED UNIONS

ADDRESSING "TOTAL COMPENSATION" COALITION BARGAINING; 2015-2016 BUDGET; AND COST-OF-LIVING WAGE ADJUSTMENTS FOR KING COUNTY COALITION OF LABOR UNIONS BARGAINING UNIT MEMBERS 2015-2016

Introduction:

King County and the Coalition of King County Labor Unions have a longstanding history of working collaboratively to address the many serious challenges faced by King County over the past two decades.

The partnership between King County and the Coalition of King County Labor Unions has resulted in several Agreements over the years intended to preserve the high quality and diversity of services offered to the public, to preserve positions held by the county's high quality employees, to standardize pay ranges and practices in King County and to reorganize county functions to bring greater efficiencies to King County government.

Agreements between King County and the Coalition of King County Labor Unions have included agreements allowing unpaid furloughs, agreements supporting a Lean process and implementation of Lean proposals, agreements standardizing certain classification and compensation processes, agreements that make efficient use of county resources by bargaining many labor issues in countywide coalitions, agreements establishing effective use of Labor Management Committees across King County to facilitate frequent and transparent information sharing and discussion and agreements such as the zero ("0") cost-of-living adjustment (COLA) Agreement intended to address the county's budget crisis at the height of the great recession.

The parties have also worked together in Olympia and elsewhere in attempting to secure additional funding options for King County services. The parties continue to engage in solution-based discussions aimed at addressing funding shortages for various public services.

The parties have an interest in continuing their longstanding history of working collaboratively to meet the serious challenges facing King County and its employees, and have bargained in good faith to address the interests of the parties as they relate to economic issues. The County continues to face serious fiscal challenges due to a longstanding structural imbalance between non-discretionary expenditure growth rates and revenue growth rates restricted by state law; and in 2015-2016 expects to eliminate hundreds of positions due to the loss of state and federal funds and to budget cuts to several departments. This Agreement meets the interests of the parties and advances the goals of the King County Strategic Plan by demonstrating "sound financial management" as well as by recognizing King County employees, the county's "most valued resource," in working with King County to meet the challenges that will be presented during the term of this Agreement.

ADDENDUM B

Agreement:

NOW THEREFORE, the undersigned Union and King County agree as follows.

January 1, 2015 Cost-of-Living Adjustment contract rollovers and re-openers

1. Effective January 1, 2015, employees covered by this Agreement and employed in 2015 will receive a 2% Cost-of-Living Wage Adjustment;

2. All other compensation elements ("wages, premiums, incentives, and other monetary payments; and all forms of leave and benefits") of current collective bargaining agreements (CBAs) are "rolled over" and neither increased nor decreased through 2016; provided, however, that where the County and a union were already in the process of collective bargaining with respect to certain elements of "Total Compensation" prior to June 27, 2014, there may be increases or decreases in certain elements of "Total Compensation" in those collective bargaining agreements. Additionally, the Coalition "Administrative Support" Memorandum of Agreement (attached as Addendum A) is also effective 2015-2016 and expires January 31, 2016;

3. All compensation elements of CBAs shall be opened on January 1, 2015, or later, as requested by the County, for the purpose of bargaining in union coalition a "Total Compensation" agreement that will be effective January 1, 2017 or later, as agreed to by the parties. "Total Compensation" elements are wages, premiums, incentives, and other monetary payments; and all forms of leave and benefits. The parties agree to bargain, to the extent required by law, the effects of any newly created job classifications and other organizational changes. Discussion during re-opener will include these "Total Compensation" elements as well as county initiatives that include but are not limited to "Employer of the Future" and "Standards." It is noted that the Joint Labor Management Insurance Committee (JLMIC) Agreement covering benefits (part of "Total Compensation") is already opened in 2016 and nothing in this Agreement is intended to change the terms of that Agreement.

January 1, 2016 Cost-of-Living Adjustment contract rollovers and re-openers

1. Effective January 1, 2016, employees covered by this Agreement and employed in 2016 will receive a 2.25% Cost-of-Living Wage Adjustment;

2. Consistent with #2 for 2015 above, all compensation elements of CBA "rolled over" and neither increased nor decreased through 2016; provided, however, that where the County and a union were already in the process of collective bargaining with respect to certain elements of "Total Compensation" prior to June 27, 2014, there may be increases or decreases in certain elements of "Total Compensation" in those collective bargaining agreements. Additionally, the Coalition "Administrative Support" Memorandum of Agreement (attached as Addendum A) is also effective 2015-2016 and expires January 31, 2016;

3. Re-openers consistent with #3 for 2015 above.

Lump Sum Coalition Participation Premium Payment

On or before December 31, 2014, a flat lump sum Coalition Participation Premium payment of \$500.00 per employee will be paid to bargaining unit members who are employed by King County on June 27, 2014, and whose bargaining units ratify this agreement on or before

ADDENDUM B

August 15, 2014. This payment is in consideration of the agreement by participating unions to bargain economic issues with King County as a coalition rather than as individual bargaining units, resulting in process efficiencies and savings in administrative costs for King County. Additionally, this payment is in consideration for the agreement by participating unions to open all compensation elements of CBAs on January 1, 2015 or later, at the request of King County, for the purpose of bargaining a "Total Compensation" agreement in coalition. "Total Compensation" elements are defined earlier in this Memorandum of Agreement.

Changes to King County Family and Medical Leave

The parties agree to a change in practice that will run King County Family Medical Leave (KCFML) and Family Medical Leave Act (FMLA) *concurrently*, rather than consecutively. This change is contingent upon the necessary King County Code change/policy being adopted by the King County Council and then implemented for non-represented King County employees. This agreement does not prohibit the use of KCFML intermittent leave after 12 weeks. The agreed upon change will not be implemented for represented employees before July 1, 2015. The parties agree to work together to identify the King County Code language changes necessary to implement this change. As with all decision making in King County, the Equity and Social Justice Ordinance (#16948) will be applied.

It is further agreed that:

1. The COLA increases and lump sum payments outlined in this Agreement establish no precedent with respect to future payments to King County employees;
2. The parties acknowledge that all parties have fulfilled their obligations to engage in collective bargaining over the subjects contained in this Agreement;
3. The parties acknowledge that this Agreement is subject to approval by the King County Council and ratification by the membership of the aforementioned Unions;
4. Any dispute regarding the interpretation and/or application of this Agreement shall be handled pursuant to the terms of the applicable Union's grievance procedure, provided that if more than one bargaining unit has the same or similar dispute, the grievances shall be consolidated; and
5. The parties agree that this Memorandum of Agreement is contingent upon ratification by the King County Council, and shall be effective once fully ratified by King County (having already been ratified by the undersigned Unions) through December 31, 2016.

MEMORANDUM OF AGREEMENT

BY AND BETWEEN

KING COUNTY

AND

COALITION OF LABOR UNIONS

REPRESENTING

KING COUNTY ADMINISTRATIVE SUPPORT CLASSIFICATIONS

Subject: Coalition bargaining for employees in specified administrative support classifications

WHEREAS, King County and the undersigned labor unions representing certain administrative support classifications (“the Coalition”) have agreed to bargain wages for those classifications in a coalition so that any agreements reached would be binding on all parties to the negotiations and would satisfy all bargaining obligations between the parties with respect to wages for the duration agreed to by the parties in such an agreement; and

WHEREAS, King County and the Coalition have reached an agreement on wages, pursuant to the terms set forth herein, and therefore have fully satisfied their bargaining obligations on the issue of wages for the duration of this Agreement;

Now THEREFORE, the parties have agreed as follows:

1. The terms set forth in this Agreement shall apply to all positions which are in the following classifications and which are currently represented by any of the undersigned bargaining units:

Fiscal Specialist 1 – 4
Administrative Specialist 1 – 4
Customer Service Specialist 1 – 4
Technical Information Processing Specialist 1 – 4
Administrative Office Assistant
Public Health Administrative Support Supervisor
Administrative Staff Assistant

The positions referenced herein shall be referred to as “Coalition Administrative Support Positions” and shall not include positions covered by bargaining units eligible for interest arbitration.

ADDENDUM B
ADDENDUM A

2. Beginning on January 1, 2012, regular employees in Coalition Administrative Support Positions shall receive a wage increase of 1.5% above Step 10 upon completing 15 years service with King County, and a 3.0% increase (not cumulative with the 1.5% increase after 15 years) above Step 10 upon completing 20 years service with King County; provided, however, that the employee is eligible for the above Step 10 premium only if he/she receives at least a 3.25 rating on the prior year's performance evaluation. For purposes of this provision, years of service shall be based on the employee's Adjusted Service Date as that term is defined in the King County Personnel Guidelines. The requirement that the employee earn at least a 3.25 rating on the performance evaluation shall be waived for any year in which the employee did not receive a performance evaluation prior to the start of the calendar year. There shall be no limit or quota on the number of employees eligible to receive this wage premium above Step 10.

3. This Agreement fully satisfies the parties' bargaining obligations with respect to wages for any and all Coalition Administrative Support Positions through December 31, 2013. The parties have agreed to bargain a successor agreement on wages in coalition utilizing the same process as was agreed to in these negotiations (see September 30, 2008 "Ground Rules for King County Administrative Support Coalition Bargaining" (attached hereto as Exhibit A)) with the additional agreement that any market surveys conducted for those negotiations will be based on the following list of jurisdictions:

1. Snohomish County
2. Pierce County
3. City of Seattle
4. City of Bellevue
5. City of Tacoma
6. City of Everett
7. City of Redmond
8. City of Renton
9. City of Kent
10. Port of Seattle

4. It is the parties' intent to not simultaneously provide employees with both: a) the wage premiums referenced in Paragraph 2 of this Agreement, and b) an above-top-step merit premium program. Therefore, employees in bargaining units which have eligibility for above-top-step merit pay are not eligible for premium under Paragraph 2 of this Agreement; however, such bargaining units may elect to forgo above-top-step merit for their members who are part of this coalition in order for those members to be eligible for the premium under Paragraph 2 of this Agreement. This provision would give employees who are covered by these administrative support coalition negotiations the option of: a) continuing to receive above-top-step merit pay they have access to under their respective bargaining unit's existing collective bargaining agreement, or b) receiving the wage premium under Paragraph 2 of this Agreement. Such employees must elect their preferred option as a group as part of these negotiations, and must indicate their selection within 60 days of execution of this Agreement, and that selection will remain in effect for the duration of this Agreement.

**ADDENDUM B
ADDENDUM A**

**GROUND RULES FOR KING COUNTY
ADMINISTRATIVE SUPPORT COALITION BARGAINING**

1. **Authority of the Coalition.** The parties agree that the Union coalition is speaking with one voice, and that the parties are engaged in coalition bargaining rather than coordinated bargaining. To that end, each of the unions party to coalition bargaining agree that they will be bound by the results of the coalition bargaining, and that their authority will be limited by the Union coalition's lead negotiator. Each of the unions further agree that the County's participation in coalition bargaining fulfills the County's statutory obligation to bargain regarding the issues within the scope of this coalition bargaining while the parties are engaged in this coalition bargaining and for the duration of any agreement reached. The coalition has agreed that for ratification purposes, the Unions will conduct a pooled vote with one employee, one vote, with all votes consolidated and the result determined by a simple majority.
2. **Authority of the County.** The parties agree that the County is speaking with one voice, and the parties are engaged in coalition bargaining rather than coordinated bargaining. The County's interest in coalition bargaining stems from its effort to maintain a consistent compensation structure for administrative staff across Departments. The County as a whole, and each of its departments, will be bound by any agreement reached in this process.
3. **Status of Contracts.** The status of contracts will not affect a union's participation in this process, nor will it affect the other provisions of this agreement. The parties are agreeing to reopen all contracts for the purpose of negotiating compensation relating to the specified administrative support classifications.
4. **Scope of Topic.** The scope of the discussions will be to negotiate wage rates for the classifications at issue. The parties may agree to address additional issues in the course of this bargaining.
5. **Scope of Classifications.** Administrative Support classifications, including the following:
 - Fiscal Specialist 1-4
 - Administrative Specialist 1-4
 - Customers Service Specialist 1-4
 - Technical Information Processing Specialist 1-4
 - Administrative Office Assistant
 - Medical Application Specialist (Health)
 - Administrative Specialist Supervisor (Health)
 - Administrative Staff Assistant
 - ~~(Application Worker) Social Services Specialist~~and any other classification that the parties may agree to include during the course of negotiations.

**ADDENDUM B
ADDENDUM A**

6. **Scope of Bargaining Units Included.** The bargaining units as defined in Addendum A to this agreement are included in this coalition bargaining.

7. **Negotiation Process.**

A. Lead Negotiators. The lead negotiator for the County will be the Manager of Labor Relations or such other negotiator as may be appointed by the County. The lead negotiator for the Coalition will be the General Counsel for Teamsters Local 117 or such other negotiator as may be appointed by the Coalition. Only the lead negotiator will have the authority to bind the party that they represent.

B. Table Composition. Each party will name a fixed set of participants in the negotiation. Others may be permitted to participate as subject matter experts but not as members of each negotiating team. The unions agree to name no more than two (2) employee representatives per union; provided that Local 17 may appoint four (4) employee representatives. The County agrees to provide release time to participate in negotiation provided that such release time does not interfere with the operations of the County. In such event, the parties will discuss alternatives to address the issue.

C. Dates. The lead negotiator for each party shall set a complete set of negotiating dates beginning in January, 2009, and concluding by April 15, 2009.

D. Location. Bargaining sessions will be held at downtown County facilities.

8. **Communication.** The expectation is that the parties will bargain at the table rather than in the workplace. Prior to issuing written communications with County employees or Union members regarding the substance of these negotiations, a party intending to issue such a communication will provide the other party with prior notice of that communication and will attempt to resolve any issues regarding the content of the communication prior to publication. The parties retain the right to communicate with their constituencies in non-written form. However, consistent with the spirit of this commitment, the parties will respect the concept of prior notice outlined in this paragraph.

**ADDENDUM B
ADDENDUM A**

9. **Mediation and Fact Finding.** If the parties fail to reach agreement, the parties will simultaneously (1) request the assistance of an impartial third party selected by the parties; if the parties cannot reach agreement, then the mediator will be selected through the Public Employment Relations Commission to mediate the negotiations; and (2) appoint a neutral fact-finder pursuant to the selection process below. The mediation will be scheduled ahead of the fact finding hearing. The fact-finder shall be charged to make non-binding recommendations to the parties as to the terms of an agreement regarding wage rates for the classifications at issue. The fact-finder shall consider the market position of the classifications and the economic circumstances of the employer in making his or her recommendations. The fact-finding will be concluded no later than sixty (60) days after the conclusion of mediation with the recommendation to each party. The cost of the fact-finder shall be borne equally by the parties.
- a. **Selection.** The parties will attempt to mutually agree on a fact-finder. Absent such agreement, the parties will request a panel from the Public Employment Relations Commission and will select a fact finder through mutual striking.
 - b. **Hearing.** The hearing procedure shall be determined by the fact finder but shall be conducted fairly and expeditiously.
 - c. **Recommendation.** Prior to issuing a formal recommendation, the fact finder will meet informally with the parties to inform them of his or her findings. Thereafter, the parties will have one week to attempt to reach an agreement. If the parties are unable to reach agreement the fact finder shall issue his or her decision.

**ADDENDUM B
ADDENDUM A**

10. **Return to Individual Bargaining.** After the issuance of the recommendation, the parties may return to mediation or otherwise attempt to resolve the agreement. If the parties fail to agree after the fact finding process, the coalition process will be concluded and the parties will return to bargaining their individual contracts. The parties understand that such bargaining will begin fresh, and the positions taken in this coalition bargaining will not be applicable to that bargaining.

Performance Appraisal System for the Industrial Waste and Hazardous Waste Units of King County DNRP

January 9, 2009

Background

Although King County management ultimately has the right to decide how performance appraisals will be conducted, King County and Washington State Council of County and City Employees, Local 1652-R, collaboratively developed the performance appraisal (PA) system described in this document and referenced in the collective bargaining agreement (CBA). This PA system was developed for use by the Industrial Waste Unit within the Wastewater Treatment Division and the Hazardous Waste Unit within the Water & Land Resources Division. This was done originally in 2000 and used as a pilot program through 2002. Since 2003, the PA system has been incorporated by reference into the CBA. This document refines the system based on these years of experience while retaining its overall form and intent.

Summary of Process

Our performance review process is a forward-looking, development-focused system that promotes clarity of job expectation, constructive feedback, problem resolution and employee growth.

The following principles underscore the performance appraisal system used by the IW and HW units:

- Clear and realistic expectations for performance are set out at the start of the evaluation cycle. These include not only what is minimally required to meet standard, but also what would constitute outstanding performance.
- Regular (at least quarterly) discussion promotes feedback grounded in real observations of behaviors and also promotes regular check-in against the stated expectations.
- Problems are identified and opportunities given to fix them before adverse consequences kick in. Notice is given in advance of any possible adverse consequences.
- There are no surprises at the annual P.A. submittal to King County: the employee receives clear feedback throughout the year and always knows where he or she stands.
- The process is not unduly time-consuming or burdensome.
- The appraisal itself summarizes the whole of the employee's performance rather than focusing only on recent events.
- It is recognized that there is an inherent subjectivity involved in evaluating a person's performance. This is true even under a detailed numerical system. Broad bands of satisfactory vs. unsatisfactory performance are more relevant than a focus on hundredths of a numerical point. No numbers are used in our system.
- The system strives for fairness, and for consistency, not rigidity.

The performance review system functions as follows:

1. Each employee receives four quarterly reviews per year. At one of these points (in the fall) an annual summary is prepared for purposes of summarizing the last four-quarter cycle and for notifying the Human Resource office in each respective unit's division of the employee's eligibility for a merit step increase.
2. Quarterly reviews and performance appraisals are qualitative in nature – no numeric scores are given. The process emphasizes a discussion of expectations, strengths and weaknesses, and avenues for improvement.
3. "Ratings" submitted for annual merit pay determination consists of an "eligible" or "not-eligible" notation. To be eligible for a merit step increase, employees at Step 1 through Step 9 must have an overall performance of satisfactory ("meets standard"). For those employees at Step 10 of their range who are "topped out," a provision allows for consideration of a "merit over top" step, for those whose performance for at least two consecutive years has been documented as outstanding.

The details:

Performance appraisal calendar

Table 1 presents a summary of the annual cycle. Expectations and measurable objectives are set on a calendar year to better match budgets and work plans. Quarterly development discussions are emphasized. The annual summary is de-emphasized, set into the context of an ongoing, quarterly review cycle, and used simply for purposes of documenting eligibility for a merit step increase.

Performance expectations

All employees are expected to meet standards for performance in their classification and assigned work. Performance expectations cover both the "what" of the position (assigned tasks, objectives, outputs, products) and the "how" work gets done (behavioral expectations with co-workers as well as customers). The performance review system serves to clearly articulate basic mutually understood expectations and to then assure that each employee meets those basic expectations through at least satisfactory performance. Work that is unsatisfactory or that does not meet standard is brought to the employee's attention and agreements are made to address the issue(s) so as to allow the employee to be successful in her or his job. "Ratings" in the performance system are therefore focused on meeting vs. not meeting basic expectations (satisfactory vs. unsatisfactory). This applies to all employees, from Step 1 through Step 10 of the classification range.

There is a unique opportunity for those employees who are at the top of the range (Step 10) for at least two years. For those employees at the top of the range whose performance is consistently noted in quarterly reviews as meeting an outstanding rating, a "merit over top" step is available, with appropriate documentation.

Quarterly review

Each quarter the employee and his or her direct supervisor (with input from a lead, work group coordinator or other peer process as needed) have a structured conversation about the employee's

performance. The goal is to be clear on job assignments and performance expectations, to identify areas of strength and weakness, and to develop action plans for improvement, if necessary. The supervisor documents the discussion in writing on a Quarterly Review form that covers at a minimum the following elements:

- Work assignments (major tasks, special projects, other).
- Progress in last quarter on work assignments (updates, milestones, objectives, other).
- Specific examples of exemplary performance or notable, major accomplishments (awards, above-and-beyond performance, if any).
- Behavioral issues (were the unit's behavioral expectations (Norms) followed? were there any specific behaviors needing attention or correction?).
- Expectations for next quarter (including any new or modified assignments.)
- Specific training or other developmental opportunities to take advantage of.
- Employee's comments, suggestions, questions, etc. (How did this go? Do you feel satisfied with this?).
- Notice of any issues (behavior or work objective) that could prevent employee from being eligible for an annual merit step increase if not corrected or result in an "unsatisfactory" rating in the annual review.
- Action plan to improve unsatisfactory performance.
- In the special case of employees at Step 10 who are at the top of the range, an optional "merit over top" step is available if performance is documented as outstanding in each quarter.
- Signature lines for supervisor and employee.

Other written documentation bearing on the employee's performance (letters, emails, awards, etc.) could be attached to the quarterly summary. Any performance issues that could potentially affect the employee's ability to earn a merit pay increase are documented on the written summary. An action plan to improve performance, if needed for those employees whose performance is below standard, is also documented.

Annual Performance Appraisal Summary

Every year the supervisor completes a Performance Appraisal (PA) Summary worksheet, which includes a narrative summary of the quarterly reviews for normative work factors (behaviors) and job objectives (assigned tasks, milestones, etc.), based on the information in the quarterly discussions and documented in the written quarterly review summaries (forms). The annual PA summary worksheet also includes rater's general comments; a space for employee's comments (if desired); signature lines for supervisor and employee; and the following note under the employee signature line, "*Note to employee: Your Signature indicates that the contents of the performance evaluation have been discussed with you and does not imply agreement.*" Also, the worksheet will clearly note:

- if the employee is between Step 1 and Step 9 of the range, doing standard work or above and is recommended for a merit-based step increase; or,
- if work is below standard and a no step increase ("not eligible") will be the recommendation; or,
- if the employee is at Step 10, doing standard work or above and not eligible for "merit over top" step increase or doing "outstanding" work and is eligible for "merit over top" step increase.

Documentation of unsatisfactory or below standard performance

During each quarterly review, the supervisor may call out aspects of the employee's performance that are below standard and which could jeopardize his or her eligibility for a merit-based step increase. One purpose of the quarterly review is to flag these items and decide on an action plan to correct them. The written quarterly review summary (which is part of the employee's personnel file) explicitly documents those items that don't meet basic expectations of the position and are serious enough to jeopardize a merit pay increase in the future. An action plan is developed to address such issues.

If documented performance items aren't corrected in an appropriate time frame (which is often situation-specific and which hopefully can be decided in a conversation between employee and supervisor), the employee is notified during future reviews that he or she will receive a "not-eligible" recommendation for the annual merit pay increase.

The goal of this system is to help change or improve poor performance rather than punish it. However, if improvement doesn't happen, withholding the merit pay increase is appropriate. Other county procedures (such as disciplinary procedures, substance abuse treatment, etc.) for dealing with performance issues are still in place.

Documentation of outstanding performance for those at Step 10

For those employees who are at Step 10 of the range, performance rated as outstanding is not required: the basic expectation is that at least satisfactory performance will continue. If, however, an employee at the top of the range has performance documented as outstanding for two consecutive years, she or he is eligible for "merit over top" step. At the beginning of the year and during quarterly reviews, the supervisor should explore with employees who are interested in pursuing this option what the supervisor's expectation is for work and behavior factors to be rated

as outstanding on an ongoing basis and in the annual PA summary. Documentation of outstanding performance is required in order for an employee to be eligible for “merit over top.”

Appeals

Employees may request additional review and consideration of the Annual Performance Appraisal Summary from their division director (or designee) by written request made within ten (10) working days of receiving a copy of the Summary.

Upon receiving a request for review the division director (or designee) shall have fifteen (15) working days to meet with the employee. Thereafter, the reviewer will have fifteen (15) working days to provide a written answer, either sustaining or modifying the Summary.

Denial of step increases within range shall be subject to the just cause provision, Article 3 Management Rights, of the CBA. Awarding of “above top step merit” is discretionary; therefore, denial of “above top step merit” shall not be subject to the grievance procedure.

Guidance on performance levels

The following definitions give some general guidance regarding performance rating, based on the King County Merit Pay System Manual:

- **Below Standard or Unsatisfactory** – Does not meet basic expectations of the position; does not complete assignments; has difficulty working with colleagues; work products unacceptable or needing rework regularly; does not meet normal deadlines; inconsiderate of co-workers or customers; requires more than normal supervision and direction.
- **Meets Standard or Satisfactory** – Fully meets basic expectations of the position; completes assignments; maintains at least adequate working relationships with colleagues; prepares acceptable work products; meets normal deadlines; cost conscious; shows responsibility for getting assigned work done.
- **Outstanding** (required only at Step 10, and only for those who wish to pursue a “merit over top” step option) – Exceptional work far surpassing expectations; demonstrates superior working knowledge of all phases of position; makes consistently superior decisions; develops new ideas or new methods regularly; exceptionally well organized; consistently superior work, setting example for others; recognized as an expert and a resource by peers and management; demonstrates exceptional skill in working with all individuals; performance is rated outstanding in all aspects of the job (work products and behavior factors) consistently throughout the evaluation period.

Caring and Fun:

- We value our differences, and respect each person's individuality, personality and style.
- We enjoy our time spent in the office, and see the office as a safe haven to come back to.
- We feel supported in our work both by management and co-workers. People help each other out when work becomes stressful.
- While being respectful of individual privacy, we also care about each other as people who have families, interests, trials and challenges beyond the workplace. We make a point to recognize important events in peoples' lives.
- Our office is a fun place to work. We believe the workplace atmosphere should be a positive one. We believe that including fun in our work builds good working relationships, unlocks the creative juices, and makes for a healthier workplace. Accordingly, we value and give time to fun activities, both planned and spontaneous.
- We value humor and laughter in the workplace, and build them into our daily interactions with people. We hear laughter every day in our office, but not at the expense of others' feelings or quiet times.
- We welcome spontaneous, creative and unusual entertainment (e.g. measure staff heights on the wall, share a quiz about British vs. American phrases, hold a marshmallow-eating contest, show the staff our new puppy) in the workplace.
