The Honorable Claudia Balducci
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Balducci:

On May 29, 2021, I appointed Dennis Worsham to serve as the acting Director of Public Health – Seattle & King County. This acting appointment was made after consultation with City of Seattle Mayor Jenny Durkan. Mr. Worsham continues to serve the community and King County well during this time of great public health challenges due to the COVID-19 pandemic.

The attached proposed Motion would, if enacted, approve the extension of my appointment of Dennis Worsham as acting director of Public Health – Seattle & King County through April 24, 2022, as called for by King County Code 2.16.110.

In 2021, King County and the City of Seattle formed a community advisory committee consisting of 15 public health stakeholders, including representatives from both the King County and City of Seattle Councils. The advisory committee developed a candidate profile and qualifications. We have selected a vendor to assist with running the recruitment. The current timeline calls for the job to be posted in early February.

The work of the advisory committee reflects the King County Strategic Plan guiding principle of regional collaboration, engaging with partners, stakeholders, and public and private organizations to achieve our goals. It also supports the Strategic Plan goal of efficient, accountable regional and local government.

I am grateful for the continued leadership of Mr. Worsham.

Thank you for your consideration of this proposed Motion.

The Honorable Claudia Balducci
