Affordable Housing	Legislate rent control.	DCHS	Rent control is illegal by Washington State law.	State	Organizations would have to speak with their state representative about possible changes to the law.
Affordable Housing	Provide more sliding-scale rental opportunities.	DCHS	The county is not able to set rent levels, except in affordable housing funded by the county (which are set to the HUD standard and are not sliding-scale).	CBOs, KCHA	A CBO could seek funding from a foundation to start a program to help with rental assistance. KCHA does have sliding-scale rents for public housing and Section 8.
Affordable Housing	Develop affordable and culturally appropriate housing and community spaces for BIPOC/refugee and immigrant elders. Rent should be fixed and not exceed more than a third of a senior citizen's monthly income.	DCHS	King County does not develop housing.	CBOs, KCHA, private developer	King County does fund projects, and a developer could apply for a new project.
Affordable Housing	Develop more affordable housing for homeownership accommodating multi-generational households (below 60% of North Highline area median income - \$40,000 - \$55,000 yearly income).	DCHS	King County does not develop housing.	CBOs, KCHA, private developer	King County does fund projects, and a developer could apply for a new project.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Affordable Housing	More opportunities, classes, and resources for affordable home ownership need to be provided for BIPOC, low-income individuals and families, as well as support classes for those transitioning from homelessness to permanent housing.	DCHS	King County does not provide classes on home ownership.	CBOs	A CBO could apply for funding to offer classes.
Affordable Housing	Develop affordable rental family housing that holds three to five bedrooms, accommodating multi-generational households (below 60% of North Highline area median income - \$40,000 - \$55,000 yearly income).	DCHS	King County does not develop housing.	CBO, KCHA, Private Developer	King County does fund projects, and a developer could apply for a new project.
Affordable Housing	Develop two-to-four story buildings (keeping in mind the existing building scale of the neighborhood) of affordable rental apartments, ideal for individuals who are just renting their first apartment, transitioning out of homelessness or do not have a family.	DCHS	King County does not develop housing.	CBOs, KCHA, private developer	King County does fund projects, and a developer could apply for a new project.
Affordable Housing	Develop more community-owned housing developments supported by investments, creating sustainable homeownership (for example: Community Land Trust).	DCHS	King County does not develop housing.	CBOs, KCHA, private developer	King County does fund projects, and a developer could apply for a new project.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Affordable Housing	Develop buildings with both commercial and housing units, including: full price, affordable housing, affordable commercial spaces and community gathering spaces.	DCHS	King County does not develop housing.	CBOs, KCHA, private developer	King County does fund projects, and a developer could apply for a new project.
Code Enforcement	Clean up abandoned or vacant buildings.	DLS	KC does not clean up vacant or abandoned buildings. Need more details.	CBOs	King County does reach out to property owners to help them learn about resources if they can not afford clean up of their site.
Community Activities	Open a community potluck or do something like FEEST, but with more cooking classes to show options and demonstrate.	DLS	Local Services does not organize community events.	CBOs, schools	A CBO could apply to the DLS Alan Painter Grant Program to help support a community potluck with cooking classes.
Community Activities	Organize more community events.	DLS	Local Services does not organize community events.	CBOs, schools, CDC	CBOs can apply to the DLS Alan Painter Grant Program to organize community events.
Community Engagement	Fund programs that work with property owners to maintain large debris and pothole repairs along alleyways in the commercial core, increase safety solutions on commercial alleyways.	DLS	Road Services does not service private alleyways, and DLS does not have funds that can be used for private property clean up.	Chamber of commerce, private party	DLS economic development program staff could provide technical assistance to businesses wanting to do projects.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Community Engagement	Master gardener program.	DNRP	King County does not run gardening classes.	Stormwater Natural Yard Care, Garden Hotline partnership, agriculture group for small gardens	A CBO could seek funding from the county or a foundation to start a program. King Conservation District might be a good resource.
Economic Development	Add off-street parking areas to allow for street closure of 16th.	DLS	Roads does not address parking outside of the unincorporated road ROW.	Chamber of commerce, private property owners, business owners	Private property owners would need to develop off-street parking on their properties.
Homelessness	Address RVs and homeless camps.	DCHS	KCRHA is the responsible entity.		The King County LEAD program provides information to those living in RVs or camps about housing and service programs.
Homelessness	Provide more funding for services for the homeless community in White Center, including Camp Second Chance.	KCRHA	KCRHA is taking on much of this direct work.	DCHS, CBOs	DLS is building a relationship with KCRHA in order to share community requests with the organization for further action.

Parks	Invest in Evergreen Aquatic Center, both community programming and pool infrastructure.	DNRP	King County does not own the Evergreen Aquatic Center.	Highline School District	King County does have grants that the aquatic center can apply for.
Permitting	No more smoke shops.	DLS	DLS is not able to regulate the number of smoke shops.	Tribes, smoke shops	PHSKC works with local tribes and smoke shops to offer smoking cessation info: <a href="https://kingcounty.gov/depts/health/tobacco/quitting-tobacco.aspx">https://kingcounty.gov/depts/health/tobacco/quitting-tobacco.aspx</a> .
Public Safety	Would like the White Center fire station to be a full-time fire station that is staffed by paid firefighters, not volunteers.	DLS	Fire District determines staffing.	Fire District	DLS has shared this information with Fire District. Community members can reach out to Fire District directly.
Road Congestion	Provide business tax incentives for allowing people to work remotely to decrease road congestion.	DNRP	The county, through METRO, provides incentives to reduce on-road congestion, but has no specific business tax incentives. This would more likely be a federal or state tax incentive, as businesses don't pay a local county business tax.	TBD	An advocacy group could work with the federal or state government to enact tax incentives as businesses don't pay a local county business tax.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Safety Infrastructure	Install surveillance cameras.	DLS	The County does not install surveillance cameras on private property.	Property owners, businesses	King County does not install surveillance cameras, but can work with community and KCSO on other crime prevention tactics.
School Education	Increase family engagement in schools: -Families need to be centered in all school district work, including decision making. -Increase parent engagement in education/schools.	School	School district responsibility.	Schools, CBOs	There are CBOs partnering with the school district on this issue, like the Road Map Project. A CBO could work with this group.
School Education	Hire diverse teachers who represent the students.	School	The county is not responsible for hiring teachers within the K-12 system.	Schools	The community should work with the Highline School District on this issue.
School Education	Provide cultural competency training for teachers.	School	The county is not responsible for educating teachers within the K-12 system.	Schools	The community should work with the Highline School District on this issue.
School Education	Curricula should be rooted in culture.	School	This is the school district's responsibility.	School District	DLS can share this request with the Highline School District.

Smoking Bans	Ban smoking and have an age limit of smoking on/near school campus.	PHSKC	This will require federal legislative action to address age limits. Currently, federal law requires the smoker to be 21 years old. Smoking near schools would be policy decision for schools.	Schools	There is local authority to ban smoking from where "children congregate", which could be pursued through legislative action, though has some barriers.
Smoking Bans	Create more non-smoking areas.	PHSKC	Smoking is not allowed indoors. The county has banned smoking in parks. Additional action would be venue specific.	TBD	Specific venues could post no-smoking signs on private property to limit smoking near entrances and other outdoor areas of the property.
Social Justice/ Racial Equity	Provide cultural sensitivity training to landlords.	DCHS	DCHS does not provide cultural sensitivity training to private business owners.	Washington State Human Rights Commission, Washington Landlord Association, Rental Housing Association of Washington	A CBO could seek funding from a foundation to start a program to help train landlords. A landlord organization would be better suited to organizing this type of training.

Traffic Calming	Add speed bumps on 14th Avenue S (South of Glendale).	DLS	Out of county scope. This portion of 14th Avenue S is located within the City of Burien.	City of Burien	DLS can pass this request on to the City of Burien.
Traffic Flow	Improve traffic flow, traffic-light timing, congestion, and pollution mitigation along SW Roxbury Street and at SW Roxbury Street/16th Avenue SW intersections.	DLS	This intersection is a shared jurisdiction; the City of Seattle operates the signalized intersection.	SDOT	Road Services will notify the Seattle Department of Transportation of this concern.
Youth Programs	Implement more before and after school, weekend, and summer youth programs with educational opportunities that broaden, going beyond the regular school curriculum and educational opportunities, cultivating a range of skills for children and youth.	DLS	King County does not do school programming.	Highline School District, CBOs	King County can speak with the school district about needs for more programming in the area. BSK funds CBOs to provide programming for educational programs.
