

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Affordable Housing	Invest in community-driven affordable housing and mixed-use developments.	DCHS	High	Current biennium	KCHA, private developers and businesses, affordable housing CBOs	DCHS is continuing to work on Brooks Village and recruit developers who are interested in doing projects in Skyway.	Yes
Affordable Housing	-Develop mixed-use housing for elderly with fixed incomes. -Develop affordable housing in Lakeridge and Bryn Mawr neighborhoods. -Develop a model mixed-use project combining affordable housing with associated services.	DCHS	High	TBD	State Department of Commerce, Washington State Housing Finance Commission, CBOs, KCHA, nonprofit housing developers	DCHS will continue community engagement and planning for development in Skyway to identify a project model and any target populations.	Yes
Affordable Housing	More affordable housing to address gentrification.	DCHS	High	Ongoing	CBOs, non-profit developers	DCHS is currently doing work on anti-displacement strategies.	Yes
Affordable Housing	Work with financial institutions and housing agencies to expand affordable housing options (i.e. artist live/work lofts).	DCHS	Medium	Ongoing	Non-profit developers, CBOs and public-funded partners	County programs support various types of affordable housing. Artist live/work lofts are not a current priority for available funds.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Affordable Housing	Support programs that help prevent homelessness, such as emergency rental assistance or referrals to social service networks, as well as assistance with landlord tenant disputes or fair rental contracts.	DCHS	Medium	Ongoing	KCRHA, CBOs, legal aide groups	DCHS will continue to administer homeless housing programs, including those focused on eviction prevention and rental assistance. DCCHS is working to start an eviction-prevention and rental-assistance advisory group, as well as a renter's commission. Resolving landlord/tenant disputes is not currently in DCCHS scope.	Yes
Affordable Housing	Identify incentives and subsidy programs to preserve low-income housing.	DCCHS	Medium	Ongoing	KCHA, State Department of Commerce, Washington State Housing Finance Commission, CBOs, and affordable housing	DCCHS will coordinate with partners to maintain the affordability of buildings with expiring affordability requirements.	Yes
Affordable Housing	Develop land trusts that provide affordable ownership opportunities.	DCCHS	Medium	TBD	State Department of Commerce, CBOs, philanthropic organizations	DCCHS will begin implementation of a community land trust engagement and planning process in 2022.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Affordable Housing	Surplus county property in Skyway-West Hill should be prioritized for housing development, and the county should consider providing land to public or non-profit housing developers and agencies at below market cost.	DCHS/ FMD	High	Ongoing	KCHA, State Department of Commerce, Washington State Housing Finance Commission, affordable housing developers, CBOs	Continue community process and feasibility planning for affordable housing at Brooks Village and development of the Equitable Development and Community Engagement Plan for affordable housing on county-owned properties.	Yes
Affordable Housing	Require new developers to allocate over 50% of their units or structures to affordable housing opportunities for families in the area. Require them to make sure the property is maintained, safe, clean, and amenities are working properly. For example, many of the properties along 116th Place, Renton Avenue, and MLK/Sunset Blvd are unkept and unsafe for children and families	DLS	High	TBD		The affordable housing component of this request is being pursued through the Inclusionary Housing Ordinance. The county can incentivize but not require that the private market build affordable housing. The county is exploring community preference for no more than 40% of affordable housing units funded by the county in Skyway-West Hill & North Highline.	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Animals	Enforce leash laws for dogs.	DES	Low	Ongoing	STORM	Because RASKC responds in-person, location-based complaints are more effective. Please report off-leash dogs on the RASKC website (https://kingcounty.gov/depts/regional-animal-services/animal-control-response.aspx) or call the call center Monday through Friday during business hours (206-296-PETS/7387).	No
Animals	Enforce the proper containment of animals, such as chickens and other livestock.	DES	Low	Ongoing	STORM, PICC	Because RASKC responds in-person, location-based complaints are more effective. Please report off-leash dogs on the RASKC website (https://kingcounty.gov/depts/regional-animal-services/animal-control-response.aspx) or call the call center Monday through Friday during business hours (206-296-PETS/7387).	No

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Business District	Revitalize the Skyway Business District and other neighborhood business areas for local, BIPOC businesses.	DLS	High	TBD	CDC, consultant	DLS will continue to look for resources to support the development of a business district revitalization plan. The economic development manager will be conducting business district surveys in 2022, which will inform this work. Actually revitalizing the business district will depend on private developers and businesses.	Yes
Business District	Identify actions and steps to collaborate with business owners, and code enforcement to improve properties along Renton Ave. S.	DLS	High	Ongoing	CBOs, chambers of commerce, CDC	The DLS Economic Development Manager is responsible for working with business owners. Code enforcement professionals respond only to complaints, and only if the King County code is not being met.	Yes
Business District Façade Improvement	Do a facelift of unattractive, old, and plain building facades in the Skyway Business District.	DLS	Medium	TBD	CBOs, chamber of commerce, foundations	The DLS economic development manager can work with the community to bring together possible partners to develop a program that could be run by an outside organization.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Business District Façade Improvement	Improve façades of unattractive, old and plain building in Skyway Business District.	DLS	Medium	TBD	CBOs, chamber of commerce, CDC, foundations	DLS Economic Development Manager can work with community to bring together possible partners to develop a program that could be ran by an outside organization.	Yes
Code Enforcement	Hire a dedicated code enforcement officer for the Skyway-West Hill area.	DLS	Medium	TBD		Code Enforcement Officers work on a complaint basis and staffing is adjusted in response to funding.	No
Community Activities	Host a yearly parade, carnival or festival.	DLS	Low	Ongoing	CBOs	King County does not currently host community events. DLS CSA liaisons can work with the community to organize projects and apply for the Alan Painter CSA grants.	Yes
Community Activities	Organize events that engage a broad range of community members i.e. jazz fest, art walk, multi-cultural gathering, community gardens, art projects throughout the year.	DLS	Low	Ongoing	CBOs	King County does not currently host community events. DLS Community Service Area (CSA) Liaisons can work with community to organize projects and apply for the Alan Painter CSA grants.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Community Center	-Establish West Hill Community Center. -Develop a second-run theater for a community space.	DLS	High	2023-2024 Biennium	CBOs, Partner City, foundation for funding, state	DLS hired a project manager who created a workplan and started talks on a purchase and sale agreement. In addition, DLS identified a possible private partner. The next step is to talk with the community about desires for partnership.	Yes
Community Design Standards	King County will establish community design standards for commercial, multifamily, and mixed-use development in CB, NB and R-48 zones, to establish a strong neighborhood identity.	DLS	Medium	TBD		A request for proposals needs to be drafted to solicit an architecture and design consultant to facilitate the process.	Yes
Community Design Standards	Ensure that future development or redevelopment of commercial buildings within the Skyway Business district will be built directly along sidewalks.	DLS	Medium	TBD		Current Special District Overlay standards require development at sidewalks, but renovation of existing buildings will not accomplish this. See design standards request for more detail.	Yes
Community Engagement	Create an action group dedicated to establishing at-risk youth and adult programs as alternatives to criminal and gang activity.	DCHS	Low	Ongoing	CBOs	BSK has a number of strategies for young people, including promotion and prevention strategies.	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Community Engagement	Place kiosk or LED signs at critical intersections throughout West Hill to announce community events in multiple languages.	DLS	Low	TBD		DLS worked with the Roads Division and Renton Technical College to install two community kiosks in Skyway in 2021. No next steps are planned.	No
Community Engagement	Create an action group dedicated to working with local governments and other community groups to establish a Local Improvement District.	DLS	Low	TBD	CBOs, chamber of commerce, UAC	Community Service Area Liaisons can work with community to coordinate around the idea and provide technical assistance.	Possibly
Community Engagement	Increase safety infrastructure in key public and commercial areas, including area lighting, police call boxes, and security cameras.	DLS	Low	TBD	KCLS, KCPW, Parks, local businesses	Determine level of priority among community members. It is not clear that the specific expectations meets the strategic plan or current priorities.	Possibly
Community Engagement	The sheriff's office needs to host a meet-and-greet and provide space for the community to get to know them. Many of the police assigned to specific areas don't live in those areas and have no connection to the community.	KCSO	High	Current biennium	Executive, CBOs, DLS	KCSO has a storefront deputy who is engaging with and getting to know community through various community events, including Shop With A Cop, Neighborhood Watch meetings, Coat Giveaway, and other events as opportunities present themselves.	Yes
Community Policing	More community policing; greet fellow community members.	KCSO	Medium	Ongoing	Fire department	Ongoing activity with storefront deputies, prioritization by local command and training for deputies.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Community Portals/ Gateways	-Define S. end, east and west entry points to West Hill community and Skyway Business District. -Identify major entries to the Skyway-West Hill area and its neighborhoods with signs, pavement markings, and landscaping.	DLS	Low	TBD		Road Services is prepared to review and partner on location-specific gateway/portal proposals that are located within the road right-of-way. Portals/gateways in the right-of-way will need to meet all engineering safety standards. Signs are more feasible than pavement markings and landscaping.	Yes
COVID Testing and Education	COVID testing and education.	PHSKC	High	Ongoing	Fire District 20	PHSKC is working with partners, particularly Fire District 20, to increase COVID testing and vaccination options.	No
Cultural Preservation	Develop a community amenity incentive program to support opportunities for voluntary preservation of cultural assets or provision of community amenities.	DLS	High	TBD		DLS Economic Development Manager will research community amenity incentive programs to see if there are creative funding sources available.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Development Cost	King County should pursue land-use policies and regulations that result in lower development cost (i.e. expedited plan reviews for projects providing permanent affordable housing).	DLS	Medium	TBD		The Permitting Division could potentially study the cost of land-use policies and regulations to determine their impact on housing costs. For the example provided, the Permitting Division has recently revised some of its permit processes to expedite review.	Yes
Dog Parks	Designate off leash dog area in Skyway Park.	DNRP	Low	N/A	CBOs	Parks does not currently build, operate or maintain dog parks in our system due to the high cost of operations and enforcement. Parks has the Community Partnership and Grants (CPG) programs where partners help activate space on King county-owned lands. For example, Marymoor has a dog park which is operated and maintained by SODA, a partner. For dog parks, the CPG is the best resource.	No
Early-Childhood Education	Increase early education/preschool programs.	DCHS	High	Ongoing	CBOs, DSHS	In the scope for early intervention programs only. Continue existing early-intervention services and programs.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Economic Development	Develop a Skyway Business District economic and revitalization plan.	DLS	High	TBD	CDC, consultant	DLS will continue to look for resources to support this work. DLS's economic development manager will be conducting business-district surveys in 2022, which will inform this work.	Yes
Economic Development	-Develop a process for attracting businesses to the neighborhood. -Pursue and persuade businesses to locate in the Skyway Business District, including those that provide health and professional services to residents.	DLS	High	Ongoing	CBOs, chamber of commerce, CDC	DLS will continue to look for resources to support this work.	Yes
Economic Development	Develop a small-scale commercial-incentive program within the Skyway Business District to support opportunities for small-scale commercial development, locally owned and independent businesses, and adaptable business spaces such as incubators.	DLS	High	TBD	CBOs, foundations	The DLS Economic Manager will work with CBOs to research what types of incentive programs have been implemented by other jurisdictions.	Yes
Economic Development	Build kiosks and signage along Renton Avenue that promotes awareness of local businesses.	DLS	High		CBOs, technical college, private businesses	DLS installed two kiosks in Skyway in 2021, and one is on Renton Avenue. Business signs would be privately funded.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Economic Development	Develop a local ownership business incubation site.	DLS	High	TBD	CBOs, chamber of commerce, foundations	The DLS economic development manager can work with CBO partners to help identify possible locations and partners. DLS would need to seek funds for this project.	Yes
Economic Development	Coordinate existing community association efforts and activities with each other.	DLS	Medium	Ongoing	CBOs, including CDAs, human services, etc.	DLS currently has a quarterly Human Services meeting with organizations that serve UKC. The UKC Business Alliance is convened, and an annual meeting of all the Unincorporated Councils/Associations is planned. Community liaisons will work to expand that group in 2022. DLS is also exploring coordination efforts in each area.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Economic Development	-Redevelop the Skyway Business Center to reflect community culture and needs. -Redevelop the old grocery store for adaptive use, short-term business (i.e. popups) and collective maintenance by tenants. -Redevelop the business district to support key community services (post office, library, etc.).	DLS	Medium	TBD	CBOs, CDCs, KCHA, private developer, DCHS	DLS staff can work with partners to provide technical assistance around permitting and development process. DLS does not have funds for development or redevelopment projects at this time.	Yes
Economic Development	Support BIPOC businesses near key community services to increase traffic.	DLS	Medium	TBD	CBOs, chamber of commerce, CDC	DLS has economic development staff that are dedicated to providing technical assistance to local businesses.	Yes
Economic Development	Develop microenterprise clinics.	DLS	Medium	TBD	CBOs, chamber of commerce, foundations	The DLS economic development manager can work with CBO partners to help identify possible locations and partners. DLS would need to seek funds for this project.	Yes
Economic Development	Launch a shop-local campaign and create a space for home-based businesses to visibly market their products or services.	DLS	Medium	TBD	CBOs, chamber of commerce, foundations	The DLS economic development manager can work with community to bring together possible partners to develop a shop-local campaign. King County does not develop retail spaces.	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Education	Increase access to college and college preparation opportunities.	DCHS	High	Ongoing	CBOs, CYYAD EER, school districts, CTCs	CYYAD Direct Services are ongoing; PSTAA King County Promise will launch RFP in 2022.	Yes
Education	Strategic tutoring programs that focus on bilingual students.		Medium	TBD	CBOs	King County funds CBOs to provide tutoring programs and does offer tutoring at the Steve Cox Teen Center.	Yes
Farmers Market	A designated space for a weekly Skyway farmers market.	DNRP	Medium	2023-2024 Biennium	KC Local Food Initiative, NFMA	The local food economy manager will strategize with community partners to identify needs and develop strategies to address the challenge.	Yes
Food Education	Work with the community to provide educational resources to grow food in their own lots.	DNRP	Low	Current biennium	CBOs	King County does not currently offer educational programming around urban farming, but could provide funding to a CBO wanting to offer educational information to residents on urban farming.	No
Food Education	Fund a community farm and learning lab.	DNRP	Medium	Current biennium	CBOs	King County funds projects like this and could provide technical assistance to a CBO who wanted to run a similar program.	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Green Housing	Provide educational and financial incentives to make individual houses greener through rainwater harvesting, solar, geothermal, etc.	DCHS	Low	TBD	King County Green Tools, state and federal government	DCHS provides funds specifically to build affordable housing. Funding and incentives for greener housing is currently outside of DCHS's scope. CBOs could offer educational information on green building and available funding options. King County grants could be used for such a project.	No
Healthcare Access	Identify resources to operate a community mobile clinic.	PHSKC	High	Ongoing		PHSKC already has WIC and First Steps (mom's and babies) programs in Skyway in partnership with Cynthia Green Family Center. PHSKC will serve as an anchor tenant in the future Skyway Community Resource Center. PHSKC is not planning on establishing a mobile clinic given existing a future programs available.	No

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Healthcare Access	Continue to expand health services especially for: -Youth -BIPOC -Non-English-speaking community	PHSKC	High	Ongoing		PHSKC will serve as an anchor tenant in the future Skyway Community Resource Center and will serve BIPOC and multilingual community members. The resource center will likely open in 2023.	Yes
Healthcare Access	Provide community healthcare screenings (i.e. breast cancer, diabetes, blood pressure, etc.).	PHSKC	Medium	Ongoing	Mobile health care providers, community and women's health care events, fire district (for blood pressure screenings)	PHSKC is currently providing breast cancer screening with SCCA, co-sponsoring health events, etc. PHSKC will also be an anchor tenant in the new Skyway Community Resource Center, which will allow for expanded screening services, increased access to healthcare and coordination, as well as other health-promotion services.	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Healthcare Access	Develop partnerships to increase resident healthcare services.	PHSKC	Medium	Ongoing		PHSKC already works with community partners to support community-based services including Cynthia Green Family Center. PHSKC will also serve as an anchor tenant in the future Skyway Community Resource Center.	Possibly
Healthcare Access	Provide clinics for low-incomes families.	PHSKC	Medium	2023-2024 Biennium		PHSKC already has WIC and First Steps (moms and babies) programs in Skyway, in partnership with the Cynthia Green Family Center. PHSKC will also serve as an anchor tenant in the future Skyway Community Resource Center, which will allow for expanded screening services, walk-in services, a Family Ways program, access to healthcare and coordination, and other health promotion services. The resource center will likely open in 2023.	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Healthcare Access	Hold public health sessions at the Skyway Library or elsewhere.	PHSKC	Medium	2023-2024 Biennium		PHSKC will serve as an anchor tenant in the future Skyway Community Resource Center, which will allow for health promotion services. The resource center will likely open in 2023.	Possibly
Healthy Food Access	Focus on increasing access to healthy foods.	PHSKC	Low	TBD	P-Patches	Historically, PHSKC had some resources to address food affordability and access through incentives and systems-change approaches. This depended on grant funding which we no longer have. Due to staffing needs for the pandemic response, we will pursue funding as staffing is available.	Yes
Healthy Food Access	Access to healthy and affordable food choices and restaurants.	PHSKC	Medium	TBD		Historically, PHSKC had some resources to address food affordability and access through incentives and systems-change approaches. This depended on grant funding which we no longer have. Due to staffing needs for the pandemic response, we will pursue funding as staffing is available.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Heritage Trees	Unincorporated King County needs to have "tree maintenance" laws (i.e. City of Seattle and Renton) about not removing ancient trees.	DLS	Low	TBD		Legislative staff need to review.	No
Housing Policies	Identify housing policies that help people with multiple housing barriers (such as evictions, criminal histories, large families) to secure safe, affordable housing.	DCHS	Medium	TBD	Tenant and landlord groups	DCHS will continue ongoing exploration into tenant protections and standing up a renter's commission.	Yes
Housing Repair	Identify funding that would provide financial assistance for housing rehabilitation to income-qualified home owners.	DCHS	Medium	Ongoing	CBOs	DCHS will continue the county's housing repair program and perform targeted outreach in Skyway-West Hill. https://www.kingcounty.gov/depts/community-human-services/housing/services/housing-repair.aspx .	Yes
Illegal Dumping	Control illegal dumping of garbage and chemicals. For example, in the empty lot near fire station.	DNRP	Medium	Ongoing	DLS, CBOs	SWD funds a litter crew (UpliftNW staff) to pick up trash and remove graffiti five days a week in the Skyway and White Center business districts. However, the litter crew does not pick up litter on private property.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Illegal Dumping	Remove unlicensed, broken, and abandoned vehicles.	DNRP	Medium	Ongoing	KCRHA, KCSO	Abandoned vehicles can be reported through the Illegal Dumping Hotline/website. The request is routed to the responsible agency.	Yes
Law Enforcement	Sheriff needs to focus on violent crimes.	KCSO	Low	Ongoing	KCPAO	Violent crimes already receive priority in dispatch and investigation. Current law and expectations limit ability to focus exclusively on violent crime if, that is in fact the request.	No
Law Enforcement	Removal of unlicensed, unregistered, broken, and abandoned vehicles.	KCSO	Medium	Ongoing	KCRHA	KCRHA is now involved with emergency homelessness activities. KCSO is coordinating with KCRHA on modifying the current practice.	Yes
Law Enforcement Assisted Diversion	Fully implement Law Enforcement Assisted Diversion (LEAD) in Skyway-West Hill.	KCSO	High	Ongoing	CBOs, DLS	Continue discussion with LEAD project staff.	Yes
Law Enforcement Recruitment	Recruit and hire from the community or provide mentorship and apprenticeship opportunities for enforcement to better reflect the communities they serve.	KCSO	Medium	Ongoing	King County Human Resources, local schools, CBOs	Outreach to local education institutions and community based organizations.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Law Enforcement Staffing	-Increase patrols before/during July 4th and New Years. -Increase police presence and patrol cars from the King County Sheriff's Department. -We need more police! We love our Sheriff! And her deputies!	KCSO	Low	Ongoing	Executive	Determine overtime budget capacity.	Possibly
Neighborhood Watch Program	Create an action group dedicated to increasing/coordinating neighborhood watch programs.	KCSO	High	Ongoing	CBOs, DLS	Continued emphasis on block watch programs, particularly through storefront deputies. Work with DLS to promote the program.	Yes
Park Infrastructure	Skyway Park: -Complete park improvements to increase use of the park. -Complete Skyway Park activation and improvements. -Baseball fields are underutilized. Repurpose two fields out of the four. -Convert a baseball field into a volleyball court. -Convert a baseball field into a mini-soccer arena.	DNRP	High	Current biennium	Seattle Kraken	Construction is anticipated to begin in February or March of 2022.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Park Infrastructure	Create better access to KC open space for Renton Ave.	DNRP	High	Ongoing	TBD	Request that community provide more information on related to where access is needed. Parks is working to acquire more parcels along Renton Avenue to improve access to Skyway Park. The Roads Services department is responsible for area along 72nd Avenue South, which leads to a pedestrian entrance to park.	Yes
Park Infrastructure	Provide more parking for the parks and regulate the existing parking to prevent overnight camping in parking lots.	DNRP	Medium	2025+		Work with community to identify where more parking is needed. There is limited funding available to focus on parking infrastructure.	No
Park Infrastructure	Add covered recreational space which can be used regardless of the weather, such as covered basketball courts, with a rooftop solar-power system or green rooftop.	DNRP	Medium	2025+		DNRP is willing to work with community to explore this request further. Request that community identifies locations and opportunities.	No
Parking Enforcement	Enforce parking rules along all streets.	KCSO	Low	Ongoing	KCDPW	Ongoing	No

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Parks	Expand existing parks and add parks in key areas. -Add pocket parks and playgrounds. -Add walking, playing destinations every 10 blocks. -Add landscaped parks.	DNRP	High	Ongoing	Land Conservation Initiative, Conservation Futures Tax Program, Open Space Equity Cabinet	Parks and WLRD staff work with the community to identify potential parcels for acquisitions based on the Land Conversation Initiative criteria.	Yes
Parks and Recreation Programming	-Support the establishment of sports leagues by CBOs for all ages. -Organize youth-led activities and specific events that would bring youth together.	DNRP	Medium	TBD	Youth and Amateur Sports Grants (i.e. Play Equity Coalition), targeted equity grant program, Play Equity Coalition, foundations	DNRP has the Youth and Amateur Sports Grants Program which groups and organizations can apply for annually. The department also participates in the Play Equity Coalition, which works on this issue.	Yes
Parks and Recreation Programming	Focus on increasing walking opportunities and other exercise programs.	DNRP	Medium	TBD	Washington Trails Association, Community groups	King County is working on creating an entrance to Skyway Park from Renton Ave which would allow residents to walk to the park more easily. Parks does not currently offer recreation/youth/family programming with the exception of the White Center Teen Program and would need additional funding and staff to do so.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Parks and Recreation Programming	Support efforts to establish cultural garden with tourism, education and youth activities representing the diversity of the community.	DNRP	Medium	TBD	Youth and Amateur Sports Grants (i.e. Play Equity Coalition), Targeted Equity Grant Program Play Equity Coalition, CBOs	Parks has the Youth and Amateur Grants Program which groups/orgs can apply for annually. Parks also has the Community Partnerships and Grants Programs, where Parks works with partners to activate King County owned-lands. Parks also participates in the Play Equity Coalition which works on this issue.	Yes
Pedestrian Crossings	Evaluate pedestrian crossing needs for the 12 intersections listed in the 1994 plan.	DLS	Medium	TBD		King County Road Services will begin evaluation of the crossings within 2022 and report on the status of this review at the end of 2022.	Yes
Public Engagement in Permit Review	Evaluate the permit-review public outreach processes and pilot new techniques for Skyway-West Hill that encourage greater public engagement in the permit review process by Skyway-West Hill residents.	DLS	High	Ongoing		Explore what techniques could be tried that do not require a code change and evaluate by engaging with community.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Recreation Programming	Establish music and art programs for youth.	DCHS	Medium	TBD	CBOs, foundations	King County does not currently run youth programming but does fund CBOs to provide programming. A CBO could create program and seek funding from King County, 4Culture, or private foundation.	Yes
Reimagining Public Safety	More wide-spread information about who residents can call for services and assistance without calling police.	Executive's Office	High	Ongoing	CBOs	The Executive's Office is currently working with community to reimagine safety. There is a countywide 211 service (https://wa211.org/region/king-county/) that can connect residents with many kinds of services.	Yes
Reimagining Public Safety	Reimagine safety in partnership with community.	Executive's Office	High	Ongoing	CBOs	The Executive's Office is currently working with the community to reimagine safety.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Reimagining Public Safety	<p>Sheriff Office/reimagining public safety requests:</p> <ul style="list-style-type: none"> -Restructure the sheriff's office to work in conjunction with social service agencies. -Create an action group dedicated to working with King County Sheriff's Department and prosecuting office to pursue alternative community policing models. -Rethink public safety and not have King County sheriff police but a comprehensive group(s) that addresses issues in a safe, supportive, and knowledgeable manner. -Proper safety measures taken instead of removing funding to police and first responders after a certain time of the day. -Less patrol and policing on our streets and more wide-spread information about who residents can call for services and assistance without calling police. 	Executive's Office	Medium	Current biennium	CBOs, KCLS	The Reimagine Safety project is currently in the first phase of community engagement to inform the creation of pilot program(s) that will focus on alternatives to traditional methods of policing, meant to supplement and enhance public safety. Based on feedback and ideas collected in this first round of engagement, county staff develop pilot program options for a second round of engagement with urban unincorporated communities, with the goal of co-creating and selecting what pilot program(s) are then implemented in the second half of 2022.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Right of Way Encroachments	Removal of shipping containers and other large items that block the roadways, like those on 116th Street.	DLS	Low	TBD	KCSO	King County Road Services has entered a service request for evaluation of obstacles on S 116th Street. Residents can report roads ROW encroachment problems at specific locations to the 24/7 Road Helpline (206-477-8100). Note: the highest priority for trash removal and illegal dumping for road crews is items that pose a public safety risk or other risk to the traveling public.	No
Road Maintenance	More regular street cleaning.	DLS	Medium	TBD		Street cleaning locations, frequency, and level of service are primarily related to available budget and staffing levels. Additional resources would be required to increase the service level in a given area. However, specific trouble spots can be reported via the 24/7 Road Helpline (206-477-8100) for evaluation.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Road Pavement	<p>Improve road surfaces:</p> <ul style="list-style-type: none"> -Fix potholes on 68th. -Fix potholes on Meyers. (Note - Myers is in North Highline.) -The short street between 68th and MLK needs to be redone. 	DLS	High	TBD	TBD pending location	<p>-King County has been awarded grant funding to repave 68th Ave. S/S 124th St. from Renton Ave. S to Campbell Hill Elementary School in 2025. A service request for pothole maintenance has been created.</p> <p>'-All county roads are inspected every 2-3 years; pavement preservation locations and treatments are selected using a risk management approach as funding levels are insufficient to adequately preserve the entire county roadway network.</p> <p>- Is the "short street between 68th and MLK" referring to South 129th Street between 64th Avenue South and SR-900/MLK?</p>	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Road Vegetation	More thorough vegetation clearing in overgrown right-of-way areas.	DLS	Low	TBD	Roads vegetation maintenance is completed by road maintenance crews; no partnerships anticipated.	Vegetation clearing is conducted for safety purposes such as sightlines, visibility, and to maintain pedestrian passage. The level of service is primarily related to available budget and staffing levels. Additional resources would be required to increase the service level in a given area. However, specific trouble spots can be reported via the 24/7 Road Helpline (206-477-8100) for evaluation.	Yes
Roads Vegetation	Landscape the street and sidewalks.	DLS	Medium		WSDOT	The Roads Services department does not have sufficient resources to add landscaping of this nature, or to maintain such plantings long-term. The department very rarely installs landscaping due to various maintenance and operational issues, and would need additional funding.	Yes
Social Services	Provide social services in the neighborhood.	DLS	High	TBD	CBOs, social services providers	DLS provided \$2M in funding for the Community Resource Center, which will host PHSKC and other agencies as they provide services in the neighborhood.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Solid Waste	Purchase and maintain litter bins in the business district.	DNRP	Medium	TBD	CBOs, chamber of commerce	DNRP does not have any available litter cans and DLS has no funds to acquire them. DLS will work with DNRP SWD to raise issue of better business district service with haulers.	Yes
Solid Waste Collection	Enforce required trash service in Skyway.	DNRP	TBD	TBD	Haulers	Garbage service is not required in Skyway or any other unincorporated area.	Possibly
Substance Abuse	Establish healthcare programs for youth with chemical dependency, mental health, and domestic violence and other health issues.	DCHS	Medium	TBD	Mental health providers, CBOs	PHSKC will serve as an anchor tenant in the future Skyway Community Resource Center. This type of services may be provided or referrals may be given. Currently piloting working with Black mental health providers. The resource center will likely open in 2023.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Surface Water	Address inadequate stormwater management infrastructure; evaluate the drainage basin within the community for retention/detention facility needs, to correct existing and future stormwater run-off problems.	DNRP	Medium	Current biennium	Stormwater CIP, King County Road Services (if in roads right of way), and additional partners identified through the drainage study	A drainage study is being conducted by Stormwater Services in Skyway-West Hill. Community engagement and public meetings occurred in spring of 2021. Robust community engagement was conducted using a public input site and through phoned-in comments. The study report and recommendations are expected in early 2022. Next steps include completing prioritization of CIP projects to submit for budget allocation.	Yes
Traffic Calming	-Address speeding and unsafe passing on Rainier Avenue; cars use the turn lane to pass. -Add signage about speed limit on main streets. -Address speeding at crest of the 128th St. S blind hill near the Skyway water tower (ex., install a "SLOW -HILL RESTRICTS VIEW" sign).	DLS	High	TBD	KCHA; TBD pending location.	-King County Road Services will evaluate the requested locations in 2022 for appropriate and feasible traffic calming measures. -Additional information is needed to identify and evaluate the location on Rainier Avenue.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Traffic Calming	<ul style="list-style-type: none"> -Improve speed limit signage on Renton Avenue South between 68th and 78th Avenue South. -Install speed cameras to address speeding near schools such as Campbell Hill Elementary School. -Improve safety of school routes for Lakeridge and Campbell Elementary, through semaphores, signage, sidewalks, lighting, roundabouts (ex., at 64th & 129th), etc. 	DLS	High	TBD	KCHA; TBD pending location.	<p>-King County Road Services operates a school zone safety program and coordinates with school districts to assess school zone safety issues throughout unincorporated King County. The department has installed improvements at Lakeridge and Campbell Hill Elementary School in the past; additional improvements are not planned at this time. The department would welcome the opportunity to have a dialog with the community regarding safety concerns at these schools. King County does not have a speed camera program.</p>	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Traffic Congestion	<ul style="list-style-type: none"> -Decrease congestion on street at MLK (SR-900). -Stripe four lanes on Rainer Avenue from Seward Park to the City of Renton. -Address MLK-bound congestion from new neighborhood at Langston and Renton Ave. -Provide additional direct access to the library and post office area from I-5. Rainer Avenue is too congested. 	DLS	High	TBD	WSDOT	<ul style="list-style-type: none"> -King County Road Services does not currently have the financial resources to build any road capacity/congestion projects. (The last capacity project built by the county was in 2013.) The limited existing resources are dedicated to addressing safety needs, meeting regulatory requirements, and maintaining and preserving the existing road system consistent with the division's adopted strategic plan. -Providing a new access road from I-5 to the Skyway library is not feasible in this fully-developed area. -Note: Some issues on this list may be related to roadways under other jurisdictions; MLK-related issues fall under WSDOT jurisdiction, Rainier Avenue issues may be related to the Cities of Seattle or Renton. 	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Trails	Improve and/or expand walk/bike trails, including: -Connect to Chief Sealth Trail from Skyway Park. -Create path that runs through community. -Access to Bryn Mawr Park.	DNRP	Medium	2025+	City of Seattle, CBOs	DNRP will bring these trail ideas to the Urban Parks team for awareness and continue to identify ways to move these forward. The team meets monthly.	Yes
Trails	Add more walking trails to Skyway Park.	DNRP	High	2025+	CBOs	Parks will work with the community to identify potential walking trail locations.	Yes
Transit Fares	Free ORCA cards for youth.	METRO	High	Current biennium	Renton School District	Metro will continue efforts, check and adjust.	Yes
Transit Service	Develop east-west public transportation options.	METRO	High	Current biennium	DLS, contract provider	Implemented a pilot of Via to Transit in September of 2021; worked with DLS to hire a community transportation coordinator; implemented a community van in early December of 2021.	Yes
Transit Service	Make adjustments to fixed-route stop locations and routing of Route 107.	METRO	Low	TBD		Service improvements in the near-term will be focused on flexible services, which has already been approved and delivered through Metro's current budget.	No

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Workforce Development and Employment	Provide job-training programs in the neighborhood.	DLS	High	TBD	CBOs, community colleges, WDC	DLS will fund the UKC Economic Alliance using CLFR funding, helping to develop workforce training opportunities for those who were negatively impacted by the COVID-19 pandemic.	Yes
Workforce Development and Employment	Launch a local jobs campaign.	DLS	Medium	TBD	CBOs, chamber of commerce, WFDC	The DLS economic development manager can work with community to bring together possible partners to develop a program.	Yes
Youth Programs	Develop youth job-readiness and employment programs and opportunities (summer jobs, internships etc.).	DCHS	High	Ongoing	CBOs, school district	Continue partnership with Highline College and ACHIEVE program to support youth with intellectual and development disabilities to connect to employment services. Funding for youth employment will be part of the BSK RFP for young people ages 16-24.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Youth Programs	Support area youth with recreation, education, and employment programs.	DLS	High	Ongoing	CBOs, school district	Parks and DCHS have funding available for organizations that provide youth recreation and employment programs. Education programs are provided by the school district or CBO partners. For small projects, the Alan Painter CSA Grant Program and BSK funding is available.	Yes
Youth Services	Develop partnerships with school district and local community organizations to ensure collaboration around youth social services.	DCHS	High	Ongoing	CBOs, school district	DCHS will be hiring a program manager to centralize collaborations with school districts and deepen partnerships.	Yes
Youth Services	Maintain a defined budget for youth and BIPOC social services and supporting programs.	DCHS	High	Ongoing	CBOs, CYAD EER	BSK RFPs, continuing RCP and Love and Liberation projects.	Possibly
Youth Services	Coordinate services to stabilize youth and their families impacted by loss of jobs or housing, or relocation from another state or country, to help them integrate into our community.	DCHS	Medium	TBD	CBOs, CYAD EER	Funding for youth employment will be part of the BSK RFP for young people ages 16-24.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Zoning-Commercial and Mixed-Use	Housing needs to be more dense in the commercial business center near the Skyway Library in order for businesses to succeed.	DLS	Medium	TBD	DCHS	The Skyway Business District is zoned CB and allows 48 dwelling units to the acre. Mixed-use development would satisfy this request, and inclusionary housing regulations will ensure affordability of some units. The downside is the cost of development, coupled with the cost of meeting zoning requirements.	Yes
Zoning-Commercial and Mixed-Use	Replace large churches in the Skyway commercial district with dense, multi-story apartments.	DLS	Medium	TBD	CDC, CBOs	Work with local CBO or CDC to see about partnerships with church property owners to pursue community-led redevelopment with high-density residential or mixed-uses buildings.	Possibly
Zoning-Industrial	Abate and/or mitigate industrial uses that are not compatible with and are harmful to the surrounding residential uses.	DLS	Medium	TBD	KCHA or CDC	Industrial uses in SWH subarea are minimal. The Mt. Anderson site is operating as industrial under a non-conforming use. A zoning change is proposed to spur development of the site with mixed uses.	Possibly

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps	Strengthens vision
Zoning-Residential	New redevelopment and in-fill in single-family neighborhoods should continue to be at the same size, scale, and density as the traditional existing development: five to seven homes per acre on 3,000-5,000 square foot lots.	DLS	Medium	TBD		The subarea plan is maintaining the R-6 (6 homes per acre) density in most of the neighborhood.	Yes
Zoning-Residential	Continue to allow detached accessory dwelling units in residential zones on lots greater than 5,000 square feet.	DLS	Medium	TBD		Detached accessory dwelling units are already allowed on residential parcels greater than 3,200 square feet. No change is proposed.	Yes
Zoning-Residential	New multi-family residential development should be limited to 12 to 48 homes per acre, but a development should be allowed to exceed 48 homes per acre if the development provides public amenities and/or public infrastructure.	DLS	Medium	TBD	CBOs	The inclusionary housing rules allow exceeding 48 units per acre when providing affordable housing. Work will need to be done with the community to determine what amenities they feel would warrant additional density, and the priority of the amenity versus affordable housing.	Yes

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Comment
Affordable Housing	King County should exempt payment of impact fees to promote development of affordable rental or ownership housing.	DLS	Low	Complete	King County does not collect road impact fees from affordable housing developments.
Commercial and Mixed-Use Zoning	Change zoning in commercial areas to mixed-use to allow for commercial and multi-family residential development.	DLS	Medium	Complete	Mixed use development is already allowed in all of the commercial areas.
Healthcare access	Identify location and funding for community health clinic.	PHSKC	Medium	Complete	PHSKC already has WIC and First Steps (moms and babies) programs in Skyway in partnership with the Cynthia Green Family Center. PHSKC will serve as an anchor tenant in the future Skyway Community Resource Center, which will open in 2023.
Illegal Dumping	An illegal dumping hotline would be great. Lots of people dump off of MLK and Renton Avenue.	DLS	Medium	Complete	Specific trouble spots can be reported to King County Road Services via the 24/7 Road Helpline (206-477-8100).
KCSO Storefront	Keep the Skyway King County Sheriff's storefront and sheriff's presence in the West Hill community.	KCSO	High	Complete	The KCSO remains committed to maintaining a community presence and intends to maintain storefront deputy.

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Comment
Racism is a public health crisis	Add racism to the list of health issues to help prioritize programs and resources.	PHSKC	High	Complete	King County has made addressing racism as a public health crisis a priority.

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps
Affordable Housing	Conduct a housing-needs assessment of the physical housing stock in the Skyway West Hill community.	DCHS	High	TBD	CBOs, DLS, third-party consultant	Need to confirm scope of needs assessment and identify funding resources to hire a consultant.
Substance Abuse	Provide/expand community based services that are easily accessible to address drug and alcohol issues and anti-gang involvement.	DCHS	Medium	TBD		Need to confirm which part of this request is missing from current services.
Funding for Programs and Services	Identify funding for programs and services.	DLS	High	TBD	State, federal, foundations, PB	Not enough information on types programs desired. DLS is running a PB process in the area which has the ability to fund programs and capital projects.

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps
Illegal Dumping	Remove trash along streets like 116th Place.	DLS	High	TBD	CBO	<p>The roads department has entered a service request for trash removal on 116th Place. Resources to support this type of work are limited, and the highest priority for trash removal for road crews is items that pose a public safety risk or other risk to the traveling public. Residents should call the 24/7 Road Helpline (206-477-8100) to report specific incidents and locations.</p> <p>The Conservation Corps program helps with cleanup and is being extended with a Jobs and Housing program through 2022. DLS will explore additional funding sources in the next budget cycle.</p>
Parking	Additional parking and road improvement for the area near the library and post office.	DLS	Medium	TBD		<p>There is no additional capacity for on-street parking in this area. Development of off-street parking is not within King County Road Services scope, but could be considered by the private sector or other organizations. Regarding the request for "road improvements," additional information is required to understand the type of improvements desired.</p>

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps
Street Lights	Install streetlights on neighborhood streets	DLS	High	TBD		While lighting is a highly desirable in urban areas, King County Road Services is unable to add many lights due to the high project cost, limited funding, and other constraints. The department will continue to seek grant funding for lighting improvements and requests that specific locations for lighting improvements be reported to the 24/7 Road Helpline (206-477-8100).
Crosswalks	Install crosswalks on neighborhood streets	DLS	High	TBD		Residents should call the 24/7 Road Helpline (206-477-8100) to report specific crosswalk request locations. Road Services has limited funding for safety improvements.
Safety Infrastructure	Increase safety infrastructure in key public and commercial areas including area lighting, police call boxes, and security cameras.	DLS	Low	TBD	KCLS, Parks, local businesses	Determine level of priority among community members. It is not clear that the specific expectations meets the strategic plan or current priorities. Need more information.

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps
Sidewalks	<p>-Sidewalks and improving walkability scores would do wonders, as would redeveloping the retail area.</p> <p>-Wish we had more sidewalks!</p> <p>'- Simply, sidewalks. It's nearly impossible to safely walk around much of the neighborhood.</p> <p>-Sidewalks in the neighborhoods, and leading to main areas.</p> <p>-In Bryn Mawr, adjacent on Dixon Drive South, there have been problems with safe walkways. Numerous requests have been made for sidewalks, to no avail, and at the detriment to the neighborhood.</p> <p>-Above-ground walkway from Creston Point Apartments to the north side of Martin Luther King Jr. Way South.</p>	DLS	High	TBD		<p>While sidewalks and pathways are highly desirable in urban areas, King County Road Services is unable to add many sidewalks due to the high project cost, limited funding, and other constraints. The department will continue to seek grant funding for pedestrian improvements, such as sidewalks, in this area.</p> <p>The department will evaluate the submitted list of locations for potential inclusion in the upcoming Transportation Needs Report update, the county's long-range list of transportation needs, so they can be considered if/when additional funding becomes available.</p>

Request category	Request	Lead agency	Community priority	Anticipated impl. timeline	Potential partners	Next agency steps
Community Beautification	Address weeds and vegetation.	DNRP	Low	2023-2024 Biennium	CBOs	Specific location information can be submitted to DNRP. King County has ongoing noxious weeds program. Next steps for this area include: control of poison hemlock infestations and making information on poison hemlock more accessible through translation of signage and educational materials into top-tier languages, and supporting green jobs through stewardship crew contracts with local companies that commit to hiring at least 20% of their crew from King County's priority hire zip codes.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Affordable Housing	Educate the community on housing issues and help people find or keep their homes, such as a revolving loan fund, reverse mortgage program, community-based repair program, foreclosure prevention, down payment assistance.	DCHS	The county does not provide direct lending or education to homeowners; would need more information. The county provides funds to partners for down-payment assistance.	CBO, CDA, CDC, foundations	A CBO could partner with a bank, the FDIC, or a foundation to create a program.
Affordable Housing	King County should partner with a local community development association or nonprofit with public and private lending institutions that will reduce housing financing costs for both builders, buyers/renters.	DCHS	Need more information to assess. It appears that it is in the sphere of influence in the private financial market.	CBOs, lenders, mortgage brokers	There are first-time homeowner programs that banks and lenders offer, as well as rental assistance programs administered through CBOs. A CBO working with lenders could work to better inform residents of current programs and work with lenders on the need and development of more programs for builders and renters.
Affordable Housing	Preserve and improve existing housing in redeveloping areas with the use of transfer development rights, tax credits, and tax abatements for low income housing.	DCHS	The county does not develop directly, but does provide funds to developers who may utilize the tools mentioned.	Non-profit developers, CBOs, KCHA	A community development organization or housing developer could work to address this issue.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Commercial and Mixed-Use Development	Develop private mixed-use housing with commercial and retail services.	DLS	The County does not develop properties unless in connection with a capital improvement project.	CBO, CDC, CDA, private or non-profit developer	Work with local CBO or CDC to explore partnership with church property owners to pursue community-led redevelopment with high-density residential or mixed-uses.
Commercial and Mixed-Use Zoning	Develop better vehicle and pedestrian circulation, safer driveway entrances, and parking systems within the commercial properties located in the Skyway Business District.	DLS	King County cannot make private property owner rebuild their driveways if it was built to code.	Developers	Private owners are responsible for managing their own properties. DLS Permitting reviews development plans for adherence to King County Code.
Commercial and Mixed-Use Zoning	Develop the empty spaces between commercial buildings into mini-public plazas or green spaces that help increase cross-	DLS	The County does not develop properties unless in connection with a capital improvement project.	CBOs, CDC, CDAs, private or non-profit developer	A CBO could work with private property owners to rent space for plazas. Foundations or CDC could possible fund activities.
Community Activities	Host a cultural food festival and cultural food cooking class.	DLS	King County does not host community events.	CBOs	DLS CSA liaisons can work with the community to organize around projects and apply for the Alan Painter CSA grants.
Community Activities	Create a studio for musicians to record (overlaps with Economic Development).	DLS	King County does not operate music studios.	CBOs, private party	DLS economic development staff could help identify spaces for sale or lease that would work for a studio.
Community Activities	Form art, dance and theater group.	DLS	King County does not form art groups.	CBOs, private party	DLS staff could help promote organizing efforts.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Community Engagement	Create an action group dedicated to community beautification projects.	DLS	DLS does not create community action groups.	CBOs	DLS CSA liaisons can work with the community to organize around projects and help them apply for the Alan Painter CSA grants.
Community Resources	Develop a second-run theater for an affordable entertainment source.	DLS	The County does not develop theaters.	CBOs, private party	DLS CSA liaisons can work with CBOs and help them apply for the Alan Painter CSA grants to provide affordable entertainment.
Community Resources	Resource a tool library where residents can borrow tools and take classes to learn how to fix things.	DLS	King County does not run similar programs.	CBOs	A CSA liaison can work with the community to coordinate around the idea. A CBO would have to run the project. This may be fundable by the Alan Painter CSA grant program.
Education	<ul style="list-style-type: none"> - Access to equitable education for early-childhood, elementary, middle school, and high school students. - Good quality education. - Help community help support good education. 	DLS	King County does not operate educational programs but does fund CBOs through BSK	CBOs, school district	Skyway-West Hill is located in the Renton School District, which provides the public education in the area. The district has multiple programs and initiatives aimed at improving outcomes and support. King County can fund CBOs through BSK.
Homelessness	Removal of RVs parked randomly taking up residence on county streets such as those on 116th Street.	KCRHA	The King County Regional Homelessness Authority (KCRHA) is taking on much of this direct work.	KCSO, DCHS, DLS, DNRP	Local Services is building a relationship with KCRHA in order to share community requests with the organization for further action.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Intersection Improvements	-Improve intersection safety at 129th Street and MLK (safety issues of parked trucks, sightline limitations, and left turns on to 129th Street from MLK (SR-900). -Install traffic signal and turn channels at intersection of Martin Luther King Jr. Way at 68th Avenue South	DLS	Operation of MLK (SR-900) intersections is under WSDOT jurisdiction.	WSDOT	King County/DLS is in communication with WSDOT and will inform them of this issue.
Park Access	Another direction to access Lakeridge Park from (i.e. the top of the hill).	DNRP	This is a City of Seattle park. Some of the surrounding area is unincorporated neighborhoods, but the City would need to lead or be directly involved.	City of Seattle	Parks will communicate with the City of Seattle about this request. Parks will also look at a potential future acquisitions and connections to Lakeridge.
Parks Operations and Maintenance	Regular brush and litter clearing along power lines.	DNRP	On powerline corridors, the utility providers conducts brush and litter clearing for safety purposes. If there is a need to report areas within county parks, parks users should use See, Click, Fix to report issues.	Utility	King County could report cases of litter to appropriate agency.
Sewer	Implement connecting remaining septic systems to sewer.	DNRP	WTD can work with Skyway Water and Sewer to help address this concern.		Connect with Skyway Water and Sewer Utility District.

Request category	Request	Lead agency	Reason not advanced	Potential partners	Next steps
Traffic Calming	Improve safety and control speeding on Martin Luther King Jr. Way South (State Route-900).	DLS	State Route-900 is managed by WSDOT.	WSDOT	DLS DO continues to coordinate with WSDOT on community engagement. This is a proposed WSDOT project.
Utility Infrastructure	Address inadequate utility infrastructure, such as water and sewer.	DNRP	The county does not own the infrastructure needing repair.	SCL, PSE, water districts, cable providers, and neighboring cities	King County can work with utilities to advocate on behalf of residents for improvements.
Youth Programs	Establish anti-gang activities that also help youth involved with gangs or at-risk of gang involvement (i.e. youth violence prevention, help with legal services, etc.)	DCHS	Anti-gang involvement not in scope.	Restorative Community Pathways, KCPAO, CYYAD	Funding could be available through BSK and CYYAD.
