PRELIMINARY REPORT:

On February 18, 2022, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E21CT020 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a Zoom public hearing on the application on March 3, 2022.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owner:	Thomas Heintzinger 27510 Mud Mountain Road Enumclaw, WA 98022
Location:	27510 Mud Mountain Road, Enumclaw
STR:	NE-01-19-06
Zoning:	RA10
Parcel no.:	0119069027
Total acreage:	15.67 acres

- The Applicant timely filed an application to King County for the Public Benefit Rating System (PBRS) program current use valuation of the property to begin in 2022. As required by law, notification of the application occurred.
- The property is currently enrolled in the Timberland program. The purpose of this application is to reclassify the property and enroll it in PBRS. Any new open space taxation agreement must supersede the agreement.
- A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~struck through~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any **asterisk** represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	Buffer to public or current use classified land	3
	Forest stewardship land	*
	Rural open space	5
	Significant wildlife or salmonid habitat	5
	Watershed protection area	5
	<hr/> Total	<hr/> 18

The DNRP-recommended score of 18 points results in a current use valuation of 30% of assessed value for the enrolled portion of the property.

5. Additional credit may be awarded administratively under the forest stewardship land category, subject to submittal of a forest stewardship plan by **August 31, 2022**, and DNRP approval of that plan by **October 31, 2022**. Award of credit under this category will increase the point total by five points, resulting in a current use valuation of 20% of assessed value for the enrolled portion of the property and may also allow approved forestry activities to occur on the property.
6. As to the land area recommended for PBRS enrollment, the Applicant did not request a specific acreage and DNRP recommends 13.43 acres. If the forest management plan successfully addresses the restoration needs of a 0.64-acre outlined in green, the acreage will increase to 14.07 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor’s official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
7. Except as modified herein, the facts set forth in DNRP’s preliminary report and testimony at the March 3, 2022, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP’s report will be provided to the Metropolitan King County Council for final approval.
8. Approval of 18 points and a current use valuation of 30% of assessed value for 13.43 acres, and conditional approval of an additional five points and 20% of assessed value for up to 14.07 acres, are consistent with KCC Chapter 20.36 and with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

1. APPROVE a current use valuation of 30% of assessed value for the 13.43-acre enrolled portion of the property.
2. CONDITIONALLY APPROVE additional credit for the forest stewardship land category, subject to submittal of a forest stewardship plan by **August 31, 2022**, and DNRP approval of that plan by **October 31, 2022**. Award of credit under this category will increase the point total by five points, resulting in a current use valuation of 20% of assessed value for up to a 14.07-acre enrolled portion of the property.

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD). Appeal statements may refer only to facts contained in the hearing record; new facts may not be presented on appeal. KCC 20.22.230 also requires that the appellant provide copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner's recommendation.

Prior to the close of business (4:30 p.m.) on *April 11, 2022*, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the Clerk of the Council's Office, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. Unless both a timely and sufficient appeal statement and filing fee are filed by *April 11, 2022*, the Clerk of the Council shall place on the agenda of the next available Council meeting a proposed ordinance implementing the Examiner's recommended action. At that meeting the Council may adopt the Examiner's recommendation, defer action, refer the matter to a Council committee, or remand to the Examiner for further hearing or further consideration.

If a timely and sufficient appeal statement and filing fee are filed by *April 11, 2022*, the Examiner will notify all parties and interested persons and provide information about "next steps."
