**Proposed Resolution FCD 2022-11: A resolution authorizing the chair to enter into an amendment to the agreement for Lower Green River Corridor Plan and PEIS project manager services.**

Proposed Resolution FCD 2022-11 authorizes the chair to enter into an amendment to the agreement with Lund Consulting for the purpose of providing project management services for the King County Flood Control District's (District) Lower Green River Corridor Flood Hazard Management Plan and Programmatic Environmental Impact Statement (LGRCFHMP PEIS) process. FCDECM2018-02 authorized the chair to enter into the original contract and FCD2021-11 was the most recent amendment to the original contract. This contract amendment complies with the District's procurement policy FCD2020-13 approved June 2020.

The LGRCFHMP PEIS represents the largest and most challenging integrated floodplain management program envisioned for the central Puget Sound area in our state's history. The expected outcomes of the LGRCFHMP PEIS are:

1. A shared vision and goals for the Lower Green River corridor related to integrated floodplain management;
2. A draft programmatic environmental impact statement for public review; and
3. A final environmental impact statement and Lower Green River Flood Hazard Management Plan for adoption by the District.

Under the proposed contract amendment, Lund Consulting, Inc. tasks include:

1. Serve as project manager/"owner's rep" to the LGRCFHMP PEIS process reporting to the District Executive Director;
2. Manage the contracts for the technical consulting team ensuring work products meet the quality standards of the District;
3. Oversee the technical consulting team contract, review invoices, manage budget, and ensure timeliness of deliverables;
4. Coordinate with King County staff to obtain technical support;
5. Review draft documents on behalf of the District, coordinate review by District Executive Director, and oversee revisions to draft documents;
6. Facilitate meetings of the Advisory Committee; and
7. Meet weekly with technical team of consultants and District Executive Director.

The amendment to the contract for project management services is for an amount not to exceed total of \$245,700 and is for a term of 18 months. This contract amendment will allow Lund Consulting to continue as the project manager/"owner's rep" throughout the preparation and analysis of the Draft PEIS and the negotiations for the Final PEIS with Parametrix, the District's contractor for the LGRCFHMP PEIS.
