MEMORANDUM

Date: November 8, 2023

To: Jake Tracy, Principal Legislative Analyst, Council Central Staff

From: Robin Proebsting, Legislative/Policy Analyst, DLS-Permitting

Re: State Environmental Policy Act (SEPA) Threshold Determination of Non-significance (DNS) for a non-project action identified as: An ordinance making modifications to the regulations in K.C.C. 21A that apply to a Regional Motor Sports Facility Interim Use Permit

Jake,

As a SEPA official within the Permitting Division of the Department of Local Services, I was tasked with performing the SEPA review and threshold determination under SEPA for the code amendments proposed under proposed ordinance 2023-0267 (an ordinance making modifications to the regulations in K.C.C. 21A that apply to a Regional Motor Sports Facility Interim Use Permit).

As part of that process, I reviewed the SEPA checklist, proposed ordinance, and existing codes and policies.

A DNS was issued and published on September 27, 2023, with a comment period ending October 18, 2023. No comments were received. As such, no further action as it relates to this SEPA review and the DNS is necessary at this time.

I have included a copy of the final SEPA checklist, Threshold Determination, newspaper affidavit of publishing with the email conveying this memo.
