Signature Report

Ordinance 19686

Proposed No. 2023-0319.1 **Sponsors** Perry 1 AN ORDINANCE approving the Woodinville Water 2 District General Sewer Plan dated May 2023. 3 STATEMENT OF FACTS: 4 1. King County has adopted K.C.C. chapter 13.24, which requires 5 approval of comprehensive plans for water and sewer utilities that provide 6 service in unincorporated King County as a prerequisite for operating in 7 unincorporated King County, receiving approval for annexation proposals, 8 being granted right of way franchises, and being given approval for right 9 of way construction permits. K.C.C. chapter 13.24 prescribes the 10 requirements for approval of such plans, including consistency with state 11 and local planning requirements. 12 2. The Woodinville Water District's last wastewater system plan was 13 approved in 2010. King County regulations require wastewater system 14 plans to be updated every six years. 15 3. The Woodinville Water District's wastewater system has a service area 16 within King County and will adopt its wastewater comprehensive plan 17 ("the plan") upon approval by the Washington State Department of 18 Ecology and King County. 19 4. King County has adopted a Comprehensive Plan that includes policies

F-101 through F-264, the applicable portions of which address wastewater

21	policies for facilities, and services; these wastewater policies call for
22	consistency with other adopted plans, pursuit of reclaimed water, water
23	conservation, and protection of water resources.
24	5. K.C.C. chapter 13.24 requires the utilities technical review committee
25	to review, and make a recommendation to the King County executive, and
26	council on the plan, the requirements under K.C.C. chapter 13.24, and
27	consistency with the King County Comprehensive Plan. The utilities
28	technical review committee has reviewed the planning data and system
29	operations and has found:
30	a. The plan considers population and employment forecasts developed
31	by the Puget Sound Regional Council;
32	b. The system's service area is in unincorporated King County;
33	c. The capital facility plan is adequate to meet anticipated facility and
34	service needs;
35	d. The plan is consistent with applicable Washington state water quality
36	laws; and
37	e. The plan is consistent with other pertinent county adopted plans and
38	policies.
39	6. Washington state Department of Ecology approval of the plan is
40	pending.
41	7. Under the State Environmental Policy Act the Woodinville Water
42	District completed an environmental check list and issued a Determination

Ordinance 19686

43	of Nonsignificance for the plan approval on April 26, 2023. There were
44	no appeals.
45	8. The system's operations and facilities meet multiple existing statutory,
46	administrative, and planning standards. As the system's operations,
47	facilities, and planning meet the requirements of the King County Code,
48	and are consistent with the King County Comprehensive Plan, the utilities
49	technical review committee has recommended approval of the plan.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
