

# Proposed Ordinance No. 2024-0216: City of Enumclaw Water System Plan

Proposed Ordinance 2024-0216 would approve the City of Enumclaw Water System Plan dated February 2024, meeting the requirement for a water utility to provide water service in unincorporated King County.

The City of Enumclaw is located southeast of Seattle on a plateau between the White and Green Rivers in Council District 9. The City's water system service area covers approximately 37.3 square miles, with 5.3 square miles within the City's municipal boundaries and approximately 32 square miles in unincorporated King County.
