1 AN ORDINANCE relating to solid waste interlocal  
2 agreements; authorizing the executive to enter into an  
3 amendment to the 1988 solid waste interlocal agreement  
4 with the city of Bothell extending the term of that  
5 agreement from 2028 to 2057 and an interlocal with  
6 Snohomish county related to solid waste management  
7 services in areas of Snohomish county annexed to the city  
8 of Bothell after January 1, 2011.

9 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

10 **SECTION 1. Findings:**

11 A. King County is authorized to manage municipal solid waste generated and  
12 collected within the corporate limits of cities with which it has solid waste interlocal  
13 agreements pursuant to state law, King County Code and the 2001 Comprehensive Solid  
14 Waste Management Plan.

15 B. King County has solid waste interlocal agreements with thirty-seven cities  
16 located in its jurisdiction, including the city of Bothell. The interlocal agreements  
17 provide that King County designate solid waste management facilities for all waste  
18 generated and or collected within each city's corporate boundaries.

19 C. In 1992, the city of Bothell annexed territory from unincorporated Snohomish  
20 county known as the Canyon Park Area and, in accordance with the 1988 solid waste  
21 interlocal agreement, solid waste generated or collected from the annexed Canyon Park  
22 Area was included in the King County solid waste management system.

23 D. Snohomish county and the city of Bothell have notified King County of  
24 Bothell's intent to annex additional unincorporated areas of Snohomish county into  
25 Bothell's corporate limits; this proposed annexation is known as the North East West  
26 Bothell Annexation ("NEWBA").

27 E. Solid waste generated and collected in the NEWBA area has historically been  
28 part of the Snohomish county solid waste management system. Attachment A to this  
29 ordinance allows solid waste from the NEWBA annexed area, and other areas of  
30 Snohomish county that may be annexed after January 1, 2011, to remain in Snohomish  
31 county's solid waste management system.

32 F. The interlocal agreement between King County and the city of Bothell, which  
33 is Attachment A to this ordinance, extends the term of the 1988 interlocal agreement  
34 from 2027 to 2057, specifies that solid waste generated and collected in areas of  
35 Snohomish county annexed by Bothell after January 1, 2011, will be part of the  
36 Snohomish county solid waste system, and confirms that solid waste generated or  
37 collected within all other portions of Bothell's corporate limits, either within or outside  
38 King County, shall continue to be part of King County's solid waste management system.

39 G. The interlocal agreement between King County and Snohomish county, which  
40 is Attachment B to this ordinance, establishes the counties' rights and responsibilities

41 with respect to solid waste management in areas of the city of Bothell annexed after  
42 January 1, 2011.

43       SECTION 2. The King County executive is hereby authorized to enter into

44 interlocal agreements with the city of Bothell and Snohomish county substantially in the  
45 form of Attachments A and B to this ordinance.

Whereas, effective April 30, 1992, the City annexed certain territory located in Snohomish County known as the "Canyon Park Area;" and

Whereas, to address the contractual obligation between the City and the County, the City entered into an agreement with Snohomish County dated October 28, 1992 providing that all solid waste generated in the City, including the Canyon Park Area, would be disposed of in the King County system; and

Whereas, the City is contemplating the annexation of additional territory in Snohomish County; and

Whereas, the City wishes to amend the Agreement with the County to allow solid waste generated in areas of Snohomish County annexed to the City after January 1, 2011 to be disposed through the Snohomish County solid waste system, and the County is willing to agree to such an amendment in exchange for an extension in the term of the Agreement; and

Whereas, the parties wish to amend the Agreement to the extent provided below.

Now therefore, the parties agree to the following amendments:

Section III. DURATION

The Agreement shall remain in effect through December 31, 2057.

Section VI. GENERAL OBLIGATION OF PARTIES

A new paragraph 6.1.h shall be added to read:

This Agreement shall not be construed to impose any contractual obligations on the County related to solid waste that the City disposes of through the Snohomish County solid waste system.

A new paragraph 6.2.c shall be added to read:

Notwithstanding paragraph 6.2b., the City may dispose of solid waste collected in areas of Snohomish County that are annexed to the City after January 1, 2011 through the Snohomish County solid waste system and may authorize Snohomish County to designate disposal sites for such solid waste; solid waste generated or collected within all other portions of the corporate limits of the City (either within or outside King County) shall be disposed through the King County solid waste system throughout the term of the Agreement at sites designated by King County.

VIII. LIABILITY

A new section 8.7 shall be added to read:

The City shall indemnify and hold harmless the County and shall have the right and duty to defend the County through the City's attorneys against any and all claims arising out of the City's disposal of solid waste through the Snohomish County solid waste system. In providing such defense of the County, the City shall exercise good faith in such defense or settlement so as to protect the County's interest.

A new section 8.8 shall be added to read:

In the event the County incurs attorney fees and/or costs to enforce the provisions of this Agreement due to the City's actions or failure to act, including, without limitation, provisions related to the City's obligations to cause the delivery of solid waste to County-designated disposal sites during the term of the Agreement, such attorney fees and costs shall be recoverable from the City in the event that the County prevails in a court of competent jurisdiction and/or the City is found to be at fault by a court of competent jurisdiction.

All other terms and conditions provided in the Agreement shall continue in effect throughout the duration of the Agreement. In the future, the parties may mutually agree to enter into an agreement to replace the Agreement, provided however, that the term of the new agreement shall be at least as long as the term of the Agreement as extended in this amendment.
