- 2.9(a) of this ordinance until the Interest Rate Mode for the Bonds is changed, as provided herein.
- (b) Registration Covenant; Registrar. The county covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code. In accordance with K.C.C. Chapter 4.84, the county hereby adopts for the Bonds the system of registration specified and approved by the Washington State Finance Committee, which utilizes the fiscal agency of the State of Washington in New York City as registrar, authenticating agent, paying agent and transfer agent for the Bonds (the "Registrar"). The Registrar shall keep, or cause to be kept, at its corporate trust office, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the county (the "Bond Register"). So long as any Bonds remain Outstanding, the Registrar shall make all necessary provisions to permit the exchange or registration of transfer of Bonds at its principal corporate trust office. The Registrar is authorized, on behalf of the county, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance and to carry out all of the Registrar's powers and duties under this ordinance. The Registrar shall be responsible for its representations contained in the Certificate of Authentication on the Bonds.
- (c) <u>Initial Registration</u>. The Bonds shall be registered initially in the name of the Bank, with one Bond in a denomination corresponding to the total principal amount of the Bonds designated to mature on the Maturity Date.
- (d) <u>Transfer or Exchange of Certificated Bonds</u>. So long as the Bonds are not held in a Book-Entry System, the transfer of ownership of any Bond may be registered

and such Bonds may be exchanged, but no transfer of any Bond will be valid unless it is surrendered to the Registrar with the assignment form appearing on the Bond duly executed by the Owner or the Owner's duly authorized agent in a manner satisfactory to the Registrar. Upon surrender, the Registrar will cancel the surrendered Bond and authenticate and deliver, without charge to the Owner or transferee therefor, a new Bond (or Bonds at the option of the new Owner) of the same date and Maturity Date and for the same aggregate principal amount in any Authorized Denomination, naming as Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for the surrendered and canceled Bond. Any Bond may be surrendered to the Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date and Maturity Date in any Authorized Denomination. Other than in connection with an optional or mandatory tender for purchase, the Registrar is not obligated to transfer or exchange any Bond during the 15day period prior to the selection of Bonds for redemption or the Maturity Date or following any publication of notice of redemption. No charge will be imposed upon Owners in connection with any transfer or exchange, except for taxes or governmental charges related thereto.

(e) <u>Securities Depository</u>. To facilitate conversion of the Bonds to an Interest Rate Mode other than the LIBOR Index Mode during the Initial Period, the county may provide for the Bonds to be held by DTC or by another Securities Depository in fully immobilized form in a Book-Entry System. The Finance Director shall notify the Registrar in writing of the appointment of any such Securities Depository.

If DTC is appointed as Securities Depository, the provisions of the Letter of
Representations heretofore executed by the county and delivered to DTC shall govern the
arrangements for registering, paying and transferring interests in the Bonds. The county,
the Registrar, and the Paying Agent will have no responsibility or obligation to DTC
Participants or the persons for whom they act as nominees with respect to the accuracy of
any records maintained by DTC or any DTC Participant as to the Bonds, the payment by
DTC or any DTC Participant of any amount in respect of the principal or redemption
price of or interest on the Bonds, any notice that is permitted or required to be given to
Owners under this ordinance (except any such notices as must be given by the county to
the Registrar, the Paying Agent, or to DTC), the selection by DTC or by any DTC
Participant of any person to receive payment in the event of a partial redemption of the
Bonds, or any consent given or other action taken by DTC as the Owner of the Bonds.
While the Bonds are held by DTC in a Book-Entry System, purchases of the
Bonds, in Authorized Denominations, may be made through brokers and dealers, who
must be or act through DTC Participants. Registered ownership of such immobilized
Bonds, or any portions thereof, may not thereafter be transferred except (i) to any
successor Securities Depository or its nominee, provided that any such successor must be
qualified under any applicable laws to provide the service proposed to be provided by it;
(ii) to any substitute Securities Depository appointed by the county pursuant to subsection
(f) of this Section 2.1; or (iii) to any person as provided in subsection (h) of this Section
2.1.
(f) Substitute Depository. Upon the resignation of DTC or its successor (or any

substitute depository or its successor) from its functions as depository or a determination

by the county that it is no longer in the best interests of owners of beneficial interests in the Bonds to continue the system of book-entry transfers through DTC or its successor (or any substitute depository or its successor), the county may appoint a substitute depository or terminate the use of a depository. Any such substitute depository must be qualified under any applicable laws to provide the services proposed to be provided by it.

- (g) <u>Issuance of New Bonds to Successor/Substitute Depository</u>. In the case of any transfer pursuant to clause (i) or (ii) of subsection (e) of this Section 2.1, the Registrar will, upon receipt of all Outstanding Bonds, together with a written request on behalf of the county, issue a single new Bond registered in the name of such successor or such substitute depository, or its nominee, as the case may be, all as specified in the written request of the county.
- (h) Termination of Book-Entry System. If (i) a Securities Depository resigns and no substitute Securities Depository can be obtained, or (ii) the Finance Director determines that it is in the best interests of the county or the Beneficial Owners of the Bonds that they be able to obtain bond certificates, the ownership of the Bonds may then be transferred to any person or entity as herein provided, and the Bonds will no longer be held in a Book-Entry System. The county will deliver a written request to the Registrar, together with a supply of definitive Bonds, to issue Bonds as herein provided in any Authorized Denomination. Upon receipt of all then Outstanding Bonds by the Registrar, together with a written request on behalf of the county to the Registrar, new Bonds will be issued in such denominations and registered in the names of such persons as are specified in such written request.

SECTION 2.2. Denominations, Method of Payment, Authentication, and Form of Bonds.

- (a) Registered Ownership. The Bonds shall be issued in the form of fully registered Bonds in Authorized Denominations. Except as may be specifically set forth herein, the Registrar, the Remarketing Agent, if any, and the county may treat the Owner (including a Securities Depository or its nominee, if the Bonds are held in a Book-Entry System) of a Bond as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and the county, Registrar, and Remarketing Agent, if any, will not be affected by any knowledge or notice to the contrary; and payment of the principal of and premium, if any, and interest on such Bond will be made only to such Owner, which payments shall be valid and effectual to satisfy and discharge the liability of such Bond to the extent of the sum or sums so paid. All Bonds at maturity or on earlier redemption paid pursuant to the provisions of this Section shall be cancelled by the Registrar.
- (b) Method of Payment of Bonds. The principal of and premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America. Unless otherwise provided in any writing with or from the Securities Depository, if any, the interest on the Bonds shall be paid by the Paying Agent on the Interest Payment Dates by wire transfer of immediately available funds to an account specified by the Owner in a writing delivered to the Paying Agent. Any such specified account shall remain in effect until revised by such Owner by an instrument in writing delivered to the Paying Agent. The principal of and premium, if any, on each Bond shall be payable on the Principal Payment Date, upon surrender thereof at the Principal Office of the Paying Agent.

(c) <u>Form of Bonds; Execution</u>. The Bonds shall each be in substantially the form set forth on Attachment A to this ordinance, with appropriate or necessary insertions, depending upon the omissions and variations as permitted or required hereby.

The Bonds shall be executed on behalf of the county by the manual or facsimile signatures of the county executive and the clerk of the county council, and the official seal of the county shall be reproduced thereon. The validity of any Bond so executed will not be affected by the fact that one or more of the officers whose signatures appear on that Bond have ceased to hold office at the time of issuance or authentication or at any time thereafter.

- (d) <u>Authentication</u>. No Bond shall be valid for any purpose hereunder until the certificate of authentication printed thereon is duly executed by the manual signature of an authorized signatory of the Registrar. Such authentication shall be proof that the Owner is entitled to the benefit of the trusts hereby created.
- (e) <u>Lost</u>, <u>Mutilated or Destroyed Bonds</u>. If any Bond shall become mutilated, the Registrar shall authenticate and deliver a new Bond of like series, amount, date, interest rate and tenor in exchange and substitution for the Bond so mutilated, upon the owner's paying the expenses and charges of the county and the Registrar in connection therewith and upon surrender to the Registrar of the Bond so mutilated. Every mutilated Bond so surrendered shall be canceled and destroyed by the Registrar.

In case the Bonds or any of them shall be lost, stolen or destroyed, the Registrar may authenticate and deliver a new Bond or Bonds of like series, amount, date, and tenor to the Registered Owner thereof upon the owner's paying the expenses and charges of the county and the Registrar in connection therewith and upon his/her filing with the

Registrar evidence satisfactory to the Registrar that such Bond or Bonds were actually lost, stolen or destroyed and of his/her ownership thereof, and upon furnishing the county and Registrar with indemnity satisfactory to the Finance Director and the Registrar.

SECTION 2.3. Payment of Principal of and Interest on Bonds; Acceptance of Terms and Conditions.

- (a) The interest on the Bonds shall become due and payable on the Interest

 Payment Dates in each year to and including the Maturity Date, and on each Redemption

 Date. The principal of the Bonds shall become due and payable on the Principal Payment

 Dates.
- (b) By the acceptance of its Bond, the Owner and each Beneficial Owner thereof will be deemed to have agreed to all the terms and provisions of such Bond as specified in such Bond and this ordinance including, without limitation, the applicable Interest Periods, interest rates (including any applicable Alternate Rate), Purchase Dates, Mandatory Purchase Dates, Purchase Prices, mandatory and optional purchase and redemption provisions applicable to such Bond, method and timing of purchase, redemption, payment, etc. Such Owner and each Beneficial Owner further agree that if, on any date upon which one of its Bonds is to be purchased, redeemed or paid at maturity or earlier due date, funds are on deposit with the Paying Agent or the Registrar to pay the full amount due on such Bond, then such Owner or Beneficial Owner shall have no rights under this ordinance other than to receive such full amount due with respect to such Bond and that interest on such Bond shall cease to accrue as of such date.
- (c) While any Bonds are Liquidity Provider Bonds, they will bear interest and be payable at the times and in the amounts required under the Liquidity Facility.

SECTION 2.4. Calculation and Payment of Interest; Change in Interest Rate Mode; Maximum Rate.

- (a) When a Short-Term Mode is in effect, interest will be calculated on the basis of a 365/366-day year for the actual number of days elapsed. When a LIBOR Index Mode is in effect, interest will be calculated on the basis of a 360-day year for the actual number of days elapsed. When a Term Rate Mode or Fixed Rate Mode is in effect, interest will be calculated on the basis of a 360-day year comprised of twelve 30-day months. Payment of interest on each Bond will be made on each Interest Payment Date for that Bond for unpaid interest accrued during the Interest Accrual Period to the Owner of record of that Bond on the applicable Record Date.
- (b) Bonds in any Interest Rate Mode, other than a Fixed Rate Mode, may be changed to any other Interest Rate Mode at the times and in the manner hereinafter provided. After any such change in Interest Rate Mode (other than a change to a Fixed Rate Mode), the Bonds may again be changed to a different Interest Rate Mode at the times and in the manner hereinafter provided. A Fixed Rate Mode must be in effect until the Maturity Date and may not be changed to any other Interest Rate Mode.
 - (c) No Bonds may bear interest at an interest rate higher than the Maximum Rate.
- (d) In the absence of manifest error, the determination of interest rates (including any determination of rates in connection with a New Mode) and interest periods by the Remarketing Agent and the record of interest rates maintained by the Paying Agent shall be conclusive and binding upon the Remarketing Agent, the Paying Agent, the Registrar, the county, the Owners and the Beneficial Owners.

SECTION 2.5. Determination of Flexible Rates and Interest Periods During Flexible Mode. An Interest Period for the Bonds in the Flexible Mode shall be of such duration of from one to 270 calendar days, ending on a day preceding a Business Day or the Maturity Date, as the Remarketing Agent shall determine in accordance with the provisions of this Section. A Flexible Rate Bond can have an Interest Period, and bear interest at a Flexible Rate, different from another Flexible Rate Bond. In making the determinations with respect to Interest Periods, subject to limitations imposed by the second preceding sentence and in Section 2.4 of this ordinance, on each Rate Determination Date for a Flexible Rate Bond, the Remarketing Agent shall select for such Bond the Interest Period that would result in the Remarketing Agent's being able to remarket such Bond at par in the secondary market at the lowest average interest cost for all Flexible Rate Bonds; provided, however, that if the Remarketing Agent has received notice from the county that the Bonds are to be changed from the Flexible Mode to any other Interest Rate Mode, the Remarketing Agent shall select Interest Periods that do not extend beyond the resulting applicable Mandatory Purchase Date of the Bonds.

Except while the Bonds are registered in a Book-Entry System, in order to receive payment of the Purchase Price the Owner of any Bond in the Flexible Mode must present such Bond to the Paying Agent, by 12:00 noon on the Rate Determination Date, in which case, the Paying Agent shall pay the Purchase Price to such Owner by 3:00 P.M. on the same day.

By 1:00 P.M. on each Rate Determination Date, the Remarketing Agent, with respect to each Bond in the Flexible Mode that is subject to adjustment on such date, shall determine the Flexible Rate(s) for the Interest Periods then selected for such Bond

and shall give notice by Electronic Means to the Paying Agent and the county of the Interest Periods, the Purchase Date(s) and the Flexible Rate(s). The Remarketing Agent shall make the Flexible Rate and Interest Period available after 2:00 P.M. on each Rate Determination Date by telephone or Electronic Means to any Beneficial Owner or Notice Party requesting such information.

SECTION 2.6. Determination of Interest Rates During the Daily Mode and the Weekly Mode. The interest rate for the Bonds in the Daily Mode or Weekly Mode shall be the rate of interest per annum determined by the Remarketing Agent on and as of the applicable Rate Determination Date as the minimum rate of interest that, in the opinion of the Remarketing Agent under then-existing market conditions, would result in the sale of the Bonds in the Daily Rate Period or Weekly Rate Period, as applicable, at a price equal to the principal amount thereof, plus interest, if any, accrued through the Rate Determination Date during the then current Interest Accrual Period.

- (a) During the Daily Mode, the Remarketing Agent shall establish the Daily Rate by 10:00 A.M. on each Rate Determination Date. The Daily Rate for any day during the Daily Mode which is not a Business Day shall be the Daily Rate established on the immediately preceding Rate Determination Date. The Remarketing Agent shall make the Daily Rate available no less frequently than once each week by Electronic Means to each Notice Party requesting such rate.
- (b) During the Weekly Mode, the Remarketing Agent shall establish the Weekly Rate by 4:00 P.M. on each Rate Determination Date. The Weekly Rate shall be in effect during the applicable Weekly Rate Period. The Remarketing Agent shall make the

Weekly Rate available no later than 5:00 P.M. on the Business Day following the Rate Determination Date by Electronic Means to each Notice Party requesting such rate.

(c) During the Weekly Mode, if permitted by the applicable Remarketing Agreement, the county may change the day of the week specified in clause (iii) (A) of the definition of "Rate Determination Date" for the Bonds, subject to the approval of the Remarketing Agent. The Remarketing Agent shall give 30 days' notice of any such change to the Notice Parties.

SECTION 2.7. Determination of Term Rates and Fixed Rates.

(a) Term Rates. Except as provided in Section 2.8 of this ordinance, once the Bonds are changed to the Term Rate Mode, the Bonds shall continue in the Term Rate Mode until changed to another Interest Rate Mode in accordance with Section 2.10 of this ordinance. The Term Rate shall be determined by the Remarketing Agent not later than 4:00 P.M. on the Rate Determination Date, and the Remarketing Agent shall make the Term Rate available by telephone or by Electronic Means to any Notice Party requesting such rate. The Term Rate shall be the minimum rate which, in the sole judgment of the Remarketing Agent, would result in a sale of the Bonds at a price equal to the principal amount thereof on the Rate Determination Date for the Interest Period selected by the county in writing delivered to the Remarketing Agent before such Rate Determination Date. If a new Interest Period is not selected by the county prior to a Rate Determination Date, the new Interest Period shall be the same length as the current Interest Period (or such lesser period as shall be necessary to comply with the last sentence of this paragraph). The Remarketing Agent shall make the Term Rate available by telephone or Electronic Means after 5:00 P.M. on the Rate Determination Date to any

Notice Party requesting such Term Rate. Upon request of any Notice Party the Paying

Agent shall give notice of such rate by Electronic Means. No Interest Period in the Term

Rate Mode may extend beyond the applicable Maturity Date.

(b) Fixed Rates. The Remarketing Agent shall determine the Fixed Rate for the Bonds being converted to the Fixed Rate Mode in the manner and at the times as follows: not later than 4:00 P.M. on the applicable Rate Determination Date, the Remarketing Agent shall determine the Fixed Rate (or Rates, if the Bonds will have Serial Maturity Dates in accordance with Section 2.10(b)(v) of this ordinance). Except as set forth in Section 2.10(b)(v) of this ordinance, the Fixed Rate shall be the minimum interest rate which, in the sole judgment of the Remarketing Agent, will result in a sale of the Bonds at a price equal to the principal amount thereof on the Rate Determination Date. The Remarketing Agent shall make the Fixed Rate available by telephone or by Electronic Means after 5:00 P.M. on the Rate Determination Date to any Notice Party requesting such Fixed Rate. Upon request of any Notice Party the Paying Agent shall give notice of such rate by Electronic Means. Subject to Section 2.10(b)(v) of this ordinance, the Fixed Rate so established shall remain in effect until the Maturity Date of such Bonds.

SECTION 2.8. Alternate Rates. The following provisions shall apply if (i) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period for the Bonds other than when the Bonds are in the LIBOR Index Mode, (ii) the method by which the Remarketing Agent determines the interest rate or Interest Period with respect to the Bonds (or the selection by the county of the Interest Periods for Bonds in the Term Rate Mode) shall be held to be unenforceable by a court of law of competent jurisdiction or (iii) if the Remarketing Agent suspends its remarketing effort in accordance with the

Remarketing Agreement. These provisions shall continue to apply until such time as the Remarketing Agent (or the county if applicable) again makes such determinations. In the case of clause (ii) above, the Remarketing Agent (or the county, if applicable) shall again make such determination at such time as there is delivered to the Remarketing Agent and the county an opinion of Bond Counsel to the effect that there are no longer any legal prohibitions against such determinations. The following shall be the methods by which the interest rates and, in the case of the Flexible and Term Rate Modes, the Interest Periods, shall be determined for the Bonds as to which any of the events described in clauses (i), (ii) or (iii) shall be applicable. Such methods shall be applicable from and after the date any of the events described in clauses (i), (ii) or (iii) first become applicable to the Bonds until such time as the events described in clauses (i), (ii) or (iii) are no longer applicable to the Bonds. These provisions shall not apply if the county fails to select an Interest Period for the Bonds in the Term Rate Mode for a reason other than as described in clause (ii) above.

- (a) For Flexible Rate Bonds, the next Interest Period shall be from, and including, the first day following the last day of the current Interest Period for the Bonds to, but excluding, the next succeeding Business Day and thereafter shall commence on each Business Day and extend to, but exclude, the next succeeding Business Day. For each such Interest Period, the interest rate for the Bonds shall be the applicable Alternate Rate in effect on the Business Day that begins an Interest Period.
- (b) If the Bonds are in the Daily Mode or the Weekly Mode, then the Bonds shall bear interest during each subsequent Interest Period at the Alternate Rate in effect on the first day of such Interest Period.

If the Bonds are then in the Term Rate Mode, then the Bonds shall automatically convert to Flexible Rate Bonds, with an Interest Period commencing on the first day following the last day of the current Interest Period for the Bonds to, but excluding, the next succeeding Business Day and thereafter shall commence on each Business Day and extend to, but exclude, the next succeeding Business Day. For each such Interest Period, the interest rate for the Bonds shall be the applicable Alternate Rate in effect at the beginning of each such Interest Period.

SECTION 2.9. LIBOR Index Rates. (a) During each LIBOR Index Rate

Period, the Bonds shall, subject to Section 2.9(e), (f) and (g) of this ordinance, bear

interest at the LIBOR Index Rate. The Calculation Agent shall determine the LIBOR

Index Rate on each Rate Determination Date during the LIBOR Index Rate Period, and
such rate shall become effective on the first day of the LIBOR Interest Period next

succeeding the Rate Determination Date, commencing on and including the first day of
the applicable LIBOR Interest Period to but excluding the last day of such LIBOR

Interest Period. The LIBOR Index Rate shall be rounded upward to the third decimal
place.

(b) <u>Notice of Rates</u>. Promptly following the determination of any Rate, the Remarketing Agent or the Calculation Agent, as applicable, shall give notice thereof to the Paying Agent. The county and any Owner or Beneficial Owner may obtain any interest rate on or after the applicable Rate Determination Date upon request to the Calculation Agent.

1120	(c) <u>Determination of Rate Conclusive</u> . The determination of any interest rate
1121	by the Calculation Agent shall be conclusive and binding upon the county, the Paying
1122	Agent and the Owners or Beneficial Owners absent manifest error.

- (d) <u>No Liability</u>. In determining the interest rate or rates that the Bonds shall bear as provided in this Section, the Calculation Agent shall not have any liability to the county, the Paying Agent, the Registrar or any Owner or Beneficial Owners except for its negligence or willful misconduct.
- (e) <u>Interest on Unremarketed Bonds</u>. Notwithstanding any other provision of this ordinance, each Unremarketed Bond shall bear interest for each day it is an Unremarketed Bond at a rate per annum equal to the Purchaser Rate for that day.
- (f) Adjustments to LIBOR Index Rates. From and after any Taxable Date, the interest rate on Bonds during a LIBOR Interest Rate Period shall be established at a rate at all times equal to the Taxable Rate.
- (g) <u>Default Rate</u>. Notwithstanding the foregoing but subject to the interest rate limitations of Section 2.9(a) of this ordinance, from and after the occurrence and during continuation of a Default, the interest rate for Bonds bearing interest at a LIBOR Index Rate and for Unremarketed Bonds shall be equal to the Default Rate.
- (h) Excess Interest. Anything herein to the contrary notwithstanding, if the rate of interest payable on the Bonds during a LIBOR Interest Rate Period or on Unremarketed Bonds shall exceed the Maximum Rate for any Interest Period, then (i) such Bonds shall bear interest at the Maximum Rate during such LIBOR Interest Rate Period and (ii) interest on such Bonds at the rate equal to the difference between (A) the rate of interest borne by such Bonds without regard to the Maximum Rate and (B) the

Maximum Rate (the "Excess Interest") shall be deferred until such date as the rate of interest borne by such Bonds without regard to the Maximum Rate ceases to exceed the Maximum Rate, at which time such portion of the deferred Excess Interest shall be payable with respect to such Bonds as will cause the rate of interest then paid thereon to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply until all deferred Excess Interest with respect to such Bonds is fully paid.

(i) Redemption or Conversion. The county may by written notice to the Bank, at least 120 days prior to the Initial Bank Purchase Date or any subsequent Bank Purchase Date, optionally redeem or convert the Bonds to another Interest Rate Mode (including conversion to a new LIBOR Index Rate) to be effective on any interest payment date prior to the Initial Bank Purchase Date or subsequent Bank Purchase Date upon compliance with the applicable provisions hereof. At least 120 days prior to the Initial Bank Purchase Date or any subsequent Bank Purchase Date, the county may request that (i) the Bank continue holding the Bonds following the Initial Bank Purchase Date or subsequent Bank Purchase Date, as applicable, or (ii) provide liquidity or credit enhancement necessary to facilitate the conversion of the Bonds to such new Interest Rate Mode, and the Bank will respond to such request within sixty (60) days after receipt such request from the county. The Bank may, in its sole and absolute discretion, decide to accept or reject any such request, and no consent shall become effective unless the Bank has consented thereto in writing. If the Bank rejects such request or fails to definitively respond to such request within such sixty (60) day period, the Bank shall be deemed to have refused to grant such request and the county shall be required to repurchase the Bonds on the Initial Bank Purchase Date or subsequent Bank Purchase

Date (unless the Bonds are converted to Unremarketed Bonds in accordance with the terms of the applicable Bank Purchase Agreement) for a purchase price of 100% of the par amount plus accrued interest to the Initial Bank Purchase Date or subsequent Bank Purchase Date, as applicable. The consent of the Bank, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance satisfactory to the Bank. Notwithstanding the foregoing, the Applicable Factor and Applicable Spread with respect to the Bonds for the subsequent Interest Period shall be an Applicable Factor and Applicable Spread that permits the Bonds to be remarketed at par.

SECTION 2.10. Changes in Interest Rate Mode. Subject to the provisions of this Section, and with respect to Bonds bearing interest at the LIBOR Index Rate, subject to the terms of the applicable Bank Purchase Agreement, the county may effect a change in Interest Rate Mode with respect to the Bonds by following the procedures set forth in this Section. If a change in Interest Rate Mode will make the Bonds subject to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, it shall be a condition to the conversion that the county shall have executed a continuing disclosure undertaking satisfying the requirements of such Rule and shall cooperate with the Remarketing Agent, if any, and any Underwriter (as defined in such Rule) in satisfying the requirements of such Rule.

(a) <u>Changes to Interest Rate Modes Other Than to Fixed Rate Mode</u>. All or a portion of the Bonds (other than Bonds in the Fixed Rate Mode) may be changed from one Interest Rate Mode to another Interest Rate Mode (other than the Fixed Rate Mode) as follows:

(i) Conversion Notice; Notice to Owners. No later than a Business Day that is at least seven (7) Business Days prior to the date on which the Tender Agent is required to notify the registered owners (or such shorter time as may be agreed to by the county. the Registrar, the Tender Agent and the Remarketing Agent) preceding the proposed Conversion Date, the county shall give written notice to the Notice Parties of its intention to effect a change in the Interest Rate Mode from the Interest Rate Mode then prevailing (for purposes of this Section, the "Current Mode") to another Interest Rate Mode (for purposes of this Section, the "New Mode") specified in such written notice, and, if the change is to a Term Rate Mode, the length of the initial Interest Period as set by the county. Such notice shall be accompanied by a Favorable Opinion of Bond Counsel. In the case of a change to a Term Rate Mode or from one Term Rate Mode to another Term Rate Mode, the notice to the Notice Parties will also state whether a Liquidity Facility or Credit Enhancement will be in effect with respect to the Bonds following such change and the identity of any provider of such Liquidity Facility or Credit Enhancement. Notice of the proposed change in Interest Rate Mode will be given by the Tender Agent to the Owners of the Bonds not later than the 20th day next preceding the Conversion Date; provided, however, that no notice need be given for a Conversion Date occurring on the first Business Day following the last day of a Flexible Rate Period or Term Rate Mode or on a Substitution Date. Such notice shall state: (1) the Interest Rate Mode to which the conversion will be made and the Conversion Date; (2) in the case of a change from any Interest Rate Mode that the Bonds will be subject to mandatory purchase on the Conversion Date (regardless of whether all of the conditions to the change in the Interest Rate Mode are satisfied) and the Purchase Price of the Bonds; and (3) information with

respect to required delivery of bond certificates and payment of Purchase Price, unless a Book-Entry System is in effect.

(ii) <u>Determination of Interest Rates</u>. The New Mode shall commence on the Conversion Date and the interest rate(s) (together, in the case of a change to the Flexible Mode, with the Interest Period(s)) shall be determined by the Remarketing Agent (or the county in the case of the Interest Period for the Bonds converted to the Term Rate Mode) in the manner provided in Sections 2.5, 2.6 and 2.7 of this ordinance, as applicable. Such determination shall be conclusive and binding upon the county, the Registrar, and the Owners of the Bonds to which such rate will be applicable.

(iii) Conditions Precedent:

- (A) The Conversion Date shall be:
- (1) in the case of a change from the Flexible Mode to another Interest Rate Mode, the next Mandatory Purchase Date for all of the Flexible Rate Bonds;
- (2) in the case of a change from the Daily, Weekly Mode or the LIBOR Index Mode to another Interest Rate Mode (other than to the Daily or Weekly Mode), any Interest Payment Date and in the case of a change from the Daily or Weekly Mode to the Daily or Weekly Mode, any Business Day; and
- (3) in the case of a change from the Term Rate Mode to another Interest Rate Mode, or from a Term Rate Period to a Term Rate Period of a different duration, or from a LIBOR Index Mode to another Interest Rate Mode, the Conversion Date shall be limited to any Interest Payment Date on which the Bonds are subject to optional redemption or to the last Interest Payment Date of the current Term Rate Period, as the case may be. Such Bonds shall be purchased on that Conversion Date at a Purchase Price

equal to 100% of the principal amount thereof, provided that if such Bonds would
otherwise be subject to optional redemption on such Conversion Date at a Redemption
Price of more than 100% of the principal amount thereof, such Bonds shall be purchased
at a Purchase Price equal to that Redemption Price.

- (B) If the Bonds to be converted are in the Flexible Mode, no Interest Period set after delivery by the county to the Remarketing Agent of the notice of the intention to effect a change in Interest Rate Mode shall extend beyond the day preceding the proposed Conversion Date.
- (C) The following items shall have been delivered to the Registrar, the Paying Agent, and the Remarketing Agent, if any, on or prior to each Conversion Date:
- (1) a Favorable Opinion of Bond Counsel dated the Conversion Date and addressed to the Notice Parties;
- (2) if there is to be a Liquidity Facility or an Alternate Liquidity Facility or a Credit Enhancement or an Alternate Credit Enhancement delivered in connection with such change, the items required by Section 3.13(d) of this ordinance; and
- (3) a Rating Confirmation Notice, or if the Conversion Date is a Mandatory Purchase Date, a notice from the Rating Agencies of the rating(s) to be assigned the Bonds on such Conversion Date.
- (D) It is a condition to the conversion of the Bonds from the LIBOR Index

 Mode that all Bonds being converted be remarketed on the Conversion Date.
- (b) <u>Change to Fixed Rate Mode</u>. At the option of the county, all or any portion of the Bonds bearing interest at a Daily Rate, a Weekly Rate, LIBOR Index Rate or a Flexible Rate (in an amount that is an Authorized Denomination for the new Rate Period)

may be changed to the Fixed Rate Mode, as provided in this Section 2.10(b). On any Business Day which is at least seven (7) Business Days prior to the date on which the Paying Agent is required to notify the registered owners (or such shorter time as may be agreed to by the county, the Registrar and the Remarketing Agent, but in any event not less than the 20th day next preceding the Conversion Date) before the proposed Conversion Date, the county shall give written notice to the Notice Parties stating that the Interest Rate Mode will be changed to the Fixed Rate Mode and setting forth the proposed Conversion Date. Such notice shall also state whether or not there shall be Credit Enhancement with respect to the Bonds following such change and, if so, the identity of the Credit Provider. In addition, such notice shall state whether some or all of the Bonds to be converted shall be converted to Serial Bonds and, if so, the applicable Serial Maturity Dates and Serial Payments, all as determined pursuant to subsection (v) of this subsection (b). Such notice shall be accompanied by a Favorable Opinion of Bond Counsel. Any such change in Interest Rate Mode shall be made as follows:

- (i) Conversion Date. The Conversion Date shall be:
- (A) in the case of a change from the Flexible Mode, the next Mandatory

 Purchase Date for the Flexible Rate Bonds;
- (B) in the case of a change from the Daily or Weekly Mode or LIBOR Index

 Mode, any Interest Payment Date; and
 - (C) in the case of a change from the Term Rate Mode or the LIBOR Index Mode, the Conversion Date shall be limited to any Interest Payment Date on which the Bonds are subject to optional redemption or to the next Mandatory Purchase Date for the Term Rate Bonds, as the case may be. Such Bonds shall be purchased on such

Conversion Date at a Purchase Price equal to 100% of the principal amount thereof;
provided, however, that if such Bonds would otherwise be subject to optional redemption
on such Conversion Date at a Redemption Price of more than 100% of the principal
amount thereof, such Bonds shall be purchased at a Purchase Price equal to such
Redemption Price.

- (ii) Notice to Owners. Not later than the 20th day next preceding the Conversion Date, the Paying Agent shall mail, in the name of the county, a notice of such proposed change to the Owners of the Bonds stating that the Interest Rate Mode will be changed to the Fixed Rate Mode and the proposed Conversion Date. Such notice shall also state that such Owner is required to tender such Owner's Bonds for purchase on such proposed Conversion Date regardless of whether all of the conditions to the change to the Fixed Rate Mode are satisfied.
- (iii) General Provisions Applying to Change to Fixed Rate Mode. The change to the Fixed Rate Mode shall not occur unless the following items shall have been delivered to the county, the Registrar, the Credit Provider, if any, and the Remarketing Agent, if any, on or prior to the Conversion Date:
- (A) a Favorable Opinion of Bond Counsel dated the Conversion Date and addressed to the county, the Registrar and the Remarketing Agent, if any;
- (B) if there is to be Credit Enhancement delivered in connection with such change, the items required by Section 3.13(d) of this ordinance in connection with the delivery of an Alternate Credit Enhancement, and
- (C) notice from the Rating Agencies of the rating(s) to be assigned the Bonds on such Conversion Date.

(iv) <u>Determination of Interest Rate</u>. The Fixed Rate (or rates in the case of Serial Bonds) for the Bonds to be converted to the Fixed Rate Mode shall be established by the Remarketing Agent on the Rate Determination Date applicable thereto pursuant to the provisions of Section 2.7(b) of this ordinance. Such Rate shall remain in effect until the Maturity Date of the Bonds.

Such determination shall be conclusive and binding upon the county, the Registrar, the Credit Provider, if any, and the Owners of the Bonds to which such rate will be applicable. Not later than 5:00 P.M. on the date of determination of the Fixed Rate, the Remarketing Agent shall provide notice of such rate to the Registrar by Electronic Means and to the Credit Provider and the county by telephone.

- (v) <u>Serialization and Sinking Fund; Price</u>. Upon conversion of the Bonds to the Fixed Rate Mode, the Bonds shall be remarketed at par, shall mature on the same Maturity Date(s) and be subject to the same mandatory sinking fund redemption, if any, and special redemption provisions, if any, as set forth in this ordinance for any prior Interest Rate Mode; provided, however, that if the county shall deliver to the Registrar a Favorable Opinion of Bond Counsel, the county may elect to (1) have some of the Bonds be Serial Bonds and some subject to sinking fund redemption even if such Bonds were not Serial Bonds or subject to mandatory sinking fund redemption prior to such change, (2) change the optional redemption dates and/or premiums set forth in Section 3.3(b) of this ordinance, and/or (3) sell some or all of the Bonds at a premium or a discount to par.
- (c) <u>Failure to Satisfy Conditions Precedent to an Interest Rate Conversion</u>. If the conditions described above in subsections (a) or (b) of this Section 2.10, as applicable, have not been satisfied by the applicable Conversion Date, then the New Mode will not

take effect (although, except in the case of a failed conversion from the LIBOR Index Mode, any mandatory purchase will be made on such date if notice has been sent to the Owners stating that such Bonds would be subject to mandatory purchase on such date). If the failed change in Interest Rate Mode was from the Flexible Mode, the Bonds shall remain in the Flexible Mode with interest rates and Interest Periods to be established by the Remarketing Agent on the failed Conversion Date in accordance with Section 2.5 of this ordinance. If the failed change in Interest Rate Mode was from the Daily Mode, the Bonds shall remain in the Daily Mode, and if the failed change in Interest Rate Mode was from the Weekly Mode, the Bonds shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 2.6 of this ordinance on and as of the failed Conversion Date. If the failed change in Interest Rate Mode was from the Term Rate Mode, then the Bonds shall stay in the Term Rate Mode for an Interest Period ending on the following Interest Payment Date for the Bonds in the Term Rate Mode, and the interest rate shall be established by the Remarketing Agent on the failed Conversion Date in accordance with Section 2.7(a) of this ordinance. (d) Rescission of Election. Notwithstanding anything herein to the contrary, the county may rescind any election by it to change an Interest Rate Mode as described above prior to the Conversion Date by giving written notice thereof to the Notice Parties prior to 10:00 A.M. on the Business Day preceding such Conversion Date. Agent receives notice of such rescission prior to the time the Tender Agent has given notice to the Owners of the Bonds, then such notice of change in Interest Rate Mode shall be of no force and effect. If the Tender Agent receives notice from the county of rescission of an Interest Rate Mode change after the Tender Agent has given notice thereof to the Owners of the Bonds, then if the proposed Conversion Date would have been a Mandatory Purchase Date, such date shall continue to be a Mandatory Purchase Date except if the conversion is from the LIBOR Index Mode. If the proposed change in Interest Rate Mode was from the Flexible Mode, the Bonds shall remain in the Flexible Mode with interest rates and Interest Periods to be established by the Remarketing Agent on the proposed Conversion Date in accordance with Section 2.5 of this ordinance. If the proposed change in Interest Rate Mode was from the Daily Mode, the Bonds shall remain in the Daily Mode, and if the proposed change in Interest Rate Mode was from the Weekly Mode, the Bonds shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 2.6 of this ordinance on and as of the proposed Conversion Date. If the Remarketing Agent is unable to determine the interest rate on the proposed Conversion Date, the provisions of Section 2.8 of this ordinance shall apply in effect at the beginning of each such Interest Period. If the proposed change in Interest Rate Mode was from the LIBOR Index Mode, the Bonds shall remain in the LIBOR

Index Mode, with interest rates established in accordance with the applicable provisions
of Section 2.9 of this ordinance on and as of the proposed Conversion Date.

1375 ARTICLE III

REDEMPTION AND PURCHASE OF BONDS BEFORE MATURITY

SECTION 3.1. Optional Redemption of Flexible Rate Bonds. Bonds in the Flexible Mode are not subject to optional redemption prior to their respective Purchase Dates. Bonds in the Flexible Mode shall be subject to redemption at the option of the county in whole or in part on their respective Purchase Dates at a redemption price equal to the principal amount thereof.

SECTION 3.2. Optional Redemption of Bonds in the Daily Mode or the Weekly Mode. Bonds in the Daily Mode or the Weekly Mode are subject to optional redemption by the county, in whole or in part (and if in part, with any Liquidity Provider Bonds redeemed first), in Authorized Denominations on any Business Day, at a redemption price equal to the principal amount thereof, plus, accrued interest, if any, to the Redemption Date. Liquidity Provider Bonds shall be redeemed in accordance with the applicable Reimbursement Agreement. So long as a Credit Enhancement is in effect for Bonds in the Daily Mode or Weekly Mode, no optional redemption of such Bonds shall be permitted without (i) the prior written consent of the Credit Provider or (ii) the deposit by the county with the Registrar on or prior to the Redemption Date of funds sufficient to reimburse the Credit Provider for the draw on the Credit Enhancement to pay the Redemption Price for such Bonds.

SECTION 3.3. Optional Redemption of Bonds in the Term Rate or the Fixed Rate Mode.

- (a) Bonds in a Term Rate Mode shall be subject to redemption, in whole or in part, on their individual Mandatory Purchase Dates, at the option of the county at a redemption price equal to the principal amount thereof.
- (b) The county, in connection with a change to a Long-Term Mode, may establish the redemption provisions for any such Bonds so changed to a Long-Term Mode at any time without premium; provided that notice describing such provisions shall be submitted to the Paying Agent, the Registrar and the Remarketing Agent, together with a Favorable Opinion of Bond Counsel, addressed to them.

SECTION 3.4. Redemption of Bonds in the LIBOR Index Mode.

- (a) Optional Redemption. Bonds in the LIBOR Index Mode are subject to redemption prior to their stated maturity, at the option of the county, in whole or in part, at a redemption price equal to the principal amount thereof, in such amounts as may be specified by the county on any Interest Payment Date, subject to any limitations or conditions set forth in the Bank Purchase Agreement.
- (b) Mandatory Redemption of Unremarketed Bonds. Unremarketed Bonds shall be redeemed on the dates, at the prices, and in the amounts set forth in the applicable Bank Purchase Agreement.

SECTION 3.5. Notice and Effect of Redemption.

(a) <u>Timing of Notice</u>. The county shall give the Registrar sufficient notice of any redemption of Bonds to permit the Registrar to give notice to the Securities Depository at least 30 days prior to the proposed Redemption Date for Bonds in any Long-Term Mode and at least 15 days prior to the proposed Redemption Date for Bonds in any Short-Term Mode. While the Bonds are in certificated form, the Registrar will give written notice of

any redemption of Bonds by first class mail, postage prepaid, not less than 30 days (for Bonds in any Long-Term Mode) or not less than 15 days (for Bonds in any Short-Term Mode) nor more than 60 days before the proposed Redemption Date to the registered owners of Bonds that are to be redeemed at their last addresses shown on the Bond Register. While the Bonds are held in a Book Entry-System, notice of any redemption will be provided in accordance with the operational arrangements of the Securities Depository referred to in the Letter of Representations, and, except as provided in an undertaking to provide continuing disclosure under the Rule, the county will provide no additional published or other notice.

(b) Contents of Notice. Each notice of redemption shall state: (1) the Redemption Date, (2) the Redemption Price, (3) the CUSIP numbers of the Bonds being redeemed, (4) if less than all outstanding Bonds are to be redeemed, identification information and principal amounts of the Bonds to be redeemed, (5) the dated date of the Bonds, (6) the rate of interest for each Bond being redeemed, (7) that the Bonds are to be surrendered for payment at the principal office of the Registrar, (8) any condition to such redemption, (9) that on the Redemption Date, upon the satisfaction of any such condition, the Redemption Price will become due and payable upon each Bond or portion called for redemption and interest shall cease to accrue from the Redemption Date, (10) the date of the notice, and (11) any other information needed to identify the Bonds being redeemed. The requirements of this Section are deemed complied with when notice is mailed, whether or not it is actually received by the owner.

1451.

(c) Notice of Redemption on Mandatory Purchase Date. Notwithstanding
anything herein to the contrary, no notice of redemption is required to be given for a
redemption occurring on a Mandatory Purchase Date.

- (d) Effect of Redemption. Unless any condition for redemption is not satisfied, the county will provide funds to the Registrar that, in addition to other money, if any, held by the Registrar, will be sufficient to redeem on the Redemption Date all Bonds to be redeemed. From the Redemption Date, interest on all such paid and redeemed Bonds will cease to accrue.
- SECTION 3.6. Optional Tenders of Bonds in the Daily Mode or the Weekly Mode. Subject to Section 3.11 of this ordinance, the Beneficial Owners of Bonds in a Daily Mode or a Weekly Mode may elect to have their Bonds (or portions of those Bonds in amounts equal to an Authorized Denominations) purchased on any Business Day at a price equal to the Purchase Price, upon delivery of a Tender Notice to the Tender Agent by the Tender Notice Deadline. Immediately upon receipt of a Tender Notice, the Tender Agent shall notify the Remarketing Agent and provide the Remarketing Agent with a copy of such Tender Notice.
- SECTION 3.7. Mandatory Purchase on Mandatory Purchase Date. The Bonds shall be subject to mandatory purchase on each Mandatory Purchase Date. The Tender Agent shall give notice of such mandatory purchase by mail to the Owners of the Bonds subject to mandatory purchase no less than 20 days prior to the Mandatory Purchase Date described in clauses (iii), (iv), (v), (vii), (viii), (ix), (x) and (xi) of the definition of Mandatory Purchase Date and no less than 3 days prior to the Mandatory Purchase Date described in clause (vii) of the definition of Mandatory Purchase Date. No

notice shall be given of the Mandatory Purchase Date at the end of each Interest Period for Flexible Rate Bonds or at the end of Term Rate Period for Bonds in the Term Rate Mode. Any notice shall state the Mandatory Purchase Date, the Purchase Price, the numbers of the Bonds to be purchased if less than all of the Bonds owned by such Owner are to be purchased, and that interest on Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to mail such notice with respect to any Bond shall not affect the validity of the mandatory purchase of any other Bond with respect to which notice was so mailed. Any notice mailed will be conclusively presumed to have been given, whether or not actually received by any Owner or Beneficial Owner. The Tender Agent shall also give a copy of such notice to the Rating Agencies.

SECTION 3.8. Remarketing of Bonds; Notices.

- (a) Remarketing of Bonds. The Remarketing Agent shall use its best efforts pursuant to the terms and conditions of the Remarketing Agreement to offer for sale at par up to the Maximum Rate:
- (i) all Bonds or portions thereof as to which notice of tender pursuant to Section 3.6 of this ordinance has been given;
- 1480 (ii) all Bonds required to be purchased on a Mandatory Purchase Date

 1481 described in clauses (i), (ii), (iii), (iv), (v), (vii), (viii), (ix), (x) or (xi) of the definition

 1482 thereof;
 - (iii) any Liquidity Provider Bonds (A) purchased on a Purchase Date described in clause (i) or (ii) above, (B) with respect to which the Liquidity Provider has provided notice to the Registrar and the Remarketing Agent that it has reinstated the Available

495

Amount, (C) with respect to which an Alternate Liquidity Facility and Alternate Credit
Enhancement is in effect (if such bonds were secured by a Credit Enhancement prior to
becoming Liquidity Provider Bonds which Credit Enhancement is no longer in effect), or
(D) that are being marketed as Fixed Rate Bonds; and

- (iv) any County Bonds; provided, however, that the Remarketing Agent will not remarket Bonds held by or for the account of the county, or any affiliate of the county, without a Favorable Opinion of Bond Counsel addressed to the county, the Registrar and the Remarketing Agent. In connection with the remarketing of any Bonds with respect to which notice of redemption or notice of mandatory purchase has been given, the Remarketing Agent will notify each person to which such Bonds are remarketed of such notice of redemption or notice of mandatory purchase.
- (b) <u>Notice of Remarketing; Registration Instructions; New Bonds</u>. On each date on which a Bond is to be purchased:
 - (i) the Remarketing Agent shall notify by Electronic Means the Tender Agent by 12:00 noon of the principal amount of tendered Bonds it has remarketed;
 - (ii) unless the Remarketing Agent has delivered the notice described in clause (i) above, the Remarketing Agent shall notify the Tender Agent by Electronic Means not later than 1:00 P.M. of such information as may be necessary to register and deliver Bonds remarketed with respect thereto;
 - (iii) the Remarketing Agent shall cause the proceeds of the remarketing by such Remarketing Agent of tendered Bonds to be paid to the Tender Agent in immediately available funds not later than 12:15 P.M. on the Purchase Date for such Bonds; and

(iv) if the Bonds are no longer in the Book-Entry System, the Tender Agent
shall authenticate new Bonds for the respective purchasers thereof, which shall be
available for pick-up by the Remarketing Agent not later than 2:30 P.M.

(c) Draw on Liquidity Facility. On each date on which a Bond is to be purchased, (i) if the Remarketing Agent has given notice to the Tender Agent pursuant to clause (b)(i) above that it has been unable to remarket any of the Bonds or (ii) if the Tender Agent has not received from the Remarketing Agent an amount sufficient to pay the Purchase Price of tendered Bonds, by 12:00 Noon on the Purchase Date, then the Tender Agent shall direct the Registrar (if the two are separate entities) to draw on the Liquidity Facility (or if no Liquidity Facility is in effect, request funds from the county) by 12:00 Noon in an amount equal to the Purchase Price of all such Bonds that have not been successfully remarketed, requesting payment not later than 2:30 P.M. on the Purchase Date. If a Liquidity Facility is in effect, the Registrar shall also give the county notice by 2:30 P.M. on the Purchase Date if it does not have funds in the Remarketing Proceeds Account and the Liquidity Facility Purchase Account sufficient to pay the Purchase Price of Bonds tendered on such Purchase Date. Any draw on a Liquidity Facility to be made on a Substitution Date shall be on the Liquidity Facility being replaced. In no event shall the Liquidity Facility be drawn on to purchase any Liquidity Provider Bonds or any County Bonds.

SECTION 3.9. Source of Funds for Purchase of Bonds. By 3:00 P.M. on the date on which a Bond is to be purchased, and except as set forth in Section 3.11(b)(ii) of this ordinance, the Tender Agent shall purchase tendered Bonds from the tendering Owners at the applicable Purchase Price by wire transfer in immediately available funds.

Funds for the payment of such Purchase Price shall be derived solely from the following sources (delivered by the Registrar to the Tender Agent, if the two are separate entities) in the order of priority indicated and none of the Tender Agent, the Registrar nor the Remarketing Agent shall be obligated to provide funds from any other source:

- (a) immediately available funds on deposit in the Remarketing Proceeds

 Account;
- (b) immediately available funds on deposit in the Liquidity Facility Purchase Account; and
 - (c) money of the county on deposit in the County Purchase Account.

If no Liquidity Facility is in effect, then the county shall be obligated to deposit amounts into the County Purchase Account sufficient to pay the Purchase Price to the extent that amounts on deposit in the Remarketing Proceeds Account are insufficient therefor. If a Liquidity Facility is in effect, then the county may, but is not obligated to, deposit amounts into the County Purchase Account sufficient to pay the Purchase Price to the extent that amounts on deposit in the Remarketing Proceeds Account and the Liquidity Facility Purchase Account are insufficient therefor. For purposes of this paragraph, a Liquidity Facility shall be deemed to be in effect so long as the Liquidity Provider is contractually obligated to honor future draws on the Liquidity Facility pursuant to Section 3.8(c) of this ordinance, even if the Liquidity Provider in fact has failed to honor past draws on the Liquidity Facility and has declared its intent not to honor future draws on the Liquidity Facility or otherwise is in breach of its obligations under the Liquidity Facility.

<u>SECTION 3.10</u> .	Delivery of Bonds.	On each date of	on which a Bo	nd is to be
purchased, such Bond s	hall be delivered as for	ollows:		

- (a) Bonds sold by the Remarketing Agent and described in Section 3.9(a) of this ordinance shall be delivered by the Remarketing Agent to the purchasers of such Bonds by 3:00 P.M.;
- (b) Bonds purchased by the Tender Agent with money described in Section 3.9(b) of this ordinance shall be registered immediately in the name of the Liquidity Provider or its nominee (which may be the Securities Depository) on or before 3:00 P.M.; and
- (c) Bonds purchased by the county with money described in Section 3.9(c) of this ordinance shall be registered, immediately in the name of the county or its nominee on or before 3:00 P.M. Bonds so owned by the county shall continue to be Outstanding under the terms of this ordinance and be subject to all of the terms and conditions of this ordinance and shall be subject to remarketing by the Remarketing Agent.

SECTION 3.11. **Book-Entry Tenders**.

(a) Notwithstanding any other provision of this Article III to the contrary, all tenders for purchase during any period in which the Bonds are registered in the name of Cede & Co. (or the nominee of any successor Securities Depository) shall be subject to the terms and conditions set forth in the Letter of Representations and to any regulations promulgated by DTC (or any successor Securities Depository). For so long as the Bonds are registered in the name of Cede & Co., as nominee for DTC, the tender option rights of Owners of Bonds may be exercised only by DTC by giving notice of its election to tender Bonds or portions thereof at the times and in the manner described above. Beneficial

1577	Owners will not have any rights to tender Bonds directly to the Tender Agent.
1578	Procedures under which a Beneficial Owner may direct a Direct DTC Participant or
1579	DTC, or an Indirect DTC Participant acting through a Direct DTC Participant, to exercise
1580	a tender option right in respect of Bonds or portions thereof in an amount equal to all or a
1581	portion of such Beneficial Owner's beneficial ownership interest therein shall be
1582	governed by standing instructions and customary practices determined by such Direct
1583	DTC Participant or Indirect DTC Participant. For so long as the Bonds are registered in
1584	the name of Cede & Co., as nominee for DTC, delivery of Bonds required to be tendered
1585	for purchase shall be effected by the transfer on the applicable Purchase Date of a book-
1586	entry credit to the account of the Tender Agent of a beneficial interest in such Bonds.
1587	(b) Notwithstanding anything expressed or implied herein to the contrary, so long
1588	as the Book-Entry System for the Bonds is maintained:
1589	(i) there shall be no requirement of physical delivery to or by the Tender
1590	Agent, the Remarketing Agent or the Registrar of:
1591	(A) any Bonds subject to mandatory or optional purchase as a condition to
1592	the payment of the Purchase Price therefor;
1593	(B) any Bonds that have become Liquidity Provider Bonds; or
1594	(C) any remarketing proceeds of such Bonds or Liquidity Provider Bonds;
1595	and
1596	(ii) except as provided in subsection (b)(iii) below, none of the Registrar, the
1597	Tender Agent nor the Paying Agent shall have any responsibility for paying the Purchase

Price of any tendered Bond or for remitting remarketing proceeds to any person; and

(iii) the Tender Agent's sole responsibilities in connection with the purchas
and remarketing of a tendered Bond shall be to:

- (A) draw upon the applicable Liquidity Facility if the Remarketing Agent notifies the Tender Agent as provided herein that such Bond has not been remarketed on or before the Purchase Date therefor, which draw shall be in an amount equal to the difference between such Purchase Price and any remarketing proceeds received by the Remarketing Agent in connection with a partial remarketing of such Bond, and to remit the amount so drawn to or upon the order of the Securities Depository for the benefit of the tendering Beneficial Owners; and
- (B) remit any proceeds derived from the remarketing of a Liquidity Provider Bond to the Liquidity Provider.
- SECTION 3.12. **No Book-Entry System**. When the Bonds are not held in a Book-Entry System, the following procedures shall be followed:
- (a) Bonds shall be delivered (with all necessary endorsements) at or before 12:00 noon on the Purchase Date at the Principal Office of the Paying Agent; provided, however, that payment of the Purchase Price shall be made pursuant to this Section only if the Bond so delivered to the Paying Agent conforms in all respects to the description thereof in the notice described in this Section. Payment of the Purchase Price with respect to purchases under this Section shall be made to the Owners of tendered Bonds by wire transfer in immediately available funds by the Paying Agent by 3:00 P.M. on the Purchase Date.
- (b) If a Bond to be purchased is not delivered by the Owner to the Paying Agent by 12:00 noon on the date on which that Bond is to be purchased, the Paying Agent shall

hold any funds received for the purchase of those Bonds in the Purchase Fund in trust and shall pay such funds to the former Owners of the Bonds upon presentation of the Bonds. Such undelivered Bonds shall cease to accrue interest as to the former Owners on such purchase date and money representing the Purchase Price shall be available against delivery of those Bonds at the Principal Office of the Paying Agent; provided, however, that any funds which shall be so held by the Paying Agent and which remain unclaimed by the former Owner of a Bond not presented for purchase for a period of three years after delivery of such funds to the Paying Agent, shall, to the extent permitted by law. upon request in writing by the county and the furnishing of security or indemnity to the Paying Agent's satisfaction, be paid to the county free of any trust or lien and thereafter the former Owner of such Bond shall look only to the county and then only to the extent of the amounts so received by the county without any interest thereon, and the Paying Agent shall have no further responsibility with respect to such money or payment of the purchase price of such Bonds. The Paying Agent shall authenticate a replacement Bond for any undelivered Bond that may then be remarketed by the Remarketing Agent.

(c) The Paying Agent shall hold all Bonds properly tendered to it for purchase hereunder as agent and bailee of, and in escrow for the benefit of, the respective Owners of the Bonds which shall have so tendered such Bonds until money representing the Purchase Price of such Bonds shall have been delivered to or for the account of or to the order of such Owners.

SECTION 3.13. Credit Enhancement and Liquidity Facility.

(a) A Credit Enhancement will not initially be provided for the Bonds. From time to time while the Bonds remain outstanding, the county may elect to provide a

Credit Enhancement with respect to the Bonds (but not during a LIBOR Index Rate Period). While a Credit Enhancement is in effect with respect to the Bonds, the Registrar shall, on the Business Day preceding each Interest Payment Date and Principal Payment Date, before 4:00 P.M. on such day, draw on the Credit Enhancement in accordance with the terms thereof so as to receive thereunder by 1:00 P.M. on said Interest Payment Date and Principal Payment Date, an amount, in immediately available funds, equal to the amount of interest and principal payable on the Bonds on such Interest Payment Date and Principal Payment Date. The proceeds of such draws shall be applied to pay principal of and interest on the Bonds prior to the application of any other funds held by the Registrar therefor. Such amounts shall be held uninvested and separate and apart from all other funds.

From time to time while the Bonds remain outstanding, upon delivery to the Registrar of a Favorable Opinion of Bond Counsel, the county may elect to terminate a Credit Enhancement with respect to the Bonds without obtaining an Alternate Credit Enhancement, and such Bonds would then be subject to mandatory tender on the Mandatory Purchase Date described in clause (v) of the definition of Mandatory Purchase Date.

(b) A Liquidity Facility will not initially be provided for the Bonds. While a Liquidity Facility is in effect with respect to the Bonds, on each date on which a Bond is to be purchased, the Tender Agent, by demand given by Electronic Means before 12:00 Noon, shall draw on the Liquidity Facility in accordance with the terms thereof so as to receive thereunder by 2:30 P.M. on such date an amount, in immediately available funds, sufficient, together with the proceeds of the remarketing of Bonds on such date, to enable

the Tender Agent to pay the Purchase Price in connection therewith. The proceeds of such draw shall be paid to the Tender Agent, who shall deposit said proceeds in the Liquidity Facility Purchase Account pursuant to Section 3.14(b) of this ordinance.

From time to time while the Bonds remain outstanding, upon delivery to the Registrar of a Favorable Opinion of Bond Counsel, the county may elect to terminate a Liquidity Facility with respect to the Bonds without obtaining an Alternate Liquidity Facility, and such Bonds would then be subject to mandatory tender on the Mandatory Purchase Date described in clause (v) of the definition of Mandatory Purchase Date.

- (c) Notwithstanding the foregoing paragraphs of this Section, if a Credit Provider and Liquidity Provider are the same entity, the Registrar shall not draw on the Credit Enhancement with respect to any payments due or made in connection with Liquidity Provider Bonds. In no event shall the Registrar draw on the Credit Enhancement with respect to any payments made or made in connection with Bonds not covered by the Credit Enhancement or Bonds listed on the Bond Register as owned by the county.
- (d) The county may provide an Alternate Credit Enhancement or Alternate
 Liquidity Facility on any day on which the Bonds could otherwise be subject to
 redemption at par not later than the fifth (5th) Business Day prior to the Expiration Date
 of the Credit Enhancement or Liquidity Facility then in effect. The county shall give the
 Notice Parties written notice of the proposed substitution of an Alternate Credit
 Enhancement or Alternate Liquidity Facility no less than 2 Business Days prior to the
 date on which the Registrar is required to provide notice of the proposed substitution to
 the Owners of the Bonds. The Registrar shall give notice of such Substitution Date in
 accordance with Section 3.7 of this ordinance. On or before the Substitution Date there

shall be delivered to the Registrar or the Tender Agent, as applicable (i) the Alternate Credit Enhancement or the Alternate Liquidity Facility in substitution for the Credit Enhancement or Liquidity Facility then in effect, (ii) a Favorable Opinion of Bond Counsel, (iii) a written Opinion of Counsel for the provider of the Alternate Credit Enhancement or Alternate Liquidity Facility, as applicable, to the effect that such Alternate Credit Enhancement or Alternate Liquidity Facility is a valid, legal and binding obligation of the provider thereof, and (iv) unless waived by such entity in a writing delivered to the Registrar or the Tender Agent, as applicable, written evidence satisfactory to the Credit Provider and the Liquidity Provider of the provision for purchase from the Liquidity Provider of all Liquidity Provider Bonds, at a price equal to the principal amount thereof plus accrued and unpaid interest, and payment of all amounts due to the Credit Provider and the Liquidity Provider under the Reimbursement Agreement(s) on or before the effective date of such Alternate Letter of Credit or Alternate Liquidity Facility. Upon the satisfaction of the conditions described in the preceding sentence, the Registrar shall accept such Alternate Credit Enhancement or Alternate Liquidity Facility on the close of business on the Substitution Date and shall surrender the Credit Enhancement or Liquidity Facility then in effect to the provider thereof on the Substitution Date; provided, however, that the Registrar shall not surrender the Credit Enhancement or Liquidity Facility then in effect unless and until the Registrar has received all amounts drawn thereunder. As provided in Section 3.8(c) of this ordinance, any draw on a Liquidity Facility to be made on a Substitution Date shall be on the Liquidity Facility being replaced. If any condition to the substitution is not satisfied,

the substitution shall not occur but the Bonds shall remain subject to mandatory purchase on the proposed Substitution Date.

- (e) In the event of an extension of the Expiration Date, the county will give to the Notice Parties and Owners of the affected Bonds a written notice of the new Expiration Date at least 21 days prior to the fifth Business Day prior to the Expiration Date in effect prior to the extension.
- (f) The references to "Liquidity Facility" and "Liquidity Provider" will be disregarded during any period during which a Liquidity Facility is not in effect. The references to "Credit Enhancement" and "Credit Provider" will be disregarded during any period during which a Credit Enhancement is not in effect.
- (g) Any claim by the Registrar or the Tender Agent on any amounts drawn under the Credit Enhancement or the Liquidity Facility or on any amounts on deposit in the account described in subsection (a) of this Section 3.13 in which proceeds of draws on the Credit Enhancement are deposited or the Liquidity Facility Purchase Account shall be subordinate to the lien thereon of the Bonds.
- SECTION 3.14. **Purchase Fund**. There is hereby established and there shall be maintained with the Tender Agent, as agent for the Registrar, a separate fund to be known as the "Purchase Fund." The Tender Agent shall further establish separate accounts within the Purchase Fund to be known as the "Liquidity Facility Purchase Account" and the "Remarketing Proceeds Account" and the "County Purchase Account." All funds in any account within the Purchase Fund shall be held solely for the benefit of Owners of the Bonds.

(a) Remarketing Proceeds Account. Upon receipt of the proceeds of a
remarketing of a Bond on the date such Bond is to be purchased, the Tender Agent will
deposit those proceeds in the Remarketing Proceeds Account for application to the
Purchase Price of that Bond. Notwithstanding the foregoing, upon the receipt of the
proceeds of a remarketing of Liquidity Provider Bonds, the Tender Agent will
immediately pay such proceeds to the Liquidity Provider to the extent of any amount
owing to the Liquidity Provider.

- (b) Liquidity Facility Purchase Account. Upon receipt from the Registrar of the immediately available funds transferred to the Tender Agent pursuant to Section 3.9(b) of this ordinance, the Tender Agent will deposit such money in the Liquidity Facility Purchase Account for application to the Purchase Price of the Bonds to the extent that the money on deposit in the Remarketing Proceeds Account is not sufficient. Any amounts deposited in the Liquidity Facility Purchase Account and not needed with respect to the Purchase Price for any Bonds will be immediately returned to the Liquidity Provider.
- (c) County Purchase Account. Upon receipt of funds from the county pursuant to Section 3.9(c) of this ordinance, the Tender Agent shall deposit those funds in the County Purchase Account for application to the Purchase Price of the Bonds. Any amounts deposited in the County Purchase Account and not needed with respect to the Purchase Price for any Bonds will be immediately refunded to the county.
- (d) <u>Investment</u>. Amounts held in the Liquidity Facility Purchase Accounts and the Remarketing Proceeds Accounts by the Paying Agent shall be held uninvested and separate and apart from all other funds and accounts.
 - SECTION 3.15. Insufficient Funds for Tenders.

- (a) If money sufficient to pay the Purchase Price of all tendered Bonds to be purchased on any Purchase Date is not available (1) no purchase shall be consummated on such Purchase Date, (2) all tendered Bonds shall be returned to the Owners thereof, and (3) all remarketing proceeds shall be returned to the Remarketing Agent for return to the Persons providing such money.
- (b) All Bonds shall bear interest at the Unremarketed Bonds Rate during the period of time from and including the applicable Purchase Date to (but not including) the date that all such tendered Bonds are successfully remarketed (the "Delayed Remarketing Period").
- (c) The county may direct the conversion of the tendered Bonds to a different Interest Rate Mode during the Delayed Remarketing Period in accordance with Section 2.10 of this ordinance; provided that the county is not required to comply with the notice requirements described in Section 2.10 of this ordinance.
- (d) Subject to the terms of the Remarketing Agreement, the Remarketing Agent shall continue to use its best efforts to remarket all of the tendered Bonds.
- (e) During the Delayed Remarketing Period, the Registrar may, upon written direction of the county, apply funds provided by the county to the redemption of such tendered Bonds, as a whole or in part on any Business Day during the Delayed Remarketing Period, at a redemption price equal to the principal amount thereof, together with interest accrued thereon to the date fixed for redemption, without premium. The Registrar shall give five Business Days' notice of such redemption to the Owners of the Bonds to be redeemed.

(f) During the Delayed Remarketing Period, interest on such tendered Bonds
shall be paid to the Owners thereof (i) on the first Business Day of each calendar month
occurring during the Delayed Remarketing Period and (ii) on the last day of the Delayed

SECTION 3.17. **No Defeasance in Short-Term Mode**. Bonds in any Short-Term Mode may not be defeased. Any defeasance of Bonds in any Long-Term Mode must be in accordance with the defeasance provisions set forth in Section 4.4 of this ordinance.

SECURITY FOR THE BONDS

SECTION 4.1. Junior Lien Bond Fund. A special fund of the county designated the "King County, Washington, Junior Lien Obligation Redemption Fund" (the "Junior Lien Bond Fund") has been created for the purpose of paying Junior Lien Obligations. The Junior Lien Bond Fund shall be held separate and apart from all other funds and accounts of the county and shall be a trust fund for the owners of Junior Lien Obligations.

The county hereby irrevocably obligates and binds itself for as long as any Bonds remain Outstanding to set aside and pay into the Junior Lien Bond Fund from Revenue of the System, on or prior to the respective dates the same become due (and if such payment is made on the due date, such payment shall be made in immediately available funds):

1803	(1) Such amounts as are required to pay the interest scheduled to become due on

1813	So long as the county maintains the Credit Enhancement, the payment

1816	to make any payments of principal of or interest on Liquidity Provider Bonds.
1817	SECTION 4.2. Revenue Fund. All Revenue of the System shall be deposited in
1818	the Revenue Fund as collected. The Revenue Fund shall be held separate and apart from
1819	all other funds and accounts of the county, and the Revenue of the System deposited
1820.	therein shall be used only for the following purposes and in the following order of
1821	priority:
1822	First, to pay all Operating and Maintenance Expenses;
1823	Second, to make all required deposits into the debt service account in the Parity
1824	Bond Fund to provide for the payment of principal of and interest on Parity Bonds as the

same become due and payable and to make any Payment Agreement Payments with respect to any Parity Payment Agreements;

Third, to make all payments required to be made pursuant to a reimbursement agreement or agreements (or other equivalent documents) with the providers of any debt service reserve insurance, sureties or letters of credit securing Parity Bonds, provided that if there is not sufficient money to make all payments under such reimbursement agreements the payments will be made on a pro rata basis;

Fourth, to establish and maintain the Parity Bond Reserve Account (including making deposits into such account and paying the costs of obtaining debt service reserve insurance, sureties or letters of credit);

any credit enhancements or liquidity facilities for Junior Lien Obligations;

Seventh, to make all required payments of principal of and interest on Multi-Modal LTGO/Sewer Revenue Bonds as the same become due and payable, to make all Payment Agreement Payments for any Payment Agreements entered into with respect to Multi-Modal LTGO/Sewer Revenue Bonds, and to make any payments required to be

made to providers of any credit enhancements or liquidity facilities for Multi-Modal LTGO/Sewer Revenue Bonds;

Eighth, to make all required payments of principal of and interest on the Subordinate Lien Obligations as the same become due and payable;

Ninth, to make all required payments of principal and interest on bonds, notes, warrants and other evidences of indebtedness, the lien and charge against Revenue of the System of which is junior and inferior to the Subordinate Lien Obligations, as the same shall become due and payable;

Tenth, to make all required payments of principal and interest due on the SRF

Loans and the Public Works Trust Fund Loans as the same become due and payable; and

Any surplus money that the county may have on hand in the Revenue Fund after making all required payments set forth above may be used by the county (i) to make necessary improvements, additions and repairs to and extensions and replacements of the System, (ii) to purchase or redeem and retire outstanding sewer revenue bonds of the county, (iii) to make deposits into the Rate Stabilization Fund, (iv) to make any termination payment required to be paid with respect to a Payment Agreement, or (v) for any other lawful purposes of the county related to the System.

SECTION 4.3. Pledge of Revenue.

(a) <u>Lien on Revenue of the System</u>. The Bonds and the lien thereof created and established hereunder shall be obligations only of the Junior Lien Bond Fund. The Bonds shall be payable solely from and secured solely by Revenue of the System and by drawings under the Credit Enhancement or the Liquidity Facility; *provided*, *however*, that any series of Additional Junior Lien Obligations also may be payable from and secured

by a separate credit or liquidity facility pledged specifically to or provided for that series of Additional Junior Lien Obligations, and such separate credit or liquidity facility shall not secure payment of the Bonds. No Additional Junior Lien Obligations shall be secured by the Credit Enhancement or the Liquidity Facility unless the Credit Provider or the Liquidity Provider, as the case may be, shall amend the Credit Enhancement or increase the Available Amount under the Liquidity Facility, as the case may be, to account for such Additional Junior Lien Obligations. Unless the Credit Enhancement is so amended or the Available Amount is so increased, funds drawn under the Credit Enhancement or the Liquidity Facility must be held separately and are not available for payments with respect to any other Junior Lien Obligations.

From and after the time of issuance and delivery of the Bonds and so long thereafter as any of the same remain Outstanding, the county hereby irrevocably obligates and binds itself to set aside and pay into the Junior Lien Bond Fund out of Revenue of the System, on or prior to the date on which the interest on, premium, if any, or principal of and interest on the Bonds shall become due, the amount necessary to pay such interest, premium, or principal and interest coming due on the Bonds.

The amounts herein covenanted to be paid out of the Revenue of the System and deposited into the Junior Lien Bond Fund shall constitute and the county hereby grants and pledges to the owners of the Bonds. to the Bank with respect to obligations owed to it under a Bank Purchase Agreement, and to any Credit Provider and Liquidity Provider with respect to obligations owed to them under a Reimbursement Agreement, a lien and charge on such Revenue junior, subordinate and inferior to Operating and Maintenance Expenses; junior, subordinate and inferior to the lien and charge on such Revenue for the

payments required to be made into the Parity Bond Fund and the accounts therein; junior, subordinate and inferior to the lien and charge on such Revenue of the payments required to be made into the Parity Lien Obligation Bond Fund and the accounts therein; equal to the lien and charge on such Revenue to pay and secure the payment of the outstanding Junior Lien Obligations and any Additional Junior Lien Obligations; and superior to all other liens and charges of any kind or nature, including, *inter alia*, the lien and charge on such Revenue to pay and secure the payment of the Commercial Paper Notes, the Bank Note and any Additional Subordinate Lien Obligations, and the SRF Loans and Public Works Trust Fund Loans.

The Bonds shall not be deemed to constitute a general obligation or a pledge of the faith and credit of the county, or a debt or a pledge of the faith and credit of the State of Washington or any other municipal corporation or political subdivision thereof.

Neither the State of Washington nor any other municipal corporation or political subdivision thereof shall be obligated to pay the principal of or interest on the Bonds, and neither the faith and credit nor the taxing power of the county, the State of Washington or any other municipal corporation or political subdivision thereof is pledged to the payment of the principal of or interest on the Bonds.

(b) <u>Due Regard for Expenses of Maintenance and Operation</u>. The county council hereby declares that, in fixing the amounts to be paid into the Junior Lien Bond Fund and the accounts therein out of the Revenue of the System, it has exercised due regard for the necessary Operating and Maintenance Expenses and has not obligated the county to set aside, pay into and maintain in said fund and accounts a greater amount of the Revenue

of the System than in its judgment will be available over and above such necessary

Operating and Maintenance Expenses.

SECTION 4.4. Defeasance. If money and/or noncallable Government

Obligations maturing at such time or times and bearing interest to be earned thereon in amounts (together with such money, if necessary) sufficient to redeem and retire, refund or defease part or all of Bonds in a Long-Term Mode in accordance with their terms, are set aside in a special account of the county to effect such redemption and retirement, and such money and the principal of and interest on such Government Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Bond Fund for the payment of the principal of and interest on the Bonds so provided for, and such Bonds shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive the money so set aside and pledged, and such Bonds shall be deemed not to be outstanding hereunder. Bonds in any Short-Term Mode may not be defeased.

1930 ARTICLE V

COVENANTS OF THE COUNTY

SECTION 5.1. Rate Covenants. The county hereby makes the following covenants and agrees with the Owners of the Bonds for as long as any of the same remain Outstanding.

(a) General Rate Covenant. The county shall establish, maintain and collect rates and charges for sewage disposal service for each calendar year that shall be fair and nondiscriminatory and adequate to provide the county with Revenue of the System sufficient (1) to pay all Operating and Maintenance Expenses during such calendar year;

(2) to pay punctually all amounts described in Paragraphs Second through Tenth in Section 4.2 of this ordinance due during such calendar year; and (3) to pay any and all amounts that the county is now or may hereafter become obligated by law or contract to pay during such calendar year from the Revenue of the System.

(b) Coverage Requirement.

- (i) Subject to the provisions of subparagraph (ii) of this Section 5.1(b), the county hereby covenants with the owners of the Bonds for so long as any of the same are Outstanding that the county will at all times establish, maintain and collect rates and charges for sewage disposal service that, together with the interest to be earned on investments made of money in the Revenue Fund, Parity Bond Fund, Parity Lien Obligation Bond Fund, Junior Lien Bond Fund, and Construction Account will provide in each calendar year Net Revenue, after deducting therefrom amounts required in such year to pay Annual Debt Service on Parity Bonds and Parity Lien Obligations, in an amount equal to at least 1.10 times the amounts required to pay Annual Debt Service for all Junior Lien Obligations for such year.
- (ii) There shall be added to Revenue of the System for any calendar year any amount withdrawn from the Rate Stabilization Fund and deposited in the Revenue Fund.

 There shall be subtracted from Revenue of the System for any year any amounts in such year withdrawn from the Revenue Fund and deposited into the Rate Stabilization Fund in such year.
- SECTION 5.2. Other Covenants. The county hereby makes the following additional covenants and agrees with the Owners of the Bonds for as long as any of the same remain Outstanding.

- (a) Maintain in Good Order. The county shall cause the System and the business in connection therewith to be operated in a safe, sound, efficient, and economic manner in compliance with all health, safety, and environmental laws, regulatory body rules, regulatory body orders and court orders applicable to the county's operation of the System, and shall cause to be maintained, preserved, reconstructed, expanded and kept, with all appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time cause to be made, without undue deferral, all necessary or proper repairs, replacements and renewals, so that all times the operation of the System shall be properly and advantageously conducted.
- (b) <u>Books and Records</u>. The county will cause proper books of record and accounts of operation of the System to be kept, including an annual financial report.
- (c) Annual Audit. The county shall cause its books of accounts, including its annual financial report, to be audited annually by the State auditor's office or other State department or agency as may be authorized and directed by law to make such audits, or by a Certified Public Accountant. The county will furnish such audit to the owner or holder of any Bond upon written request therefor.
- (d) <u>Insurance</u>. The county will at all times carry fire and extended coverage and such other forms of insurance on such of the buildings, equipment, facilities and properties of the Sewer System as under good practice are ordinarily carried on such buildings, equipment, facilities and properties by municipal or privately owned utilities engaged in the operation of sewer systems and will also carry adequate public liability insurance at all times, provided that the county may, if deemed advisable by the county

council, institute or continue a self insurance program with respect to any or all of the aforementioned risks.

- (e) <u>Construction</u>. The county shall cause the construction of any duly authorized and ordered portions of the Comprehensive Plan to be performed and completed within a reasonable time and at the lowest reasonable cost.
- (f) Collection of Revenue. The county shall so operate and maintain the System and conduct its affairs as to entitle it at all times to receive and enforce payment to it of sewage disposal charges payable (i) pursuant to the ordinance or ordinances establishing a tariff of rates and charges for sewage disposal services and (ii) under any Service Agreement that the county has now or may hereafter enter into and to entitle the county to collect all revenues derived from the operation of the System. The county shall not release the obligations of any person, corporation or political subdivision under such tariff of rates and charges or the Service Agreements and shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the county and of the holders of the Bonds under or with respect thereto.

In accordance with RCW 35.58.200(3), the county shall require any county, city, special district or other political subdivision to discharge to the System all sewage collected by such entity from any portion of the Seattle metropolitan area that can drain by gravity flow into facilities of the System that serve such areas if the county council declares that the health, safety or welfare of the people within the metropolitan area require such action.

- (g) <u>Legal Authority</u>. The county has full legal right, power and authority to adopt this ordinance, to sell, issue and deliver Bonds as provided herein, and to carry out and consummate all other transactions contemplated by this ordinance.
- (h) <u>Due Authorization</u>. By all necessary official action prior to or concurrently herewith, the county has duly authorized and approved the execution and delivery of, and the performance by the county of its obligations contained in, the Bonds and in this ordinance and the consummation by it of all other transactions necessary to effectuate this ordinance in connection with the issuance of Bonds, and such authorizations and approvals are in full force and effect and have not been amended, modified or supplemented in any material respect.
- (i) <u>Binding Obligation</u>. This ordinance constitutes a legal, valid and binding obligation of the county.
- (j) No Conflict. The adoption of this ordinance, and compliance on the county's part with the provisions contained herein, will not conflict with or constitute a breach of or default under any constitutional provisions, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, ordinance, motion, agreement or other instrument to which the county is a party or to which the county or any of its property or assets are otherwise subject, nor will any such adoption, execution, delivery, sale, issuance or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the county or under the terms of any such law, regulation or instrument, except as may be provided by this ordinance.

- (k) <u>Performance Under Ordinance</u>. None of the proceeds of the Bonds will be used for any purpose other than as provided in this ordinance, and the county shall not suffer any amendment or supplement to this ordinance, or any departure from the due performance of the obligations of the county hereunder, that might materially adversely affect the rights of the owners from time to time of the Bonds.
- (l) <u>Sale or Disposition</u>. The county will not sell or voluntarily dispose of all of the operating properties of the System unless provision is made for payment into the appropriate bond funds of a sum sufficient to pay the principal of and interest on all outstanding Parity Bonds, Parity Lien Obligations and Junior Lien Obligations, in accordance with the terms thereof, nor will the county sell or voluntarily dispose of any part of the operating properties of the System unless the county has first complied with any applicable covenants of the Parity Bonds and Parity Lien Obligations.

SECTION 5.3. Tax Covenants.

- (a) General. The county intends that interest on the Bonds be excludable from gross income for federal income tax purposes pursuant to sections 103 and 141 through 150 of the Code, and the applicable regulations. The county covenants not to take any action, or knowingly to omit to take any action within its control, that if taken or omitted would cause the interest on the Bonds to be includable in gross income, as defined in section 61 of the Code, for federal income tax purposes.
- (b) <u>Tax Certificate</u>. Upon the issuance of the Bonds, the Finance Director is authorized to execute a federal tax certificate (the "Tax Certificate"), which will certify to various facts and representations concerning the Bonds, based on the facts and estimates

known or reasonably expected on the date of issuance of the Bonds, and make certain covenants with respect to the Bonds, including but not limited to the following:

- (i) No Private Activity Bonds. The proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "private activity bonds" within the meaning of the Code, as further described in the Tax Certificate. Moreover, the county covenants that it will use the proceeds of such Bonds (including interest or other investment income derived from Bond proceeds), regulate the use of property financed or refinanced, directly or indirectly, with such proceeds, and take such other and further action as may be required so that such Bonds will not be "private activity bonds."
- (ii) No Federal Guarantee. The county has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action within its control, that, if taken or omitted would cause such Bonds to be "federally guaranteed" within the meaning of the Code, as further described in the Tax Certificate.
- (iii) No Arbitrage Bonds. The county reasonably expects that the proceeds of such Bonds will not be used in a manner that would cause such Bonds to be "arbitrage bonds" within the meaning of the Code, as further described in the Tax Certificate.
- (iv) No Hedge Bonds. The county reasonably expects that at least 85% percent of the proceeds of such Bonds will be spent within three years of the date such Bonds are issued to carry out the governmental purposes of such Bonds.

The county covenants that it will comply with the Tax Certificate unless it receives advice from nationally recognized bond counsel or the Internal Revenue Service that certain provisions have been amended or no longer apply to the Bonds.

(c) Arbitrage Rebate. If the county does not qualify for an exception to the requirements of Section 148(f) of the Code relating to the payment of arbitrage rebate to the United States, the county will take all necessary steps to comply with the requirement that certain amounts earned by the county on the investment of the "gross proceeds" of the Bonds (within the meaning of the Code) be rebated.

SECTION 5.4. Additional Obligations of the Sewer System.

- (a) <u>Senior Lien Bonds</u>. The county reserves the right to issue additional Parity Bonds and Parity Lien Obligations on the terms and conditions set forth in the ordinances authorizing issuance of the Parity Bonds and the Parity Lien Obligations.
- (b) Additional Junior Lien Obligations. The county also reserves the right to issue Additional Junior Lien Obligations, but only if such Junior Lien Obligations are issued (i) for the purpose of refunding any then outstanding Junior Lien Obligations or (ii) for any lawful purpose of the county related to the System and the following conditions are met:
- (A) At the time of issuing such Additional Junior Lien Obligations, there shall be no default in the payment of the principal of or interest on any Parity Bonds, Parity Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, the Public Works Trust Fund Loans or the SRF Loans.
 - (B) The county shall have on file one of the following certificates:
- (1) certificate of the Finance Director showing that Net Revenue in any
 12 consecutive months out of the most recent 18 months preceding the issuance of such
 Additional Junior Lien Obligations, based on financial statements of the System prepared
 by the county and after deducting therefrom the Senior Lien Payments required in each

calendar year during the life of such Additional Junior Lien Obligations, shall be at least equal to 1.10 times the Annual Debt Service for the proposed Additional Junior Lien Obligations and all then outstanding Junior Lien Obligations in each year during the life of such Additional Junior Lien Obligations; or

- (2) A certificate from a Professional Utility Consultant (which certificate may not be dated more than 90 days prior to the date of delivery of such Additional Junior Lien Obligations) showing that in his or her professional opinion the Net Revenue, estimated on the basis of all factors as he or she may consider reasonable, for each of the five calendar years next following the year in which such Additional Junior Lien Obligations are to be issued, after deducting therefrom Senior Lien Payments for each such year, shall be at least equal to 1.10 times the Annual Debt Service for the proposed Additional Junior Lien Obligations and all then outstanding Junior Lien Obligations in each of those five years.
- (c) Obligations with Inferior Lien. Nothing herein contained shall prevent the county from issuing revenue bonds, notes or other obligations that are a charge upon the Revenue of the System junior or inferior to the payments required to be made therefrom into the Junior Lien Bond Fund to pay and secure the payment of any Junior Lien Obligations.

SECTION 5.5. Payment Agreements.

(a) <u>General</u>. To the extent and for the purposes permitted from time to time by Chapter 39.96 RCW and other applicable provisions of State law, the county may enter into Payment Agreements with respect to any Junior Lien Obligations, subject to the conditions set forth in this Section and in other provisions of this ordinance.

- (b) Manner and Schedule of Payments. Each Payment Agreement shall set forth the manner in which the Payment Agreement Payments and the Payment Agreement Receipts shall be calculated and a schedule of payment dates.
- (c) <u>Authorizing Ordinance</u>. Prior to entering into a Payment Agreement, the county council shall pass an ordinance authorizing such agreement and setting forth such provisions as the county deems necessary or desirable and are not inconsistent with the provisions of this ordinance.
- (d) <u>Calculation of Payment Agreement Payments and Debt Service on Junior</u>
 <u>Lien Obligations with Respect to which a Payment Agreement is in Force</u>. It is the intent of the county, for purposes of Sections 5.1(b) and 5.4(b) of this ordinance, that debt service on Junior Lien Obligations with respect to which a Payment Agreement is in force shall be calculated to reflect the net economic effect on the county intended to be produced by the terms of the Junior Lien Obligations and the terms of the Payment Agreement. In calculating such amounts, the county shall be guided by the following requirements.
- (i) The amount of interest deemed to be payable on any Junior Lien

 Obligations with respect to which a Payment Agreement is in force shall be an amount
 equal to the amount of interest that would be payable at the rate or rates stated in those

 Junior Lien Obligations plus Payment Agreement Payments minus Payment Agreement
 Receipts.
- (ii) For any period during which Payment Agreement Payments are not taken into account in calculating interest on any outstanding Junior Lien Obligations because the Payment Agreement is not then related to any outstanding Junior Lien Obligations,

2140	Payment Agreement Payments on that Payment Agreement shall be calculated based
2141	upon the following assumptions:
2142	(A) County Obligated to Make Payments Based on Fixed Rate. If the

- (A) County Obligated to Make Payments Based on Fixed Rate. If the county is obligated to make Payment Agreement Payments based on a fixed rate and the Qualified Counterparty is obligated to make payments based on a variable rate index, payments by the county will be based on the assumed fixed payor rate, and payments by the Qualified Counterparty will be based on a rate equal to the average rate determined by the variable rate index specified by the Payment Agreement during the fiscal quarter preceding the quarter in which the calculation is made; and
- (B) County Obligated to Make Payments Based on Variable Rate Index. SECTION 6.2. Remedies.

- (a) <u>Control by Bank</u>. So long as the Bank is sole Owner of the Bonds, upon the occurrence and continuation of a Default, the Bank will be entitled to exercise any of the remedies provided under this Section without the necessity of appointing a Bondowners' Trustee. Bondowners' Trustee may, and upon the written request of the Owners of not less than 25% in principal amount of Bonds then Outstanding shall, take such steps and institute such suits, actions or other proceedings, all as it may deem appropriate for the protection and enforcement of the rights of Bondowners to collect any amounts due and owing to or from the county, or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement or condition contained in this ordinance or the Bonds. Any action, suit or other proceedings instituted by a Bondowners' Trustee hereunder shall be brought in its name as trustee for the Bondowners, and all such rights of action upon or under any of the Bonds or the provisions of this ordinance may be enforced by a Bondowners' Trustee without the possession of any of said Bonds, and without the production of the same at any trial or proceedings relating thereto except where otherwise required by law. Any such suit or proceeding instituted by the Bondowners' Trustee shall be brought for the ratable benefit of all Owners of the Bonds, subject to the provisions of this ordinance. The respective owners of said Bonds by taking and holding the same, shall be conclusively deemed irrevocably to appoint a Bondowners' Trustee the true and lawful trustee of the respective Owners of said Bonds, with authority to institute any such action, suit or proceeding; to receive as trustee and deposit in trust any sums that become distributable on account of said Bonds; to execute any paper or documents for the receipt of such money, and to do all acts with respect thereto that the Bondowner himself might have done. Nothing herein shall be deemed to authorize or empower any Bondowners' Trustee to consent to accept or adopt, on behalf of any Owner of said Bonds, any plan of reorganization or adjustment affecting the said Bonds or any right of any Owner thereof, or to authorize or empower the Bondowners'

2256	liquidation, bankruptcy, reorganization or other proceeding to which the county shall be
2257	party.
2258	(e) Restrictions on Legal Action by Individual Bondowners. No Owner or
2259	Beneficial Owner of any Bonds shall have any right to institute any action, suit or
2260	proceedings at law or in equity for the enforcement of the same unless:
2261	(i) a Default shall have happened and be continuing; and
2262	(ii) a Bondowners' Trustee has been appointed as herein provided, and
2263	(iii) such owner previously has given to the Bondowners' Trustee written
2264	notice of the Default as to which such suit, action or proceeding is to be instituted; and
2265	(iv) the Owners of 25% in principal amount of the Bonds then Outstanding,
2266	after the occurrence of such Default, have made written request of the Bondowners'
2267	Trustee and have afforded the Bondowners' Trustee a reasonable opportunity to institute
2268	such suit, action or proceedings; and
2269	(v) the Bondowners' Trustee has been offered security and indemnity
2270	satisfactory to it against the costs, expenses and liabilities to be incurred therein or
2271	thereby; and
2272	(vi) the Bondowners' Trustee has refused or neglected to comply with such
2273	request within a reasonable time.
2274	No Owner or Beneficial Owner of any Bond shall have any right in any manner
2275	whatever by his or her action to affect or impair the obligation of the county, which is
2276	absolute and unconditional, to pay from Revenue of the System or draws on the Credit

Enhancement or Liquidity Facility the principal of and interest on said Bonds to the respective Owners thereof when due.

(f) Waivers of Default; Remedies not Exclusive. The remedies herein conferred upon or reserved to the Owners of the Bonds and to a Bondowners' Trustee are not intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. The privileges herein granted shall be exercised from time to time and continued so long as and as often as the occasion therefor may arise.

The Credit Provider may on behalf of the Owners of all Bonds then Outstanding waive any past Default and its consequences, except a default in the payment of the principal of, premium, if any, or interest on any of the Bonds. No such waiver shall extend to or shall affect any subsequent Default or shall impair any rights or remedies consequent thereon. No delay or omission of the Credit Provider to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such Default or acquiescence therein.

(d) The Borrower shall pay to the Purchaser an optional redemption or conversion fee in connection with each optional redemption of all or any portion of the Bonds or each conversion of the interest rate on all or any portion of the Bonds from the LIBOR Index Rate applicable during the Initial Period prior to September ___, 2013, in an amount equal to the product of (A) the Applicable Spread in effect on the date of optional redemption or conversion, as applicable, (B) the principal amount of the Bonds to be optionally redeemed or converted to an interest rate mode other than the LIBOR Index Rate applicable during the Initial Period, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such optional redemption or conversion, as applicable, to and including September ___, 2013, and the denominator of which is 360, payable on the date that all or any portion of the Bonds are

Section 8.03. Increased Payments. (a) If, on or after the date of this Agreement, the adoption of any law or any governmental or quasi-governmental rule, regulation, policy, guideline or directive (whether or not having the force of law), or any change in the interpretation, promulgation, implementation or administration thereof by any governmental or quasi-governmental authority, central bank or comparable agency charged with the interpretation or administration thereof including, notwithstanding the foregoing, all requests, rules, guidelines or directives in connection with Dodd-Frank Wall Street Reform and Consumer Protection Act regardless of the date enacted, adopted or issued, or compliance by any Purchaser or Credit Protection Provider with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

- (1) subjects any Purchaser or Credit Protection Provider to any Taxes, or changes the basis of taxation of payments (other than with respect to Excluded Taxes) to any Purchaser or Credit Protection Provider hereunder, or
- (2) imposes or increases or deems applicable any reserve, assessment, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Purchaser or Credit Protection Provider, or
- (3) imposes any other condition the result of which is to increase the cost to any Purchaser or Credit Protection Provider with respect to this Agreement, the Bonds or its making, maintenance or funding of the Bonds or any security therefor, or reduces any amount receivable by any Purchaser or Credit Protection Provider with respect to this Agreement, the Bonds, or the making, maintenance of funding of any loan or participations therein, or requires any Purchaser or Credit Protection Provider to make any payment calculated by reference to any amount received by with respect to this Agreement, the Bonds, or the making, maintenance or funding of any loan, by an amount deemed material by such Purchaser or Credit Protection Provider as the case may be,

and the result of any of the foregoing is to increase the cost to such Purchaser or Credit Protection Provider, as the case may be, with respect to this Agreement, the Bonds, or the making, maintenance or funding of any loan or of issuing or participating the same or to reduce the return received by such Purchaser or Credit Protection Provider, as the case may be, in connection with the same, then, to the extent permitted by law, within 15 days of demand by such Purchaser or Credit Protection Provider, as the case may be, the Borrower shall pay such Purchaser or Credit Protection Provider, as the case may be, such additional amount or amounts as will compensate such Purchaser or Credit Protection Provider, as the case may be, for such increased cost or reduction in amount received.

- (b) If a Purchaser or Credit Protection Provider determines the amount of capital required or expected to be maintained by such Purchaser or Credit Protection Provider, or any corporation controlling such Purchaser or Credit Protection Provider is increased as a result of a Change (as hereinafter defined), then, within 15 days of demand by such Purchaser or Credit Protection Provider, the Borrower shall, to the extent permitted by law, pay such Purchaser or Credit Protection Provider the amount necessary to compensate for any shortfall in the rate of return on the portion of such increased capital which such Purchaser or Credit Protection Provider determines is attributable to this Agreement or the Bonds, as the case may be, hereunder (after taking into account such Purchaser's or Credit Protection Provider's policies as to capital adequacy). "Change" means (i) any change after the date of this Agreement in the Risk-Based Capital Guidelines (as hereinafter defined) or (ii) any adoption of or change in any other law, governmental or quasi-governmental rule, regulation, policy, guideline, interpretation, or directive (whether or not having the force of law) or in the interpretation, promulgation, implementation or administration thereof after the date of this Agreement which affects the amount of capital required or expected to be maintained by any Purchaser or Credit Protection Provider or any corporation controlling any Purchaser or Credit Protection Provider. Notwithstanding the foregoing, for purposes of this Agreement, all requests, rules, guidelines or directives in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act shall be deemed to be a Change regardless of the date enacted, adopted or issued and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority) or the United States financial regulatory authorities shall be deemed to be a Change regardless of the date adopted, issued, promulgated or implemented. "Risk-Based Capital Guidelines" means (i) the risk-based capital guidelines in effect in the United States on the date of this Agreement, including transition rules, and (ii) the corresponding capital regulations promulgated by regulatory authorities outside the United States including transition rules, and any amendments to such regulations adopted prior to the date of this Agreement.
- (c) The obligations of the Borrower under this Section 8.03 shall survive the termination of this Agreement and the redemption or other payment in full of the Bonds.
- (d) Upon the occurrence of an Event of Default, the Obligations shall bear interest at the Default Rate and which shall be payable by the Borrower to such Purchaser upon demand therefor.
- (e) In the event any Purchaser or Credit Protection Provider, other than U.S. Bank, determines to impose costs pursuant to this Section 8.03, such Purchaser or Credit Protection Provider may not impose such costs in excess of what U.S. Bank could impose pursuant to this Section 8.03, had U.S. Bank been the sole purchaser hereunder.

Section 8.04. Funding Indemnity. In the event a Purchaser shall incur any loss, cost, or expense (including, without limitation, any loss, cost, or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired or contracted to be acquired by any Purchaser to purchase or hold the Bonds or the relending or reinvesting of such deposits or other funds or amounts paid or prepaid to any Purchaser) as a result of any redemption of the Bonds on a date other than an Interest Payment Date for any reason, whether before or after

default, and whether or not such payment is required by any provision of this Agreement or the Ordinance, then upon the demand of such Purchaser, to the extent permitted by law, the Borrower shall pay to the related Purchaser a redemption premium in such amount as will reimburse such Purchaser for such loss, cost, or expense. If the related Purchaser requests such redemption premium, it shall provide to the Borrower a certificate setting forth the computation of the loss, cost, or expense giving rise to the request for such redemption premium in reasonable detail and such certificate shall be conclusive if reasonably determined.

Interest Rate Recapture. (a) To the extent permitted by applicable law, if the rate of interest payable on the Bonds or any Obligation hereunder shall exceed the Maximum Rate for any period for which interest is payable, then (i) interest at the Maximum Rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof without regard to the limitation of the Maximum Rate and (B) the Maximum Rate (the "Excess Interest"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof without regard to the limitation of the Maximum Rate ceases to exceed the Maximum Rate, at which time the Borrower shall pay to the Purchaser with respect to amounts then payable to the Purchaser with respect to the Bonds or any Obligation hereunder that are required to accrue interest hereunder or under the Bonds, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Purchaser to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder and under the Bonds until all deferred Excess Interest is fully paid to the Purchaser. To the extent permitted by applicable law, upon the termination of this Agreement and payment of all amounts due and owing the Purchaser with respect to the Bonds and the Obligations hereunder, in consideration for the limitation of the rate of interest otherwise payable hereunder and under the Bonds, the Borrower shall pay to the Purchaser a fee equal to the amount of all unpaid deferred Excess Interest. In determining whether or not any interest payable under this Agreement or with respect to the Bonds exceeds the Maximum Rate, any non-principal payment (except payments specifically stated in this agreement to be "interest") shall be deemed, to the extent permitted by applicable law, to be an expense, fee, premium or penalty rather than interest.

(b) Notwithstanding the foregoing, on the date on which no principal or interest on the Bonds remains unpaid, the Borrower shall pay to the Purchaser, to the extent permitted by law, a fee equal to any accrued and unpaid Excess Interest.

Section 8.06. Notices. Any notice or other communication to be given to the Borrower under this Agreement may be given by delivering the same in writing at King County, 500 Fourth Avenue, 6th Floor, Seattle, WA. 98104, Attention: Nigel Lewis, facsimile number (206) 296-7345, and any notice or other communication to be given to U.S. Bank under this Agreement may be given by delivering the same in writing to U.S. Bank National Association, 633 West 5th Street, 25th Floor, Los Angeles, California 90071, Attention: Ashley Martin, phone number (213) 615-6241 and facsimile number (213) 615-6248.

Bondholder Representative and the Purchaser, and no other person shall acquire or have any right hereunder or by virtue hereof. This Agreement may not be assigned by the Borrower. Notwithstanding any other provision of this Agreement or the Ordinance to the contrary, the Purchaser may, without the consent of the Borrower, assign, pledge as security, participate or sell the Bonds or a beneficial interest in the Bonds, subject to applicable securities laws restrictions, if any, to (i) any Affiliate of U.S. Bank or (ii) any special purpose entity or arrangement which issues certificates representing a beneficial interest in the Bonds, including such arrangements in which U.S. Bank or any Affiliate of U.S. Bank remains an owner directly or indirectly or (iii) any qualified institutional buyer, as defined in Rule 144A promulgated under the Securities Act of 1933, as amended (the "1933 Act"), or accredited investor, within the meaning of Rule 501 of Regulation D under the 1933 Act; provided, however, that notwithstanding any assignment, pledge, participation or sale of the Bonds or a beneficial interest in the Bonds by the Purchaser, the Borrower shall only be required to deal solely and exclusively with the Bondholder Representative.

- (b) The Bondholder Representative shall give written notice to the Borrower and the Registrar identifying any successor Bondholder Representative hereunder; provided, however, that there shall not be more than one Bondholder Representative. Any predecessor Bondholder Representative hereunder shall be discharged from its duties and obligations hereunder, provided that the predecessor Bondholder Representative shall continue to be entitled to the benefits of Sections 8.02, 8.03, or 8.12 hereof and of each other provision of this Agreement and the Ordinance granting a right of indemnity or reimbursement in favor of the Bondholder Representative.
- (c) The Bondholder Representative may designate any nominee, designee or agent to act for and in the name of the Bondholder Representative by written notice to the Borrower and the Registrar and any such duly designated nominee, designee or agent shall thereupon be empowered to act for and on behalf of the Bondholder Representative and exercise the rights, powers, privileges and responsibilities of the Bondholder Representative in this Agreement and the Ordinance.

Section 8.08. Effectiveness; Term; Amendment. This Agreement shall become effective upon the acceptance hereof by the Borrower and shall be valid and enforceable at the time of such acceptance. This Agreement and the rights of the Purchaser shall terminate upon the later of (i) the calendar day immediately succeeding the last day of the Initial Period and (ii) payment to the Purchaser all sums due under the Bonds and hereunder. This Agreement may be amended (or extended) by an appropriate supplement hereto duly executed by the Bondholder Representative and the Borrower.

Section 8.09. Choice of Law; Waiver of Jury Trial. (a) This Agreement shall be deemed to be a contract under, and for all purposes shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York; provided, however, that the Obligations of the Borrower hereunder shall be governed by, and construed and interpreted in accordance with, the laws of the State of Washington.

(b) To the fullest extent permitted by law, each of the Borrower and the Bank hereby waives trial by Jury in any action or proceeding arising out of or relating to this Agreement, the Bonds or the Ordinance.

Section 8.10. Reserved.

- Section 8.11. USA PATRIOT Act Notice. The Purchaser hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Borrower to identify the Borrower in accordance with the Patriot Act.
- Section 8.12. Standard of Conduct by the Bondholder Representative; Liability of Purchaser. (a) Nothing contained in this Agreement or the Ordinance shall limit the right of the Purchaser or the Bondholder Representative to exercise its and their business judgment or to act, in the context of the granting or withholding of any advance or consent under this Agreement or the Ordinance, in a subjective manner, so long as the Purchaser's or the Bondholder Representative's exercise of its business judgment or action is made or undertaken in good faith. The Borrower and the Purchaser intend by the foregoing to set forth and affirm their entire understanding with respect to the standard pursuant to which the Purchaser's or the Bondholder Representative's duties and obligations are to be judged and the parameters within which the Purchaser's or the Bondholder Representative's discretion may be exercised hereunder and under the Ordinance. As used herein, "good faith" means honesty in fact in the conduct and transaction concerned.
- In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, the Borrower hereby agrees (to the extent permitted by law) to indemnify and hold harmless the Purchaser and its officers, directors and agents (each, an "Indemnitee") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) which may incur or which may be claimed against an Indemnitee by any Person or entity whatsoever (collectively, the "Liabilities") by reason of or in connection with (a) the execution and delivery or transfer of, or payment or failure to pay under, this Agreement, the Bonds or the Ordinance; (b) the remarketing of the Bonds; and (c) the use of the proceeds of the Bonds; provided that the Borrower shall not be required to indemnify an Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused the willful misconduct or negligence of such Indemnitee. If any proceeding shall be brought or threatened against an Indemnitee by reason of or in connection with the events described in clause (a), (b) and (c) as a condition of indemnity hereunder each Indemnitee shall promptly notify the Borrower in writing and the Borrower shall assume the defense thereof, including the employment of counsel satisfactory to such Indemnitee and the payment of all reasonable costs of litigation. Notwithstanding the preceding sentence, each Indemnitee shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees and expenses of such counsel shall be at the expense of such Indemnitee unless (i) the employment of such counsel shall have been authorized in writing by the Borrower, or (ii) the Borrower, after

due notice of the action, shall not have employed counsel satisfactory to such Indemnitee to have charge of such defense, in either of which events the reasonable fees and expenses of counsel for such Indemnitee shall be borne by the Borrower. The Borrower shall not be liable for any settlement of any such action effected without its consent. Nothing under this Section 8.12 is intended to limit the Borrower's payment of the Obligations.

Section 8.13. Severability. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

Section 8.14. Section Headings. Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

Section 8.15. Counterparts. This Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

Section 8.16. Electronic Signatures. The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or "printouts," if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form.
