## TERMS AND CONDITIONS

- A. Grant of Easement.
  - 1. Grantor grants to Grantee a perpetual non-exclusive easement (the "Easement") over the following portion of the Transportation Property, as illustrated in **Exhibit C** and legally described as follows (the "Easement Area"):

That portion of the Southwest quarter of Section 11, Township 26 North, Range 5 East, Willamette Meridian, in King County, Washington, described as follows:

The East 20.00 feet of Lot A, per Boundary Line Adjustment number L06L0074, filed under recording number 20061025900009, records of King County Washington. Together with the West 5.00 feet of the East 25.00 feet of the North 70.00 feet of Lot A, per said Boundary Line Adjustment number L06L0074. Containing approximately 13,437 square feet.

2. Grantee shall have the right to use the Easement Area to install, construct, own, use, operate, maintain, inspect, repair, replace, renovate, improve, remove, manage, and enhance a public soft-surface regional trail and related improvements for public equestrian and pedestrian uses, and also the right to cut, remove, and dispose of any and all brush, trees, or vegetation in the Easement Area, and to control, on a continuing basis and by any prudent and reasonable means, the establishment and growth of brush, trees, or other vegetation in the Easement Area; TOGETHER WITH the right to install, construct, own, use, operate, maintain, inspect, repair, replace, renovate, improve, remove, manage, and enhance underground utilities, including, but not limited to, the rights of ingress and egress across the surface of the Transportation Property to access the Easement Area from the surface; the right to install, construct, operate, maintain, modify, repair, replace, improve, remove and use utilities, including utility pipelines, conduits, wires or other facilities and equipment within said Easement Area, including the addition, removal, or replacement of same, either in whole or in part with either like or different size utilities; and the right to do the same with such additional pipelines, conduits, wires, or other facilities and equipment as may now or hereafter be installed in the Easement Area. FURTHER, Grantee may not grant sub-easements, issue licenses, and assign, apportion, or otherwise transfer its easement rights in whole or in part to third parties without the written consent of the Grantor, its heirs, successors, and assigns.
  3. The term of this Easement shall be perpetual.
  4. Grantor covenants that if Grantor shall ever sell the Transportation Property to a third party, then Grantor shall reserve this Easement in the deed of conveyance, for the benefit of Grantee.
  5. If there is any conflict between the legal description of the Easement Area in Section A.1 of this Easement, and the illustration of the Easement Area in Exhibit C to this Easement, then the legal description in Section A.1 shall control.
- B. Running with the Land. The benefits and burdens of this Easement shall run with the land legally described in **Exhibits A and B** attached hereto, and shall be binding upon and inure to the benefit of Grantor and Grantee and their respective heirs, successors, and assigns.

- E. No Termination Upon Breach; Venue. No breach of this Easement shall entitle either Grantor or Grantee to cancel, rescind or otherwise terminate this Easement; provided, however, that this provision shall not limit or otherwise affect any other right or remedy which Grantor or Grantee may have hereunder by reason of any breach of this Easement. Venue for any dispute resolution or litigation shall be in King County Superior Court, Washington.

- G. Entire Agreement, Waivers and Amendments. This Easement contains the entire understanding of Grantor and Grantee hereto relating to the subject matter herein contained. The waiver by one party hereto of a breach of any provision of this Easement shall not operate or be construed as a waiver of any subsequent breach, nor shall it bind any other party hereto. No waiver shall be effective unless set forth in writing. If any term or provision of this Easement is held by a court of competent jurisdiction to be invalid or unenforceable, the remaining terms and provisions hereof shall not be affected thereby and shall remain in full force and effect. This Easement shall not be amended except by written instrument signed by Grantor and Grantee or their respective successors and assigns and recorded in the real property records of King County, Washington.
- H. Construction. Each term and provision of this Easement constitutes a separate undertaking, covenant or promise.
