A NATIONALLY ACCREDITED COMMUNICATIONS CENTER

September 9th, 2015

Councilmember Pete Von Reichbauer
King County Regional Policy Committee Chair

Dear Councilmember Von Reichbauer:

The Valley Communications Center Administration Board wishes to communicate to the RPC our support of the King County E-911 Program Oversight Ordinance as submitted by the 9 member PSAP Coalition and the Sound Cities Association. The undersigned mayors feel strongly that the substitute ordinance, which includes two voting members from the PSAPs themselves, outlines the right path forward to establishing a regional governance body that will guide implementation of Next Generation 911 technology in King County.

Sincerely,

Mayor Denis Law
City of Renton

Mayor Suzette Cooke
City of Kent

Mayor Jim Ferrell
City of Federal Way

Mayor Nancy Backus
City of Auburn

Mayor Jim Haggerton
City of Tukwila
