1   **AMENDMENT TO PROPOSED ORDINANCE 2016-0191, VERSION 2**

2   On page 5, after line 124, insert:

3   "ER7 EXPENDITURE RESTRICTION:

4   Of the appropriation for capital project 11265XX, DES-BRC: BI Reporting

5   Solution, $10,400,000 shall not be expended or encumbered unless the office of the

6   prosecuting attorney advises the council and executive in writing that the ordering

7   document with DLT includes the following requirements to the satisfaction of the office

8   of the prosecuting attorney:

9   (1) the terms of the ordering document will take precedence and control

10   over any inconsistent terms in the vendor contract, Oracle agreement(s), or

11   any purchase order; (2) technical support is available for a minimum of

12   five years from the date of purchase ("support term"); (3) changes in

13   technical support policies will not result in a material reduction in the level

14   of services provided during the technical support term, and technical

15   support will be provided at no higher than the standard rate for similar or

16   like products and number of licenses; and (4) the vendor has a process for

17   <u>making successor products available and the rights to use such products at</u>

18   <u>no cost for programs licensed to the county during the support term."</u>

19

20   **EFFECT: Requires the PAO to advise the council and executive in writing that the**

21   **contract for purchasing the OBIA/OBIEE product includes five years of support for**

22   **the product or five years of support for successor products, which would be made**

23   **available at no cost to the county.**
