**Please explain why you feel you are the most qualified candidate for this appointment:**

Historically, there are limited opportunities for Pacific Islanders to participate in these types of committees, however we are well represented in the juvenile justice system, usually as victims. Most appointees to this type of process that represent Pacific Islanders are almost always Asian. I appreciate the opportunity to participate as a Samoan/Pacific Islander to articulate and inform our system related to law enforcement and the impact on my community and other communities of color.
