Removing Barriers to Voting

- Increasing drop boxes
- Additional languages
- Partnerships to engage underrepresented communities
- More inclusive state voter registration laws
- Next step is prepaid postage

Pilots: February and April 2017

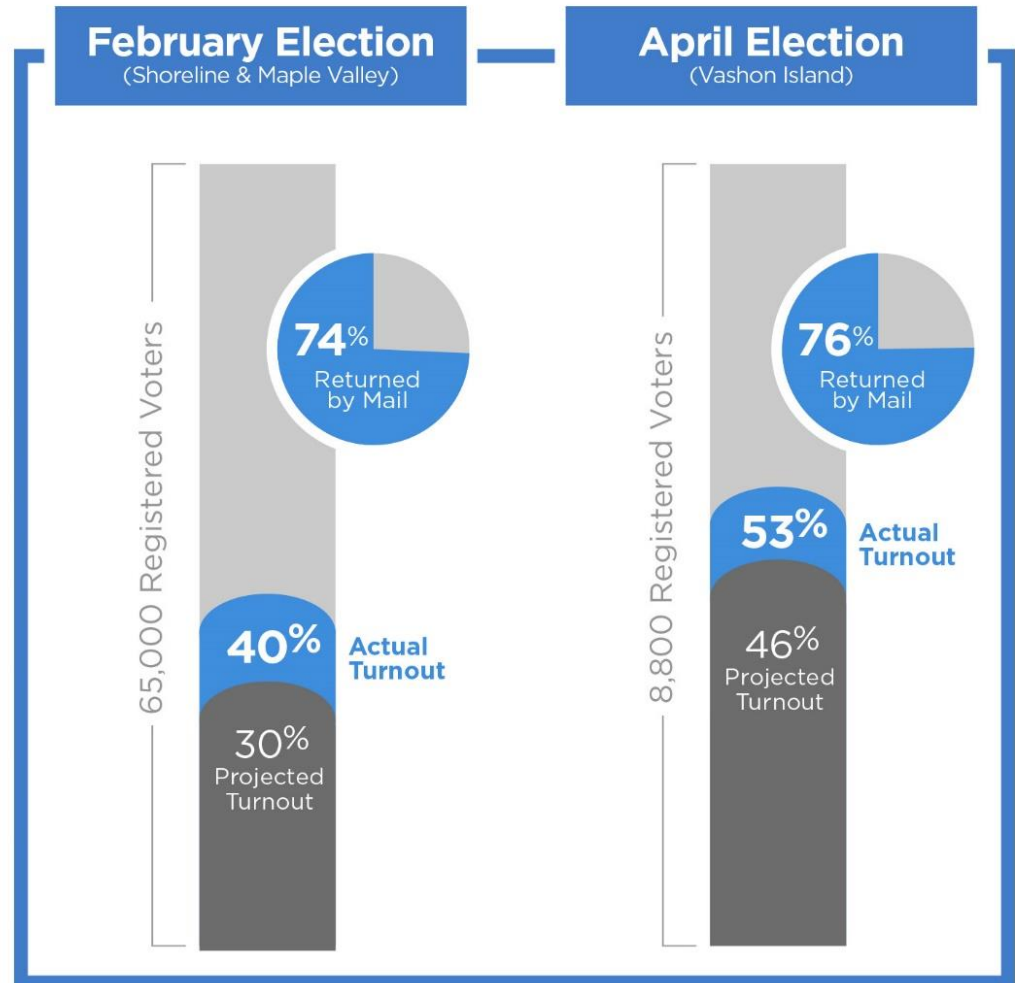

Pilots: Operational Considerations

- No change in the cancellation rate for business reply mail. 98.7% postmarked, which is consistent with regular first class mail.
- One-day processing time lag eliminated in 2nd pilot.

Pilots: Voter Behavior

- Voters returned their ballot by mail in much higher numbers than previous elections.
- Turnout was higher than projected in both elections.
