amount of money equivalent to regular union dues and initiation fee to a non-religious charity mutually agreed upon between the public employee and the Union. The employee shall furnish written proof that payment to the agreed upon non-religious charity has been made. If the employee and the Union cannot agree on the non-religious charity, the Public Employment Relations Commission shall designate the charitable organization. more continuous years of service shall accrue vacation benefits monthly pursuant to King County policy and ordinances. Employees shall be charged vacation based on their daily work schedule (10 hour, 8 hour, 7.5 hour, or 7 hour). Employees shall accrue vacation, sick leave and holiday pay on the basis of the hours they actually work; i.e. seven (7) hours, seven and one-half (7.5) hours or eight (8) hours.

Section 5.3. Regular Part Time Employees: Vacation benefits for regular, part-time employees will be established based upon the ratio of hours actually worked (less overtime) to a standard work year. Section 5.4. *No County Employment While on Vacation:* No person shall be permitted to work for compensation for the County in any capacity during the time when vacation benefits are being drawn.

Section 5.6. Maximum Payment Upon Termination: Upon termination for any reason, a non-probationary employee will be paid for unused vacation credits up to a maximum allowable accumulated vacation. Probationary employees who have left King County (except for those who were terminated for cause) will be paid for unused vacation credits after 6 months of probation. Vacation payoff shall be calculated by utilizing the employee's base wages as set forth in Addendum A and shall also include longevity incentive pay for those who receive it. The hourly rate shall be determined by dividing the annual rate of pay by the number of work hours in that year.

Section 5.7. *Payment Upon Death of Employee:* In cases of separation by death, payment of unused vacation benefits shall be made to the employee's estate, or, in applicable cases, as provided by RCW, Title 11.

 provisions of the MLA, except as modified below. All employees may continue to accrue additional vacation beyond the maximum specified in Article 9 and Section 35.2 of the MLA if, as a result of cyclical workloads or work assignments, accrued vacation will be lost. Employees who leave King County employment for any reason will be paid for their unused vacation up to the maximum specified in Article 9 and Section 35.2 of the MLA consistent with Section 5.6 above. Employees shall use or forfeit excess vacation accrual prior to the pay period that includes December 31st of each year. Employees may carryover excess vacation accrual only when express approval is granted by the Sheriff or his/her designee.

Section 5.9. Vacation Preference: In accordance with past practice, vacation shall be granted on a seniority basis within each shift, squad, or unit and shall be taken at the request of the employee with the approval of the Division Commander for the King County Sheriff's Office. Employees who are transferred involuntarily, and who have already had their vacation request approved as specified above, will be allowed to retain that vacation period regardless of their seniority within the new shift, squad, or unit to which they are transferred.

Section 5.10. *Inclement Weather*: In situations involving "unusual occurrences" and/or inclement weather the standard KCSO policy will be adhered to except that employees who cannot come to work due to the "unusual occurrence," and/or weather conditions will be allowed to use compensatory time, vacation time, or leave without pay to cover such absences.

ARTICLE 6: SICK LEAVE

Section 6.1. *Accrual:* MLA Provisions in Article 34 regarding Sick Leave shall not apply to this bargaining unit. Regular full-time employees, and regular part-time employees who receive vacation and sick leave shall accrue sick leave benefits at the rate of 0.04616 hours for each hour in pay status exclusive of overtime up to a maximum of eight (8) hours per month. The employee is not entitled to sick leave if not previously earned.

Section 6.2. Sick Leave Extension: After the first six months of full-time service, a regular employee may, at the division manager's discretion, be permitted to use up to five days of vacation as an essential extension of used sick leave. An employee may use vacation leave for sick leave for a Washington Family Care qualifying event. If an employee does not work a full twelve months, any

Section 7.3. Work Out of Class: MLA Provisions in Article 37 regarding Working Out of Class shall not apply to this bargaining unit. King County may assign an employee to work out of class whenever an employee is assigned, in writing (such assignments must be in writing), by the division manager or his/her designee, to perform the duties of a higher classification for a period of one full working day or more, that employee shall be paid at the first step of the higher class or a minimum of five percent (5%), whichever is greater, over the salary received prior to the assignment, for all time spent while so assigned. Additional compensation shall not exceed the maximum of the salary range for the assigned classification. King County may assign employees to perform the work of a lower classification, but while so assigned, the employee will be paid at the rate of his/her normal classification, consistent with Article 3(O.).

Section 7.4. *Salary on Promotions:* Any employee who is promoted to a higher classification shall receive the beginning step for the higher classification or the next higher salary step as would constitute a minimum of a five percent (5%) increase over the salary received prior to the promotion.

Section 7.5. Employee Incentive/Career Development:

Statement of Intent: The intent of the parties is that this program is to be funded through cost savings. It is also the intent of the parties that the cost of this program (employee incentive program) not exceed 1% of the total base wages of the bargaining unit.

The parties agree that in addition to the costs, other factors that will be considered in evaluating the program include the effectiveness of the program in improving productivity and efficiencies (consistent with department adopted missions and goals) the ease of administration, consistency in implementation, difficulties of implementation, effect on employee morale, and administration costs and demands.

A. Translation

Regular full-time employees who are formally certified by the State of Washington to perform interpreting/translation services may request that the Sheriff or Director or his/her designee select the employee for purposes of placing the employee's name on a list to be published and distributed annually within the department. Placement on or removal from such list is at the discretion of the

Those employees named on such list are eligible and qualified to perform translation/interpreting services for the department and are eligible to receive a five hundred dollar (\$500) (flat monthly rate of \$41.67 converted to an hourly figure) per year premium for such services. Payment will be made for the calendar year no later than the first pay period in April of the year. Employees who are placed on the eligibility list after January 1st of any given year shall be paid a prorated share of the five hundred dollars (\$500) yearly premium (flat monthly rate of \$41.67 converted to an hourly figure). Employees who are placed on the eligibility list after January 1st of any given year shall be paid such premium the month following placement on such list.

The intent of this provision is to compensate employees who may be called upon by their departments on a regular basis to provide interpreting/translation services. It does not apply to any employee whose class specification or job description requires such skills, and it is not intended that people who are expected to do casual informal interpreting be placed on the list of employees eligible for the premium. State Certification is at the employee's expense.

The departments agree to use only these employees on the "list" of eligibles to interpret/translate in the formal manner described above, except in cases of emergency or when, due to unforeseen circumstances, no one on the list can speak the language required. The departments retain the right to hire interpreters/translators other than their own employees.

Examples of the situations anticipated by this premium include but are not limited to:

- 1) A prescheduled witness interview, or;
- 2) The translation of a legal document or a written witness statement into either English or another language.

Examples of situations in which the departments would not be restricted to the "list" include but are not limited to:

- 1) The reading of a citation by a Spanish speaking receptionist to a Spanish speaking citizen who walks in off the street;
- 2) The same receptionist or another employee giving directions over the phone in a language other than English.

This Section (A. Translation) is not subject to the grievance procedure contained in Article 12 of this collective bargaining agreement, except that the failure to pay the required premium after placement on the list of eligibles, is subject to such procedure.

B. Budgetary Savings

Employees are eligible for a maximum of one hundred dollars (\$100), per calendar year as a "bonus"/performance pay, when an employee demonstrates to the department Director or designee that she/he has taken action or recommended action that has resulted in cost savings or additional revenue for the department to which the employee is assigned. Such savings/additional revenue must be a minimum of \$1,000 to qualify for this, "bonus"/performance pay. Request for such a "bonus"/performance pay must be made initially with the employee's immediate supervisor who will make a written recommendation that will proceed up the chain of command.

Request for the "bonus"/performance pay must be made by the employee within sixty (60) days of the action taken by the employee or within sixty (60) days the budgetary savings is realized by the particular department, whichever is greater.

The employee requesting this "bonus"/performance pay has the burden of providing documentation as proof to the department that the cost savings was realized and that this employee was responsible.

If a group of employees takes credit for the savings revenue or if more than one employee requests the "bonus" (performance pay) for the same action, the department Director or designee shall submit to the union a list of those employees the department believes appear to be eligible and the union will select the employee who will receive the "bonus" or will respond with a recommendation for dividing up the "bonus".

This section is not subject to the Article 12 grievance procedure in this collective bargaining agreement, except that if the department determines that such action has resulted in savings/additional revenue of a minimum of one thousand dollars (\$1,000) and the one hundred dollars (\$100) "bonus" is not paid, this action may be grieved.

C. Education

The department will pay to qualified employees a premium of forty-five to sixty-five dollars

(\$45 to \$65) per month (see below), provided that the employee has obtained an A.A., B.A. or M.A. degree from any accredited state college. As with Section A (Translation) such premiums will not be paid if the degree constitutes a minimum requirement of the position.

Associate's Degree	(2 year Degree)	\$ 45 month premium
Bachelor's Degree	(4 year Degree)	\$ 55 month premium
Master's Degree		\$ 65 month premium

This section is subject to the grievance procedure.

Section 7.6. Longevity Pay: Employees working in job classifications in the King County Sheriff's Office, who were receiving longevity pay prior to the date of ratification of this contract by the King County Council, shall continue to receive longevity pay, including future longevity step increases, provided that they have not reached the top longevity step of twelve years (\$82.25), so long as they continue to work in a job classification which was eligible for longevity pay. Those employees who were hired prior to December 14, 1992 and who are working in job classifications in the King County Sheriff's Office which would have been eligible for longevity pay shall receive longevity pay at such time as they would have become eligible for such pay, so long as they remain in a job classification which was eligible for longevity under the previous collective bargaining agreement that expired on December 31, 1994.

A. Those eligible employees, as outlined above, shall earn longevity as follows:

During the 7th and 8th year of service	\$20.50 per month
During the 9th and 10th year of service	\$41.25 per month
During the 11th and 12th year of service	\$61.50 per month
After 12 years of service	\$82.25 per month

B. Longevity shall be paid beginning from the first of the month following the month the employee first qualified for the program.

Section 7.7. Shift Differentials: The value of the shift differential has been rolled over into

the base wage of bargaining unit employees who previously received such differential, and is included in the wages outlined in the Addendum A (Wage Rates) to this contract. No employees shall receive shift differential as a separate premium.

Section 7.8. Reinstated Employees:

A. Reinstatement Within One Year: Employees who are reinstated pursuant to Civil Service Rules within one calendar year of the date they left County service shall, upon reinstatement, be compensated at Step 1 of their respective pay range. Upon successful completion of six (6) months actual service after reinstatement, they shall be compensated at the equivalent of the same salary step that they were on when they left service plus any step advancement due for the addition of the current service.

B. Reinstatement Within Two Years: Employees who are reinstated pursuant to Civil Service Rules within two (2) calendar years but after one (1) calendar year shall, upon reinstatement, be compensated at Step 1 of their respective pay range. Upon successful completion of twelve (12) months actual service after reinstatement, (or six (6) months for job classifications for which employees receive a step increase after six (6) months of service) they shall be compensated at the equivalent of the same salary step that they were on when they left service plus any step advancement due for the addition of the current service.

C. In order to receive credit for prior service under this Section, employees must receive an overall rating of "Meets Standards" or better on all performance evaluations during the six (6) month or one (1) year period respectively.

Section 7.9. The parties have bargained King County's 2005 proposed changes to the King County Personnel Guidelines through coalition bargaining. The results of said bargaining are hereby incorporated into this Agreement.

Section 7.10. King County Sheriff's Office AFIS employees: Employees assigned to the KCSO AFIS Section in the Technical Services Division are eligible to receive the following premium pays upon written certification by the International Association for Identification (IAI) or other certifying body approved by KCSO provided:

A. Upon written request, KCSO will reimburse eligible and qualified employees for

up to one testing/application fee per year to certify or recertify for an approved certification.

Reimbursement will be made after taking the test, but is not dependent on a passing score.

- B. The employee must submit a written request for premium with written verification of certification using the process prescribed by the KCSO. Premiums will be prospective from the date of request. No retroactive payments will be made.
 - C. The employee may receive only one premium for which he/she qualifies.
- **D.** Premium payments cease when certification expires. The employee must be recertified and submit a new request to KCSO to continue receiving a premium upon recertification.

	Certification Premiums	
Certification	Eligibility	Amount
Tenprint Examiner	Tenprint Unit Identification Supervisors or Operations Managers	\$40 per month
Latent Print Examiner	Latent Print Supervisors or Operations Managers	\$50 per month
Forensic Photographer	Photo Unit Identification Supervisors	\$30 per month

Section 7.11. IAI Membership Dues: The County will pay employees' individual annual membership dues to the IAI.

ARTICLE 8: OVERTIME

Section 8.1. Overtime:

Overtime shall be payable after working 40 hours in a week.

Overtime shall be paid at one and one-half (1-1/2) times the employee's FLSA regular rate calculated using their actual hours worked. "Actual hours worked" excludes all sick leave.

- **Section 8.2.** Callouts: Are pursuant to Article 33 of the MLA.
- Section 8.3. Training Shift Pay: In the event that the department requires an employee to attend a mandatory training session, and such training is not directly before or after a shift or during a shift, then a two (2) hour minimum shift will be paid.

Section 8.4. *Overtime Authorization:* All overtime shall be authorized by the Department Director or his/her designee in writing. Saturday and Sunday work is not overtime when it is a regularly scheduled work day for the individual crew.

Section 8.5. *Minimum Standards Set By Law:* If any provision of this article conflicts with minimum standards established by RCW 49.46 (Washington Minimum Wage Act) or the Federal FLSA, then those minimum standards shall apply.

Section 8.6. Compensatory Time: In lieu of overtime pay, an employee may request, in writing, prior to working the overtime, compensatory time at the rate of time and one half for each hour of overtime that was worked, provided: all comp time must be authorized by Department management. If denied, the overtime work will be compensated with overtime pay. A denial of a request to be compensated for overtime hours worked with comp time rather than overtime pay is within the discretion of management and is not subject to the grievance procedure of this collective bargaining agreement, but may be discussed in Labor Management Meetings.

Under normal conditions, the following conditions will apply to the use of comp time:

- A. A maximum of forty (40) straight time hours may be accrued.
- **B.** Comp time balances may be carried over from calendar year to calendar year, but may not go above the referenced forty (40) hour maximum. All overtime hours worked by an employee whose comp time balance is already at the above-referenced maximum will be compensated with overtime pay.
- C. When an employee requests to use accrued comp time, comp time will be equivalent to vacation leave. It will be scheduled and used like vacation time, and the same operational and staffing considerations will apply. When such a request is submitted, it will be granted within a reasonable period of time after such request, unless to do so will "unduly disrupt" the operations of the department.
- **D.** The parties agree that a "reasonable period" of time, as referred to above, and as defined by the Fair Labor Standards Act (FLSA), is no longer than six (6) months after the employee has made the request to use accrued comp time.
 - E. Employees will note their comp time balances (as reflected either on their pay

stubs or in payroll) and submit requests for the use of comp time only when they have adequate leave in their comp time bank to cover the request.

The parties share an interest in keeping both the cost and administrative burden of compensatory time to a minimum. Both factors will be evaluated at the end of the contract period.

Section 8.7. *Voluntary Training:* Employees who request training on a voluntary basis will not be paid for study time associated with said training, nor will overtime compensation be paid for workdays that extend beyond the normal contractual workday if said workday is part of the normal training schedule, provided, however, employees who are required to attend by the Department will be paid their regular wage for attending training plus any overtime, if applicable, pursuant to the overtime provisions of this agreement. If an employee seeks professional development opportunities under MLA Article 12, they must obtain advance approval for scheduling and time away from work.

Section 8.8. Executive Leave: Employees who are both FLSA and contract overtime exempt employees shall receive a minimum of five (5) days of Executive Leave, each calendar year, consistent with King County policies, rules and procedures for the assignment and use of such leave. This leave must be taken the year it was awarded, and may not be carried over from year to year.

Section 8.9. Overtime-eligible employees who receive work related calls at home on their off hours shall be paid overtime for hours worked as long as the work is a minimum of eight (8) consecutive minutes. Such overtime will be paid in fifteen (15) minute increments.

Section 8.10. KCSO Remote call out: Is pursuant to Article 33 of the MLA.

ARTICLE 9: HOURS OF WORK

Section 9.1. The working hours of the full-time classifications affected by this Agreement shall be the equivalent of thirty five (35) to forty (40) hours per week on an annualized basis.

Section 9.2. Work Schedules: The establishment of reasonable work schedules and starting times is vested solely within the purview of department management and may be changed from time to time provided a two (2) week prior notice of change is given, except in those circumstances over which the Department cannot exercise control. PROVIDED: the required two (2) calendar week (or ten (10) working days) notification period shall not commence until the employee has received verbal or written notification of the proposed change.

In the exercise of this prerogative, department management will establish schedules to meet the dictates of the work load, however, nothing contained herein will permit split shifts.

Employees with paid meal periods are subject to being called back to work at any time during a paid break or meal period. To this end, employees with paid meal periods are not allowed to leave the employer's facility to which the employee is assigned, during their paid breaks or meal periods. The employer will schedule break periods to assure adequate coverage.

Section 9.3. *Minimum Standards:* If any provision in this article shall conflict with the minimum standards of RCW 49.46, then that provision shall be automatically amended to conform.

Section 9.4. *Employee Requests:* Work schedules may be altered, upon written request of the employee, to a flex schedule, a 4/10 schedule, or an alternative schedule mutually agreed upon by the employee and management, for so long as the parties agree in writing.

Section 9.5. Job Sharing: If two employees in the same job classification and work site wish to job share one full-time position, they shall submit such a request in writing to their immediate supervisor. The immediate supervisor shall submit such request to the Precinct Commander, Division Chief, or Division Manager. The request shall be transmitted to the Department Director or Sheriff/Director. The Department Director or Sheriff shall have ninety (90) days from the date he/she receives the request to review the request and either approve or deny the request for job sharing. Employees who job share one full-time position shall receive pro-rata benefits except medical benefits shall be granted on the same basis as other half-time County employees. In the event that one of the job-sharing employees terminates his/her employment (voluntarily or involuntarily), the County shall have the following options:

- A. No change to the situation, allowing a half-time position to continue.
- **B.** Fill the vacant half-time position with temporary help.
- C. Expand the half-time position to a full-time position, as long as the employee is given sixty (60) calendar days notice of the employer's intent to so expand.

ARTICLE 10: MEDICAL, DENTAL & LIFE INSURANCE

Group medical, dental and life insurance programs will be maintained in accordance with Article 25 of the MLA.

ARTICLE 11: MISCELLANEOUS

Section 11.1. Leave of Absence for Union Employment: MLA Provisions in Article 22 regarding Union Leave shall not apply to this bargaining unit. An employee elected or appointed to office in a local of the signatory organization which requires a part or all of his/her time shall be given leave of absence up to one (1) year without pay upon application.

Section 11.2. Mileage Reimbursement: Is pursuant to Article 24 of the MLA.

Section 11.3. Access to Premises: The Employer administration shall afford Union representatives a reasonable amount of time while on on-duty status to consult with appropriate management officials and/or aggrieved employees, provided that the Union representative and/or aggrieved employees contact their immediate supervisors, indicate the general nature of the business to be conducted, request necessary time without undue interference with assignment duties. Time spent on such activities shall be recorded by the Union representative on a time sheet provided by the supervisor. Union representatives shall guard against use of excessive time in handling such responsibilities.

Section 11.4. *Loss of Personal Effects:* Employees who suffer a loss or damage, in the line of duty, to personal property and/or clothing worn on the body, will have same repaired or replaced at department expense, not to exceed \$150.00.

Section 11.5. *Mandatory Higher Education:* Employees who are required to obtain additional formal education beyond that initially required for employment shall be allowed time off from work with pay to attend classes/seminars with scheduling approval of same at the sole discretion of management.

Section 11.6. Jury Duty: Working conditions in MLA in Article 5 regarding Jury Duty shall not apply to this bargaining unit. An employee required by law to serve on jury duty shall continue to receive his/her salary and shall be relieved of regular duties and assigned to day shift for the period of time necessary for such assignment. If they have four hours or more left on their shift at the completion of the jury duty assignment for the day, they shall report to their work location and complete the day shift. Once the employee is released for the day, or more than one day, then he/she is required to contact the supervisor who will determine if he/she is required to report for duty,

provided however such release time is prior to 1:00 p.m. If an employee is released after 1:00 p.m. he/she shall not be required to report for work on that particular day.

The fees, exclusive of mileage, paid by the Court for jury duty shall be forwarded to the Comptroller. The employer may request verification of jury duty service.

When an employee is notified to serve on jury duty, he/she will inform his/her immediate supervisor as soon as possible, but not later than two (2) weeks in advance, regarding the dates of absence from regular duties. The supervisor will ensure that the employee is relieved of regular duties a minimum of twelve (12) hours prior to the time of reporting for jury duty.

When the employee is dismissed from jury duty (completion of jury duty assignment) the employee is required to contact his/her supervisor immediately. The supervisor will instruct the employee when to report to work, PROVIDED: there must be a minimum of twelve (12) hours between the time the employee is dismissed from jury duty and the time he/she must report for regular duties.

Section 11.7. Bus passes: Are pursuant to Article 38 of the MLA.

Section 11.8. *Essential Personnel:* The Sheriff's Office has reviewed its policies with respect to employees considered essential personnel, with the goal of including as few non-commissioned employees as reasonably necessary to meet the needs of King County and the Sheriff's Office.

Section 11.9. *Promotional Opportunities:* MLA Provisions in Article 18 regarding Job Postings shall not apply to this bargaining unit. Bargaining unit members may apply for promotional opportunities within the KCSO. If after applicable Civil Service and County testing, there is no bargaining unit member within the top-scoring pool of applicants to be considered under the County's application of the relevant Civil Service rules, then the highest scoring bargaining unit member on the civil service list shall be added to the pool of applicants eligible for consideration. Should there be a tie for highest score in that situation, the most senior member shall be placed in the pool.

Section 11.10. Lateral Transfers: As outlined in the General Orders Manual (GOM), prior to the initiation of any selection process to fill a vacant bargaining unit position, regular employees of

the bargaining unit, whose classification is the same as that of the vacant position, shall be given the opportunity to submit an application for transfer to be considered for the vacant position.

Section 11.11. Annual Performance Evaluations and Appeal: If an employee challenges the fairness or accuracy of their annual performance evaluation, the evaluation may be appealed by the employee in writing within ten (10) business days of the employee's receipt of such evaluation. It will then be discussed/reviewed between the supervisor and reviewer. If a suitable solution cannot be reached, the employee may appeal to the Section Commander/Manager of the unit. The employee may appeal the Commander/Manager's decision to the third step of the appeal process. At each step of the process, the employee shall have ten (10) business days in which to appeal to the next step in writing (from the date of receipt of the decision, or expiration of the timeframe). The Supervisor and Commander/Manager review should result in a written determination within ten (10) days of receiving the issue, or the employee may appeal to the next step.

The third and final step in the appeal process is a hearing before a panel of three that includes: A

department representative, labor representative, and a representative from the King County Office of

See Addendum I.

Alternative Dispute Resolution.

ARTICLE 12: GRIEVANCE PROCEDURE

MLA Provisions in Articles 26 and 27 regarding Grievance Procedure and Discipline and Sunset Clause shall not apply to this bargaining unit. King County recognizes the importance and desirability of settling grievances promptly and fairly in the interest of continued good employee relations and morale and to this end the following procedure is outlined. To accomplish this, every effort will be made to settle grievances at the lowest possible level of supervision.

Employees will be unimpeded and free from restraint, interference, coercion, discrimination or reprisal in seeking adjudication of their grievances.

Section 12.1. *Definition:* Grievance - An issue raised by a party to this Agreement relating to the interpretation of his/her rights, benefits, or conditions of employment as contained in this Agreement, except that verbal or written reprimands are not subject to Step 4 of the grievance procedure outlined in this Agreement.

__

Procedure

Step 1 - Immediate Supervisor: A grievance shall be presented by the aggrieved employee, or his/her representative if the employee wishes, on a Union grievance form within 14 calendar days of the act or omission giving rise to the grievance, to the employee's immediate supervisor.

The grievance must:

- A. fully describe the alleged violation and how the employee was adversely affected;
- B. set forth the section(s) of the Agreement which have been allegedly violated; and
- C. specify the remedy or solution being sought by the employee filing the grievance.

The supervisor or administrator shall gain all relevant facts and shall attempt to adjust the matter and notify the employee within ten (10) calendar days. If a grievance is not pursued to the next level within ten (10) calendar days, it shall be presumed resolved.

Step 2 - Section Commander: If, after thorough discussion with the immediate supervisor or administrator, the grievance has not been satisfactorily resolved, the Union shall present the grievance to the Section Commander for investigation, discussion and written reply. The Section Commander shall make his/her written decision available to the aggrieved employee within fourteen (14) calendar days. If the grievance is not pursued to the next higher level within ten (10) calendar days, it shall be presumed resolved.

Step 3 - Section Chief/Office of Labor Relations (OLR): If, after thorough evaluation, the decision of the Section Commander has not resolved the grievance to the satisfaction of the employee, the Union may present the grievance to the Section Chief. The Chief in consultation with OLR will determine whether the grievance relates to a working condition (KCSO) or wage or benefit (OLR), and the appropriate agency shall review and respond to the grievance. All letters, memoranda and other written materials previously submitted to lower levels of supervision shall be made available for the review and consideration at this level. The Chief/OLR may interview the employee and/or his/her representative and receive any additional related evidence which he/she may deem pertinent to the grievance. The Chief/OLR shall make his/her written decision available within fourteen (14) calendar days. If the grievance is not pursued to the next higher level within ten (10) calendar days, it shall be presumed resolved.

By mutual agreement, the parties may call in a mediator to attempt to resolve the dispute. The parties shall jointly select the mediator who will hear both sides of the dispute and attempt to bring the parties to an agreement. The mediator may not bind the parties to any agreement, as mediation is a voluntary process. Parties are encouraged to participate in good faith mediation and nothing the mediator says shall be admissible in an arbitration.

All employer grievances shall be initiated at Step 3 of this procedure.

Step 4 - Arbitration: Either the County or the Union may request arbitration within thirty (30) days of the issuance of the Step 3 decision, and the party requesting arbitration must at that time specify the exact question which it wishes arbitrated. The parties shall then select a third disinterested party to serve as an arbitrator. In the event that the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected from a panel of seven arbitrators furnished by the American Arbitration Association or the Federal Mediation and Conciliation Service, PERC, or by another agency if the parties mutually agree. The arbitrator will be selected from the list by both the County representative and the Union, each alternately striking a name from the list until one name remains. The arbitrator, under voluntary labor arbitration rules of the Association, shall be asked to render a decision promptly and the decision of the arbitrator shall be final and binding on both parties.

The arbitrator shall have no power to change, alter, detract from or add to the provisions of this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement in reaching a decision.

The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne equally by both parties. Each party shall bear the cost of any witnesses appearing on that party's behalf. Regardless of the outcome, each party is responsible for their own attorney and representation fees.

No matter may be arbitrated which the County by law has no authority over, has no authority to change, or has been delegated to any civil service commission or personnel board.

There shall be no strikes, cessation of work or lockout during such conferences or arbitration. Time restrictions may be waived in writing by consent of both parties.

Section 12.2. *Multiple Procedures:* If employees have access to multiple procedures for adjudicating grievances, then selection by the employee of one procedure will preclude access to other procedures; selection is to be made no later than at the conclusion of Step 2 of this grievance procedure.

Section 12.3. Just Cause/Progressive Discipline: No employee may be discharged, suspended without pay, or disciplined in any way except for just cause. In addition, the County will employ the concept of progressive discipline in appropriate cases. The County's policy is that discipline is corrective, rather than punitive in nature. It is understood that there may be egregious cases that may result in discharge, disciplinary transfer, or other disciplinary action that do not require corrective action.

Written reprimands may not be used for purposes of progressive discipline once three (3) years have passed from the date the reprimand was issued, and the employer has documented no similar problems with the employee during this three (3) year time period. In those instances where disciplinary action is based on reasonable evidence of the commission of a crime, or the proposed discipline involves suspension or termination of the employee, the grievance procedure will begin at Step 3.

Section 12.4. Appearing at Civil Service, PERC, and Arbitration Hearings: Employees who are directly involved with proceedings as described above may be allowed to attend without loss of pay provided prior permission is granted by the Employer or his/her designee.

Section 12.5. *Probationary Period:* All newly hired and promoted employees must serve a probationary period as defined in RCW 41.14 and Civil Service Rules. To the extent permitted by law, the probationary period shall be automatically extended for any absence from work, or any period during which the employee cannot perform the essential functions of the job, that extends longer than ten (10) work days. As the above specify that the probationary period is an extension of the hiring process, the provisions of this Article will not apply to employees if they are discharged during their initial probationary period, or are demoted during the promotional probationary period for performance related issues. Grievances brought by probationary employees involving issues other than discharge or demotion may be processed in accordance with this Article.

Section 12.6. *Union Concurrence:* Inasmuch as this is an agreement between the County and the Union, no individual may, without Union concurrence, make use of the provisions of this Article.

ARTICLE 13: BULLETIN BOARDS

Use of Bulletin Boards and Electronic Devices will be in accordance with Article 23 of the MLA.

ARTICLE 14: NON-DISCRIMINATION

The Employer or the Union shall not unlawfully discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment because of race, color, religion or religious affiliation, national origin, ancestry, sexual orientation, gender identity or expression, age, sex, honorably discharged veteran or military status, or any disability.

The parties agree that personnel actions may be taken to accommodate disabilities, as may be required under the Americans with Disabilities Act (ADA), and that such an accommodation under the ADA shall take precedence over any conflicting provisions of this agreement.

Grievances under this Article may proceed through Step 4 only and may not go to arbitration. The employee's right to file a complaint with an administrative agency under the appropriate County, State, or Federal law is not limited by this Article but such rights are subject to the appropriate statutes of limitations contained in such laws.

ARTICLE 15: SAVINGS CLAUSE

Article 30 Savings Clause in the MLA applies also to this Appendix and its Addenda.

ARTICLE 16: WORK STOPPAGES AND EMPLOYER PROTECTION

Section 16.1. No Work Stoppages: The employer and the signatory organization agree that the public interest requires efficient and uninterrupted performance of all County services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective.

Specifically, the signatory organization shall not cause or condone any work stoppage, including any strike, slowdown, or refusal to perform any customarily assigned duties, sick leave absence which is not bona fide, or other interference with County functions by employees under this agreement and should same occur, the signatory organization agrees to take appropriate steps to end such

interference. Any concerted action by any employees in any bargaining unit shall be deemed a work stoppage if any of the above activities have occurred.

Section 16.2. *Union Responsibilities:* Upon notification in writing by the County to the signatory organization that any of its members are engaged in a work stoppage, the signatory organization shall immediately, in writing, order such members to immediately cease engaging in such work stoppage and provide the County with a copy of such order. In addition, if requested by the County, a responsible official of the signatory organization shall publicly order such signatory organization employees to cease engaging in such a work stoppage.

Section 16.3. *Disciplinary Action:* Any employee who commits any act prohibited in this article will be subject to the following action or penalties:

- 1. Discharge.
- 2. Suspension or other disciplinary action as may be applicable to such employee.

ARTICLE 17: WAIVER CLAUSE

The parties acknowledge that each has had the unlimited right within the law and the opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right and opportunity are set forth in this agreement. Therefore, the County and the signatory organization, for the duration of this agreement, each agree to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or covered by this Agreement.

The parties agree that in the event they enter into memoranda of understanding during the life of this agreement, such agreements are binding when signed by authorized representatives of the parties and subject to each party's ratification process required.

ARTICLE 18: REDUCTION-IN-FORCE

Section 18.1. Layoff Procedure: Employees laid off as a result of a reduction in force shall be laid off according to inverse seniority within the classification, with the employee with the least time being the first to be laid off. In the event there are two (2) or more employees eligible for layoff within the Department with the same classification seniority, the Department head will determine the order of layoff based on employee performance, PROVIDED: no regular or probationary employee

shall be laid off while there are temporary employees serving in the class or position for which the regular or probationary employee is eligible and available. Each employee will have an adjusted service date based on their length of service within their classification and Department.

Section 18.2. Reversion to Previously Held Positions: In lieu of layoff, a regular or probationary employee may on the basis of classification seniority, bump the least senior employee in any lower level position (within the department and bargaining unit) formerly held by the employee designated for layoff, provided that the employee exercising his/her right to bump has more seniority in the classification than the employee who is being bumped.

Section 18.3. *Re-Employment List:* The names of laid off employees will be placed in order of layoff (with the employees with the most seniority as defined above placed at the top of the list) on a Re-employment List for the classification previously occupied. The Re-employment List will remain in effect for a maximum of two (2) years or until all laid off employees are rehired, whichever occurs first.

ARTICLE 19: CIVILIAN REVIEW

The King County Office of Law Enforcement Oversight (OLEO) will provide a professional presence to help ensure a quality investigation in real time, and visible, independent oversight to reassure the public

Section 19.1. The OLEO will actively monitor all KCSO internal investigations. In addition, OLEO may monitor any incidents involving an officer's use of force, and Critical Incidents. Critical Incidents include the use of deadly force, officer-involved shootings, uses of force (including intentional use of a vehicle) or vehicular pursuits resulting in death or injury requiring hospitalization, and in-custody deaths.

Section 19.2. The OLEO may receive complaints from any complaining party, including, without limitation, citizens or employees of KCSO. The OLEO will forward all complaints to the Internal Investigations Unit (IIU) for processing and, when appropriate, investigation. The OLEO will not conduct independent disciplinary investigations, but may participate in interviews as provided herein.

Section 19.3. OLEO staff shall be timely notified of and have the opportunity to attend

Public Safety Employees Union - Non-Commissioned Professional Employees - Supervisory - King County Sheriff's Office January 1, 2018 through December 31, 2020 464MLAC0117

scenes of Critical Incidents requiring call out of the Criminal Investigations Division (CID) and the administrative investigation team. OLEO staff shall be stationed at the Command Post and interact with the administrative team as liaison with the CID. After the initial investigation is complete and scene secured, a representative from the CID will escort the OLEO representative through the scene.

Section 19.4. OLEO staff shall have the opportunity to attend shooting review or use of force review boards as a non-voting member. If a driving review board involves a Critical Incident, OLEO staff may attend such review boards as a non-voting member.

Section 19.5. The OLEO will have the opportunity to make a recommendation for mediation to the Sheriff, prior to investigation, except in cases of complaints of serious matters (complaints that could lead to suspension, demotion or discharge). In the event KCSO, the complainant and the officer all agree to mediation, that process will be utilized rather than sending the matter on for investigation. Assuming the officer participates in good faith during the mediation process, the officer will not be subject to discipline and the complaint will be administratively dismissed. Good faith means that the officer listens and considers the issues raised by the complainant, and acts and responds appropriately. Agreement with either the complainant or the mediator is not a requirement of good faith. In the event an agreement to mediate is reached and the complainant thereafter refuses to participate, the officer will be considered to have participated in good faith. Moreover, any records related to mediation (other than a mediation settlement agreement) shall not be admissible in any proceeding except to enforce this section. The parties agree that "serious" matters are not eligible for this mediation option.

Section 19.6. IIU will notify the OLEO of all administrative interviews on all complaints of a serious matter (complaints that could lead to suspension, demotion or discharge) and all complaints originating at the OLEO. A single OLEO representative from the OLEO may attend and observe interviews, and will be given the opportunity to ask questions that are within the scope of permissible investigative questioning after the completion of questioning by KCSO. The OLEO will not participate in criminal investigations of KCSO employees in any way.

Section 19.7. Upon completion of internal investigations, IIU will forward a complete copy of the case file to the OLEO for review. The OLEO will determine, in writing, whether the

investigation was thorough and objective in the opinion of the Director of the OLEO.

Section 19.8. As a part of the review process, the Director of the OLEO may believe that additional investigation is needed on issues he/she deems material to the outcome. If there is any dispute between the assigned investigator(s) and the OLEO regarding the necessity, practicality or materiality of the requested additional investigation, the IIU Commander will determine whether additional investigation will be undertaken. If the OLEO is not satisfied with the determination of the IIU Commander, the matter will be submitted to the King County Sheriff, for review. If the Director of the OLEO is not satisfied with the determination of the Sheriff, the matter will be resolved by the King County Executive, whose decision will be final. Once the matter has been referred to and resolved by the Executive, the investigation will be completed consistent with the determination by the Executive. After completion of the additional investigation, or the conclusion that no further investigation will be undertaken, the OLEO will then certify whether or not, in the opinion of the Director of the OLEO, the internal investigation was thorough and objective. This determination will be made within five (5) business days. Once the above finding is entered in the investigation, the OLEO will not be involved further in the processing of that case except as provided herein.

Section 19.9. All final disciplinary decisions will be made by the Sheriff.

Section 19.10. Reopener: The parties agree to reopen this Article to bargain the decisions and/or effects following ratification of the King County Police Office Guild (KCPOG) collective bargaining agreement on OLEO with a term date starting in 2017.

ADDENDUM B

STEP PROGRESSION

1. All step increases are based upon a satisfactory or higher performance rating. Merit pay above top step is in accordance with the County's Performance Appraisal and Merit Pay System Manual (Merit Plan), as amended.

- 2. Employees covered by this CBA who start at Step 1, shall automatically (consistent with other provisions of this CBA and the wage chart attached) advance from Step 1 to Step 2 upon completion of six (6) months of service regardless of the length of probation. Thereafter, the employee will receive a step increase according to the wage addendum based on a satisfactory or higher performance rating until they have reached the top step of their range, and are eligible for merit pay in accordance with the Merit Plan. The KCSO has the right to place employees on probation for a period of up to one (1) year.
- 3. Satisfactory performance shall mean overall rating of "Meets Standards" or "Exceeds Standards" on the employee performance evaluation utilized by the KCSO.
- **4.** If the performance of the employee is rated "Unsatisfactory" or "Improvement Needed" on any factor or overall rating, specific facts on which the rating is based must be provided; such facts shall include time, place and frequency of unacceptable performance.
- 5. The employee, if denied a step increase, shall be placed on either monthly or quarterly evaluations and at such time that the employee's performance becomes "Satisfactory" or higher, the employee shall receive the previously denied step increase the first of the month following attaining a "Satisfactory" or higher evaluation. The date on which an employee would be entitled to a future step increase will not be affected by the above action.
- 6. Term-Limited Temporary Employees shall also automatically advance through the steps of their salary range. Temporaries shall not receive step increases. Term-limited temporary and temporary employees are employed at will and are not subject to the just cause requirement under the CBA.
 - 7. New Career Service or Civil Service employees, who have relevant experience as either a

term-limited temporary or temporary employee with the County in the same classification to which they are hired, should be given appropriate credit for such prior service with respect to step placement. 8. The parties agree that the County has discretion to place employees with or without prior County service in a classification at the step the County believes is appropriate, consistent with other CBA provisions and County rules. This applies whether the employee is a new employee, a lateral hire, a new Civil Service or Career Service employee, a transferred or a promoted employee. Where the standard work week falls between thirty-five (35) and forty (40), the Director, in consultation with the Department, is responsible for determining what hour threshold will apply.

4. Temporary Position:

"Temporary Position" means a position which is not a regular position as defined in this Addendum and excludes administrative intern. Temporary positions include both term-limited temporary positions as defined in this Addendum and short-term (normally less than six months) temporary positions in which a temporary employee works less than nine hundred ten (910) hours in a calendar year in a work unit in which a thirty-five (35) hour work week is standard or less than one thousand forty (1,040) hours in a calendar year in a work unit in which a forty-hour work week is standard. The director shall maintain a current list of all term-limited temporary employees by department.

ADDENDUM D

OUT-OF-CLASS WORK

- 1. King County retains the right (as negotiated between the parties) to transfer or assign employees to higher classifications and equal classifications, as long as the conditions of Article 7 Section 3 are met.
- 2. Whether an out-of-class assignment is defined as an assignment to a higher, lower or lateral classification depends solely on the pay for those classifications.
- **3.** King County also retains the right (as negotiated between the parties) to transfer or assign employees to lower classifications as long as the following conditions are met:
- **a.** An employee so assigned shall continue to be paid according to the wage scale assigned to his/her regular classification for the duration of the lower classification assignment.
- **b.** The Department is responsible for seeing that all employees are adequately trained and are qualified to perform the work they are required to perform.
- c. The Department recognizes that there is a limit as to the number of job duties one employee can perform satisfactorily in a given period of time. It is not the intent of the Department to require one employee to complete each and every duty of two full-time jobs at one time. When an employee is asked to temporarily perform the duties of another classification both the department and the employee have the duty to keep the other informed of work assignment priorities and completion dates.
- d. When out-of-class work is available due to the absence of a regular employee or some other reason, the precinct will notify employees (through a posting at the precinct where the work is located, or posting in the G.I.B., or through any other forum the department selects), and will consider employees who volunteer for this assignment. If the Department determines that there are no qualified volunteers available, the Department will select another qualified employee.
- e. Employees who are assigned to do lower class work will be assigned on a temporary basis, and shall not be used to permanently supplant employees in the lower classifications. Thus, such assignments will generally be of short duration, limited to no more than three (3) consecutive months per employee per instance, unless both King County and the Union agree to extend this time period in a particular case.
- f. The parties recognize that some employees wish to work out of class and some employees do not. The parties, through this agreement, have attempted to meet the concerns of employees, and the needs of the Department for adequate staffing and flexibility. The parties also recognize King County Civil Service Rules and expressly acknowledge that this Agreement takes precedence over any civil service rules.

ADDENDUM E

TRANSITION TO BIWEEKLY PAY

- 1. The County provided timely notice to the Union of its intent to implement a biweekly payroll schedule for employees represented by the Union who are currently paid on a semi-monthly schedule.
- 2. As provided for in the collective bargaining agreement, the County is entitled to implement a biweekly payroll schedule for employees represented by the Union. The affected employees are members of the Public Safety Employees Union.
- **3.** To assist the employees during the transition period, employees may elect to receive a transition paycheck in an amount equivalent to one (1) week of the requesting employee's base wage.
- 4. The transition paycheck will be a payment of earnings for time worked after the close of the pay period covered by the last semi-monthly paycheck. Employees who elect to receive the transition check must request it on the designated form by no later than the cut-off to be established for such designation.
- 5. Employees who elect to receive the transition check must designate a repayment schedule; the options are to refund the County in equal deductions from future paychecks over either three (3) months, six (6) months, or twelve (12) months, beginning with the second (2nd) biweekly paycheck.
- 6. If an employee separates from County service prior to returning the full transition check amount, the remaining amount will be due and payable on the last day of that employee's County employment. The remainder may be deducted from the employee's final paycheck. If the amount of the final paycheck is insufficient to recover the remainder of the funds advanced in the transition check, the amount may be deducted from the payoff of accrued vacation leave. If the final paycheck and vacation payout are insufficient, the employee will be required to agree to a repayment plan acceptable to the County.
- 7. The County agrees to provide briefings on the progress of the transition to Union representatives at least once a month in the three (3) months preceding the transition and to provide ongoing information to employees as the transition plan approaches implementation.
- **8.** The Union acknowledges that the County has fulfilled its obligation to bargain the effects of implementation of the biweekly pay with the execution of this Agreement.

ADDENDUM F

PAYMENT PRACTICES AND PAYROLL COMPLAINT PROCESS

- 1. Payment practice: For as long as the King County Sheriff's Office is paid on a semimonthly basis, the Union knowingly acknowledges that the County may reasonably pay as follows. Overtime pay, and holiday pay for hours worked on the 1st through the 15th will be paid by the 1st pay date of the following month and for hours worked from the 16th through the end of the month by the 2nd pay date of the following month. An employee who on the 1st through the 15th of a month submits a request for compensation in accordance with King County Sheriff's Office policies for "acting" pay will be paid his or her pay by the 1st pay date of the following month. If this request is submitted on the 16th through the end of the month, the pay will be paid on the 2nd pay date of the following month. This section shall not apply when there is a bona fide dispute as to the underlying pay.
- 2. Authorized Employee: Within 30 days following the effective date of an ordinance to appropriate funds for settlement of *Covey, et al v. King County*, King County Superior Court Cause No. 02-2-08317-0 SEA, the King County Sheriff's Office will designate an employee responsible for the investigation ("Authorized Employee") and resolution of employee complaints regarding the payment of wages. Written complaints will be submitted in accordance with King County Sheriff's Office policies. A response will be provided to the employee within ten (10) business days from the date the complaint is received by the Authorized Employee. If the employee complied with the King County Sheriff's Office policies regarding timely submission of his/her pay request, and timely resubmission as necessary, the Authorized Employee will award one hour of straight time pay for each incident of overtime that is paid one pay period beyond the date noted in Paragraph 1 above, and may issue an appropriate additional remedy for late payment beyond one pay period up to a total maximum amount equal to the underlying pay at issue. If the employee does not agree with the resolution of the complaint, the employee may, if within ten (10) business days of receipt of the response from the Authorized Employee, submit the issue to the Payroll Review Board.
- 3. The Payroll Review Board: The Payroll Review Board will consist of one KCSO Chief appointed by the Sheriff and one union representative from the bargaining unit representing the employee who filed the complaint. The Authorized Employee will present to the Payroll Review Board the facts relating to the complaint. If the Board finds that the employee complied with the King County Sheriff's Office policies regarding timely submission of his/her pay request, and timely resubmission as

necessary, the Board will award one hour of straight time pay for each incident of overtime that is paid one pay period beyond the date noted in Paragraph 1 above, if not previously awarded by the Authorized Employee, and may issue an appropriate additional remedy for late payment beyond one pay period, if not previously awarded by the Authorized Employee, up to a total maximum amount equal to the underlying pay at issue. The decision of the Payroll Review Board to alter the resolution determined by the Authorized Employee must be unanimous. A decision on each case presented to this Board must be issued within five (5) business days of the presentation by the Authorized Employee. The Authorized Employee will communicate the decision of the Board to the employee who filed the complaint. If the Payroll Review Board cannot reach a unanimous decision, the disputed claim may be presented to a mutually agreeable third person, who need not be an arbitrator, for a decision. If the Payroll Review Board is unable to agree on a third person, the winner of a coin toss will select the third person.

- **4.** The remedies afforded in paragraphs 2 and 3 do not apply if there is a bona fide dispute concerning the underlying pay.
- 5. Collective Bargaining Agreement: The Payroll Review Process is separate from and not subject to the grievance process outlined in the collective bargaining agreements covering the employees represented by the Union. Matters submitted to the Payroll Review Board may not be submitted to the collective bargaining agreement grievance process. Disputes arising out of the collective bargaining agreement, that meet the contractual definition of a "grievance", remain subject to the contractual grievance process.
- **6.** This agreement, along with the collective bargaining agreements as modified by this agreement, and relevant current MOUs modifying the collective bargaining agreement, constitute the full and complete agreement between the parties with respect to payment of wages in the KCSO, and a payroll dispute resolution process in the KCSO.

ADDENDUM G

SICK LEAVE AND OVERTIME

- 1. The King County Sheriff's Office has a longstanding past practice of including paid leave as "hours worked" for purposes of calculating hourly overtime compensation rates, but excluding paid sick leave from such calculation. The exclusion of sick leave in calculating this rate is mandated by the last sentence of Article 8 section 1 ("Actual hours worked" excludes all sick leave.)
- 2. Due to the payroll related difficulties of implementing this particular language with respect to the exclusion of sick leave from the overtime rate calculation, the parties agree to a temporary suspension of this language.
- 3. The effect of this temporary suspension is that the hourly overtime rate for members of this bargaining unit will assume "Actual hours worked" include paid sick leave.
- 4. This agreement does not constitute a change in contract language, but merely a temporary change in practice, or a suspension of the contract language in question. The "status quo," for purposes of collective bargaining, remains the current language found in Article 8 Section 1.

ADDENDUM H

5/2 – 5/3 WORK SCHEDULE IN DATA UNIT

Facts:

- 1. The average number of workdays per year in a 5/2-5/3 schedule is 243.3.
- 2. The average number of workdays in a normal 5/2 schedule with twelve (12) holidays is 260.7.
- 3. The differential of seventeen-point-four (17.4) days off is made up by including the ten (10) legal holidays and two (2) personal holidays into the 5/2-5/3 furlough schedule.
- **4.** After inclusion of these holidays there remains a differential of five-point-four (5.4) additional days off. This differential is recovered (made up) by requiring the affected employees to work the five (5) extra days during the calendar year as factored into their assigned shift/furlough schedule.

Article 9, Section 4 of the PSEU Non-Commissioned Professional Employees - Supervisory collective bargaining agreement (CBA) provides for agreements with respect to "alternative work schedules" "mutually agreed to" by the employee and management, "for so long as the parties agree, in writing". This Agreement is consistent with this provision.

The following terms apply to all agreements regarding alternative work schedules:

- 1. Management will clearly outline the hours the employee is expected to work.
- **2.** The alternative work schedule must not increase the need for overtime, and employee availability to work overtime must not be reduced.
 - 3. Vacation and sick leave shall be used on an hour for hour basis.
- **4.** Overtime continues to be paid after forty (40) hours in a week, consistent with the terms of the current CBA.
- 5. The employer may cancel the alternative work schedule arrangement and revert back to the traditional 5/2 schedule for any reason with thirty (30) calendar days written notice to the affected employee. The decision to take an employee off the alternative work schedule and put him/her back on a 5/2 schedule may not be grieved under Article 12 Grievance Procedure of the applicable CBA.
 - 6. The following terms apply to the experimental 5/2 5/3 schedule in the KCSO Data Unit:
- **a.** KCSO will put together a schedule consistent with the numbers outlined in Facts above.
- **b.** Holidays: The current CBA Article 4, sections 2 and 4, will not be applied to employees working a 5/2 5/3 schedule. The ten (10) legal holidays and two (2) floating holidays are included in the total number of furlough days of the 5/2 5/3 schedule and thus the current contractual provisions relating to holidays that fall on furlough and floating holidays do not apply. Holiday leave shall be applied to the employees working the 5/2 5/3 schedules in the following manner:

If holiday falls on a scheduled workday, the employee receives four (4) hours extra pay per employee.

If holiday falls on a scheduled furlough day, the employee receives zero hours extra pay per employee.

This Agreement is not intended to supplement Article 9, section 4 of the current CBA. It does not replace any provision of the current CBA.
